Revised 9/2020

### **Welcome to Mini 4-H!**

Mini 4-H. What is it about? Who can join? What can you do?

Mini 4-H is learning what 4-H is all about. Mini 4-H is exhibiting a project at the Cass County 4-H Fair. It is fun, its learning, its doing and feeling GREAT about doing it.

First, you must be in the First or Second grade at the time of enrollment and <u>enrolled in Mini 4-H</u> through your local 4-H Club. Projects range from Arts and Crafts to Wildlife and include livestock projects. Mini 4-Her's not participating in a livestock project will exhibit a simple, yet fun to learn project that will be exhibited in the 4-H Community Center during the fair.

The 4-H enrollment period (online or paper form) begins October 1. (If you are not familiar with the 4-H clubs in your area, please call the Extension Office for more information.) After that, your 4-H Club Leader will bring your Mini 4-H project manuals to your 4-H club meeting. Contact your 4-H Club Leader to find out when and where the clubs meetings are located.

If you are interested in a livestock project you can do that too. Mini 4-H livestock members MUST show a regular Cass County 4-H club members' animal; exception is the cat project. Ideally the 4-H member would involve them with the project as much as possible. Local leaders are encouraged to assist Mini members in finding families and 4-Her's willing to share their animal project. Mini 4-Her's are not eligible to sell an animal in the county 4-H auction and are not eligible to show in the Indiana State Fair 4-H Classes.

Mini 4-Her's are a part of the 4-H program and we welcome you to attend a local 4-H meeting and local or county workshops. Cass County has an annual event especially for Mini 4-H members (who are in 2<sup>nd</sup> grade); be sure to watch for the date on our Mini 4-H Day Camp!

To complete your mini project you must complete the appropriate record sheet and turn it in with your project on the Saturday that all projects are due. Mini livestock members are to turn in their records by Tuesday, noon of the 4-H Fair.

You may check with your local leader to find out more about special dates, times and rules. The Extension Office is also available to answer your questions between the hours of 8 a.m. and 4 p.m., Monday – Friday; just give us a call at 574-753-7750.

### Safety Policy for Mini/Exploring 4-H Members

(Cass County – 1<sup>st</sup> and 2<sup>nd</sup> graders)

The safety and well-being of our 4-H youth is of the utmost importance. Although kindergarten is specified as the time when a child may begin participation in some 4-H events and activities, parents are encouraged to take into consideration their child's physical and mental development before agreeing to let the child begin to show, work with, or care for animals. Each child matures at a different rate, and children in grades K-2 may still be too young to begin showing, working with, or caring for animals.

The Indiana 4-H Youth Program at Purdue University has agreed to allow Mini/Exploring 4-H members in grades K-2, to participate in NON-COMPETITIVE animal projects subject to certain conditions. Cass County has Mini 4-H for members in 1<sup>st</sup> and 2<sup>nd</sup> grades. These conditions are specified below.

"Mini/Exploring 4-H members, in grades K through 2 (Cass County – 1<sup>st</sup> and 2<sup>nd</sup> graders), will be allowed to show, work with, or care for animal projects after their parent or legal guardian has signed a liability release. Mini/Exploring 4-H members may independently show, work with, or care for animals that weigh 300 pounds or less. Mini/Exploring 4-H members may only show, work with, or care for animals over 300 pounds when they are assisted by a parent, legal guardian, or another adult designated in writing by parent or legal guardian." (*The word assisted means that the adult has control of the animal at all times.*)

Mini/Exploring 4-H members exhibiting horses must wear ASTM or SEI standard F1163 (or above) certified helmets whenever mounted. The parent/guardian is responsible to see that this specified headgear is properly fitted with the approved harness in place and fastened whenever a rider is mounted.

I understand that participating in 4-H activities can involve certain risks to my child. On behalf of my child I accept those risks. I hereby release and discharge Purdue University, The Trustees of Purdue University, the Cass County Commissioners, the Cass County Cooperative Extension Service, and each of their trustees, officers, appointees, agents, employees, and volunteers ("Released Parties") from all claims which my child or I might have for any injury or harm to my child, including death, arising out of my child's participation in a Mini/Exploring 4-H animal activity(ies)., even if such injury or harm is caused by any of the Released Parties. I do not however, release these individuals and entities from liability for intentional, willful or wanton acts and this release shall not be construed to include such acts.
