VETERINARY SCIENCE

(2023 State Project)

Description:

This project provides a hands-on learning experience that helps youth learn more about the Veterinary Science profession.

State Fair Entries:

3 per county; one per level.

Exhibit Guidelines:

All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed.

Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Display boards should be designed to sit on a table using no more than 36" of tabletop space. Space should be left in the lower right hand corner to place an **exhibit tag** provided by Purdue Extension staff.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

Exhibit Class Guidelines:

- **Beginner (grades 3-5)**

Create an educational poster, notebook or display about any veterinary science project book activity or on any veterinary science topic of choice that is age/grade appropriate.

- **Intermediate (grades 6-8)**

Create an educational poster, notebook or display about any veterinary science project book activity or on any veterinary science topic of choice that is age/grade appropriate.

- **Advanced (grades 9-12)**

Create an educational poster, notebook or display about any veterinary science project book activity or on any veterinary science topic of choice that is age/grade appropriate. Youth may also choose to develop a teaching aid, develop a project in conjunction with a veterinarian and present a report about that project and its findings, or another report of your choosing.

Clay County Requirement:

You will need to have a filled-out project record sheet to turn in with your project at judging.

General Record Sheet

PURDUE UNIVERSITY EXTENSION – 4-H YOUTH DEVELOPMENT
Agricultural Administration Building
615 West State Street, West Lafayette, IN, 47907
765-494-8435 - extension.purdue.edu/4h
