## CUSTOM RATES REPORT

The Center for Commercial Agriculture is collecting data to produce their Custom Rates report that is published each fall. If you have done any custom work, or had any customer work done, would you please fill out the survey so they can collect a large data set to generate this report from. Many producers utilize this report each year in many different facets of farming operations. Your help is greatly appreciated! You can fill out the survey Here:

Don't forget the Barn Bash Gala is coming up on January 21st, mark your calendars and plan to attend a fun evening. More information can be found on the attached flier.

This Gala is being brought to you by The Dunn Brothers Farm and will benefit Clinton County Purdue Extension and all their programming efforts. Join us at Dunn Brothers Farm (7970 E. 100 N. Frankfort, IN 46041) on January 21, 2023 for a chance to connect with Extension staff. Come dance the night away with friends, new and old, while helping raise funds for this hard-working non-profit organization.

The barn doors open at 6:30pm for an abundance of hors d'oeuvres, desserts, and cocktails! The silent auction tables will be open from 6:30-11pm while a live band sets the mood from 8-11pm. We are excited to be auctioning off some of our Extension staff to help raise funds for our FUND-A-NEED campaign at 7:30pm so come prepared to be the highest bidder!

We look forward to you sticking around until 11pm when the silent auction closes AND the GRAND PRIZE winner is selected before 11:30pm! This value is worth over \$500 and will be selected at random that night.
