

## 4-H is a Community for all Kids

In 4-H, we believe in the power of young people. We see that every child has valuable strengths and real influence to improve the world around us.

**What is 4-H?** 4-H is delivered by Cooperative Extension—a community of more than 100 public universities across the nation that provides experiences where young people learn by doing. For more than 100 years, 4-H has welcomed young people of all beliefs and backgrounds, giving kids a voice to express who they are and how they make their lives and communities better.

Through life-changing 4-H programs, nearly six million kids and teens have taken on critical societal issues, such as addressing community health inequities, engaging in civil discourse and advocating for equity and inclusion for all.

**Who is eligible to join 4-H?** All youth in grades 3-12 are eligible to join Indiana 4-H. Youth in grades K-2 are eligible to join Mini 4-H. To become a 4-H adult volunteer, connect with Purdue Extension Crawford County 4-H Youth Development Educators.

**What is the cost?** The state program fee is \$15 for 4-H. Mini 4-H is free in Crawford County.
