2021 Daviess Co. 4-H Show

Fair Entry Instructions

1. Go to Fairentry.com, at the top of the page you will need to click on 'Find My Fair'. On the next screen you can scroll down to find it listed under Indiana or do a search on 'Daviess'; choose our 4-H show.

2. Next you will want to Sign In with 4H Online. You will use the same log in information as you would for 4H Online.

3. You will need to **Register an Exhibitor**, next choose **Individual**, a box will appear and you will click the child that you want to start with, then click continue.
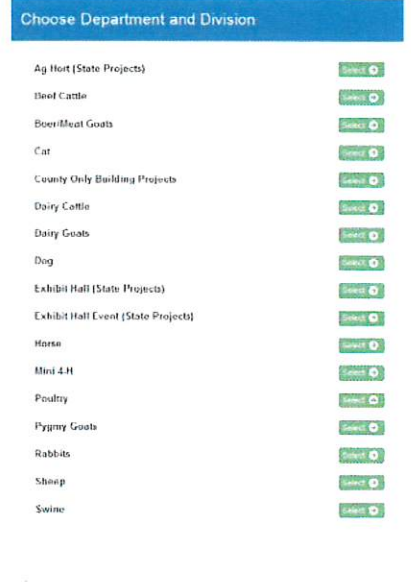

4. Click **Continue** on the next screen.

5. On the next screen all you need to do is verify that the information is correct about the child. Then click **Continue to Entries.**

6. Now you will start adding the Entries for that particular child. Click on 'Add an Entry next to their name.

7. The next step is to choose which department you need. Animals will be listed separately from building projects.

   a. For animals: Choose your specie, you will then choose for example: Swine Barrows or Swine Gilts, then click Select and then the Green CHOOSE box. Next select either Purebred or Crossbred, then your breed then click the Green CONTINUE box. Choose your club, then your breed then click the Green CONTINUE box. Next you will need to add the animal, click on the white box that says ADD AN ANIMAL. A smaller box will appear, choose the animal that you want based off of the identifier (ear notch, tattoo, tag, etc.), then click on Select animal. Click CONTINUE

   b. For all building projects if it is a County Only project then you will choose 'County ONLY Building Project' if the project is a State Fair Eligible project then it will be listed under the State Projects. Click on 'Select' next to the Department you want to go into, then click 'Select' for the project you want to make an Entry for. Click on the green 'Choose' button and then select the appropriate grade level and class that you will exhibit in and click on 'Select'. If all the information is correct, click 'Continue'.

   c. The next screen it will ask you to choose a club to associate with that particular project. Click on the correct club and then on 'Continue'.

   d. The next screen is "Optional" for photos. Since we are having an In-person fair, we should not need these. If things change and we can no longer do an in-person fair, we will open fair entry back up and ask you to upload pictures/files to this section. But for now, just click the green 'Continue' button.

8. If you need to add additional entries for the same 4-Her, then you will click on 'Add another Entry', click on 'change' to go to a different Department. If you need to switch 4-Her's then you can simply click on the 'Register another Exhibitor'.

What do you want to do next?

For ▬▬▬▬

⊕ Add another Entry

⊕ Register another Exhibitor

Everything looks good!

➤ Continue to Payment

9. If you are finished with all your entries click on 'Continue to Payment' button. There is no charge for fair entry, it is simply a formality of the program. You can click the 'Continue' button two more times and then hit the 'Submit' button to finish off the process. You may sign out at this point.

After you have submitted your entries your account will be locked until it is either approved or rejected by Sylvia at the Extension Office. If you go through the process and forgot to enter a project don't worry, as soon as Sylvia approves your entries it will open your account back up so that you can add the additional entries.

If you have put something in the wrong department or class, we can simply move it to the correct one. Just call the Extension Office and ask Sylvia for help.

For The Faie Entry Project Reference Guide, Please see the County Extension Website at.
