Monthly Tasks/Reminders

- Be sure to use the BCC when sending out notifications to 4-H Families and include your Resource Educator, Sthele Greybar, Anna Balas or Robert Kelly on those communications (i.e. meeting reminders, newsletters).
- Share with club members communications about upcoming events from the Extension Office.
- Make sure that anytime you print on materials with the clover and/or the 4-H name, that you get approval from the Extension Office.
- The Extension office needs at least 2 business days to process copies and other items before we can get them to you. It may be longer depending on the time of the year.
- All volunteers need to be up to date on paperwork and training before they can work with youth.
