

Friday 4-H Nugget

Greetings 4-H Community,

September is here! It is starting to feel a little bit like fall with the cooler temperatures and shorter days. Many clubs are celebrating this past year with their banquets. Fall is a great time to reflect on the year and think about how you can use what you have learned for a project this upcoming 4-H year.

This will be a shorter edition of the Friday 4-H Nugget but be sure to read over the information so you don't miss anything!

All the best,

Robby Kelly, Sthele Greybar, & Anna Balas
Extension Educators

4-H Club Scarecrow Contest

Calling all 4-H Clubs! This year you may have noticed that we didn't have our scarecrow contest during fair. We are moving it to this fall. We encourage all 4-H clubs to participate. [Entry forms](#) are due on September 13, 2021 to the office. This year they will be displayed from October 11 to November 1 near the quilt garden.

Project Revisions and Suggestions

We are starting to make plans for the next 4-H

program year!

If you have any revisions/suggestions to existing projects, or if you have ideas for new projects, please submit proposals via email to sgreybar@purdue.edu by October 1.

There will be a 4-H Project Review Committee meeting on Monday, October 4th to discuss all submissions. If you submit a proposal and would like to be a part of the discussion, please plan on attending that meeting.

COVID Planning

Please be sure to turn in your COVID forms to Robby Kelly for this upcoming year. All 4-H events on or off the fairgrounds will need to have them. If you need a copy of the form let us know.
