Indiana 4-H Youth Development Accomplishment Resumé Scholarship

Scholarship Purpose and Categories

The purpose of the 4-H Accomplishment Scholarship is to recognize youth who have excelled in life skills development through their 4-H activities and involvement. Categories include Animal Science – Meat and Milk Production; Animal Science – Companion and Small Animal Production; Citizenship; Communications; Engineering and Technological Science; Healthy Living, Food, and Nutrition Science; Leadership Development; and Plant and Environmental Science. Three additional categories are reserved for applicants demonstrating life skills development in more than one of the previously listed categories. Those are Premier Achievement, Premier Citizenship, and Premier Leadership.

Awards

A minimum of thirty \$1,000 scholarships will be awarded to youth based on their demonstration of life skills development in these eight (8) categories:

Animal Science – Meat and Milk Production	Communications	Leadership Development
Animal Science – Companion and Small Animal Production	Engineering and Technological Science	Plant and Environmental Science
Animal Production		
Citizenship	Healthy Living, Food, and Nutrition Science	

A minimum of two scholarships will be awarded in each of these eight categories (sixteen total awards) with the remaining fourteen scholarship awards distributed based on the percentage of applications for each category.

A minimum of one \$2,000 scholarship, with a silver tray, will be awarded in each of these categories; Premier Achievement, Premier Citizenship, and Premier Leadership.

Additional scholarships may be awarded depending on sponsorship availability. The number of scholarships awarded in each category may be adjusted to meet special criteria of a particular sponsor.

Scholarships are awarded one time and are not renewable.

Eligibility

Applicants must be in grade 10, 11, 12, or their first year immediately following 4-H enrollment eligibility at the time applications are due. While an applicant does not have to be a current 4-H member, they must demonstrate multiple years of involvement in Indiana’s 4-H Youth Development Program.

Youth who have previously been awarded a \$1,000 accomplishment scholarship are only eligible to compete in the Premier Achievement, Premier Citizenship, and Premier Leadership categories.

Youth who have previously been awarded a \$2,000 scholarship are no longer eligible to compete in any category.

How to Apply

Submit a 1-page cover letter, a 1- to 2-page life skills resumé related to that category, and a demographic/application page. Minimum font size of 10 is to be used on the cover letter and life skills resumé.

Completed applications are due January 15 and must be submitted electronically in PDF format through 4HOnline or delivered to the County Extension Office on an electronic storage media device (flash drive, etc.). A number of free PDF converters are available on the internet. The local Purdue Extension Office can also convert documents to PDF format. **The required information for each completed application is to be included in one (1) electronic file.**

Applicants who are in their first year immediately following 4-H enrollment will need to have their county educator establish a “contact” account in 4HOnline.

Each applicant may enter a maximum of 3 categories as defined in this packet. Applicants must demonstrate how their involvement in Indiana 4-H Youth Development subject matter and events/activities helped develop life skills in that specific category; thus, a single application cannot be used to enter multiple categories.

Finalists to be interviewed in each category will be selected by the scholarship committee. Only youth completing the interview process will be eligible to receive a scholarship award. Interviews will occur on a Saturday in March.

Judging Criteria

Each application will be evaluated based on the quality and substance of the cover letter and how well the life skills resumé demonstrates life skills development in that particular category based on the applicant's Indiana 4-H Youth Development experiences.

Notification

Finalist will be notified by March 1 or before as to details for the interview at Purdue University. Interviews will be approximately ten minutes in length and will be scheduled from 10:00 am – 4:00 pm. Winners will be notified approximately 2-3 weeks following their interview.

Interview Judging Criteria

Each finalist will present a 2-3 minute speech to a panel of judges highlighting the life skills gained in 4-H and how those life skills will be used in their future, including a career. The speech will be followed by 4-7 minutes of questioning by the panel of judges. Interviewees will be evaluated based on the quality and delivery of the speech as well as their ability to answer questions and defend points made in their speech.

Winner's Personal Photograph

A photo will be requested of each winner. This photo will be used for publicity purposes by Purdue Extension, Indiana 4-H Youth Development, and the Indiana 4-H Foundation. Photos may also be shared with scholarship sponsors. Photographs are to be delivered to the State 4-H Office by May 1st.

Scholarship Recognition

Winners and their sponsor will be recognized during a luncheon at Indiana 4-H Congress.

Receipt of Money

Money may be requested upon completing one term of post-secondary education. Proof of this must be shown in the form of school grade report or completion certificate. Checks will be made payable directly to the university. Scholarship funds coming from Purdue University accounts will be transferred to the student's account with the Purdue Bursar's office. Scholarship claim forms are mailed from the State 4-H Office in early December.

Indiana 4-H Accomplishment Scholarship Categories

It is important to understand that an application may fit in multiple categories and the applicant is responsible for declaring on the demographics/application page the scholarship category to be judged. Life skills are developed when youth engage in a variety of youth development experiences over multiple years. Demonstration of life skills development needs to be appropriate for each category application. Below is a list of categories with subject matter areas and activities/events youth might likely have engaged during their involvement in Indiana's 4-H Youth Development program. Items in regular text are 4-H project/subject matter areas and those in *italic text* are events designed to provide supplemental activities that help youth develop life skills. One should note these are non-limiting lists as many 4-H subject matter areas and activities/events are multi-disciplinary.

Each applicant may enter a maximum of 3 of the 11 categories defined below. Applicants must demonstrate how their involvement in Indiana 4-H Youth Development subject matter and events/activities helped develop life skills in that specific category; thus, a single application cannot be used to enter multiple categories.

Indiana 4-H Accomplishment Scholarship Selection Committee
Purdue Extension
4-H Youth Development Department
615 W. State St.
West Lafayette, IN 47907

Dear Scholarship Selection Committee,

The first paragraph should be used to introduce the applicant to the reader. Remember, the reader does not know the author and knows nothing about him/her. This is also a good place to provide a very brief and concise overview of the author's 4-H involvement and experiences. A highlight might include number of years in 4-H, number of subject matter areas/projects completed, 4-H club involvement, out-of-county experiences, etc.

The next two or three paragraphs should be devoted to summarizing and highlighting two or three life skills demonstrated in the résumé. Applicants may consider drawing attention to each life skill by formatting it in bold, italics, or underline. This should be written in a manner which the author is having a conversation with the reader.

The final paragraph is a way to inform the reader how the applicant has benefited from their involvement in 4-H and how the life skills they've developed through 4-H will be used as an adult in their career and community. It is also good to thank the reader for taking time to evaluate the application.

Sincerely,
Signature of applicant
Name of applicant

Note: The cover letter is to be no more than one (1) page.
