

Friday 4-H Nugget

Greetings 4-H Community,

March always brings the buzz of basketball especially here in the state of Indiana! Boiler Up! There are many activities happening right now and great experiences that our 4-H members can dive into.

We are sure that many of you have been participating in club meetings (in person or virtually) and working on your 4-H projects. One of our local 4-H clubs, 4-H City Farmers is assisting with a gardening seed drive for Church Community Services. Be sure to check out how you too can participate.

All the best,

Robby Kelly, Sthele Greybar, & Anna Balas
