

4-H Pledge

I pledge my HEAD to clearer thinking,
My HEART to greater loyalty,
My HANDS to greater service,
And my HEALTH to better living
For my club, my community,
my country, and my world.

What do the four H's stand for?

Head

4-H gives you the opportunity to think and learn about new and exciting things.

Heart

4-H encourages positive relationships between you, your peers, adults and your community.

Hands

4-H focuses on hands-on learning and serving.

Health

4-H helps you learn about making choices for a healthy lifestyle.

What is 4-H?

4-H is the only federally authorized youth organization and the largest youth serving organization in the country. It is volunteer-led, reaching youth through a variety of programs in both urban and rural settings. 4-H provides fun, educational opportunities at local, state, national, and international levels. 4-H programs are hands-on, age-appropriate, and university-based. 4-H helps youth improve their self-confidence, learn subject matter, and develop important skills including leadership, citizenship, communication, and decision-making that can be applied over a lifetime.

The exciting thing about 4-H is there is *something for everyone!* Enrollment is now underway

equal access/affirmative action institution.*

Who can be in 4-H?

Floyd County offers 4-H opportunities for Kindergarten through high school. Members may take as many as many projects as they feel they can complete in the current year. No animal? No problem!

Mini 4-H

Mini 4-H is for youth in Kindergarten through 2nd grade. It introduces youth and their families to the 4-H program in a relaxed, non-competitive format. Mini 4-H members may attend club meetings but do not have to be in a club. This is an excellent way for youth to learn by doing and exhibit projects at the fair. Mini 4-H members will also have the opportunity to attend workshops.

Mini 4-H Projects Offered

- | | |
|------------------|--------------------|
| Bicycle | Gardening |
| Bugs | Horse & Pony |

| Wildlife | |

4-H

You may become a 4-H member when you enter the third grade or any grade higher and continue your membership through completion of your Senior year of high school. You may be a member for a maximum of ten years.

How do I enroll?

Enrollment is done annually online at <https://v2.4honline.com> or by paper form through the Purdue Extension Floyd County Office, Membership is valid October 1– September 30.

How do I find a 4-H Club?

After enrolling in 4-H, you can choose to join the club that best fits your interests, activities, and schedule. You may also be in your school's 4-H club or a classroom club. A list of clubs is available through our website Youth Tab or the Extension Office. A 4-Her may choose to be in multiple clubs.

Does it cost to join 4-H?

The yearly 4-H fee is \$5 for grades K-2 and \$20 for grades 3-12. The best way to pay the fee is by credit card with online enrollment or if you prefer pay with cash or check at the Extension Office. There could be a nominal charge for some of the 4-H project manuals that 4-Hers may choose to purchase. However, some are free downloads found on <https://extension.purdue.edu/4h/Pages/projects>. Some Clubs also have annual membership dues.

4-H Projects Offered

Choose at least one.
