Thank you for contributing to the positive
development of the youth in Fountain
County. The Fountain County 4-H Fundraising
Committee, 4-H Council, and 4-H Fairgrounds

Foundation would like to thank all of the
businesses and individuals who have so
very generously donated to our fundraising
campaign. These donations were applied
towards our annual budget expenditures

(utilities, insurance, awards, postage, printing,
etc.), as well as contributions towards Fountain

County youth activities such as Round-Up,
4-H Camp, 4-H Academy, State 4-H Band
& leadership workshops. We were also able

to add to our "seed fund" towards long
term maintenance and improvement of our
fairgrounds. With the help of adult volunteers

and through generous donations, these
4-H members will continue to use all the
knowledge and skills they learn. Contact your
livestock superintendent for updates.
