

Forestry Project Level 1 Record Sheet Grades 3-5

Name _____

Years in 4-H _____ Years in this project (including this year) _____

List the activities that you completed this year and what you learned from them:

What exhibit did you take to the fair? _____

What did you learn from making this exhibit? (For example – what you learned when doing the activity, what you learned about creating your exhibit, what it was like to show your work at your county fair, or feedback from the judge.)

Sketch a picture of your exhibit on the back of this page. (Optional – take a photograph and tape it to the back of this page.)

What other forestry topics would you like to learn more about?

I have reviewed this project and believe it to be correct.
