

Forestry Project Independent Study Record Sheet Grades 9-12

Name _____

Years in 4-H _____ Years in this project (include this year) _____

What was the focus of your independent study?

_____ Indiana or Eastern Deciduous forestry-related subject

_____ Mentoring

Sketch a picture of your exhibit on the back of this page. (Optional – take a photograph and tape or incorporate it (if digital) in this report.)

Report on the following items below, depending on the focus of your work. Photographs and other documentation are encouraged.

Forestry-related subject

- Topic of study
- A brief description of the project, including
 - Why you chose this topic.
 - The importance of your topic to Indiana or the Eastern Deciduous forest.
 - What you learned and/or did.
 - Any costs you incurred
- Your references.

Mentoring

- How you planned for working with a younger 4-H member.
- The hours you spent in preparation and delivery of your program(s).
- The benefits to the mentor and how the experience might be used in other areas of his/her life.
- Any references you used (human and written).
