## LEVEL/GRADES

Beginners: Grades 3, 4, 5

Intermediate: Grades 6, 7, 8

Advanced: Grades 9, 10, 11, 12

## RULES:

1. Community Judging of all 4-H Music Activities projects will be at Project Check-In.
2. All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the manner in which references are listed.

*NOTES: The purpose of this project is to have fun singing or playing music, or performing dance. Dance activities include guard and drill team as well as tap, clogging, line, square, ballet, ballroom, and similar activities. All music activities and church music as well as others are included. We believe that when you are making music you are also learning an important life skill.*

This project does not involve a required talent contest or public performance.
