

# CREATIVE AND EXPRESSIVE ARTS: SCRAPBOOKING

## LEVEL/GRADES:

Beginning: Grades 3, 4, 5

Intermediate: Grades 6, 7, 8

Advanced: Grades 9, 10, 11, 12

## RULES:

1. Community Judging of all 4-H Scrapbooking Projects will be at Project Check-In.
2. Each scrapbook album must have a front and back cover with pages firmly attached between the covers. The page layout must be left-to-right like a book. Exhibit tag can go on inside front cover, so that it does not ruin the outside album cover.
3. All scrapbook albums and pages must be at least 8" X 10" in size. Page protectors are required. Personal handwriting is encouraged, but not required.
4. Each scrapbook album will have 10 pages completed for judging. Pages to be judged should be flagged with sticky note paper. If no pages are marked for judging, the first 10 pages in the scrapbook will be judged.
5. One side of the album page counts as one page for judging (ex. 5 pages completed front and back equals 10 finished pages).
6. Photographs must be included in each scrapbook album, but not necessarily on each page. Memorabilia is optional for the Beginner Level, but required for Intermediate and Advanced levels. Intermediate and Advanced levels must include two to three pieces of memorabilia within the ten pages. Some pages may only contain photographs, while others may contain only memorabilia.
7. All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the manner in which references are listed.

## EXHIBIT:

### BEGINNING - GRADES 3-5

- Labeling of photos and memorabilia with names, dates, places, etc.

### INTERMEDIATE - GRADES 6-8

- Beginning requirements PLUS capturing your memories with captions or words recording the happenings of the photos and memorabilia.

### ADVANCED - GRADES 9 & ABOVE

- Beginning and Intermediate requirements plus storytelling – writing your thoughts and feelings and telling a complete story or memory on most pages. (Not every photo has a complete story, so choose the ones deserving of this when you are thinking of your page designs. It is acceptable to put several photographs on a page and just use one of them to tell a story. Label or caption the others on the page.)

*Note: Incomplete or unfinished pages will not be eligible for judging or count toward your ten-page total.*
