Indiana Department of Natural Resources and Purdue Extension partner to offer seven Trainings this Summer

Have you taken an Indiana Master Naturalist course and want to learn more about engaging youth with nature? The Indiana Department of Natural Resources and Purdue Extension are partnering to offer seven separate trainings this summer to gain experience and the necessary tools to host their own Nature of Teaching Workshops to better engage youth with nature. The training is for people who have completed the Master Naturalist program only. This will include a session on health and wellness, food waste, and wildlife engagement. The cost is \$10 cash or check upon arrival which will cover the cost of a take-home kit to assist with program delivery. Please contact Laurynn Thieme at lithieme@purdue.edu with any questions. Each workshop will be held from 12-4 PM (CT), 1-5 PM (ET). Rain or Shine: Dress appropriately! Register today at: <https://bit.ly/3vT9Cjh>
