The Richard Reel Memorial committee would like to thank you for your interest in this scholarship. Mr. Reel retired from the Purdue Cooperative Extension Service after 33 years of working in three different counties of Indiana. LaPorte county was the last of the three and he left an indelible mark here.

He accomplished many great things in his service to Indiana one of them being his volunteer service at the State Fair Pioneer Village. He brought that knowledge to LaPorte county and developed the Pioneer Land at the LaPorte country fairgrounds. Pioneer Land is visited by thousands of people every year and is a legacy for all to enjoy. Mr. Reel believed that helping youth develop leadership skills through community service and hard work was the key to great future. It is the memorial committees hope that the recipient of this award will honor Mr. Reel's memory by continuing to make a difference in our community.
