STEP 5

Retrieve email to validate registration and complete parental consent.

Hi Sammy Student,

A new 'YQCA' account has been requested using your email address.

To confirm your new account, go to this web address:
<https://yqcaprogram.org/login/confirm.php?data=E5GmoKQ64KSvPtE/sample2>

In most mail programs, this should appear as a blue link. If that is not the case, copy and paste the address into the address line at the top of your web browser window.

For assistance, contact the site administrator.

CONFIRM YOUR ACCOUNT

Validate Registration

Please visit the email address provided during account set-up to validate your account as well as provide parental consent for sharing your child/children's details with third parties (state 4-H/FFA contacts, national species organization representatives, and fair and show managers). Until you validate your account using the YQCA email notification email, your account will not be activated.

If you have provided a mobile number during the account set-up, you will receive alerts concerning your parental consent whenever your account is accessed or whenever a course is launched or completed.

For your information, once a course is launched—and through it's completion—access to the main navigation will remain inactive so as to prevent your child who is taking the course from gaining access to your account settings. After the course completion, to gain access to the account, you will have to login again.

We recommend:

- You do not share the account credentials with your children or others who should not be having access to your account and the settings.
- You always provide a mobile number during the account set-up or from your account settings at all times so that you are alerted on your mobile device whenever your account is accessed.
- You add YQCA email address and mobile number to your safe list so that they are not marked as spam, which may result in you missing important notifications & alerts.

You can revoke the parental consent at any time by updating the same through your account settings.

Validate your account registration.

REGISTRATION CONFIRMATION YOU HAVE JUST VALIDATED YOUR ACCOUNT SET-UP BY CLICKING ON THE 'VALIDATE MY ACCOUNT' LINK FROM THE ACCOUNT VALIDATION EMAIL. IF YOU WANT TO CHANGE ANYTHING, YOU CAN DO SO THROUGH THE ACCOUNT SETTINGS.

A screenshot of the 'CHILD REGISTRATION' form. The title 'Child Registration' is at the top. A message box states: 'We have auto-populated some of your child's information based on your inputs in the earlier screen. Please update them here for your child as needed.' The form includes fields for: First Name, Last Name (auto-populated with 'YOUTH NAME'), Relationship to This Child, State (Nebraska), County of Participation, Grade/Level of Education, Birthdate (mm/dd/yyyy), Gender, Race (White), Residence (Rural), and two dropdown menus for livestock projects and species. It contains a text box explaining that YQCA can verify certification information with state contacts and that parental consent is required for data sharing. Below this are two sets of form fields for child information: First Name, Last Name, Age, and Gender. Each set has radio buttons for 'Yes, I want to share this child's information with third parties.' and 'No, I do not want to share this child's information with third parties.' At the bottom are 'RESET' and 'SUBMIT' buttons.

STEP 3

Complete "Data Sharing Consent." If parents do not provide data sharing consent, YQCA will not be able to verify their certification with the listed third parties.

A screenshot of the 'CHILD DASHBOARD'. It has a title 'Child Dashboard' and a table with three columns: 'Name As Seen On Certificate', 'Name As Seen In Shared Reports', and 'Actions'. The table lists 'CHILD 1 NAME' and 'CHILD 2 NAME'. For each child, the 'Actions' column contains 'EDIT', 'DELETE', and 'ADD CHILD' buttons.

STEP 4
