## **Mission**

The Indiana 4-H Youth Development mission is to provide real-life educational opportunities that develop young people who positively impact their community and world. Indiana 4-H Youth Development strives to be the premier, community-based program empowering young people to reach their full potential.

## **Statement of Policy and Philosophy**

The Indiana 4-H Youth Development program serves the youth of Indiana by providing a strong educational youth development program. This program delivers educational experiences in a variety of settings. Caring, capable and contributing adults assist in the 4-H program as role models for youth. The rich heritage of the 4-H Program is one to be valued and passed along to future generations. The Indiana 4-H Youth Policies and Procedures Handbook includes certain standards and guidelines to assure that 4-H is a positive youth development program.

County 4-H policy is guided by the county 4-H policy making or governing board (i.e., 4-H Council) as provided by the County Extension Board. Legal authority for the 4-H Program rests with the Director of the Cooperative Extension Service at Purdue University. No county 4-H policy may conflict with the state 4-H policy or with federal guidelines and requirements. Deadlines for county and state participation should be carefully constructed so as to encourage rather than to discourage participation. Such deadlines should be will published. Members not complying with established and published dates and deadlines for exhibition may be denied the opportunity to exhibit.

It is the policy of 4-H to be an inclusive organization. No county policy or practice should be used to arbitrarily exclude youth from either membership or participation. Youth should participate in 4-H Youth Development opportunities at levels and times that best suit the youth's development and support family involvement.

## What is a 4-H Volunteer?

Somewhere between the sternness of a parent and the comradeship of a pal is that mysterious creature we call a 4-H Volunteer.

These volunteers come in all shapes and sizes, and may be male or female. But they all have one thing in common—a glorious twinkle in their eyes!

4-H Volunteers are found everywhere—at judging contests, fairs, square dances, and talent shows. They always are preparing for, sitting through, participating in, or recuperating from a meeting of some kind.

They are tireless consumers of muffins, expert at taking knots out of thread, peerless coaches, and they spend hours on the phone.

A 4-H Volunteer is many things—an artist making a float for the Fourth of July, a doctor prescribing for an underfed calf, a counselor at camp, a lawyer filling out reports, and a shoulder to cry on when that dress just won't fit. Nobody else is so early to rise and so late to get home at night. Nobody else has so much fun with so many boys and girls.

We sometimes forget them, but we can't do without them. They receive no salary, but we can never repay them.

They are angels in aprons, saints in straw hats. Their only reward is the love of the kids and the respect of the community. But when they look around them at the skills they've taught, and the youth they've built, there's an inner voice from somewhere that says, "Well done."

*Thank you to all of our volunteers!*

## How to Become an Approved 4-H Volunteer

If you are interested in making our program even stronger, please contact the Extension Office for a Volunteer Application. Once complete, we will do reference and background checks, and then we will help you find your perfect fit in our 4-H program. A complete description of our process and the forms can be found on our website at: <https://bit.ly/4HVolunteer>.

## **Fundraising Policy**

**Fundraising is anything that generates revenue.** All fundraisers must be approved by the Extension Educator with feedback from the Lawrence Co. 4-H Council. The club or committee may petition approval in person or by written request. All fundraisers must be headed by an approved 4-H volunteer, and they must provide their contact information to when they make their initial request. Fundraising requires a need. A statement of how the funds will be put to use is required. All fundraisers must have a beginning and ending date. Fundraising is a voluntary activity; it cannot be mandatory for all club members, and it cannot be used against 4-H members in any situations. Contact the Extension Office for the Fundraiser Request Form or go to:

### **TO ALL 10-YEAR and SENIOR 4-H MEMBERS:**

#### **"LITTLE EYES UPON YOU"**

*There are little eyes upon you  
And they're watching night and  
day.*

*There are little ears that quickly  
Take in every word you say.*

*There are little hands all eager  
To do anything you do;  
And little children dreaming  
Of the day they will be like you.*

*You're the little gal's idol,  
You're the wisest of the wise.  
In her little mind about you  
No suspicions ever rise.  
She believes in you devoutly,  
Holds all that you say and do;  
She will say and do, in your way,  
When she's grown up like you.*

*There's a wide eyed little fellow  
Who believes you're always right;  
And his eyes are always opened,  
And he watches day and night.  
You are setting an example  
Every day in all you do,  
For the little boy who's waiting  
To grow up to be like you.*

## Indiana 4-H Behavioral Criteria for all Youth Participants

Indiana 4-H has a set of behavioral criteria that we expect our participants to follow as outlined below. Youth and their parents/guardians review and agree to these expectations at the time of 4-H enrollment in 4-H Online.

When attending, participating in, or acting on behalf of the 4-H program, all persons are expected to conduct themselves in accordance with accepted standards of social behavior, to respect rights of others, and to refrain from any conduct which may be injurious to the 4-H program to persons and the 4-H program.

As a participant in the Indiana 4-H Youth Development Program, I will:

- Respect, follow, and enforce the rules, policies, and guidelines established by the Purdue University Cooperative Extension Service, including all laws related to child abuse and substance abuse.
- Conduct myself in a courteous, respectful manner, exhibit good sportsmanship, and demonstrate reasonable conflict management skills. I will avoid any action that would obstruct or disrupt any 4-H activity, or that threatens or interferes with maintenance of appropriate order and discipline, and will also discourage others from any of those actions.
- Be truthful and forthright when representing the 4-H Youth Development Program. At no time, will I cheat or knowingly furnish false information.
- Present accurate, unaltered 4-H records.
- Follow the specific terms and conditions of a given project, contest, or activity. I will also encourage others to follow these terms and conditions.
- Under no circumstances possess, distribute, consume, or be under the influence of alcohol, tobacco or tobacco-like products, electronic smoking devices (including, but not limited to, e-cigs, vapes, Juuls), illegal drugs, or other dangerous substances at 4-H Youth Development Program events or activities.
- Under no circumstances distribute, misuse, or abuse over-the-counter, homeopathic (including supplements and vitamins), or prescription medications.
- Under no circumstances possess or use weapons, fire crackers, chemicals, or other materials that can be used to create an explosive mixture. Note: firearms and archery equipment utilized under the direct supervision of an approved and certified 4-H Shooting Sports Instructor at an approved 4-H Shooting Sports activity are acceptable.
- Recognize that verbal, physical, or emotional abuse, or any conduct which threatens or endangers the health or safety of any person will not be tolerated. Avoid any reckless or inappropriate behavior.
- Respect physical property of others. Theft of, or malicious damage to, property is not tolerated, nor is any unauthorized entry, use, or occupancy of any facility.
- Understand that failure to comply with equal opportunity and anti-discrimination laws, or committing criminal acts are not acceptable practices in 4-H Youth Development Programs.
- Embrace diversity among all youth and adult participants, helping each person to feel welcome and included in the 4-H Youth Development Program.
- Accept my responsibility to represent 4-H Youth Development Programs with dignity and pride by being a positive role model for others.
- Avoid inappropriate interactions with, and inappropriate displays of affection toward, other persons. I will not have unapproved guests in sleeping quarters at overnight 4-H events, nor will I engage in sexual behavior.
- Wear clothing that is appropriate for the event or activity.
- Avoid using any lewd, indecent, or obscene conduct or language.

- Accept supervision and support from Extension staff or designated volunteers.
- Be mindful of and follow Purdue, Centers for Disease Control and Prevention (CDC), and other state and local health authority safety guidelines and procedures related to any epidemic or pandemic illness.
- Participate in appropriate orientation and training, including youth protection standards, sponsored by the Purdue Cooperative Extension Service.
- Operate machinery, vehicles, and other equipment in a safe and responsible manner.
- Not misuse fire equipment or sound a false fire alarm.
- Treat animals in a humane manner and teach program participants appropriate animal care and management.
- Use technology in an appropriate manner that reflects the best practices in youth development. During virtual 4-H activities, I will follow acceptable University practices being mindful of the virtual learning environment.
- Accept my responsibility to promote and support the 4-H Youth Development Program in order to develop an effective county, state, and national program.

Failure to comply with these expectations may result in disciplinary action or termination of participation in the Indiana 4-H Youth Development Program.

The most current version of this policy is available on the [Indiana 4-H Policies and Procedures Website](#).

## **2025 Adult Behavioral Expectations (4-H 785)**

**All adults attending, volunteering and/or working for the Indiana 4-H Programs are expected to adhere to these Adult Behavioral Expectations to create a safe and supportive environment, and promote the well-being of all youth.**

These Adult Behavioral Expectations create a foundation and agreement among all adults working with youth or attending 4-H Youth Development Programs of their commitment and dedication to the wellbeing of young people.

The United States Department of Agriculture authorized land grant universities to administer the nation's 4H programs. Purdue University is the only land-grant in the state of Indiana. The Indiana General Assembly has given Purdue University sole and exclusive authority to manage all 4-H activities in the state of Indiana. Purdue University relies on the local county extension educators to administer the 4-H program at the local level. The local Purdue Extension 4-H educator is the immediate supervisor of all 4-H volunteers and programmatic efforts.

When adults sign a copy of this document, they are making a collective statement that youth in the 4-H Youth Development Program are being treated with respect, dignity, and attention to individual needs.

In my role as a 4-H Youth Development Program faculty, educator, staff, or volunteer I will:

- Respect, adhere to, and enforce the rules, policies, and guidelines established by the Purdue University Cooperative Extension Service including all laws related to child abuse, substance abuse and harassment.
- Serve at the discretion and under the supervision of Extension staff or designated management volunteers.
- Be mindful and follow Purdue, Centers for Disease Control and Prevention (CDC), and other state and local health authority guidelines and recommendations related to any epidemic or pandemic illness and/or emergencies.
- Participate in orientation and training, which includes youth protection standards, sponsored by the Purdue Cooperative Extension Service.
- Accept my responsibility to represent 4-H Youth Development Programs with dignity and pride by being a positive role model for youth.
- Conduct myself in a courteous, respectful manner, exhibit good sportsmanship, and demonstrate reasonable conflict management skills.
- Be truthful, fair and forthright when representing the 4-H Youth Development Program or working on its behalf.
- Recognize that verbal or physical abuse, bullying, harassment, failure to comply with equal opportunity and anti-discrimination laws, or committing criminal acts are not acceptable practices in 4-H Youth Development Programs. Such actions may lead to disciplinary action including release from my volunteer role.
- Embrace diversity among all youth and adult participants, helping each person to feel welcome and included in the 4-H Youth Development Program.
- Under no circumstances possess, use or distribute alcohol or illegal drugs at 4-H Youth Development Program events or activities. I will also avoid using tobacco, tobacco products or tobacco substitutes in the presence of youth at such events.
- Operate machinery, vehicles, and other equipment in a safe and responsible manner when working with youth participating in 4-H Youth Development Programs.
- Treat animals in a humane manner and teach program participants appropriate animal care and management. Assure youth and animals are safe when working with animals.

- Use technology and social media in an appropriate manner that reflects the best practices in youth development. During virtual 4-H activities, I will follow acceptable University practices being mindful of the virtual learning environment.
- Accept my responsibility to promote and support the 4-H Youth Development Program in order to develop an effective county, state, and national program.
- Report any suspected instances of child abuse and/or neglect to local authorities that I may observe during my role as a 4-H Youth Development Program faculty, educator, staff, or volunteer.
- Create a safe environment for all participants by following risk management policies and procedures, Emergency Management Administration including reporting any accidents or incidents in accordance with Purdue Extension policies and processes.
- Maintain confidentiality of personal and professional information obtained through my role with the 4-H Program and avoid conflict of interests between personal, professional and volunteer roles.

I have been given the opportunity to review these expectations and the opportunity to ask questions, and any questions have been answered to my satisfaction. By signing below, I acknowledge that I have read and agree to abide by the behavioral expectations in this document. I understand that my failure to comply with these expectations may result in disciplinary action or termination as a faculty member, educator, staff, or volunteer of the Indiana 4-H Youth Development Program.

# Grievance Guidelines for County 4-H Program Issues

(Activities, Programs, Projects)

The grievance procedures outlined in this document are utilized as part of an internal process of the Indiana 4-H Youth Development program when grievances of 4-H members, their parents/guardians, or 4-H volunteers cannot be resolved via reasonable conversation. This policy affords the opportunity in those unique situations to allow voice or opinion to be heard when there is a dispute regarding 4-H participation, activities or programs. **This is not a mechanism for complaints against individual 4-H members (or their families), 4-H volunteers, judging officials for competitive events, or Purdue Extension staff.** All resulting decisions will be made in accordance with the Indiana 4-H Program's stated mission to be an inclusive organization designed to encourage and maximize youth participation. The rights of the individual filing the grievance are limited to those provided by Indiana 4-H Program policy.

Purdue University, as the Land Grant University in Indiana, is charged (by the United States Department of Agriculture) with implementing the 4-H Program in communities across the State of Indiana. Purdue Extension Educators in each Indiana county represent the university in local communities and have the responsibility of assuring all 4-H volunteers meet basic university criteria as they serve as representatives of the university. Purdue Extension Educators additionally provide oversight to 4-H volunteers including the assurance that Indiana 4-H Policies and Procedures are appropriately implemented in 4-H Program delivery.

Individual county 4-H policies and procedures should be created and reviewed to assure they do not contradict established statewide 4-H policies and procedures. If a contradiction is discovered during the grievance process, Indiana 4-H Program policy shall be followed in determining the grievance outcome.

1. Grievances are made by completing the Indiana 4-H Grievance/Appeal form with the burden of proof being the responsibility of the individual filing the grievance. The completed grievance/appeal form and supporting documentation shall be presented to the president of the 4-H policy-making body (e.g., 4-H Council) or the Purdue Extension Educator who works with the 4-H Program. (NOTE: concerns regarding staff, volunteers, members, or other individuals are not issues for which a grievance may be filed. 4-H volunteers are assigned by the 4-H Extension Educator. Concerns regarding 4-H volunteers, members, or other individuals should be addressed directly with the Purdue 4-H Extension Educator.)
2. Grievances pertaining to 4-H activities, programs or projects shall be filed within 14 days of an incident or occurrence. Grievances pertaining to county fair related issues are often time-sensitive and must be filed within 24 hours of the incident.
3. The grievance process occurs in the county where the issue or concern arises and offers two opportunities for a concern to be heard and reviewed.
  - A. The grievance is initially heard by an unbiased, representative grievance sub-committee of approved 4-H Volunteers. It is the Purdue Extension Educator assigned to 4-H Programming who shall annually work with the chair of the county 4-H Council to determine this committee's membership to include a combination of 3-6 of the following individuals: one representative of the 4-H Council; two 4-H volunteers serving as a 4-H club organizational leader; one member of the County Extension Board; one 4-H volunteer knowledgeable in the subject matter (project) of concern (this individual will vary dependent on the issue raised with the grievance); one youth representative; and up to three community leaders. The Purdue Extension Educator assigned to 4-H shall convene the group.

- B. The person filing a grievance may appeal a decision of the 4-H Grievance Committee to the State 4-H Program Leader or designee. The Program Leader or designee will review the facts in evidence and render a decision. This is the second and **final level** in the appeal process.

**\*\***The intent of a two-level process is to assure different individuals have the opportunity to hear and act on the grievance. ALL individuals involved at any level of the grievance procedure are reminded of the importance of keeping discussions regarding grievances confidential.

To maintain the confidentiality of the parties involved, the grievance hearings at each level will be closed to the public. Only the individuals who have filed the grievance, the members of the grievance committee, and the Purdue Extension Educators will be present during each level of the grievance process, **\*\*\***The grievance process is internal to the Indiana 4-H Youth Development Program and meetings of the grievance committees are not subject to Indiana's Open-Door Policy.

The Purdue Extension Educator assigned to work with the 4-H Program has the obligation to inform all parties that there is a grievance procedure if there are disagreements with policies.

The practice of charging fees from those filing grievances shall be eliminated and all counties will utilize the Indiana 4-H Grievance/Appeal Form as part of the grievance process.

**Grievance/Appeal Forms are available from the 4-H Youth Development Extension Educator and the most updated policy can be found on the [Indiana 4-H Policies and Procedures Website](#)**

## Member Information

### **Completion**

The completion of a 4-H experience may include a variety of options and must not be misinterpreted solely as exhibition of a project at a local, county, or state fair. 4-H members are considered complete in their project work for that year when they have:

1. Completed an official online 4-H member enrollment prior to the established and published date for enrolling;
2. Had an officially recognized 4-H volunteer/Extension Educator verify the existence of the completed project/subject or the member's participation in a 4-H educational experience—this could be in the form of an exhibit, poster, report, presentation, etc. OR, a member may choose to submit a completed record sheet in lieu of an exhibit to complete the club-or fair-based 4-H project/subject. The 4-H record sheet will be based on printed or web-based educational materials (used by Indiana 4-H Youth Development) and submitted prior to the established and published date.

\*Though exhibiting in county and state fairs is not required for project completion as it does not necessarily relate directly to the learning received from developing a 4-H project, project exhibition should be encouraged as a continuation of the educational experience.

See the complete policy on the [Indiana 4-H Policies and Procedures Website](#).

### **Deadlines**

- ◆ There is an annual formal enrollment process for each young person who chooses to participate in the 4-H program. There is a \$20 fee (\$15.00 State fee and a \$5 county fee) which can be paid online or in the office at the time of enrollment. Be sure to go all the way through the enrollment screens, reading all instructions carefully. Payment is required before enrollment is complete. Manuals and record sheets will be distributed from the Extension Office. You may edit your projects from the online enrollment, but you must go through the same procedure as when enrolling.
- ◆ Animal Identification deadline is May 15 for all species, but animals will need to be under the care of the 4-H member by the advertised tagging/weigh-in dates.

The proper compliance with established, stated, and published final dates and deadlines is considered an appropriate expectation of 4-H membership. Submitting things on time and following the rules are part of the 4-H learning experience and are considered reasonable things to do. Individuals not complying with these expectations may lose awards and privileges. This is especially true in animal projects where animal ownership, raising, and identification have a specific time-line as part of the project Guidelines. Members not complying with established and published dates for exhibition may be denied any and all premiums or awards for that project.

See the complete policy on the [Indiana 4-H Policies and Procedures Website](#).

### **Exhibition**

Exhibition of 4-H projects in county or state fairs in-person or virtually, is voluntary on the part of the exhibitor. The exhibition of 4-H projects provides 4-H members an opportunity to display their 4-H projects, enter into competition, and participate in an educational/social environment with peers. With exhibition also comes the responsibility for abiding by all the terms and conditions pertaining to the respective 4-H project. Not following the established terms and conditions of the projects will be grounds for exclusion from the competition/exhibition or the project itself.

See the complete policy on the [Indiana 4-H Policies and Procedures Website](#).

1. All 4-H exhibits at the County Fair must be prepared during the current 4-H year. The county 4-H educator has discretion over all exhibition eligibility requirements and decisions.

2. All exhibits must be entered into FairEntry for the county of exhibition. Any 4-H exhibitor arriving at the fair to check-in an animal or non-animal exhibit and has not completed the FairEntry process will not be permitted to advance through the fair's check-in process until entry has been completed in FairEntry.
  - a. A 4-H member may add or drop a project(s) adjusting their 4-H Online enrollment until that project's scheduled fair check-in closes. Animals requiring a May 15 identification cannot be added to 4-H Online after this May 15 deadline.
3. Any 4-H exhibit removed from display prior to the official release will be disqualified. Any 4-H placings/prizes (including ribbons, money, medals, trophies, etc.) awarded that exhibit will be forfeited. **Exception:** Individual animals released by the 4-H Council, on the advice of a licensed veterinarian. In order to recommend dismissal of an animal, the veterinarian, a 4-H Council member, a livestock project committee member, and the 4-H Extension Educator must be present when the physical examination of the animal takes place. Faxes and phone calls from the vet will not be accepted. Animals released by the 4-H Council upon the advice of a veterinarian must be removed from the fairgrounds.
4. A club member competing in more than one division of a 4-H project during the same calendar year may exhibit in the upper division only, except in animal classes.
5. No exhibit may be entered in more than one section, except in some animal classes where designated. In a section requiring more than one item, all items must be exhibited by the same 4-H member. All parts of an exhibit made in one section must belong to one individual.
6. Each member should enroll in the projects by level or division according to grade as of Jan. 1 or by project guidelines if project specifies otherwise. A 4-H member may enter only one exhibit per project except where noted.
7. He or she must do his/her own work as specified in the different project manuals.
8. Project exhibits which do not meet the Guidelines set forth in this book or the project manuals will be dropped one ribbon color and receive a note of explanation. This handbook supersedes the guidelines of all project books if directions are different.

### ***Membership/Eligibility***

Youth may become 4-H members when they enter the third (3<sup>rd</sup>) grade and continue their membership through the summer after completion of grade 12. A member may continue membership for a maximum of ten (10) consecutive years. Annual membership grade is based on the grade in school as of January 1 of the current year.

An individual's 4-H grade is determined by the school grade in which he/she is classified regardless of the time of year he or she enrolls in 4-H. A member does not advance in 4-H grade until he/she enrolls in 4-H the subsequent school year. Each member should enroll in the division of a project that would best suit his/her interest and potential for personal growth and would enhance their family involvement. Opportunities in the 4-H program are available to all Indiana youth as defined regardless of race, religion, color, sex, national origin, or disability. Married young men and women of 4-H age may participate in any of the 4-H projects and activities. However, married persons must participate by the same terms and conditions and/or guidelines as unmarried participants. Membership in 4-H is gained by annually enrolling through a Purdue University CES Office located in each of Indiana's 92 counties. The Indiana 4-H Youth Development program year is October 1 to September 30 annually. Enrollment is an annual process attained by completing individual 4-H enrollment via the 4-HOnline enrollment process. See the complete policy on the [Indiana 4-H Policies and Procedures Website](#).

### ***Participation***

Attendance and participation at 4-H meetings is **highly encouraged** as part of the overall educational experience. 4-H meetings should be of the quality that 4-H members should want to attend, participate, and learn something beneficial. Rewarding 4-H clubs, members, and volunteers for attendance and participation in meetings, tours, workshops, local and county exhibits, etc. is discouraged.

The rewards for participation in 4-H meetings, tours, and activities should be significant enough to cause the 4-H member to see the advantage of reacting positively. 4-H volunteers and members of local clubs may establish goals for attendance, exhibits, completion, etc. to meet the criteria established for awards and recognition as long as they do not conflict with stated county, area, or state policies.

### ***4-H Record Books***

- All record sheets are encouraged to be signed by your 4-H club leader or project leader at your meetings and then returned to you. You will put your signed record sheets in a binder or folder. The Extension Office provides Green Record Books (folders) to members.
- Appropriate, correct, and completed record sheets are encouraged to be completed for your 4-H projects to help you document your learning and progress. This will be helpful for scholarship applications and other opportunities.

### ***Residence***

Indiana youth typically enroll in 4-H Youth Development programs in the county or state in which they reside. However, individuals living in one county may join 4-H in another county. There must be educational or social reasons for an individual joining 4-H in a different county than that of their primary residence. During a single program year, a 4-H member enrolled in a given project may enroll and exhibit that project only in one county of enrollment.

In the event that a project is not offered in the county of primary 4-H enrollment, a 4-H member may enroll in that specific project in a different county. Approval of this special exception rests with the 4-H Extension Educator in consultation with the State 4-H Office. Participation in 4-H related activities and events (i.e., judging, performing arts, auction) must be in the county of primary 4-H enrollment.

The above policy is not intended to provide an escape mechanism for 4-H members and families who are unwilling to follow the terms and/or conditions in their current county of 4-H membership. Decisions regarding 4-H membership in a non-resident county (a county you do not live in), rest with the 4-H Extension Educator in the receiving county in consultation with the State 4-H Office.

See the complete policy on the [Indiana 4-H Policies and Procedures Website](#).

### ***Thank You Notes***

It is strongly recommended that 4-H members who receive awards, attend trips, and/or participate in the 4-H Livestock Auction send thank you notes to award/trip sponsors and auction buyers, as soon as possible.

**Projects will NOT be allowed to show/exhibit if deadlines are not met.**

## **Lawrence County 4-H Cancellation/Weather Policy**

Lawrence County 4-H Programs (county, clubs, and groups) may be cancelled if Lawrence County or the county where the event is scheduled to occur is under a Winter Storm, Wind Chill, Tornado, Blizzard, or Severe Thunderstorm Warning(s) as issued by the National Weather Service.

**Remember, we are in the business of teaching youth to be safe. That includes knowing when to stay home.**

- When possible, cancellations of county programs will be posted on the website. Check with your club leader to see how your club notifies members of club cancellations.
- The Purdue Extension—Lawrence County office will send emails when possible.
- General rule of thumb: if school is cancelled, 4-H activities are cancelled.

**Lawrence County 4-H Event cancellations or postponements:**

- Any 4-H event postponed due to lightning/thunder should wait 15 minutes after the last strike was seen.

- No 4-H event shall be cancelled or continued without the consent of the 4-H Extension Educator and the 4-H Council President or their designee.

**Check the following locations for closing announcements:**

- Email
- Website Calendar
- Bedford Online/WBIW.com
- 4-H club Facebook pages

## **Policy Regarding Overnight Stays at the Fairgrounds**

**No overnight stays are permitted at the Lawrence County 4-H Fair.**

## **Important Note Regarding Rules**

Any situations not covered by these handbook rules shall be handled by the proper representative of the 4-H Council and the Extension Educator, 4-H Youth Development.

Rules listed in the Lawrence County 4-H Members' Handbook will take precedence over exhibit guidelines listed in the project manuals. Rules listed on animal identification information will take precedence over exhibit guidelines listed in project manuals and Lawrence County 4-H Members' Handbook.

The Lawrence County 4-H Clubs and Fair Association, Inc. Board and 4-H Council, Inc. do not assume any liability for loss or damage to any article, but attendants will use all precaution possible to avoid any losses or damage.

**Any infractions from the fair must be reported to the Extension Office Staff by the end of fair week and addressed by the following August 4-H Council Meeting.**

## HOW TO MAKE A POSTER

1. All posters will be exhibited in landscape orientation. Salon size board should be displayed vertically.
2. You will need a 22" x 28" poster board for all poster projects in Regular 4-H. Mini members will use Salon size (20"x16") boards for their projects. See more details in Mini section.
3. You will need a stiff, lightweight backing to place on the back of your poster for exhibit. You will also need a plastic covering for your poster. You can find materials at some local stores and craft stores. DO NOT use Saran wrap for covering.
4. You may purchase 22" x 28" and Salon size (20"x16") foam boards and plastic sleeve protectors at the Extension Office.
5. Titles vary from project to project and sometimes for each level, so be sure to check each project guideline for exact titling instructions. Titles most generally go at the top of the poster, **but can also be placed in other areas of the poster.**
6. A 2" x 4" identification label (placed horizontally) is required with the following information in this order:
  - A. Project Name
  - B. Level or Division
  - C. 4-H Member's Name
  - D. Club NameLabel is to be placed under the plastic covering, on the front side of the poster, and in the lower right-hand corner. Make sure you allow for this in the beginning layout plans of your poster. We need these labels on each project just in case the county/state project label comes off. Below is a diagram of a required poster.
7. Rubber cement is a good adhesive to use. If you use scotch tape, be sure it cannot be seen.
8. Lay out your title, label, pictures and other items on the poster before gluing to see how it will look and fit.
9. A good poster is neat in appearance, follows the project guidelines for titles, and has information that will be interesting and educational.

For all non-animal exhibits: All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the manner in which references are listed.

# ANIMAL/LIVESTOCK GENERAL GUIDELINES

## ***Ethical Treatment of Animals***

Fraud, deception, any prohibited activities, violations of general or departmental terms and conditions, or any activity determined to be improper or unethical by the Lawrence County 4-H Council, Inc., Lawrence County 4-H Clubs and Fair Association, Inc. **AND** 4-H Youth Development Extension Educator, shall not be allowed. Any exhibitor found in violation is subject to sanction and/or disqualification.

1. TAMPERING, ALTERING, AND/OR MISREPRESENTATION relative to any exhibit is prohibited. This prohibited activity includes but is not limited to the breeding, age, ownership, and/or method of preparation or completion. (For example, with animal exhibits, this includes, but is not limited to, coloring that alters or misrepresents breed characteristics, pumping, and filling).
2. UNETHICAL FITTING OF ANIMAL EXHIBITS is defined as the administration of any substance (to include, but not limited to, drugs covered in #3 and #4 below, blood, oils, steroids, air, chemical substances) or performance of any surgical or nonsurgical procedure altering the animal's configuration or natural conformation of any part of the animal's body, or rendering its tissues unfit for human consumption is prohibited. Exceptions that are allowed to 1 and 2 include hoof trimming, dehorning, removal of hair, castration, branding, tattooing, ear notching, docking of tails on sheep and swine, and coloring or manipulation of normally attached hair that does not alter or misrepresent breed characteristics or the animal's configuration or natural conformation.
3. 4-H MARKET ANIMALS SHALL NOT CONTAIN any identifiable or unidentifiable foreign substance including: drugs, steroids, or chemicals, greater than those standards established by the United States Department of Agriculture (USDA) or the Food and Drug Administration (FDA) as permissible for sale for consumption as human food both on day of show and at harvest.
4. Drugs may not be administered to 4-H animal exhibits at the Lawrence County 4-H Fair except those administered by, or on order from, an approved veterinarian.
5. An exhibitor may not take exception to the decisions of an official and/or judge in an unprofessional and/or public manner. Nor shall any exhibitor or person representing the exhibitor, interfere with or show disrespect to any judge or show official.
6. The placing of 4-H exhibits will not be adjusted after placings become official.
7. Any animal exhibitor that uses excessive abuse on their exhibit animal in the ring will be disqualified immediately. Excessive abuse includes, but is not limited to, burning, stabbing, gouging, punching, use of electric shocker, kicking, whipping, or other treatment which is considered cruel or inhumane treatment to show animals.

## ***Animal Exhibition and Ownership***

1. 4-H exhibitors having an entry in animal lots at the County Fair are expected to show their own animals. In cases where this cannot be done, the owner may request a substitute showman. Substitute showmen must be approved in writing by the 4-H Council 24 hours prior to showing of the animal(s) needing a substitute showman. Requests will only be granted for medical emergencies, conflicts with showing other animals, or desperate circumstances deemed unavoidable by the 4-H Council. Note: Permission to show does not guarantee the right to sell at the 4-H Auction. See Rule #1 under "Auction."
2. Each 4-H member shall own his/her own 4-H exhibit. Ownership must be in effect on or before the county and state enrollment deadlines and continuously until after the 4-H show at the county and/or state fair.
3. A 4-H animal may be listed on multiple siblings' 4-H Animal Identification Entries. This would be beneficial in the event of animal death or injury when the youth wants to show a sibling's project animal. Does not apply to any member outside of direct siblings.
4. Dairy Cows (as long as the animal is being shown by same 4-Her from 2020 and forward), heifers, horses, and ponies may be leased subject to approval of both the county 4-H dairy or horse and pony committee and the respective County Extension Educator.
5. 4-H animals are expected to be in the personal possession and regular care of the 4-H member who

- owns/leases them (unless other arrangements have been agreed upon by the County 4-H Council) from the animal enrollment deadline until the conclusion of the county and/or state fair. In addition, Bedford North Lawrence FFA Chapter members, who are also 4-H members, may show Bedford North Lawrence FFA jointly owned animals kept on Bedford North Lawrence FFA farm.
6. 4-H market animals and commercial animals must be individually identified and verified under the supervision of the county 4-H program at county identification events by May 15<sup>th</sup>. These species include market lambs and commercial ewes, dairy wethers, dairy feeder steers, dairy beef steers, beef steers, market and commercial heifers, meat goat wethers, and market does.
  7. 4-H animals purchased, sold, or offered for sale after the enrollment deadline and prior to the county fair, shall not be eligible to show at the county fair.
  8. 4-H animals exhibited after the animal enrollment deadline (May 15), under a different name than the person listed on the Indiana 4-H animal enrollment form shall not be eligible to be shown at the county fair. This means that if the animal is exhibited at any show by anyone other than a person listed on the Indiana 4-H animal enrollment form, the animal will not be eligible to be shown in the 4-H show at the county fair. This term/condition does not apply to siblings, who may show each other's animals at any show during the year without jeopardizing state fair eligibility, regardless of whether or not the sibling is a 4-H member. **NOTE: This term/condition does not apply to the horse and pony program where a parent MAY also show the horse or pony after it has been enrolled in the 4-H Program.**
  9. 4-H members showing registered beef, Boer goats, dairy, dairy goats, sheep, and swine must present an original registration certificate to the 4-H show manager before the specified time for each species, showing that the exhibitor owns the animal being exhibited, as per ownership terms, on or before the May 15th enrollment deadline and continuously until 4-H show day at the Indiana state fair.
  10. 4-H breeding beef, Boer goats, dairy goats, sheep, and swine must be registered in one of the following ownership methods:
    - a. In the 4-H member's name
    - b. John Smith and Sons
    - c. John Smith, Sons and Daughters
    - d. John Smith and Family (family includes sons, daughters, and legal guardian youth only)
    - e. Mark Smith (brother) and Mary Smith (sister)
    - f. Family corporations, where the 4-H member's name appears as a holder of stock in the corporation, and proof of same, must be supplied on or before the enrollment date.
    - g. Family partnership where the 4-H member's father, mother, brother, sister, aunt, uncle, grandparents, and/or legal guardian is also in the family partnership and the 4-H member's name appears on the legal, notarized partnership. A copy of the written document must be attached to the enrollment form before the enrollment deadline.
    - h. 4-H breeding beef, Boer goats, dairy goats, sheep, and swine WILL NOT be accepted in the county or state fair 4-H show if they are registered in a father's name only, farm name only, or partnerships with unrelated persons (such as "Smith View," "Smith Oak," "John Doe and William Smith" (4-H member), "Long Oak and William Smith" (4-H member), etc.
  11. For 4-H dairy cattle, partnerships of the 4-H member with unrelated persons or dairy operations are acceptable (i.e., "John Doe and William Smith" (4-H member) or "Long Oak and William Smith"). Dairy cows and heifers, owned in a partnership, may not be exhibited by more than one person from May 15th until the conclusion of the state fair 4-H dairy show. This person must be the exhibitor of the animal in the current county/state fair 4-H dairy show or the animal will be ineligible for this show. 4-H dairy cattle will not be accepted in 4-H classes at the county fair if they are registered in the father's name only or in a farm name, such as "Smith View," "Smith Oak," etc., unless the 4-H member has a certified lease agreement for this animal.
  12. The Dairy lease program includes Dairy cows (as long as the animal is being shown by same 4-Her from 2020 and forward) and heifers, subject to approval of both the county 4-H dairy committee and the respective County Extension Educator. 4-H animals are only eligible to be leased by a single 4-H member in a 4-H program year. Leasing a dairy animal will be considered the equivalent of ownership. The 4-H

member should be regularly involved in the care of the animal, regardless of where it is kept, and the 4-H member should have exclusive show rights to the animal during the 4-H lease period from May 15th until the 4-H dairy show at the Indiana State Fair. Leased 4-H dairy animals must be registered (although it is not necessary to have the registration paper transferred to the 4-H member's name) by May 15th and their registration number listed on the 4-H member's dairy enrollment form.

See details on the State policy on the [Indiana 4-H Policies and Procedures Website](#).

## ***General Livestock Rules***

1. 4-H members MUST make their intentions known by May 15 if they plan on showing these animals: dairy calf, broilers, and rabbit fryers or meat pens. All of the mentioned exceptions must have been born by and in possession by June 15.
2. Upon arrival at the fair, animals without a tattoo, or with a tattoo that is not legible, will show for participation only. If an animal arrives at the fair without its tag, and the club leader or Extension Office were not previously notified, the animal will show for participation only.
3. ~~At the Lawrence County 4-H Fair, the 4-H animal exhibitor may receive CLIPPING, GROOMING ASSISTANCE, and animal preparation assistance only from their immediate family (father, mother, stepfather, stepmother, siblings, and step-siblings), from another currently enrolled 4-H member, and/or from individuals enrolled in the Indiana 4-H Approved Animal Grooming Assistance Program prior to July 1 of the current year (to apply to become approved, go to: [https://extension.purdue.edu/4-H/projects/project\\_category\\_animal\\_science.html](https://extension.purdue.edu/4-H/projects/project_category_animal_science.html)). Names and county 4-H affiliation of currently enrolled 4-H members must be submitted for verification to the Lawrence County 4-H Educator by July 1. Animal species committee members can assist 4-H members any day, except show day. Guardianships granted on a temporary basis for the purpose of circumventing these terms and conditions will not be recognized as "family" and will result in immediate disqualification. 4-H officials reserve the right to request identification from any individual grooming any animal(s), violations to the policy may result in the disqualification of an animal entry.~~ ***Exhibitors shall be responsible for the continuous care, grooming, and preparation of their own animals entered into the 4-H Fair.*** Animal grooming of any kind is NOT permitted between the hours of midnight and 5:00 AM.
4. All animals that do not meet weight requirements for their breed rules will be eligible for placing ribbon awards, but will not be allowed to compete for championship honors.
5. All animals must be kept in their respective barns and show areas. No animal movement out of the pens/stalls between 6:00 PM. and 10:00 PM, pending crowd size. If an animal is in distress from heat, sick animal protocol must be followed before moving animal to wash racks during these hours. Animals will not be allowed to be moved to another livestock barn during the 4-H Fair for grooming or other purposes unless space constraints deem it necessary.
6. ~~Livestock (not being sold in the auction), show supplies, tack, feed, etc. will be released from after 10:00 PM the last Saturday of the fair. No vehicles are to be around the barns, or equipment to be moved prior to 10:00 PM.~~
7. ~~Animal project members in grades 3, 4, and 5 must complete activities determined by each animal project committee (H&P riding members complete Level 4 manual).~~
8. If alcoholic beverages are used on any animal, that animal and the 4-H member's entire show string shall be removed from the show.
9. No floor fans are allowed on the fairgrounds. All fans must be mounted on an existing structure or fan cage. Fans on stands will not be allowed. Maximum of one fan per animal. No "porta cools" or misters in barn
10. 4-H Livestock participants will be required to wear an assigned exhibitor number. The purpose is to help spectators identify 4-H members.
11. Showmanship may have required sign-up to ensure 4-H members are enrolled in the right division.
12. Any 4-H exhibit removed from display prior to the official release will be disqualified. Any 4-H placings/prizes (including ribbons, money, medals, trophies, etc.) awarded that exhibit will be forfeited. 4-H member will be placed on probation for the following year (meaning that if any other infractions are committed, the 4-H member will be barred from the Lawrence County 4-H program). A letter will be sent from the Extension Office notifying the 4-H member of probationary status. Exceptions: Those individual animals released by the 4-H Council, with the advice of a licensed veterinarian. The veterinarian must be present and have physically examined the animal at the 4-H Fair with a 4-H Council member, Livestock Project Committee member, and 4-H Extension Educator present in order to recommend dismissal of an animal. Faxes and phone calls will not be accepted.

13. Hay cannot be used for bedding. See the handbook under the specific species for what is acceptable.
14. To assure a clean and healthy atmosphere on the grounds at all times, exhibitors shall maintain clean animals and stalls. Project committee members will routinely inspect stalls and animals. A first infraction will result in a warning. The second infraction, committee members will notify the 4-H Council, the member may lose show privileges and awards as well as auction privileges.
15. Animal enrollment/ownership animal identification requirement must be completed at 4HOnline for ALL species (exception for cats, dogs, and poultry which are paper forms) by May 15<sup>th</sup>.
16. Each club and/or committee will be responsible for keeping and storing their own equipment.
17. All Species must follow the stated guidelines for animal identification. If an animal requires an RFID/County Tag, the cost is \$5/tag.
18. Lost Tag Protocol: In the event an identification tag needs to be replaced, the Extension Educator must witness and document retagging. Exhibitors must notify the Extension Office as soon as the tag is lost to coordinate retagging. Extension Educator will need the old tag to verify and submit documentation.
19. To be eligible to show at the Lawrence County 4-H Fair, a 4-H member must, at all times during Fair Week, stall at least one animal per species they are showing (does not include cats or dogs). That animal must show in a class during the Lawrence County 4-H Fair. Exact stalling requirements above one animal will be dependent on committee decision based on pen availability.
20. No aerosol cans may be used in the show arena.
21. 4-H'ers exhibiting **beef cattle, dairy cattle, swine, sheep, meat goats, dairy goats, poultry and rabbits** must complete Indiana 4-H Quality Livestock Care or Youth for the Quality Care for Animals (YQCA). Purdue Extension educators provide multiple opportunities for youth in their county to complete the Indiana 4-H Quality Livestock Care in-person program but will not offer it close to the county fair. 4-H exhibitors may complete online YQCA up to project check in for their livestock projects. Any 4-H exhibitor failing to complete I4-HQLC or YQCA before arriving at the fair to check-in their animal(s) will not be permitted to advance through the fair's check-in process until YQCA has been completed online. The goals of having 4-H members complete one of these programs include ensuring that youth will be more prepared to be ambassadors for animal agriculture in their role as youth livestock exhibitors, that animals from youth livestock programs are treated with the utmost care, and that 4-H members are contributing to a safe, wholesome food supply.
  - a. Note: Any 4-H exhibitor failing to complete I4-HQLC or YQCA before arriving at the fair to check-in their animal(s) will not be permitted to advance through the fair's check-in process until YQCA has been completed online.
22. All animals will be fed and watered by 6:00 PM; barns and alley-ways swept, cleaned, and equipment neatly stacked by 6:00 PM each night. All work must be done by the 4-H member.
23. No livestock are permitted beyond the south boundary of the show area at any time.

# Public Notice

## Sick Animal Protocol

## ***Herdsmen and Showmanship Award Guidelines***

### **Purpose:**

1. To encourage 4-H members to realize the importance of cleanliness and proper care of their animals.
2. To assure a clean and healthy atmosphere in the barns at all times. Exhibitors shall maintain clean animals and stalls. Project committee members will routinely inspect stalls and animals. A first infraction will result in a warning. At the second infraction, the member will lose show privileges and awards as well as auction privileges.

### **Procedure:**

Periodic checks of pens and barns for cleanliness of individual pens and grooming of animals. (Random time checks and method of scoring are at the discretion of the project committee; suggest two to three times daily). Herdsman award selection method shall be determined by the project committee.

Committees may give up to three levels.

The project coordinator or barn supervisor should provide judges with a list of 4-H member's stall or pen numbers if necessary.

Judges should take into consideration other projects and shows that 4-H members might be involved in, and special consideration of habits of the species.

### **Judges will look for:**

- Livestock and pens are the sole responsibility of the individual 4-H members.
- Pens should be free from waste products.
- Clean or dry bedding applied regularly.
- Feed containers clean and full where applicable.
- Ample water supply available according to the project rule guidelines for your specific species.
- Animals should be clean and well kept.
- 4-H members assisting others in the general upkeep of the barn and pens.
- Storage areas and aisles should be kept neat.

### **Showmanship (All Species):**

4-H members must go to Round Robin in species that he/she was first chosen as Champion.

1. There will be five (5) placings in all showmanship classes. Placings will be Champion, Reserve Champion, and 3rd, 4th, and 5th place.
2. Novice Showmanship may be added to each livestock species. The specific livestock committee will determine if they wish to offer this class and what the age break will be. The novice participants will not be eligible to participate in Round Robin.
3. Livestock/Animal Showmanship Classes (all species) -- Once you have won a level you will advance to the next level the next year.
  - A. Junior Showmanship: 4-H exhibitors in grades 3, 4 or 5 of the current school year are eligible.
  - B. Intermediate Showmanship: 4-H exhibitors in grades 6, 7 or 8 of the current school year are eligible as well as previous Junior Showmanship winners.
  - C. Senior Showmanship: 4-H exhibitors in grade 9 or above of the current school year are eligible as well as previous Intermediate Showmanship winners.
  - D. It will be the responsibility of all livestock committees to make sure previous winners of showmanship (from year before) move up to the next level. See above Guidelines.
4. 4-H Members must show their own exhibit animal in Showmanship.

5. The decision of the judge is final and there will be no appeal or protest.

**Showmanship and Show Ring Dress Code:**

Every member must bear in mind the following while showing and selling his/her livestock project through the 4-H program at the Lawrence County 4-H Fair.

1. Your attire is portraying an image of yourself.
2. You are representing your club.
3. You are representing the Lawrence County 4-H program.

Therefore, you should be as neat and clean as possible. Judges will be directed to consider appropriateness of show ring attire while evaluating placings and showmanship skills. Dress appropriately for your preferred area for showmanship and classes according to desired attire per breed standards and/or norm.

*Not recommended:* Shorts, tank tops, midriffs, halter-tops, cut-offs, sandals or hats.

## ***4-H Livestock Auction Rules***

1. All livestock in the 4-H auction must be owned by, and must have been exhibited at the current Lawrence County 4-H Fair, by the 4-H member selling it. In the event the Lawrence County 4-H Council deems an animal to be shown for exhibition only (no placings or awards), the animal will be ineligible to sell.
2. Each 4-H member of the swine, sheep, rabbit, broilers, goat, dairy veal, dairy beef, and beef projects will be allowed to sell only ONE animal in the auction.
3. Any animal not meeting weight requirements for show will sell last in auction.
4. Animals will be sold on the weight basis on the day of appraisal price.
5. Sale order is determined by draw. Grand and Reserve Grand Champions may choose selling position.
6. Consignment fee of \$12.50—Beef, \$12.50—Dairy Beef, \$10.50—Swine, \$10.50—Dairy Veal, \$10.50—Sheep, \$7.50—Goat, \$4.00—Broiler Pen, \$7.50—Rabbits, will be deducted from your check. This covers auction expense and advertising. An additional \$1.00 per head will be deducted on Beef and Dairy animals for Beef Promotion and Research Program. On Swine animals, the law requires the assessment be made at the first point of sale equal to .0040 percent of true market value of animal floor price times weight. An additional \$.005 per head will be assessed for Sheep
7. No female stock will be allowed in auction. Exception for ewe lambs shown as market lambs.
8. No livestock may be loaded until auction is over and release slip is obtained.
9. Settlement for all livestock must be made through the auction committee. This committee will distribute all checks to 4-H members.
10. Full responsibility of the animals sold will rest with the consignor (4-H Member). Consignor responsibilities include feed, water, care, and death loss up to floor value of their animal purchased until animals are loaded on a truck on Saturday night. At this time, responsibility passes to the purchaser.
11. All animals entering ring must sell. All sales are final.
12. Sale sequence will be on a rotating basis determined by Auction Committee.
13. The 4-H Auction Committee shall settle all disputes. The Committee's decision shall be final.
14. All auction animals must have their picture taken at the designated time to be eligible for the auction. (If you have not decided which animal to sell, you must take a picture of them all. The auction committee will pay for the picture of the animal selling and the exhibitor will be responsible for all other pictures.)
15. Consignment sheets must be turned in to barn Auction Committee representative by advertised deadlines.
16. 4-H animals sold or purchased privately or offered for sale at public auction after the enrollment deadline and prior to the 4-H Fair shall not be eligible to show.
17. A fee will apply for re-issuing auction checks due to loss, damage, or incorrect information. The fee must be paid before a new check is issued.

# ANIMAL/LIVESTOCK PROJECT GUIDELINES

## ***Project Title: Beef***

### **Description:**

The educational 4-H beef program and related activities (such as workshops and tours) provide youth with a fun and hands-on learning experience which develops both beef subject skills (such as nutrition, housing, and health care) and life skills (such as responsibility, decision-making, nurturing, and communications). Skills are learned under the direction of caring adults.

**NOTE: Please carefully read the sections on Ethical Treatment of Animals, General Livestock Rules, Animal Exhibition and Ownership, and Showmanship (see table of contents for page numbers).**

### **Exhibit Guidelines:**

#### **Identification:**

1. All 4-H beef cattle must be identified with an 840-RFID tag. 4-H Steers must be weighed and identified with an RFID tag, in addition to county ear tag and/or ear tattoo, and identified in 4HOnline by May 15.
2. All Commercial Heifers must be identified with an RFID tag in addition to county ear tag and/or ear tattoo, and identified in 4HOnline by May 15. Those born after January 1 of the current year will be accepted until MAY 15.
3. All Registered heifers and steers must be identified by tattoo on official registration papers, as well as on RFID Tag and identified in 4HOnline by May 15.
4. All purebred steers must have registration papers, must be identified by a tattoo on official registration papers, as well as an RFID tag, and identified in 4HOnline by May 15. Steers without this identification must be shown as crossbred.

#### **General Beef Rules:**

1. No horns on steers and registered heifers at 6 months of age or older. Horns not to exceed one-inch in length measured from the hair line.
2. All heifer and steer registration papers will be checked at the 4-H Fairgrounds, as determined by the 4-H Beef Committee.
3. All 4-H Beef project books and records are due to the project leader at weigh-in at the fair to be eligible to show.
4. All Indiana State Fair 4-H Beef Ownership Rules will apply. 4-H breeding beef, Boer goats, dairy goats, sheep, and swine must be registered in one of the following ownership methods:
  - a. In the 4-H member's name
  - b. John Smith and Sons
  - c. John Smith, Sons and Daughters
  - d. John Smith and Family (family includes sons, daughters, and legal guardian youth only)
  - e. Mark Smith (brother) and Mary Smith (sister)
  - f. Family corporations, where the 4-H member's name appears as a holder of stock in the corporation, and proof of same, must be supplied on or before the enrollment date.
  - g. Family partnership where the 4-H member's father, mother, brother, sister, aunt, uncle, grandparent, and/or legal guardian is also in the family partnership and the 4-H member's name appears on the legal, notarized partnership. A copy of the written document must be attached to the enrollment form before the enrollment deadline.
5. In case an animal becomes unruly in the show ring, there will be a designated committee member to assist, and determine if the animal should be removed from the show ring. If the animal is excused, it will receive a participation ribbon.
6. If alcoholic beverages are used on any animal, that animal and the 4-H member's entire show string shall be removed from the show.
7. No unnatural fitting of animals will be allowed, such as pumping of air or any substance under the skin,

or pumping of any fluids into the animal, or any other inhumane treatment. **All pumps will be barred from the 4-H Fairgrounds.** Violators and their entire show string shall be removed from the show. Use of artificial hair is prohibited. Only natural hair growing in original location is permitted. No gluing of the skin to alter the configuration of the animal.

8. No false switches.
9. Weigh-in will be held on Sunday at 1:00 PM—all animal registration papers will be checked at this time.
10. Steers will be shown by breed and weight.
11. Commercial heifers will be shown by weight.
12. A 4-H member may show a maximum of 6 steers and 6 heifers.
13. No floor fans are allowed in the livestock barns. All fans must be mounted on an existing structure or fan cage. Fans on stands will not be allowed. Safety first. Maximum of one fan per animal.
14. **Grooming** chutes are not allowed to be left in the barn aisles except on show days.
15. Feed and water pans must be removed by 6:00 PM. Animals can be fed and/or watered at any time, but pans and buckets must be removed from the stall immediately after the animals have finished. Water containers may not be left unattended in cattle stalls. Barn must be cleaned in preparation for the viewing public with the exception of any weekday that has an evening cattle show.
16. Anything not covered by the above rules will be subject to the discretion of the 4-H Beef committee. Decisions must be made by a majority vote of the 4-H Beef Committee under the guidance of the 4-H Council. These decisions will be made with the 4-H member and parent (s) present.
17. The Bark Fee of \$10 (referenced in General Livestock Rules) per stall will be paid when calves are unloaded. Clear-out times will be 12 midnight–1:00 AM on Saturday night to receive refund. Make checks payable to “4-H Beef Club.” An additional \$10 can be paid and your stall will be cleaned out for you at the end of the week.
18. For Showmanship guidelines, look to the general showmanship, under the Herdsman & Showmanship guidelines. See also, “Livestock Information.”
19. No temporary or permanent nose lead allowed.
20. For quality assurance requirements, see General Livestock Rule 21.
21. To be eligible for Lawrence County Bred and Owned, animals must be bred and born in Lawrence County.

#### **4-H Market Beef Show (Participation Optional)**

1. Open to all 4-H Beef exhibitors.
2. All General Rules in 4-H Beef also apply to this section.

## ***Project Title: Cat***

### **Description:**

The 4-H Cat Project provides youth a fun and hands-on learning experience that develops life skills, as well as teaches valuable information about properly caring for their animal. Subjects such as general care, nutrition, housing, and health care are present in the curricular materials, through workshops, and in preparation of an exhibit. Youth also have the opportunity to develop responsibility, decision-making, nurturing, and communication skills through active participation in the 4-H Cat Project.

**NOTE: Please carefully read the sections on Ethical Treatment of Animals, General Livestock Rules, Animal Exhibition and Ownership, and Showmanship (see table of contents for page numbers).**

### **Exhibit Guidelines:**

#### **Health Guidelines:**

1. The cat must be fed and cared for by the 4-H member.
2. Cats which are pregnant or have a litter will not be permitted to show. These cats are not physically fit to show.
3. All 4-H cats must be declawed or have their claws clipped the day of the show.
4. Cats must be accompanied by a completed certification of vaccinations, signed by a licensed accredited veterinarian, showing the cat has been vaccinated against feline panleukopenia, feline rhinotracheitis, feline leukemia, and calicivirus all within one year of the date of exhibition. Certificate must include rabies tag number.
5. All cats over four months of age must be vaccinated for rabies by a licensed and accredited veterinarian in accordance with the state rabies vaccination law.
6. Cats must be clean and free of any fleas or ear mites and toenails clipped before being allowed to exhibit.
7. Any cat showing signs of illness will be disqualified before show.

#### **General Rules:**

1. ~~To be eligible, the member must submit to 4-H office or project leader a completed Cat Class Entry Form.~~ Animal must have been born by March 1 of the project year and be in the member's possession by May 15.
2. The 4-H member must turn in ~~their project book (Level 1 only—grades 3-5 of the current school-year) and~~ Certification of Vaccination by June 30 to exhibit in the show ~~and receive completion of project.~~
3. Vaccination forms **MUST** be on file before your cat can attend/participate in any workshops/meetings.
4. If at any point member chooses not to show their cat for any reason, they must notify the Cat Committee as soon as possible.
5. If, by June 15, a cat is declared unruly by the 4-H member and parent, the 4-H member must notify the cat club leader. The 4-H member must complete a Record Sheet ~~and Workbook (Level 1 only)~~ in order to receive participation credit/completion of project, and the member may choose to display a cat poster as a replacement.
6. ~~All Level 1 4-H members must complete three projects in the workbook.~~
7. The cat may be either a purebred cat or grade animals (household pet).
8. Purebred cat must have an identification number before being allowed to show in the Purebred Class.
9. 4-H members can exhibit only one male and/or one female per class.
10. Cat must be brought in well-ventilated box or animal carrier day of show.
11. Cat must be in **harness with attached leash** while exhibiting cat in any class.
12. Exhibitor in showmanship class must wear a **long-sleeved shirt**.
13. Cats will not be left overnight at the fair.

14. To be eligible to participate in cage decorating, you must show a cat.
15. All cats must be checked-in no later than 15 minutes prior to show start time. No cats will be accepted into the show once it begins.

## Exhibit Class Guidelines:

### Definitions:

1. **Long hair**—cats whose coat has long hairs, with a thick woolly under-coat. The length of hair on a cat's tail is often used as a determining factor. Hair length is normally 1-1/2" long or more.
2. **Short hair**—cats whose coat has only short hairs, a smooth texture coat. The length of hair on a cat's tail is usually less than 1-1/2" in length.

\*\*Class of shorthair/longhair will always be determined by what your veterinarian states on the Vet Paper.

### Classes:

Cats will be classed according to their characteristics and level of the exhibitor. ~~\*There will be a separate class for each Level (1-3) based on the 4-H member's age.~~

1. Kittens (four to seven months old day of show)
  - A. Shorthair ~~(Level 1-3)\*~~
  - B. Longhair ~~(Level 1-3)\*~~
2. Adult Cat Domestic (8 months and older on day of show)
  - A. Shorthair Male/Female ~~(Level 1-3)\*~~
  - B. Longhair Male/Female ~~(Level 1-3)\*~~
3. Adult Cat Purebred--cats of a recognized breed, kept pure for many generations. If the cat is registered, it must have current registration number from one of the national cat registries, such as *Cat Fanciers Association*.
4. Showmanship—rules stated in Lawrence County 4-H General Rules under Showmanship.
  - A. Junior (Grades 3-5 of the current school year)
  - B. Intermediate (Grades 6-8 of the current school year)
  - C. Senior (Grades 9-12 of the current school year)
5. Costume Class
  - A. Judge's Choice
  - B. Most Original
  - C. Prettiest/Cutest
  - D. Funniest
6. Cage Decorating
  - A. Must be an actual cat carrier.
  - B. 4-H member's name must be displayed somewhere on carrier.
7. Cat Poster (Please read section titled *How to Make a Poster* for requirements)
  - A. 4-H member does not need to exhibit a cat to exhibit a poster.
  - B. Poster must be on a topic involving information regarding cats appropriate to the level the member is in--*Health, Breeds, Care*, etc.
  - C. Posters will be judged at the same time as all Exhibit Hall projects.
  - D. Must have a 3x5" card with reference resources listed attached to back of poster.
  - E. For resources, please go to: <https://extension.purdue.edu/4-H/projects/4-h-project-cat.html>

**Project Completion:** Cat Record Sheet (completed and signed by club leader) or project exhibited at County Fair. For Cat Poster, a General Record Sheet or poster exhibited at the County Fair.

## ***Project Title: Dairy***

### **Description:**

The educational 4-H Dairy program and related activities (such as workshops and tours) provide youth a fun and hands-on learning experience which develops both dairy subject skills (such as nutrition, housing, and health care) and life skills (such as responsibility, decision-making, nurturing, and communications) under the direction of caring adults.

**NOTE: Please carefully read the sections on Ethical Treatment of Animals, General Livestock Rules, Animal Exhibition and Ownership, and Showmanship (see table of contents for page numbers).**

### **Exhibit Guidelines:**

#### **Identification:**

1. Female animals should be identified by an 840-RFID Tag.
2. Lease agreements must be in place by May 15. Dairy Cows (as long as the animal is being shown by same 4-Her from 2020 and forward) and heifers can be leased.
3. All 4-H beef cattle (including dairy beef) must be identified with an 840-RFID tag. All dairy steers born before January 1 of the current year are required to be taken to animal weigh-in and identified with a county ear tag and/or a RFID tag (TBD by committee before weigh-in date). Dairy steers born after January 1 must be ear tagged at the mandatory tagging and identified in 4HOnline by May 15. Calves born after May tagging must be tagged prior to June 15 at a scheduled tagging meeting, or by two Committee members unrelated to the 4-H member, by appointment. All dairy steers must be born after Jan 1 of previous year.

#### **General Dairy Rules:**

1. Feed and water pans must be removed by 6:00 PM. Animals can be fed and/or watered at any time, but pans and buckets must be removed from the stall immediately after the animals have finished. Water containers may not be left unattended in cattle stalls. Barn must be cleaned in preparation for the viewing public with the exception of any weekday that has an evening cattle show.
2. All animals must meet State Fair health rules. Health requirements will be those published each year by the State Board of Health.
3. The decision of the judge is final and there will be no appeal or protest.
4. Animals must be in 4-H Member's possession and enrolled by MAY 15 as required by state 4-H enrollment.
5. There will be classes provided for crossbred dairy heifers, but the heifers must be a cross with one of the six dairy animal breeds.
6. Animals for county fair exhibit do not have to be registered. It should be noted that only registered animals may be exhibited at the State Fair.
7. There is no limitation on number of times a female animal may be shown as long as she falls in an age group as published in this book.
8. It is recommended that 4-H Dairy female exhibitors wear a white shirt or blouse in the show ring. 4-H emblems and or breed insignia are permissible.
9. The 4-H Dairy committee will assign stalls for the fair. 4-H members will be assigned only one stall per animal, with the possibility of calves under 300 pounds sharing stalls due to stall availability
10. Cattle over 300 lbs. **MUST** be dehorned. Tipping is not acceptable. Scurs or horns longer than one-inch" will not be permitted to show and will be sent home.
11. No freshly banded, castrated, crimped, freshly dehorned animals, or animals with open wounds will be allowed to show.
12. Weigh-in will be announced at Lawrence County Dairy Club meetings. Owner or representative must be present to weigh animals. Any animal not weighed during assigned weigh-in will be ineligible to show.
13. All animals will be examined at check-in on Saturday for warts and ringworm. Any animal showing signs of warts, ringworm, or pinkeye will be sent home. We will follow sick protocol on all animals exhibiting signs of bacterial diseases.

14. 4-H Dairy Showmanship classes will be provided for all Dairy Exhibitors (Dairy Females, Dairy Steers, and Dairy Calves). These will be competitions on fitting, showing, and knowledge of project. The judge may ask that animals in Showmanship classes be shown as a female. See Showmanship Guidelines under "Livestock."
15. There will be five (5) placings for each showmanship division. Placing's will be Champion, Reserve Champion, 3rd, 4th, and 5th place.
16. See also, Livestock Information. For Showmanship guidelines, look to the general showmanship, under the Herdsman & Showmanship Guidelines.
17. See also, Livestock Information.
18. For quality assurance requirements, see General Livestock Rule 21.
19. No more than six head of cattle per exhibitor, **stalled**.
20. No hats (Ball caps or cowboy hats), HeyDudes, open toe shoes can be worn during show. If shoes are questionable, see club leader for approval.
21. Show shirts must have some form of sleeves. No tank tops may be worn.

## **Exhibit Class Guidelines:**

### **Dairy Cows**

#### ***Dairy Cow Classes:***

The order of show for dairy classes will be alphabetical.

Dairy classes will be available for these six breeds of Dairy cattle: Ayrshire, Brown Swiss, Guernsey, Jersey, Holstein, and Milking Shorthorn. Crossbred animals consisting of these six breeds will also be allowed.

## ***Project Title: Dog***

### **Description:**

The 4-H Dog Project provides youth a fun and hands-on learning experience that develops life skills, as well as teaches valuable information about properly caring for their animal. Subjects such as general care, nutrition, housing, training, and health care are presented in the curricular materials, through workshops, and in preparation of an exhibit. Youth also have the opportunity to develop responsibility, decision-making, nurturing, and communication skills through active participation in the 4-H Dog Project.

**NOTE: Please carefully read the sections on Ethical Treatment of Animals, General Livestock Rules, Animal Exhibition and Ownership, and Showmanship (see table of contents for page numbers).**

### **Exhibit Guidelines:**

**Record Sheet:** In lieu of showing an animal A *General Record Sheet* may be completed and submitted to the Extension Office.

### **Health Guidelines:**

1. All 4-H dogs must be accompanied by the current year 4-H 671-W, Certificate of Vaccination, signed by a licensed, accredited veterinarian indicating the dog has been vaccinated. DHPP and Rabies vaccines will be accepted for three years; Bordetella or leptospirosis will need to be administered annually. A 4-H dog may not be exhibited showing any symptoms of any communicable disease. Exhibitor assumes responsibility of their dog. State: The veterinarians will not take a dog's temperature unless an apparent indication exists. Sterile stand bottles will be used to hold the thermometers
2. A dog displaying signs of aggression will not be allowed to show in the interest of safety to those associated with the show.
3. Female dogs in season will not compete in the show. Fair play to other exhibitors dictates that females in season should be left at home.
4. Certain required vaccinations have not been proven effective in Wolf-hybrids, therefore, because wolf hybrids cannot meet the vaccination requirements of the Indiana Board of Animal Health, wolf-hybrid dogs cannot be exhibited in the 4-H Dog program.

### **General Obedience Rules:**

1. Deadline for the Indiana State Fair Dog Show is July 1. No late entries will be accepted.
2. Each member is required to have a current vaccination form (4-H 671-W) on record with the 4-H Dog Club Committee. Upon expiration of the vaccination requirements, members must provide a new copy of this form before the dog can participate in any club events. New members will **always** be required to bring the vet slip to the first meeting.
3. All 4-H dog exhibitors must pick up their exhibitor arm band number at the check-in table at the show on the day of the dog show. The arm band number must be worn on left arm by the exhibitor at all times while competing. Please remember to bring arm band back for the second day.
4. All 4-H dogs must be on a leash or confined in a dog crate while not being shown. Dogs are not allowed in any other buildings or barns at the fairgrounds. Members are responsible for cleaning up, and disposing of in an outside trash barrel, any messes (inside or outside) made by their dog during practice or show.
5. In a given year, a 4-H member must show at the same level at the state fair as he/she was entered in the county 4-H dog program.
6. A dog being shown in the dog project must belong to the exhibitor or a member of his immediate family or household. Ownership waived on 4-H "Leader Dogs" raised for the blind.
7. A 4-H participant can show only ONE dog in only one obedience class in the state fair competition in a given year. A 4-H participant can show more than one dog at the 4-H county dog show as long as the dogs are in different levels of obedience.
8. Commercial advertisement and other insignia on 4-H exhibitors while showing their dogs is prohibited; however, 4-H insignia, club name, child's name, dog's name, or county name is permitted.

9. Obedience regulations not covered by these rules will be based on the regulations of the American Kennel Club, Inc.
10. The high jump will be set at the same height as the 4-H dog measures at the withers rounded to the nearest multiple of two inches. Minimum height is four inches and the maximum height is 36 inches. (All dogs less than 7.5 inches must jump the four-inch minimum.) The broad jump distance will be measured as twice the high jump height.
11. Tied scores in obedience classes will be broken down as follows: Scores will be decided as to placement from comparative scores beginning with the first exercise on the score sheet, then proceeding down the score sheet through the successive exercises. If the scores are tied in each exercise, the first exercise on the score sheet will be repeated in its entirety in order to determine a winner.
12. Members can make presentations or give demonstrations at regular meetings with approval of leader. It is highly recommended members attend as many meetings as possible.

### **Exhibit Class Guidelines:**

- **All dogs need:** A 6-foot leather or nylon leash. Choker and regular buckle collars are allowed. Prong collars are also authorized to be used upon approval of the Dog Club leader or designee. However, prong collars are not allowed to be used when showing at the fair or any “fun” matches/shows hosted by the Lawrence County 4-H Dog Club. As a note to families: prong collars are not allowed at the Indiana State Fair and you will be expected to follow the guidelines at any open show in which you participate. All scarves, ribbons or collar tags must be removed before showing in a 4-H show. Dogs fouling in ring will receive an **automatic 10-point deduction**.
- **Members must wear:** lace-up tennis or athletic shoes while practicing or showing. No sandals, slip-ons, flip-flops, or boots allowed for safety reasons. An **automatic 10-point deduction** will be given if these are worn while showing in obedience, showmanship, or agility at fair.
- **State Rule:** All A-Obedience classes and 1B Obedience class are not repeatable with same member and same dog.

## **Agility Classes**

### **Agility Class Descriptions**

1. Dogs showing in agility must have first shown in obedience. Agility is recommended for 1B dogs and higher. **Dogs must be 15-months old by day of State Fair Dog Show.**
2. Agility section/classes will be entered as Beginning, Intermediate, Advanced, and Excellent, regardless of the dog size. The show committee will place dogs in the appropriate size division based on the height reported on the entry form. Dogs may be measured at the show to verify accuracy of the reported height.
3. Each class will offer 5 divisions based on the dog's height at the withers. Dogs 7 years and over (Veterans) may jump one jump height lower than their actual height. Minimum height for the Pause Table will be 8 inches and a maximum height of 20 inches.
  - a. Toy– Up to and including 11 inches: 4" hurdles and 8" table.
  - b. Div. 1— Over 11" and including 14": 8" hurdles and 8" table.
  - c. Div. 2—Over 14" and including 18": 12" hurdles and 12" table.
  - d. Div. 3— Over 18" and including 22": 16" hurdles and 16" table.
  - e. Div. 4—Over 22" and including 20" hurdles and 20" table.
4. All agility work will be done on a flat buckle collar or quick release collar. Beginning Level A must use a six (6) foot lead. All other levels will be off lead at State Fair. Members at county may use leash in

(Beginner B) but a deduction penalty (how much at judge's discretion) will be subtracted from final score and placed after those who did not use leash. Collar tags are not allowed.

5. Once all paws have touched contact equipment (dog walk, A-frame, teeter-totter), the dog must either complete the obstacle or move to the next one. No additional attempts will be allowed. They must touch the contact zone, on the down side only, with any part of one foot, prior to exiting the obstacle.
6. Scoring will be based on UKC agility rules starting with 200 points and subtracting performance faults based on a set course time. Time faults for course times exceeding the set time will be deducted by the amount in seconds over the set time. Toy division 1, and giant breed dogs (refer to UKC list) will have five (5) seconds added to the set course time.
7. Agility regulations not covered by these terms and conditions will be based on the regulations of the United Kennel Club, Inc., 100 E. Kilgore Rd., Kalamazoo, MI 49002-5584, (616) 343-9020, [www.ukcdogs.com](http://www.ukcdogs.com)
8. If a dog fouls in the ring during the walk through, there will be a 10-point deduction in the agility score. If a dog fouls the ring during the second run, it will be disqualified immediately.
9. It is highly recommended that agility participants wear athletic shoes for competition.
10. Handlers who need the aid of supporting devices (crutches, wheelchairs, etc.) may request extra time for completion of the course. This request must be made to the show manager before classes begin that day and the amount of time allowed will be determined by the judge.

## ***Project Title: Goats***

*(Includes Dairy Goats, Boer/Market Goats, Pygmy Goats)*

### **Description:**

The 4-H goat educational program and related activities (such as workshops, tours) provide youth a fun and hands-on learning experience which develops both goat subject skills (such as nutrition, housing, and health care) and life skills (such as responsibility, decision-making, nurturing, and communications) under the direction of caring adults.

**NOTE: Please carefully read the sections on Ethical Treatment of Animals, General Livestock Rules, Animal Exhibition and Ownership, and Showmanship (see table of contents for page numbers).**

### **Exhibit Guidelines:**

**All members must enter and show their own animals or have the assistance of other 4-H Goat members. Parents will be required to stay clear of the staging area to allow the committee to facilitate the show.**

### **Feeding and Care of Animals**

- 4-H members are responsible for the daily feeding and care of their animals during the 4-H Fair week.
- All goats should be fed and pens 5:00 PM each evening during the fair by the 4-H member.
- No animals are allowed out of pens from 5:00 PM to 10:00 PM, due to crowd.
- 4-H exhibitors are responsible for unruly animals, pen area, and general maintenance of goat project.
- If a 4-H Goat does not meet health/nutritional requirements, it can be asked to leave according to the Sick Animal Protocol.

### **Identification Requirements \*See chart on page 21 for additional information**

- Meat Goat Withers and Market Does  
5-digit county tag **and** Official ID (scrapie ID or Registration ID)
- Dairy Goat Females

Breed Registry Tattoo
- Dairy Goat Wethers  
5-digit county tag **and** Official ID (scrapie ID **or** 840 microchip **or** 840 tag)
- Pygmy  
840 microchip **or** scrapie ID **or** Registration ID

### **General Goat Rules**

1. All goats must be identified online by May 15, unless required to attend County Identification, then it will be the date that comes first.
2. On day of show, all members must enter the show ring and show their own animals or have the assistance of other 4-H Goat members. Parents will be required to stay clear of the staging area to allow for the facilitation of the show.
3. Owners who wish to use a microchip instead of a permanent ID must provide a scanner to be able to read the micro-chip at the designated ID check date, before May 15, and at the 4-H county fair check-in day. If you do not own or are not able to use a scanner for both dates, please make sure you have the proper animal identification. Call the County Extension Office for Requirements.
4. All 4-H exhibitors must have a Premise I.D. number when completing online Animal Identification. A premise ID is associated with the location your animals are housed throughout the 4-H Year, and you can get one by contacting the Board of Animal Health in Indianapolis by phone.
5. All registered animals must have a copy of registration papers to the club leader by the end of business day on June 25, or they will be shown as unregistered.
6. Buck goats under the age of eight weeks, still nursing, are permitted, but not eligible to show.

- Wethers should be castrated, banded, or clamped at least sixty (60) days before show. Any animals with traditional buck appearances or odors are not permitted.
7. Each 4-H member can exhibit a total of 8 animals. If a 4-H member shows Meat Goats and Dairy Goats, that 4-H member will be allowed to exhibit a total of 10 animals (must have a minimum of 2 Meat Goats or 2 Dairy Goats for this exception). Only two goats in each age/weight class are allowed.
  8. Pens will be used to full capacity. Pens will be assigned by the Committee. Maximum of six pens per 4-H member. No tack pens!
  9. Herdsman Award: See page 20 for Herdsmen Award details.
  10. All purebred breeding animals must follow breed association rules on breed eligibility, and be registered correctly to show in 4-H in the State of Indiana.
  11. When enrolling "pending birth" entries, the dam's registration number needs to be used on the 4-H animal ID website, and put the doe to kid after May 15 deadline, mark the gender as female in case you want to show a doeling at the county/state fair. *Wethers will not be allowed to show at the county and/or state fair if not tagged/scanned in on designated tag in date before May 15.*
  12. All goat wethers (Dairy and Market) will be weighed in 30 minutes after check-in is complete on Saturday (12:30).
  13. The Extension Educator reserves the right to make further divisions in age break classes if necessary.
  14. Dam/Daughter and Produce of Dam: Siblings can show animals from the same family in these classes, but animal must be on each 4-H member's animal identification entry by deadline.
  15. For Produce of Dam, Mother/Daughter, Milk-Out, and Milk Production classes, all animals must be owned by the same 4-H member and must have been exhibited in their individual classes.
  16. For quality assurance requirements, see General Livestock Rule 21.

## ***Project Title: Horse and Pony***

### **Description:**

This project provides youth a fun and hands-on learning experience that develops life skills, as well as teaches valuable information about properly caring for their animal. Subjects such as general management, training, nutrition, housing, and health care are presented in the curricular materials, through workshops and activities such as horse bowl, Hippology and judging, and in preparation of an exhibit. Youth also have the opportunity to develop responsibility, decision-making, nurturing, and communication skills through active participation in the 4-H Horse and Pony Project. For resources: <https://extension.purdue.edu/4-H/projects/4-h-project-horse.html>

**NOTE: Please carefully read the sections on Ethical Treatment of Animals, General Livestock Rules, Animal Exhibition and Ownership, and Showmanship (see table of contents for page numbers).**

### **Exhibit Guidelines:**

**Grades 3-5 must turn in Level 4 "Riding the Range" (BU-08056)**

### **4-H Horse and Pony Rules**

1. All 4-H Horse and Pony Committee decisions are final. Emergency exceptions may be made by the committee.
2. The decision of the judge is final.
3. An official adult supervisor will have the authority to enforce 4-H rules.
4. Any 4-H Exhibitor who continually breaks a barn rule may be barred from showing and/or forfeit any prizes and winnings, following a 4-H Horse and Pony Committee decision under the authority of the 4-H Council.
5. All animals must meet State Animal Health requirements.
6. All animals to be exhibited at the Lawrence County 4-H Fair must be identified on the official Indiana 4-H Website (4HOnline) **by May 15**. Each 4-H Horse and Pony project member may enroll an unlimited number of animals, and may exhibit a maximum of 3 animals at the 4-H Fair completion show. **NOTE: Mare and Foal are considered one animal.**
7. One animal entered must have a project completion form *if the animal is not exhibited at the fair*.
8. Completion of the project will be a continuation of records. Any animal exhibited must be shown and owned by the 4-H Member, or owned in partnership with the 4-H members father, mother, brother, sister, grandparent, or legal guardian. **Leased animals are subject to approval by the 4-H Horse and Pony Committee. Leasing agreements must be submitted by May 15.**  
NOTE: 4-H member may turn in project books for project completion and/or record sheet.
9. Only a Lawrence County 4-H Horse and Pony member or their immediate family members may ride their animals at the Lawrence County 4-H Fair. No riding doubles.
10. Bareback riding allowed if done in a safe manner. The horse and pony committee can stop this at any time.
11. All classes shall be judged by the Indiana 4-H Horse and Pony Official handbook and current appendix, including tack and attire.
12. No riding of animals without the proper attire including, but not limited to, proper footwear (shoes with heels or boots) and long pants.
13. All 4-H members are required to wear a properly fitted ASTM or SEI standard F1163 (or above) certified helmet whenever mounted, or driving, at a 4-H horse and pony event, show or activity. The 4-H member is responsible to see that this specified headgear is properly fitted with the approved harness fastened in place whenever mounted. Original tags must be present in all approved helmets. This policy was placed in effect beginning with the 2003 4-H program year and applies to all county, area, and state 4-H horse and pony events, shows and activities. All violators will be disqualified.
14. 4-H Members must show their own animals. Substitute showmen must be approved in writing by the 4-H Council 24 hours prior to showing of the animal(s) needing a substitute showman. Requests will only be granted for medical emergencies, conflicts with showing other animals, or desperate circumstances deemed unavoidable by the 4-H Council.

15. No stallions are eligible to show, except as weanlings.
16. All animals must be sound and healthy. Any questionable animals may be removed by a licensed veterinarian or at the discretion of the judge/Horse & Pony Committee. Any animals in question must follow Sick Animal Protocol. Refer to 4-H Indiana Horse & Pony Handbook for more information.
17. All animals must have all proper vaccinations by May 15 to be eligible to show at the Lawrence County 4-H Fair. Everyone must show proof of vaccinations with the '4 in 1' shot, which includes Eastern and Western Encephalomyelitis, influenza plus Tetanus Shot. Effective 2015: Proof of Rabies vaccine is also required. Record forms must be submitted with animal identification by May 15.
18. The use of drugs is prohibited. Animals may be checked at random for compliance with this rule.
19. Interpretation of 4-H Junior and Senior age of the current year:
  - a. When broken into two divisions, defined as follows:
    - Junior in grades 3 to 7 on January 1 of the current year.
    - Senior in grades 8-12 on January 1 of the current year.
  - b. When broken into three divisions, defined as follows:
    - Junior in grades 3-5 on January of the current year.
    - Intermediate in grades 6-8 on January 1 of the current year.
    - Senior in grades 9-12 on January 1 of the current year.

**NOTE: EXCEPTION IS IN SHOWMANSHIP. PLEASE SEE GENERAL SHOWMANSHIP GUIDELINES IN FRONT OF THIS HANDBOOK.**

20. Gaming horses may be led, either mounted or dismounted, into the show ring by the rider or an assistant. Likewise, riders may be asked to dismount and lead the horse out of the show ring at the discretion of the committee.
21. All 4-H Horse and Pony members will be assigned a stall, and will be required to stall a horse or pony that will be shown at the 4-H Fair. Exceptions must be approved by the 4-H Council [If all stalls are filled, *senior* members may be the first released]. It will be attempted by the Horse & Pony Committee to keep returning members stalls the same. However, the need to accommodate other members may trump the decision to keep previous years stall. i.e., the need to accommodate siblings or additional family members that will be sharing tack, feed, or hay. New members and anyone not assigned a stall at previous year will be assigned by Horse and Pony Committee.
22. Horses may only be removed from stalling at the 4-H Fair if they are being replaced by another horse owned/leased by the 4-H member and shown during the current year's 4-H Fair.
23. Animals leaving early forfeit stall and overnight privileges for the upcoming year. **Exception:** Those individual animals released by the 4-H Council, with the advice of a licensed veterinarian. The veterinarian must be present and have physically examined the animal at the 4-H Fair with a 4-H Council member, Livestock Project Committee member, and 4-H Extension Educator present, in order to recommend dismissal of an animal. Faxes and phone calls will not be accepted.
24. There will be a \$25 stall fee charged per horse when checked in. The fee will be refunded at checkout time only if the stall has been cleaned.
25. All members must sign up for 4-H Fair classes by the close of Fair Entry.
26. **For Lawrence County Show Only**, immediate family [brothers and sisters] may enroll and show the same horse.
27. To be eligible to show at the 4-H Fair, all 4-H Horse and Pony members are encouraged to attend a minimum of one general open ride. The purpose of this is to see how you operate your horse in the 4-H arena around other horses.
28. **A safety clinic is encouraged annually by all 4-H members; however, it is required by all members competing in contesting events for the first time.** ~~To be eligible to show in Contesting and/or Versatility classes at the 4-H Fair, all 4-H Horse & Pony members are required to attend a contesting clinic with a trained clinician. The expense of the clinician will be responsibility of the club, not by each individual member. The H&P Committee will offer the clinic multiple times per year. The clinic will include, but not be limited to, the proper technique on how to begin and end a contesting pattern, how to properly maneuver your animal around the contesting obstacles, and the proper tack and safety equipment needed and how to fit it properly to the rider and animal. If a member cannot attend the contesting clinic, it is the responsibility of the member to contact the H&P Committee for other~~

~~arrangements. If a clinic is not attended, the member will not be eligible to exhibit in the Contesting Division or Versatility.~~

29. Any class that requires exhibitors to ride in a consecutive manner in the arena may be split into multiple "heats" at the discretion of the H&P Committee and/or Judge.
30. Walk/Trot Class: ONLY for 4-H members who are not able to lope OR who are on a 2-year-old or an animal that is not ready to lope. Novice Walk/Trot Class—the animal or 4-H member cannot show in any performance class. Exception being contesting classes to be left to discretion of the committee members.
31. See also Livestock Information. For Showmanship guidelines, look to the general showmanship, under the Herdsman and Showmanship guidelines.

### Versatility

1. Versatility is a state fair class. Please see the Indiana 4-H Horse and Pony Rule book for rules as these rules will apply.
2. Below is a Point Chart on how versatility points will be figured:

PLACING	1	2	3	4	5	6	7	8
POINTS GIVEN	8	7	6	5	4	3	2	1
1. Each of the 4 classes will be awarded points based off the Point Chart. The points will be figured by Judge 1 and Judge 2 and then added together.
  - a. Judge 1 will be decided by the Horse and Pony Committee before the show begins.
  - b. Note: Barrels will only have one score sheet since this is a timed event.
4. ~~If there is a tie between points, Judge 1's pattern class score will be used as the tie breaker.~~ If there is a tie between placings in a class, Judge 1's score will be used. If there is a tie between overall points, then judge 1's pattern class score will be used as the tie breaker.
5. To figure over all points, the grand totals from all four classes will be totaled. The highest number of points will be the 1st place, 2nd highest will the 2nd place and so on.
6. ~~Participants cannot leave the contest area during the entire contest.~~ The contestants participating in Versatility will have a designated area to stay within when removed from the arena before the contesting class. No spectators will be allowed in said area. Contestants are prohibited from changing attire and/or any tack that was not changed during the allotted time per the rules stated in the 4-H Horse & Pony Rule Book. If contestants fail to abide to above rules, they will be subject to disqualification.
7. The contestants will be required to have **two** helpers for tack changes. One helper is required to be a 4-H member, the second can be a 4-H member, an approved 4-H volunteer, or immediate family member (as outlined in prior rules) of their choosing.

Note: Judge 1 will be named before versatility starts.

## High Point

High Point will be given at the year-end Horse and Pony awards. The rules will be as follows:

- 1) Divisions
  - a) Contesting
  - b) English
  - c) Western
  - d) Over-All
  - e) ~~Tie Breaker~~
- 2) Subcategories
  - a) Junior
  - b) Intermediate
  - c) Senior

Points will be figured based off a one horse/one rider combination. ~~A member can enter multiple horses for this contest, however only one is eligible for an award.~~

~~Example: If John enters Horse A in the Western Division and Horse B in the English Division and he wins high point with each horse in those divisions, only one award is allowed the award. John will name his primary horse at the time of fair entry in the event this would happen. However, if his primary horse doesn't win a division and his secondary horse does, then the secondary horse is still eligible for the award. Any horse/rider combo is eligible for the Over All award.~~

1. Each member will select a Primary Horse and Division based on their horse's discipline.
2. You can only win high point in one division. Note: this does not apply to the Over-All. You CAN win a division that is not your declared discipline.
3. Everyone is eligible for the Over-All.
4. If you win multiple divisions or if multiple horses win for high point, your declared discipline/horse will be the one awarded. The 2nd place in the other division will then become the winner.
5. We use a 10-point system. In a class of 10 or more, 1st place gets 10 points, 2nd place gets 9 points, etc. if there is less than 10 in the class, the winner gets points for how many were in the class and the remaining placings will follow suit.
6. For divisions that are not broken down into intermediate on the current year's showbill, they will be awarded for Junior and Senior only. Over-All will be awarded to a Junior and Senior member only.

### Tie Breakers:

If a tie in a specific division (i.e., Western, English, Contesting) occurs, it will be broken by overall high points for each horse/rider combination.

If a tie in the Overall High Point occurs, it will be broken by going back to the first class in which each member showed together. The person with the highest point in said call will be named the winner.

## ***Project Title: Poultry-Waterfowl-Pigeon***

### **Description:**

The 4-H Poultry Project provides youth a fun and hands-on learning experience that develops life skills, as well as teaches valuable information about properly caring for their birds. Subjects such as general care, nutrition, housing, and health care are presented in the curricular materials, through workshops and activities such as poultry judging, and in preparation of an exhibit. Youth also have the opportunity to develop responsibility, decision-making, nurturing, and communication skills through active participation in the 4-H Poultry Project.

**NOTE: Please carefully read the sections on Ethical Treatment of Animals, General Livestock Rules, Animal Exhibition and Ownership, and Showmanship (see table of contents for page numbers).**

### **Exhibit Guidelines:**

2. **As part of the 4-H projects, birds must be owned and cared for by the 4-H Member. If a 4-H member is unable to keep a bird on their property, they will need prior approval from club leaders and Extension Office.**
3. Birds must be in 4-H Member's possession by May 15, with the exception of broilers/fryers. **~~Poultry blood testing will be done no sooner than 90 days before the state fair poultry competition; ownership papers will be turned in at blood testing. Blood testing must be completed by June 3 and entered into FairEntry by FairEntry deadline.~~**
4. 4-H Member must be enrolled in the 4-H Poultry Project.
5. Individual bird identification is required (leg banding), **this will take place on the same day as blood testing.**
6. All cages must be cleaned by the 4-H Member by no later than 6:00 PM. daily during the 4-H Fair week. It is recommended that the 4-H Member's poultry be watered at least three times a day and fed once daily. Failure to comply with these rules may result in loss of ribbons and awards. **If the 4-H member is unable to accommodate these recommendations, prior arrangements will need to be made with the club leader(s).**
7. Each exhibitor may enter two entries per class, per breed, per variety. Members may be limited to the number of birds they bring to stay all week. **Each 4-H members is required to have at least one bird penned during fair week. Additional birds may be brought day of show, as long as requirements are met.**
8. 4-H Member must be present at time of judging **and needs to wear a white shirt if possible.** **If the 4-H member will not be present for judging, they must ask the 4-H Council, in writing, for a substitute showman, at least 24 hours prior to show time.**
9. Judge will use the **American Poultry Association** Standards of Perfection during judging.
10. The Herdsman Award will only be awarded to the 4-H Member who does his/her own work in the barn. There will be an Intermediate, Junior, and Senior Herdsman. More information can be found in the Herdsman section under "Livestock."
11. **~~Poultry blood testing will be done no sooner than 90 days prior to the state fair poultry competition; ownership papers will be turned in at blood testing. Blood testing must be completed by June 3 and entered into FairEntry by the FairEntry deadline.~~** Poultry do not have to be tested if they are bought or raised from a certified flock and under one year old.
12. 4-H members are only allowed to sell **one pen of broilers or fryers** in the 4-H Auction. One broiler/fryer pen = 2 birds. **Broilers Birds** will be ordered by committee, 4-H members are responsible to get their order placed by the April meeting. Members are encouraged to order extra birds. Once your birds are picked up from the Committee, there will be no replacement for lost birds.
13. Each bird may only be registered in one 4-H member's name in FairEntry and must be registered by the advertised deadline.
14. **All poultry must be washed prior to show day. Either before coming to the fair or during one of the wash days during fair week.**

15. No birds will be removed from the barn to be taken home without approval from the Club Leader(s), 4-H Council, and Fair Board officials. This includes Saturday Release times.
16. 4-H members will provide food for their birds during fair week. Bedding will be supplies by the club.
17. 4-H members may receive clipping and grooming assistance only from members of their immediate family (father, mother, siblings), legal guardian, from a current Indiana 4-H members, and individuals enrolled in the Indiana 4-H Approved Animal Grooming Assistance Program. Please contact the Extension Office with questions on how to become approved or to see if you are already an approved groomer for the current program year.

## ***Project Title: Rabbits***

### **Description:**

The 4-H Rabbit Project provides youth a fun and hands-on learning experience that develops life skills, as well as teaches valuable information about properly caring for their animal. Subjects, such as general care, nutrition, housing, and health care are presented in the curricular materials, through workshops and activities such as Rabbit Ambassadors, and in preparation of an exhibit. Youth also have the opportunity to develop responsibility, decision-making, nurturing, and communication skills through active participation in the 4-H Rabbit Project.

**NOTE: Please carefully read the sections on Ethical Treatment of Animals, General Livestock Rules, Animal Exhibition and Ownership, and Showmanship (see table of contents for page numbers).**

### **Exhibit Guidelines:**

1. All 4-H rabbits must meet State health requirements.
2. All rabbits must be in the 4-H Member's possession by May 15, with the exception of meat pen and single fryer. Record keeping starts with the date of possession. **ALL** rabbits, including meat pens, fryers and roasters, **MUST** be identified in 4HOnline by May 15.
3. All 4-H members, enrolled in the Rabbit project, are highly recommended to attend at least two 4-H Rabbit Club meetings to gain knowledge to show.
4. All animals shown must be of an ARBA recognized breed. No crossbred rabbits. Use only purebred rabbits and these rabbits DO NOT have to be registered. Exception—Crossbred Rabbit Class open to third and fourth grade 4-H members.
5. A member may show as many breeds as desired, plus one meat pen, fryer or roaster. Only one mother with litter per 4-H member.
6. All 4-H members judged by ARBA standards.
7. All 4-H members are responsible on the day of show to carry their own rabbit to and from the show table unless prior to show other arrangements are approved by the Rabbit Committee for other rabbit club member to show your rabbit for you.
8. Exhibitors are to provide feed and bowls. Cages are provided.
9. All cages must be cleaned, by the 4-H Member, NO later than 6:00 PM daily at the 4-H Fair.
10. ~~The 4-H Rabbit Committee requires that rabbits be fed and watered daily by exhibitor only.~~
11. ALL rabbits must stay in the barn unless the removal is recommended to the 4-H Council, by a licensed Veterinarian, and the 4-H Youth Educator. If showing one to three rabbits, all must be housed in the Rabbit Barn during fair week; three or more, at least three rabbits must be housed in the Rabbit Barn during fair week.
12. All 4-H rabbits must be legibly tattooed in the left ear by May 15.
13. NO animals other than those on display will be allowed in the barn.
14. Meat pens and single fryers will be tattooed at the June meeting. If you sign up a MEAT PEN and lose a rabbit after June 15, you may choose one of the remaining rabbits to enter as a fryer.
15. Failure to comply with these rules will result in loss of ribbons and awards.
16. STATE FAIR: RABBITS MUST BE ENTERED FOR STATE FAIR BY JULY 1 DEADLINE OR MAY LOSE ELIGIBILITY TO PARTICIPATE.
17. The Rabbit Committee and the owner must make arrangements for pick-up.
18. For quality assurance requirements, see General Livestock Rule 21.
19. There will be no "For Sale" signs in or on the barn.

  - Novice—Grades 3-4 (as of January 1)
  - Junior—Grades 5-6 (as of January 1)
  - Intermediate—Grades 7-8 (as of January 1)
  - Senior—Grade 9-10 (as of January 1)
  - Master—Grades 11-12 (as of January 1)
2. Participants must show rabbits at the current year's fair.
3. The 4-H Rabbit Ambassador winners will be determined by an accumulation of total points from the following. Accumulation of points begins January 1 and ends at the end of the current year's fair.

- Up to 100 points: For taking the Rabbit Ambassador test.
- Up to 60 points: For taking the Breed ID test.
- Up to 100 points: For entering Showmanship.

### **Illustrated Talk**

- An illustrated talk is offered in rabbits.
- Categories will be Novice (grades 3-4 of current school year), Junior (5-6 of current school year), Intermediate (7-8 of current school year), Senior (grades 9-10 of current school year) and Master (grades 11-12 of current school year).
- An illustrated talk is for any 4-H member and allows the member to present a 5–7-minute speech to the audience on a topic related to that project while using props and/or a PowerPoint, Prezi, or other digital presentation.
- There is no interaction with the audience.
- Live animals that would be eligible to show in that project may be used in the illustrated talk.
- See State Fair 4-H Handbook for State Fair rules and guidelines.

### **Project Completion:**

Rabbit Record Sheet (completed and signed by club leader) or project exhibited at County Fair. For posters, a General Record Sheet or poster exhibited at the County Fair.

## ***Project Title: Sheep***

### **Description:**

The educational 4-H sheep program and related activities (such as workshops and tours) provide youth with a fun, hands-on learning experience which develops both sheep subject skills (such as nutrition, housing, and health care) and life skills (such as responsibility, decision-making, nurturing, and communications) under the direction of caring adults.

**NOTE: Please carefully read the sections on Ethical Treatment of Animals, General Livestock Rules, Animal Exhibition and Ownership, and Showmanship (see table of contents for page numbers).**

### **Exhibit Guidelines:**

#### **Identification:**

1. Each club member must own his/her exhibit and must have them in their possession and enrolled by set weigh-in date-prior to May 15. All sheep must be tagged with Lawrence 4-H 5-digit ear tag and have an official ID (scrapie tag/tattoo or registration tattoo or 840 RFID Tag). All sheep that plan on showing at the State Fair **MUST** submit a DNA hair sample by May 15 and have an 840 RFID Tag. May scheduled weigh-in date is the deadline for ear tagging. 4-H members desiring to show at the State Fair must register their animals on 4HOnline by May 15. (See State Fair Guidelines.)
2. All market ewe lambs must be declared at May weigh-in; otherwise, they will be shown as breeding stock.
3. If 4-H ear tag is lost, contact the 4-H office and the 4-H leader ASAP. 4-H sheep arriving at the fair with no 4-H tag and no prior notification of lost tag will not be allowed to exhibit
4. All market lambs must be individually identified with a Lawrence County 4-H ear tag, and if planning to show at the State Fair, must submit a DNA hair sample and RFID Tag. This qualifies them to participate in the Rate-of-Gain contest and to go to the Indiana State Fair. Animals must be weighed at the time of tagging or the daily rate of gain cannot be determined. Animals shown in breeding ewe classes will not be eligible for the Rate-of-Gain Contest.
5. All sheep must be identified on the official Indiana 4-H enrollment website (4HOnline) by the stated deadlines.
6. All market lambs (ewes and wethers) will be eligible to be sold in the 4-H auction.

#### **General:**

- ~~1. A \$20.00 per pen deposit will be collected at the beginning of the fair, and it will be returned if pen is cleaned out.~~
2. All market wethers showing evidence of testicular tissue will be disqualified and removed from the fairgrounds immediately. (No rams allowed.)
3. Prior to lambs entering sheep barn on Saturday morning of the fair, they must be checked and approved by the sifting committee. Market lambs must arrive slick shorn by breed characteristics with no wool above the hock and knee. Breeding ewes must arrive show ready. No blankets or tubes may be worn at the time of sifting. Lambs will be sifted for infections, contagious diseases, and underweight conditions. Lambs not approved must be removed from the fairgrounds immediately.
4. 4-H Club members having an entry in sheep classes are expected to show their own animals. In cases where this cannot be done, we will follow the general rule for 4-H.
5. Animal ages:
  - Lamb— born after Sept 1, previous year
  - Yearling— born prior to Sept 1, previous year
  - Aged Ewe — born prior to Sept 1, year before last
6. Market lambs will be weighed, at a time to be announced, for the show weight and the auction weight.
7. An exhibitor may show a maximum of five market lambs. Need not be of the same breed, or of the same breed as the members breed animals.
8. Market lambs showing all lamb teeth, will be shown by breeds, broken into like weight classes.
9. All animals' tails must be docked. No tails allowed unless a breed characteristic.

10. Breeding ewes shall show by breed. Crossbreed is considered a separate breed.
11. In breeding classes, an exhibitor may enter and show a maximum of two (2) ewe lambs; two (2) yearling ewes, and one (1) aged ewe, for a maximum of 5 head per breed.
13. Breeds will be shown in alphabetical order. Show bill will be posted night before show if at all possible.
14. Decisions of judge shall be final. ~~Show manager and~~ Sheep Committee will handle any disputes.
15. Bred and Owned: The lamb must have been born to a ewe owned by you or your family and the ewe must have been residing on your farm or your family's farm at the time of the birth of the lamb. Family is mother, father, stepmother, stepfather, legal guardian, brother, sister, grandfather, grandmother, aunt, or uncle. Must be declared at weigh-in. Tagging Day.
16. Exhibitors may exhibit a maximum of two (2) Bred and Owned in the breeding class, and a maximum of two (2) Bred and Owned in the Market class.
17. Any sheep exhibitor using excessive abuse on their exhibit animals (including slapping lambs on the rump during the show, hanging a lamb in mid-air) will be disqualified immediately. ~~Excessive abuse shall also include, but not be limited to, burning, stabbing, gouging, punching, use of electric shocker, or other treatment which is considered cruel and inhumane treatment to show animals. Refer to the Ethical Treatment of Animals section (See table of contents for page number).~~
18. The use of ice, ice water, alcohol, Freon, or any other refrigerant to the hide of a lamb is strictly prohibited. This deceptive, fraudulent practice will cause the exhibitor and their animal(s) to be disqualified immediately.
19. ~~13.~~ Officials reserve the right to require mandatory drug, steroid, saliva, and tissue testing of animals/carcasses. 4-H members and parents' consent to drug and/or steroid testing as a condition of entering their animal(s) in the Lawrence County Fair. Refusing tests will be cause for disqualification.
20. Breed is determined at ~~weigh-in and~~ ear tagging. The 4-H Sheep leader can approve breed changes up to the Friday before the fair; may only be changed from breed to cross-bred.
21. For Showmanship guidelines, look to the general showmanship, under the Herdsman & Showmanship guidelines.
22. Any 4-H sheep club member not bringing a lamb to weigh-in is highly encouraged to complete an educational sheep poster. Poster must be turned in with all other Exhibit Hall projects and will be judged at Exhibit Hall judging. See more guidelines under "Poster" below.
23. For quality assurance requirements, see General Livestock Rule 21.
24. Only exhibitors and lambs will be allowed in the arena; no helpers will be permitted (excluding Mini 4-H members).

Lambs are to be walked outside the barn during the fair in a designated area only, to be determined at fair time by the committee.

## Exhibit Class Guidelines:

NOTE: All Classes Will Be Held in This Order.

### Mini Sheep Class

#### Breeding Classes:

- a. Ewe Lamb--showing all lamb teeth: **Champion and Reserve Champion**
- b. Yearling Ewe--Two permanent teeth showing: **Champion and Reserve Champion**
- c. Aged Ewe: **Champion and Reserve Champion**
- d. Champion and Reserve Champion Ewes within Breeds. **\*\*Grand and Reserve Grand Breeding Ewes**
- e. Supreme Ewe and Reserve Supreme Ewe (3<sup>rd</sup>, 4<sup>th</sup>, and 5<sup>th</sup> overall).

**Market Lamb Class:** All lambs will be shown by breed and weight.

Grand Champ. & Res. Grand Champ. Market Lamb (3<sup>rd</sup>, 4<sup>th</sup>, and 5<sup>th</sup> overall).

**Family Bred and Owned Ewe Lamb:** All lambs will be shown at the same time regardless of breed.  
Grand Champ. & Res Grand Champ. County Bred & Owned Ewe Lamb.

**Family Bred and Owned Market Lamb:** All lambs will be shown at the same time regardless of breed and weight.  
Grand Champ. & Res. Gr. Champ. County Bred & Owned Market Lamb

**Ewe & Her Lamb- All breeds will be shown at the same time.**

**Rate-of-Gain:** To Be Announced

All special awards will be announced on Friday evening in the Sheep barn.

- Traveling Trophy for Grand Champion Ewe and Grand Champion Market Lamb.
- Outstanding 1st Year Sheep Club Member (3rd or 4th grade first year members only)
- Outstanding Sheep Club Member (Any 4-H Sheep Club Member)

#### **Herdsmen Award**

Awarded to a Junior (grades 3-5 of current school year), Intermediate (grades 6-8 of current school year) and Senior (grades 9-12 of current school year) Herdsman.

**Poster—See Animal Education**

#### **Project Completion:**

Sheep Record Sheet (completed and signed by club leader), ~~Sheep poster, or project exhibited at County Fair. or project exhibited at County Fair. For posters, a General Record Sheet or poster exhibited at the County Fair.~~

## ***Project Title: Swine***

### **Description:**

The educational 4-H swine program and related activities (such as workshops and tours) provide youth with a fun and hands-on learning experience which develops both swine subject skills (such as nutrition, housing, and health care) and life skills (such as responsibility, decision-making, nurturing, and communications) under the direction of caring adults. **NOTE: Please carefully read the sections on Ethical Treatment of Animals, General Livestock Rules, Animal Exhibition and Ownership, and Showmanship (see table of contents for page #s).**

### **Exhibit Guidelines:**

1. All swine to be shown at the fair must be present at county tag-in day to be tagged or have current tags verified. There will be NO EXCEPTIONS.
2. The 4-H Swine Committee recommends that, because of the seriousness of transmission of disease, all hogs be slaughtered after the 4-H Fair. If anyone takes their hogs home, they do so at their own risk and against the Committee's recommendations.
3. Swine from quarantined herds may not show at the 4-H Fair.
4. All barrows and gilts must be farrowed ~~on or after January 1 of the current year~~ **between December 1 of the previous year to February 28 of the current year.**
5. Gilts' date of birth needs to be indicated on the animal identification section of 4HOnline.
6. All purebred barrows and gilts will be classified for breed character and registration papers showing the animal has been transferred into the name of the 4-H exhibitor will be required to be shown to a committee member before unloading the animal. All 4-H Swine animals intended for show must be ear notched by the Standard Ear Notch System, and enrolled on a 4-H Swine identification section of 4HOnline, prior to May 15. The animal's ear notch must be recorded correctly in 4HOnline. Animals that do not meet those requirements will not be able to show for placing, only for participation. Bring your copy of the Swine ID Form to check-in at the 4-H Fair.
7. All 4-H Swine animals must be in the 4-H member's possession and daily care by May 15 to be eligible to show at the 4-H Fair. A copy of the "4-H member Livestock Club Member Agreement" should be completed and submitted, along with the project enrollment form. Record-keeping starts with the date of possession.
8. The 4-H Swine project will consist of the following: Breeding Gilts, Market Hogs, Production Litters, and Showmanship.
9. **All swine are to be loaded and unloaded out of the EAST end of the swine barn.** Animals will be weighed as they are unloaded at the 4-H Fair. The 4-H member, or a family member as defined by the 4-H handbook, must be present at weigh-in. There will be no re-weighing.
10. 4-H members may exhibit six hogs.
11. All classes in the 4-H Swine Show will be determined by the 4-H Swine Committee by noon, the day prior to the show.
12. Any 4-H member interested in exhibiting 4-H Swine at the Indiana State Fair must follow all State Fair rules in order to be eligible to exhibit at the State Fair. Contact the Extension Office or your 4-H Swine Leader for the State Fair rules.
13. Barn rules will be posted at the 4-H Fair.
14. Only one barrow (no gilts) owned by the 4-H Member, may be sold at the 4-H Auction.
15. Show and Auction Attire: It is recommended that all 4-H Swine Exhibitors wear long pants or a skirt, and a shirt with sleeves. (No shorts, tank tops, or open-toe shoes.)
16. ~~On Swine show day, there will be no washing of animals in the Swine Barn wash racks from one hour before the show until after the show is over. Wash racks may be opened before and during the show at the discretion of the Swine Committee to accommodate weather conditions or animal welfare concerns.~~
17. Up to three Herdsmen awards may be given based on criteria listed in the Lawrence County 4-H Handbook.
18. NO SHAVING! SWINE WITH HAIR SHORTER THAN 1/2-INCH WILL NOT SHOW OR SELL! This does not

include the head of the animal.

19. Swine pens are to be bedded with wood shavings only.
20. For Showmanship guidelines, look to the general showmanship, under the Herdsman & Showmanship guidelines. (Showmanship will be broken down into classes.)
21. All barrows must reach the minimum weight requirement of 200 pounds to be eligible to show for division champion.
22. A stall fee of \$25 per pen, will be collected at check-in and returned once pens are cleaned at the end of the week. Pens must remain clean and dry. Pens will be inspected once a day. If your pen is not clean and dry, you will have until 4:00 PM that day to get the pen clean and dry. Refer to General Livestock Rule #13. If pens are not cleaned you will be subject to picking at the end of the list during pen selection the following year.
23. For quality assurance requirements, see General Livestock Rule 21.
24. Limitations on presence in Swine Barn surrounding show will be announced by Swine Committee prior to fair week.

### **Exhibit Class Guidelines:**

The 4-H Swine show will consist of the following breeds: Berkshire, Chester White, Duroc, Hampshire, Landrace, Poland China, Spot, Tamworth, Yorkshire, Herefords, and Crossbreeds.

NOTE: A breed must be represented by one or more animals to be recognized in the following year.

### **4-H SWINE SHOW CLASSES:**

#### **Breeding Gilts (alphabetical order by breeds)**

- ~~December Gilts–March Gilts~~
- January Gilts
- February Gilts
- Champion and Reserve Champions, by breeds
- Grand Champion and Reserve Grand Champion Gilts

#### **Barrow Classes**

- Champion and Reserve Champion Barrows
- Grand Champion and Reserve Grand Champion Barrows

#### **Production Litter**

- Three pigs from same litter. Market and breeding hogs may be shown together if from the same litter. One 4-H member represents the litter in the show arena but may have assistance of other 4-H members to show the animals. One of the animals in the litter must be on the registration form of the 4-H member representing the litter. The other animals may be registered under other 4-H member's names but must be part of the same litter.
- Champion and Reserve Champion Production Litter.

#### **Bred and Owned**

The swine must have been born to a female swine owned by the 4-H member or their family. Family is as defined in the 4-H Handbook; mother, father, stepmother, stepfather, legal guardian, brother, sister grandfather, grandmother, aunt or uncle.

#### **Exhibition Only**

- Sow with Litter: Exhibit may arrive no later than noon the 1st Sunday of the Fair.
- Litter must be less than three weeks old. Exhibit will remain in the swine barn during the week of the fair. Swine Committee will select the animal the week prior to the 4-H Fair.

### **Project Completion:**

Swine Record Sheet (completed and signed by club leader) or project exhibited at County Fair. For posters, a General Record Sheet or poster exhibited at the County Fair. **Poster—See Animal Education**

# EXHIBIT HALL PROJECT GUIDELINES

## ***Project Title: Aerospace***

### **Description:**

The 4-H aerospace program provides youth with educational information and experiences about aerodynamics, flight and rocketry.

### **State Fair Entries:**

3 rockets, drones (UAV), remote control aircraft, posters, notebooks or display boards per county; one per level.

Visit the state 4-H website for more information about your project!

<https://bit.ly/StateAerospace>

### **Exhibit Guidelines:**

Artificial Intelligence (AI) may be used, with parent permission, when creating this exhibit and is documented as a reference. A majority of the work to create this exhibit is to be the 4-H member's original work. All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed.

Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Display boards should be designed to sit on a table using no more than 36" of tabletop space. Space should be left in the lower right-hand corner to place an exhibit tag provided by Purdue Extension staff.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

"Ready to Fly" and E2X rockets are not permitted. Rockets may be exhibited with a base, but launch pads are not permitted. All rockets must weigh less than 3.3 pounds and considered an amateur rocket according to FAA regulations. Remote control aircraft or drones may be constructed from a kit or purchased ready-to-fly. The power source (rocket engine, battery pack, etc.) is to be removed before being placed in public exhibition.

Rockets will not be launched and remote-control aircraft or drones will not be flown at state fair. Launching rockets and flying aircraft or drones at the county level is optional based on adult supervision experience.

### **Exhibit Class Guidelines:**

#### ***Beginner (grades 3-5 of current school year)***

Construct a rocket of your choice designed for a new model rocket enthusiast with a difficulty level that is appropriate for the suggested grade level, or a poster or display board on any topic in the manual. Similar topics not included in the manual are permissible. Rockets cannot be ready-to-fly (RTF) or have plastic fins. Cluster engine rockets and rockets that take an engine D or above are not permitted in this level.

Construct or learn to fly a remote-control aircraft or drone of your choice that is age/grade appropriate and compliant with FAA regulations, federal and state laws, and local ordinances. This exhibit choice is to include a notebook or poster including how the aircraft/drone was used and aerospace skills learned. Displaying the aircraft or drone is optional. Other topics could include how a quadcopter operates, controls used to fly a quadcopter, UAV regulations administered by the Federal Aviation Administration, commercial and emergency uses of UAVs, and more.

***Intermediate (grades 6-8 of current school year)***

Construct a rocket of your choice designed for a model rocket enthusiast with some experience and with a difficulty level that is appropriate for the suggested grade level, or a poster or display board on any topic in the manual. Similar topics not included in the manual are permissible. Rockets cannot be ready-to-fly (RTF) or have plastic fins. Cluster engine rockets and rockets that take an engine E or above are not permitted in this level.

Construct or learn to fly a remote-control aircraft or drone of your choice that is age/grade appropriate and compliant with FAA regulations, federal and state laws, and local ordinances. This exhibit choice is to include a notebook or poster including how the aircraft/drone was used and aerospace skills learned. Displaying the aircraft or drone is optional. Other topics could include interviewing a certified UAV pilot who works in law enforcement, EMS, fire, Purdue Extension, commercial or other application. Other options include creating a flight plan or interfacing with other computer software.

***Advanced (grades 9-12 of current school year)***

Construct a rocket of your choice designed for an experienced model rocket enthusiast and with a difficulty level that is appropriate for the suggested grade level, or a poster or display board on any topic in the manual. Similar topics not included in the manual are permissible. Rockets cannot be ready-to-fly (RTF) or have plastic fins. Cluster engine rockets and rockets that take an engine G or above are not permitted in this level.

Construct or learn to fly a remote-control aircraft or drone of your choice that is age/grade appropriate and compliant with FAA regulations, federal and state laws, and local ordinances. This exhibit choice is to include a notebook or poster including how the aircraft/drone was used and aerospace skills learned. Displaying the aircraft or drone is optional. Other topics could include using “stitching” software to produce an orthomosaic map for a research purpose, identifying Department of Transportation Aeronautical Chart features and explaining how these are important to a drone pilot, how to obtain a drone pilot license, or more. If 16 years of age or older, the member could obtain a license by completing and passing the official FFA Part 107 UAV licensing test.

**Project Completion:**

General Record Sheet (completed and signed by club leader) or project exhibited at County Fair.

## ***Project Title: Animal Education (was Animal Posters)***

### **Description:**

Youth can learn about livestock and companion animals through a variety of experiences.

### **State Fair Entries:**

- 1 Beef entry per county.
- 3 Cat entries per county; one per level.
- 1 Dairy Cattle entry per county.
- 3 Dog entries per county; one per level.
- 1 Goat entry per county.
- 1 Horse entry per county.
- 3 Llama entries per county; one per level.
- 3 Poultry entries per county; one per level.
- 3 Rabbit entries per county; one per level.
- 1 Sheep entry per county.
- 1 Swine entry per county.

Visit the state 4-H website for more information about your project!

<https://bit.ly/StateAnimalEd>

### **Exhibit Guidelines:**

Owning or showing an animal is not required. Members enrolled in any 4-H animal or livestock project can exhibit in this project and are to contact their county 4-H educator to learn if they are to also be enrolled in animal education.

Artificial Intelligence (AI) may be used, with parent permission, when creating this exhibit and is documented as a reference. A majority of the work to create this exhibit is to be the 4-H member's original work. All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed.

Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Display boards should be designed to sit on a table using no more than 36" of tabletop space. Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

### **Exhibit Class Guidelines:**

#### ***Beginner (grades 3-5 of current school year)***

Create an educational poster, notebook or display about any manual activity or on any specie related topic of choice that is age/grade appropriate. Check with the Purdue Extension office in your county to determine if enrollment is required in the species project you want to learn about. Owning or possessing an animal is not required.

#### ***Intermediate (grades 6-8 of current school year)***

Create an educational poster, notebook or display about any manual activity or on any specie related topic of choice that is age/grade appropriate. Check with the Purdue Extension office in your county to determine if enrollment is required in the species project you want to learn about. Owning or possessing an animal is not required.

#### ***Advanced (grades 9-12 of current school year)***

Create an educational poster, notebook or display about any manual activity or on any specie related topic of choice that is age/grade appropriate. Check with the Purdue Extension office in your county to determine if enrollment is required in the species project you want to learn about. Owning or possessing an animal is not required.

**Project Completion:**

### **Construction and Architectural Replica**

**(Projects previously called Construction Toys and Farm Scene fit here)**

#### **Description:**

Allows youth to learn life skills and grow in project knowledge while expressing creativity when designing replicas.

#### **State Fair Entries:**

1 entry per county as determined by the county 4-H educator and fair officials.

#### **Exhibit Guidelines:**

Exhibits can include farm scenes, town models, building replicas, or similar items and can be constructed from building blocks (Lego), erector sets, or other materials. The product should be constructed to scale as much as possible. Consider adding a clear cover to protect the exhibit while being displayed to the public. ~~This exhibit will most likely be displayed on an 8' long table top with two or three exhibits per table. This exhibit can be no longer than a standard 8' long table. A county 4-H program may implement a smaller size limit if available facility space merits.~~

Exhibitors should be considerate of space. Exhibits too large to safely move or requiring lots of space should be exhibited using photographs and a description of work in a notebook.

All arts and craft exhibits must include a 4-H Craft Information Card, 4-H 618A. This information card is to describe work completed so the judge can more accurately evaluate the exhibit. Craft information cards are for judging purposes only and will not be returned to the exhibitor.

If an exhibitor is concerned about their creation being damaged while on display, they should consider constructing a clear plastic cover to encase the exhibit.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

#### **Exhibit Class Guidelines:**

##### ***Beginner (grades 3-5 of current school year)***

Create and exhibit one age/grade appropriate artistic scene, replica, animal, person, or statue.

##### ***Intermediate (grades 6-8 of current school year)***

Create and exhibit one age/grade appropriate artistic scene or replica.

##### ***Advanced (grades 9-12 of current school year)***

Create and exhibit one age/grade appropriate artistic scene or replica. Think about trying moveable or motorize part(s).

*Tip: Remember the exhibit must be transported and moved to display area. You may want to consider how well your project holds/stays together.*

#### **Project Completion:**

General Record Sheet (completed and signed by club leader) or project exhibited at County Fair.

## **Fine Arts**

### **Description:**

Allows youth to learn life skills and grow in project knowledge while expressing creativity through painting and drawing.

### **State Fair Entries:**

2 entries per county as determined by the county 4-H educator and fair officials.

### **Exhibit Guidelines:**

All arts and craft exhibits must include a [4-H Craft Information Card, 4-H 618A](#). This information card is to describe work completed so the judge can more accurately evaluate the exhibit. Craft information cards are for judging purposes only and will not be returned to the exhibitor.

Oil, charcoal, pastels, pencil, ink, acrylic, watercolor or similar artistic work can be displayed on canvas, canvas board, or paper. All work must be framed as a picture and prepared for hanging. Canvas art on a wooden frame is considered prepared for hanging provided that frame has a hanger.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

### **Exhibit Class Guidelines:**

#### ***Beginner (grades 3-5 of current school year)***

Create and exhibit one age/grade appropriate artwork.

#### ***Intermediate (grades 6-8 of current school year)***

Create and exhibit one age/grade appropriate artwork.

#### ***Advanced (grades 9-12 of current school year)***

Create and exhibit one age/grade appropriate artwork.

### **Project Completion:**

General Record Sheet (completed and signed by club leader) or project exhibited at County Fair

## **Llama or Alpaca Craft**

### **Description:**

Allows youth to learn life skills and grow in project knowledge while expressing creativity using llama or alpaca fiber.

### **State Fair Entries:**

3 entries per county; one per level.

### **Exhibit Guidelines:**

Youth may exhibit any art or craft using llama or alpaca fiber.

Exhibitors should be considerate of space. Exhibits too large to safely move or requiring lots of space should be exhibited using photographs and a description of work in a notebook.

All arts and craft exhibits must include a [4-H Craft Information Card, 4-H 618A](#). This information card is to describe work completed so the judge can more accurately evaluate the exhibit. Craft information cards are for judging purposes only and will not be returned to the exhibitor.

If multiple pieces make up the exhibit, a photograph of the complete exhibit should be attached to the exhibit so the total exhibit can properly be displayed. For safety purposes any craft exhibit that resembles a sword, knife, or look-a-like weapon will be judged but will not be displayed.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

### **Exhibit Class Guidelines:**

#### ***Beginner*** (grades 3-5 of current school year)

Create and exhibit one age/grade appropriate artwork.

#### ***Intermediate*** (grades 6-8 of current school year)

Create and exhibit one age/grade appropriate artwork.

#### ***Advanced*** (grades 9-12 of current school year)

Create and exhibit one age/grade appropriate artwork.

### **Project Completion:**

General Record Sheet (completed and signed by club leader) or project exhibited at County Fair

## **Model Craft**

### **Description:**

Allows youth to learn life skills and grow in project knowledge while expressing creativity when building a model.

### **State Fair Entries:**

2 entries per county as determined by the county 4-H educator and fair officials.

### **Exhibit Guidelines:**

All arts and craft exhibits must include a [4-H Craft Information Card, 4-H 618A](#). This information card is to describe work completed so the judge can more accurately evaluate the exhibit. Craft information cards are for judging purposes only and will not be returned to the exhibitor.

If multiple pieces make up the exhibit, a photograph of the complete exhibit should be attached to the exhibit so the total exhibit can properly be displayed. For safety purposes any craft exhibit that resembles a sword, knife, or look-a-like weapon will be judged but will not be displayed.

Exhibits must be a small-scale replica made of injected styrene plastics with approximately 25% of the surface painted. Wood, paper, clay die-cast, or snap together models are not permitted. Screws and pre-painted or pre-decaled factory models are not permitted. Exhibits made from building blocks (Lego) are not permitted.

If the model is being built from a kit, include a copy of the instructions with the information card. Original instructions should be kept by the exhibitor in a safe location at home.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

### **Exhibit Class Guidelines:**

#### ***Beginner*** (grades 3-5 of current school year)

Create and exhibit one age/grade appropriate model.

#### ***Intermediate*** (grades 6-8 of current school year)

Create and exhibit one age/grade appropriate model.

***Advanced (grades 9-12 of current school year)***

Create and exhibit one age/grade appropriate model.

**Project Completion:**

General Record Sheet (completed and signed by club leader) or project exhibited at County Fair

**Needle Craft**

**Description:**

Allows youth to learn life skills and grow in project knowledge while expressing creativity in needle crafts.

**State Fair Entries:**

2 entries per county as determined by the county 4-H educator and fair officials.

**Exhibit Guidelines:**

All arts and craft exhibits must include a [4-H Craft Information Card, 4-H 618A](#). This information card is to describe work completed so the judge can more accurately evaluate the exhibit. Craft information cards are for judging purposes only and will not be returned to the exhibitor.

Hand crafted knitting, embroidery, crocheting, needlepoint, crewel, candle wicking, chicken scratching, hand quilting, tatting, huck embroidery, and hemstitching are suggested exhibits. Entries may also include pulled, drawn and counted thread work and punch needle work. Needle craft exhibits do not include latch hook, plastic canvas, machine knitting, machine quilting, or arm knitting/crocheting.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

**Exhibit Class Guidelines:**

***Beginner (grades 3-5 of current school year)***

Create and exhibit one age/grade appropriate needle craft.

***Intermediate (grades 6-8 of current school year)***

Create and exhibit one age/grade appropriate needle craft.

***Advanced (grades 9-12 of current school year)***

Create and exhibit one age/grade appropriate needle craft.

**Project Completion:**

General Record Sheet (completed and signed by club leader) or project exhibited at County Fair

**Arts and Crafts, General**

**Description:**

Allows youth to learn life skills and grow in project knowledge while expressing creativity in a variety of mediums.

**State Fair Entries:**

5 entries per county as determined by the county 4-H educator and fair officials.

**Exhibit Guidelines:**

Youth may exhibit any art or craft that does not meet exhibit requirements in Fine Arts, Needle Craft, Model Craft or Construction and Architectural Replica.

Exhibitors should be considerate of space. Exhibits too large to safely move or requiring lots of space should be exhibited using photographs and a description of work in a notebook.

All arts and craft exhibits must include a 4-H Craft Information Card, 4-H 618A. This information card is to describe work completed so the judge can more accurately evaluate the exhibit. Craft information cards are for judging purposes only and will not be returned to the exhibitor.

If multiple pieces make up the exhibit, a photograph of the complete exhibit should be attached to the exhibit so the total exhibit can properly be displayed. For safety purposes any craft exhibit that resembles a sword, knife, or look-a-like weapon will be judged but will not be displayed.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

**Exhibit Class Guidelines:*****Beginner (grades 3-5 of current school year)***

Create and exhibit one age/grade appropriate artwork.

***Intermediate (grades 6-8 of current school year)***

Create and exhibit one age/grade appropriate artwork.

***Advanced (grades 9-12 of current school year)***

Create and exhibit one age/grade appropriate artwork.

**Project Completion:**

***RELATED COUNTY-ONLY PROJECTS*****GIFT WRAPPING****Description:**

Allows youth to learn life skills and grow in project knowledge while expressing creativity in gift wrapping. *Have fun, wrap packages neatly, and use your creativity.*

**State Fair Entries:**

Judges have the option of including the Grand Champion in "Other Crafts" category for selection of State Fair entry.

**Project Exhibit Guidelines:**

1. In all levels, packages are not to exceed 18 inches in any direction.
2. Packages for exhibits should not contain articles.
3. On the exhibit tag under "Other Information" (to be placed on each exhibit package) put the occasion, whether it is for a child or an adult, and whether it is for male or female.
4. Include a 2x4 identification label (horizontally) with the following information, in this order: project name and level, member's name and age, club name.
5. All packages should be wrapped with no tape showing.
6. An overall champion for each division will be selected.

## **Exhibit Class Guidelines:**

### ***Beginner (grades 3-5 of current school year)***

- Grade 3: Exhibit one gift bag (homemade or purchased) with tissue paper inside the bag and decorate on the outside of the bag.
- Grade 4: Exhibit one wrapped rectangular box with purchased wrapping paper, bow and ribbon. Put "Other Information" tag on package and include 2x4 label as described above.
- Grade 5: Exhibit one wrapped square box with purchased wrapping paper, bow, and ribbon. Put "Other Information" tag on package and include 2x4 label as described above.

### ***Intermediate (grades 6-8 of current school year)***

- Grade 6: Exhibit one wrapped square or rectangular box with top and bottom wrapped separately so the judge can open it. Add matching tissue paper on the inside and self-made bow on the outside. Use purchased wrapping paper. Put "Other Information" tag on the package. Also include the 2x4 label as described above.
- Grade 7: Exhibit one wrapped package of a unique shape with purchased wrapping paper, ribbon, self-made bow, or bows. Put "Other Information" tag on the package. Also include the 2x4 label as described above.
- Grade 8: Exhibit one wrapped box with purchased wrapping paper, ribbon, self-made bow, and add some little gift such as a baby rattle, toy car or truck, or key ring, securely attached to the package on the outside as part of the decoration. Put "Other Information" tag on the package. Also include the 2x4 label as described above.

### ***Advanced (grades 9-12 of current school year)***

- Grades 9-12: Exhibit one wrapped box of your choice of shape. Use wrapping of your choice, such as purchased or homemade paper, shirt, etc. Use twine, ribbon, etc. for trim and add other decorations if desired. Be creative! Put "Other Information" tag on the package. Also include the 2x4 label as described above.

## **Project Completion:**

General Record Sheet (completed and signed by club leader) or project exhibited at County Fair

## **RECYCLING**

### **Description:**

The recycling project is designed to encourage members to recycle. A recycled item is any item that is no longer used in its original form. We encourage members to do research projects and present their findings in poster, notebook or media form. Each project should have with it an explanation of what the project is. You may use a one-page sheet in a page protector or notebook to show how the item was done and to explain how it is to be used.

### **State Fair Entries:**

Judges have the option of including the Grand Champion in "Arts and Crafts, General" category for selection of State Fair entry.

## **Project Exhibit Guidelines:**

### **Members enroll as:**

***Beginner (grades 3-5 of current school year)***

***Intermediate (grades 6-8 of current school year)***

***Advanced (grades 9-12 of current school year)***

- Members may exhibit in each category or sub category. Exhibits will be judged based on originality and

creativity with consideration given to the age of the exhibitor.

- If your project needs extra space to exhibit, you need to contact the extension office prior to judging day.

**Please read section on *How to Make a Poster* for requirements.**

### **Categories:**

**Energy**--Learning how to save energy or to produce safer, cleaner energy for transportation, home usage, water, etc.

### **Recycling**

**Reduce** – Ideas or items to reduce the use of materials in the first place instead of recycling. For example, making reusable shopping bags to eliminate the need for plastic bags.

**Reuse** – Ideas to reuse existing items for a new purpose without the need to commercially reprocess the item, such as making a vase out of a bottle.

**Recycle** – Making an item or a report on making changes from the original item in order to create something new or different from the original item. Examples might include (but are not limited to):

- Quilts from old clothing
- Barn siding picture frames
- Rag rugs
- Two-liter bottle bird feeders
- Old jeans, purses, bags or hats
- Clothing made from curtains
- Medicine cabinet shadow box
- Use your imagination—take an object and remake it.

**Publicity**—Presentation of member's "Green" activities which have received publicity helping to educate the general public of the activities which have been completed, which encourages others to become green, too.

**Family/Club Project**—Member to present family "green" activities or 4-H club to present its activities of any of the above categories.

### **Project Completion:**

General Record Sheet (completed and signed by club leader) or project exhibited at County Fair

## **SCRAPBOOKING**

### **Description:**

In this project youth learn how to safely preserve your memories by making a scrapbook using a variety of creative techniques. Resources are available on our website: <http://bit.ly/4HScrapbook>

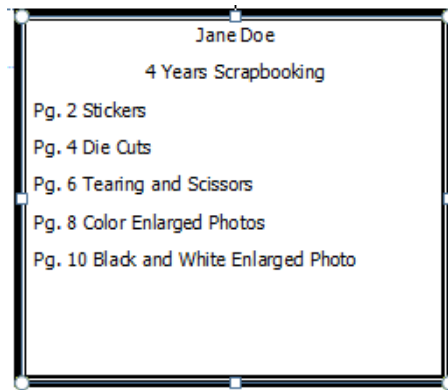

### **State Fair Entries:**

Judges have the option of including the Grand Champion in "Arts and Crafts, General" category for selection of State.

### **Project Exhibit Guidelines:**

1. Scrapbook should be an 8 1/2" by 11" or 12" by 12" strap hinge, post bound, spiral bound, or D-ring album. Pages should be exhibited between a front and back cover.
2. Each level is to have a heading/cover page, which will not count in total of page requirement: include previous years' work in project. Album covers are to be non-decorated.

3. All materials must be acid and lignin free. Only photo-safe mounting materials may be used.
4. Page protectors are required.
5. All pictures on each individual page must be of the same theme.
6. Journaling should be appropriate for the page.
7. Please include on the left-hand side of the inside cover—your name, years in this project, and the page number of each of the techniques. This card must be matted. See example below:

### **Exhibit Class Guidelines:**

#### ***Beginner (grades 3—5 of current school year)***

Exhibit a minimum of 6 pages, including front and back pages. Scrapbooks must include the following four techniques:

- |             |                                     |
|-------------|-------------------------------------|
| 1. Stickers | 3. Tearing and scissors             |
| 2. Die cuts | 4. Two enlarged photos (5 x 7 min.) |

#### ***Intermediate (grades 6—8 of current school year)***

Exhibit a minimum of 8 pages, including front and back pages. Scrapbooks must include the following nine techniques:

- |                                     |             |
|-------------------------------------|-------------|
| 1. Stickers                         | 6. Stamping |
| 2. Die cuts                         | 7. Fibers   |
| 3. Tearing and scissors             | 8. Wire     |
| 4. Two enlarged photos (5 x 7 min.) | 9. Buttons  |
| 5. Inking                           |             |

#### ***Advanced (grades 9--12 of current school year)***

Exhibit a minimum of 10 pages, including front and back pages. Scrapbooks must include the following 15 techniques:

- |                                     |                             |
|-------------------------------------|-----------------------------|
| 1. Stickers                         | 9. Buttons                  |

## ***Project Title: Beekeeping***

### **Description:**

This project will help youth learn beekeeping, the types of bees, the honey and wax they produce, the plants that attract bees, and the equipment a beekeeper needs.

### **State Fair Entries:**

1 educational exhibit per county.

1 honey exhibit per member, unlimited number of county entries.

Visit the state 4-H website for more information about your project!

<https://bit.ly/StateBeekeeping>

### **Exhibit Guidelines:**

Artificial Intelligence (AI) may be used, with parent permission, when creating this exhibit and is documented as a reference. A majority of the work to create this exhibit is to be the 4-H member's original work. All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed.

Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Display boards should be designed to sit on a table using no more than 36" of tabletop space. Space should be left in the lower right-hand corner to place an exhibit tag provided by Purdue Extension staff.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

#### **Special Notes:**

- There are no age/grade specifications for beekeeping exhibits. No bee hives may be brought to the State Fair.
- Honey water content will be measured.
- Fill level: the honey should be filled to the jar shoulder, not over, nor under
- Chunk honey should go in a wide-mouth jar, preferably one specially made for chunk honey (see beekeeping catalogs).
- Be careful to distinguish "chunk honey" (comb in jar) from "cut comb" (comb only in box). Honey (including chunk, cut comb and comb) must have been collected since the previous county fair.

### **Exhibit Class Guidelines:**

#### ***Educational Poster or Display (grades 3-12 of current school year)***

Create an educational poster, notebook or display about any manual activity or on any beekeeping topic of choice that is age/grade appropriate. Youth can also design and complete an independent study activity.

#### ***Single Honey Product (grades 3-12 of current school year)***

Exhibit one of the following:

- 1.—Extracted honey: 2 one-pound jars, shown in glass or clear plastic, screw-top jars holding 1 pound of honey each.
- 2.—Chunk honey (comb in jar): 2 one-pound jars (wide-mouth glass or clear plastic).
- 3.—Cut-comb honey: 2 one-pound boxes (These are usually 4 1/2" x 4 1/2" in size).

#### ***Two Honey Products (grades 3-12 of current school year)***

Exhibit two of the four kinds of honey listed below:

- 1.—Extracted Honey: 2 one-pound jars (glass or clear plastic).
- 2.—Chunk Honey (comb in jar): 2 one-pound jars (wide-mouth glass or clear plastic).
- 3.—Cut-comb Honey: 2 one-pound boxes. Boxes are usually 4 1/2" x 4 1/2"
- 4.—Comb Honey: 2 sections (honey built by bees in frames of wood commonly called "sections." Boxes are usually 4 1/2" x 4 1/2" in size).

***Extracted Honey (grades 3-12 of current school year)***

Exhibit 2 one-pound jars, shown in glass or clear plastic, screw-top jars holding 1 pound of honey each. Each container is to have the 4-H member's name and county written using permanent marker.

***Chunk Honey (grades 3-12 of current school year)***

Exhibit 2 one-pound jars (wide-mouthed glass or clear plastic) with a comb in each jar. Each container is to have the 4-H member's name and county written using permanent marker.

***Cut-comb Honey (grades 3-12 of current school year)***

Exhibit 2 one-pound boxes. Boxes are usually 4 ½ " x 4 ½ " in size. Each box is to have the 4-H member's name and county written using permanent marker.

***Two Honey Product (grades 3-12 of current school year)***

Exhibit 4 containers total of two different honey products using extracted honey, chunk honey or cut-comb honey as described in each product above.

**Project Completion:**

General Record Sheet (completed and signed by club leader) or project exhibited at County Fair.

## ***Project Title: Bicycle***

### **Description:**

The 4-H bicycle project teaches safe riding habits.

Visit the state 4-H website for more information about your project!

<https://bit.ly/INStateBicycle>

### **State Fair Entries:**

No state fair entries.

### **Exhibit Guidelines:**

Artificial Intelligence (AI) may be used, with parent permission, when creating this exhibit and is documented as a reference. ### **Exhibit Class Guidelines:**

#### ***Educational Exhibits***

##### ***Beginner (grades 3-5 of the current year)***

Create an educational poster, notebook or display about a bicycle topic of choice that is age/grade appropriate.

##### ***Intermediate (grades 6-8 of the current year)***

Create an educational poster, notebook or display about a bicycle topic of choice that is age/grade appropriate.

##### ***Advanced (grades 9-12 of the current year)***

Create an educational poster, notebook or display about a bicycle topic of choice that is age/grade appropriate.

##### ***Riding Skills Option (grades 3-12 of the current year)***

Some county 4-H programs offer group rides and/or an obstacle course to develop safe riding habits and skills. Check with your county 4-H educator to learn more.

### **Project Completion:**

General Record Sheet (completed and signed by club leader) or project exhibited at County Fair.

## ***Project Title: Cake Decorating***

### **Description:**

The cake decorating project allows youth to utilize their artistic ability and expressions as they learn decorating techniques and skills. Anyone wanting to learn baking skills should refer to the 4-H Foods project.

### **State Fair Entries:**

3 entries per county; one per level.

Visit the state 4-H website for more information about your project!

<https://bit.ly/StateCakeDecorating>

### **Exhibit Guidelines:**

The cake decorating project provides skills-based educational experiences that provide an opportunity for mastery before building on that experience to develop more advanced skills. This subject area is divided into three levels: Beginner (Grades 3-5), Intermediate (Grades 6-8), and Advanced (Grades 9-12). While the defined grades are intended to be a guide, older youth enrolled in this subject for the first time may start in a lower grade skill level with permission by the county extension educator, followed by an appropriate level the following year.

Skills and techniques demonstrated should be age/grade appropriate. While it is not to say a beginner level member cannot master an advanced level skill, it would be rare and unique. Therefore, exhibited cakes must demonstrate the minimum five techniques from their given level outlined in [Indiana 4-H Cake Decorating Skills and Techniques, 4-H 710A](#), but may also include higher/lower level techniques that have been mastered. Any higher/lower-level techniques will not be counted as part of the minimum five, but nevertheless will be evaluated for quality. All exhibited cakes must be created using a Styrofoam, foam, or other solid dummy. Unless otherwise stated, cakes are to be iced using royal icing or buttercream. Buttercream icing will not withstand environmental conditions and may become soft, melt, not withhold its shape, and colors may bleed when being displayed an extended period of time. When displaying a cut-up cake or tiered cake, the exhibitor must include a diagram and description indicating how the cake was assembled. This diagram and description can be attached to or written on the skills sheet. ***All exhibits must include a completed Cake Decorating Skills Sheet (4-H 710) and must accompany the cake for the judge's reference during judging. Skills sheets are for judging purposes only and will not be returned to the exhibitor.***

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

### **Exhibit Class Guidelines:**

#### ***Beginner (grades 3-5 of current school year)***

A minimum of five beginner level skills are to be demonstrated. A list of skills to choose from can be found on the [Indiana 4-H Cake Decorating Skills and Techniques, 4-H 710A](#) sheet. Cakes must be on a cake board strong enough to support the cake (approximately 3/8" thick) and 2-4" larger than the cake. For example, if the cake is 8" in diameter, then the cake board must be 10-12" in diameter. The cake board must be neatly covered and well taped or otherwise attached underneath. Cakes exhibited in the beginner level are to be a single tier/layer, no more than 5" tall, and may be round, square, or rectangular and the cake board is to be no more 12"x12".

#### ***Intermediate (grades 6-8 of current school year)***

A minimum of five intermediate level skills are to be demonstrated and the cake may include additional skills from the beginner level. A list of skills to choose from can be found on the [Indiana 4-H Cake Decorating Skills and Techniques, 4-H 710A](#) sheet. Cakes must be on a cake board strong enough to support the cake (approximately 3/8" thick) and 2-4" larger than the cake. For example, if the cake is 9"x13" rectangular, then the cake board must be 11"x15" to 13"x17" rectangular. The cake board must be neatly covered and well taped or otherwise attached underneath. Cakes exhibited in the intermediate level are to be a single or double tier/layer, no more than 12" tall and may be any shape. Youth may choose to decorate an inverted (upside down) character pan or create a 3-dimensional cake. It is also permissible to cut-up pieces of Styrofoam, foam,

or other solid material to create a new shape, like a butterfly or castle for example. The cake board is to be no more than 24"x24".

***Advanced (grades 9-12 of current school year)***

A minimum of five advanced level skills are to be demonstrated and the cake may include additional skills from the beginner and intermediate levels. A list of skills to choose from can be found on the Indiana 4-H Cake Decorating Skills and Techniques, 4-H 710A sheet. Cakes must be on a cake board strong enough to support the cake (approximately ½" thick) and 4" larger than the base cake. For example, if the cake is 26" in diameter, then the cake board must be 30" in diameter. The cake board must be neatly covered and well taped or otherwise attached underneath. Cakes exhibited in the advanced level may be multiple layers and/or tiered and may include multiple cakes, like a wedding cake. Youth may choose to create a character or 3-dimensional cake by cutting-up pieces of Styrofoam, foam, or other solid material to create a new shape. Dowel rods, plates, etc. should be used to support multiple layers and tiers. Fondant icing, gum, and sugar paste is permissible. Cakes may be any shape, no more than 36" tall and the cake board is to be no more than 36"x36".

**Project Completion:**

General Record Sheet (completed and signed by club leader) or project exhibited at County Fair.

## **RELATED COUNTY-ONLY PROJECT**

### ***CUPCAKE DECORATING***

**Description:**

The cupcake decorating project allows youth to utilize their artistic ability and expressions as they learn decorating techniques and skills.

**State Fair Entries:**

County only.

**Exhibit Guidelines:**

Projects must be on a solid board such as cardboard or wood. Boards should be covered. Icing must be used in your project; however, artificial items may also be used. Items that are edible must be attached naturally. Artificial items may be attached to your display using glue, wire, etc. Styrofoam dummy cupcakes are an option if an exhibitor does not want to use real cake.

***Beginner (grades 3-5 of current school year)***

1. Display 6 individually decorated cupcakes.
2. Cupcakes must be displayed in a single layer, on a 12"x12" solid board.

***Intermediate (grades 6-8 of current school year)***

1. Display 12-18 cupcakes, decorated in a theme.
2. Cupcakes may be decorated individually or as a group, as long as the theme is carried out in your display.
3. Your cupcake board must not exceed a 24"x24".

***Advanced (grades 9-12 of current school year)***

1. Display 18 or more cupcakes, decorated in a theme.
2. Cupcakes may be decorated individually or as a group, as long as the theme is carried out in your display.
3. Your cupcake board must not exceed a 36"x36".

**Project Completion:**

General Record Sheet (completed and signed by club leader) or project exhibited at County Fair.

## ***Project Title: Child Development***

### **Description:**

Youth will learn about developmental stages of infants, toddlers and young children.

### **State Fair Entries:**

4 entries per county; one per level.

### **Exhibit Guidelines:**

Artificial Intelligence (AI) may be used, with parent permission, when creating this exhibit and is documented as a reference. A majority of the work to create this exhibit is to be the 4-H member's original work. All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed.

Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Display boards should be designed to sit on a table using no more than 36" of tabletop space. Space should be left in the lower right-hand corner to place an exhibit tag provided by Purdue Extension staff.

Activities may be designed to be displayed on the floor, but please be considerate of space availability. Each item is to be labeled with the 4-H member's name, county and club so fair staff can keep all components together if it needs to be moved after judging is complete.

Notebooks are to include the following:

- Identifications on the front showing 4-H member's name, county, club, grade and year in project.
- Title page naming the activity.
- Pages explaining how activity was developed and is to be used.
- Photographs showing how the activity was used along with assembly.
- Explanation of skills learned and any additional information to share with the reader.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

### **Exhibit Class Guidelines:**

#### ***Level A (grades 3-4 of current school year)***

Exhibit a poster, display, or notebook about a manual activity. Other similar activities are permissible.

#### ***Level B (grades 5-6 of current school year)***

Exhibit a poster, display, or notebook about a manual activity. Other similar activities are permissible.

#### ***Level C (grades 7-9 of current school year)***

Exhibit a poster, display, or notebook about a manual activity. Other similar activities designed to help develop physical, emotional or cognitive skills are permissible.

#### ***Level D (grades 10-12 of current school year)***

Exhibit a poster, display, or notebook about a manual activity. Other similar activities designed to help develop physical, emotional or cognitive skills are permissible.

### **Project Completion:**

General Record Sheet (completed and signed by club leader) or project exhibited at County Fair.

## ***Project Title: Collections***

### **Description:**

This project encourages youth build collections of items based on their interests, creatively display the collection and demonstrate their knowledge of the items.

### **State Fair Entries:**

Collections are not exhibited at State Fair. However, a 4-H member may use their 4-H Collections Project as an action demonstration at the State Fair. Contact your 4-H Youth Educator for details.

### **Exhibit Guidelines:**

**NOTE TO EXHIBITOR AND PARENTS:** The Extension Office, 4-H Council, and 4-H Fair Board will take reasonable precautions to protect all exhibits, but are not legally responsible for any damage, loss, or theft of a collector's exhibit. It is recommended that very valuable or irreplaceable collections be protected in a display case, fastened to a display board, or left at home.

### **Exhibit Class Guidelines:**

#### ***LEVEL 1 (grades 3-5 of current school year)***

##### **EXHIBIT OPTIONS (CAN DO ONE OR BOTH)**

1. Your collection or some sample items from your collection. Remember to exhibit new items from your collection every year. Be creative in the display of your collection as long as it is not bigger than, 2'x3'x3'. If your collection is bigger than that or very valuable, you can exhibit a poster (see poster guidelines in "Member Information" section) or a notebook containing photographs of the items in your collection. No living plants or animals may be displayed as a collection. Your exhibit should include:
  - Your 4-H Collection Inventory Sheet.
2. Do an action demonstration

#### ***LEVEL 2 (grades 6-8 of current school year)***

##### **EXHIBIT OPTIONS (CAN DO ONE OR BOTH)**

1. Your collection or some sample items from your collection. Remember to exhibit new items from your collection every year. Be creative in the display of your collection as long as it is not bigger than 3'x3'x4'. If your collection is bigger than that or very valuable, you can exhibit a poster (22"x28" displayed horizontally) or a notebook containing photographs of the items in your collections No living plants or animals may be displayed as a collection. Your exhibit should include:
  - Your 4-H collection inventory sheet.
2. Do an action demonstration.

#### ***LEVEL 3 (grades 9-12 of the current school year)***

**Project Completion:** General Record Sheet (completed and signed by club leader) or project exhibited at County Fair.

## ***Project Title: Communications***

### **Description:**

The communications project teaches verbal and non-verbal communication and presentation skills.

### **State Fair Entries:**

- Demonstration – 3 junior individuals, 3 senior individuals, 3 junior teams and 3 senior teams per county.
- Informative 4-H Presentation – 3 junior individuals, 3 senior individuals.
- Professional Persuasive Presentation – 3 junior, 3 senior, 3 junior teams and 3 senior teams per county per county.
- Public Speaking – 3 junior and 3 senior per county.
- Creative Writing – 3 exhibits per county, one per level.

[State Project Resources for Communications here.](#)

### **Exhibit Guidelines:**

Effective communications drive all aspects of day-to-day life. Youth are to learn about the process of communication, to learn about different modes of communication and to strengthen their own communication skills. As you explore the world of communication and the manuals, you will enjoy learning more about yourself and others. Youth completing this project are expected to participate in a variety of experiences allowing them to develop communication skills rather than create an exhibit to be displayed at the county or state fair.

A series of 4-H manuals is available with activities designed to develop communication skills at a specific grade level. Module 1 is for Beginner Level youth in grades 3-5. Module 2 is for Intermediate Level youth in grades 6-8. Module 3 is for Advanced Level youth in grades 9-12. Suggested activities to develop communication skills include:

- Complete an activity from the grade appropriate manual.
- Give a demonstration or presentation at a club meeting.
- Participate in a verbal communication event. See verbal communication section below.
- Submit a news release to local news media about a 4-H event or topic.
- Participate in a radio interview.
- Present information about 4-H to a civic organization or similar group.
- Participate in the Indiana 4-H Spread the News workshop (Grades 9-12).
- Participate as an actor in a community theater.
- Other activities that demonstrate communication skill development.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

### **Exhibit Class Guidelines:**

#### ***Verbal Communication Events***

The following verbal communication events and activities are offered to 4-H members as a way to teach presentation and public speaking skill development. They are often used in 4-H meetings, and a county 4-H youth development program may choose to offer these as competitive events. The demonstration, informative presentation, professional persuasive presentation and public speaking are competitive events at Indiana State Fair. **Artificial Intelligence (AI) may be used, with parent permission, when creating this speech or presentation and is to be documented as a reference. A majority of the work to create this speech or presentation is to be the 4-H member's original work.**

The following apply to all state fair communication events:

- Members may use a PowerPoint, Prezi, or other digital presentation, signs, and other props that will enhance their presentation when giving their how-to demonstration to the audience from a stage or stage-like setting.

- If digital media will be used to enhance the presentation, contestants are encouraged to provide their own laptop computer. If the laptop is not equipped with a standard HDMI external video connection, the contestant will need to supply an appropriate adapter. While a standard PC laptop will be available, the quality and compatibility of the digital media cannot be guaranteed as PowerPoint will be the only digital media available at state fair.
- Live animals are not permitted at state fair.
- There is no interaction with the audience.
- Questions may be asked of the contestants by the judges following the presentation.
- Events that have a team category, it is for two (2) people and will be determined by the highest grade level of any member of that team.
- The top three senior individuals, top junior individual, top senior team and top junior team will be recognized in the Indiana State Fair Celebration of Champions.

Refer to the Indiana State Fair 4-H handbook for the date, time, and location of each event. Check with your county extension educator for information about entering these events.

### **Demonstration**

- All 4-H members are encouraged to present a demonstration at their club or county level.
- This contest allows the 4-H member to show the audience step-by-step procedures how-to-do something related to any 4-H project.
- Examples of a demonstration include how to take a prize-winning photograph, how to give an intramuscular antibiotic injection or shot, how to design a mini-barn blueprint, how to construct a garment, how to develop a wildlife rehabilitation plan, how to treat a cat for fleas, etc.
- Junior members (grades 3-8) have 5-7 minutes to present their demonstration, while senior members (grades 9-12) will present their demonstration in 5-10 minutes.
- Categories will be Junior Individual, Senior Individual, Junior Team, and Senior Team.

### **Informative 4-H Presentation**

- This contest allows the 4-H member to present a topic of their choice related to a 4-H event, project, or activity to the audience.
- Examples of an informative 4-H presentation include the benefits of attending 4-H Round-Up, State 4-H Junior Leader Conference, 4-H Academy, or Citizenship Washington Focus; the impact of a community service project on the 4-H members involved and their community; why a family should enroll their children in 4-H; how 4-H prepares a young person for the workforce or college, etc.
- Junior members (grades 3-8) have 5-7 minutes to present their informative presentation, while senior members (grades 9-12) will present their informative presentation in 5-10 minutes.
- Categories will be Junior Individual and Senior Individual.

### **Professional Persuasive Presentation**

- Contestants will be required to research a public issue in their community, collect data showing how this issue is or could affect their community, formulate a plan to address this issue, and present it in a professional manner using electronic digital media such as PowerPoint, Prezi, etc.
- Contestants are to submit two (2) sets of accompanying handouts at registration. These handouts will be provided to the judges.
- It is suggested that youth practice by presenting their professional presentation to service clubs, 4-H council or fair board, government officials, or other boards.
- Examples of public issues could be the lack of accessibility to trails or public parks, congested traffic locations, public health issues, impoverished neighborhoods, school dropout rates, the size of farm machinery outgrowing the size of roads, etc.
- Junior members (grades 3-8) will present in 5-7 minutes and senior members (grades 9-12) will present their professional presentation in 5-10 minutes.
- Categories will be Junior Individual, Senior Individual, Junior Team and Senior Team.

### **Public Speaking**

- This contest allows the 4-H member to give their prepared speech to an audience from a stage or stage-like setting.
- Props, signs, and PowerPoint presentations are not permitted.
- The topic can be of the 4-H member's choice.
- Junior members (grades 3-8) have 3-5 minutes to give their speech while senior members (grades 9-12) will give their speech in 5-7 minutes.

### **Project Completion:**

Participation in communication event at County Fair or submitted General Record Sheet.

### ***Creative Writing***

- This exhibit allows youth to express creativity while developing writing skills. Examples include a story, autobiography, biography, journal entry, poetry, children's story, skit or play, fiction in verse, alternative history, song lyrics, movie script, creative non-fiction and more. Writing must be authored by the 4-H member and can be fiction or non-fiction.
- Exhibits are to be displayed in a notebook or binder appropriately labeled on the front with the title, 4-H member's name, grade in school, club and county. The notebook or binder is to include a title page and authored work. While most creative writing exhibits will not require research, a bibliography giving credit to sources is to be included with any research article.
- Work can be handwritten or typewritten.
- Illustrations or photos may be included to enhance the writing.
- Writing should not include excessive blood, gore, violence or sexual themes and must be appropriate for all ages to read.

### **Creative Writing Exhibit Class Guidelines:**

#### **Beginner** (grades 3-5 of current school year)

Create and exhibit one age/grade appropriate item. While length or word count is not required, one-page or 250 words is appropriate for most beginners.

#### **Intermediate** (grades 6-8 of current school year)

Create and exhibit one age/grade appropriate item. While length or word count is not required, two-page or 500 words is appropriate for most intermediate members.

#### **Advanced** (grades 9-12 of current school year)

Create and exhibit one age/grade appropriate item. While length or word count is not required, more than three pages or more than 750 words is appropriate for most advanced members.

### **Project Completion:**

General Record Sheet (completed and signed by club leader) or project exhibited at County Fair.

## ***Project Title: Computer Science***

### **Description:**

The 4-H computer science project is designed for youth to engage in an interactive project to learn all levels of familiarity with computers.

### **State Fair Entries:**

3 per county; one per level.

[State Project Resources for Computer Science here.](#)

### **Exhibit Guidelines:**

There are three exhibit grade level divisions; Grades 3-5, Beginner; Grades 6-8, Intermediate; and Grades 9-12, Advanced. Exhibits are to be skill appropriate for the member's grade level.

Youth enrolled in the computer project will select one of the below subject categories to study, regardless of grade. Youth may choose to create an exhibit demonstrating skills learned during the year.

**Artificial Intelligence (AI) may be used, with parent permission, when creating this exhibit and is to be documented as a reference. A majority of the work to create this exhibit is to be the 4-H member's original work.** Check with your county Purdue Extension Office to determine if a computer will be available during judging and if there will be an opportunity to explain your exhibit to the judge. Exhibits qualifying for state fair are to be submitted on a thumb drive securely attached to a notebook/portfolio describing accomplishments, skills learned, design ideas, budget, a summary of what was done, screenshots showing the development and final project, etc. as the exhibitor will not be able to discuss their work with a judge. Poster and display board exhibits are permissible. Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Display boards should be designed to sit on a table using no more than 36" of tabletop space. Space should be left in the lower right-hand corner to place an exhibit tag provided by Purdue Extension staff. Youth may continue in the same subject category in subsequent years expand on the previous year's topic, or choose a new topic. Subject categories are:

- Block Based Programming
- Text Based Programming
- Web Design and Computer Entrepreneurship
- Computer Forensics
- Hardware and Networking Design/Install/Repair
- Graphic Design ~~and Computer Art~~
- Robotics

Software submitted to be reviewed by a judge must be compatible on both PC and Mac platform. If additional software other than Microsoft Office Suite is required to view the member's work, that software must be provided by the member and comply with all manufacturer copyright laws. Apps can be Android or IOS compatible.

All notebooks/portfolios must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be the last page of a notebook or included as part of the display visible to the public. A judge is not to discredit an exhibit for the manner in which references are listed.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

### **Exhibit Class Guidelines:**

#### **Programming, Block- and Text-Based:**

Youth can submit programming projects in a language of their choosing. Some popular choices include, but are not limited to:

- Block-based: Scratch, Code Studio, Alice, etc.
- Text-based: Python, JavaScript, C/C++, C#, ASP.net, R, Go, Java, PHP, Perl, Ruby, etc.

### ***Beginner (grades 3-5 of current school year)***

Create a program using programming language of your choice. You should comment your work and it must include at least ten different commands. Skills this program could use are:

- Sequence
- Iteration
- Conditionals
- Variables
- Loops
- User input
- Any other similar skill

### ***Intermediate (grades 6-8 of current school year)***

Create a program using programming language of your choice. You should comment your work and it must include at least ten different commands. Skills this program could use are:

- More robust demonstration of beginner skills
- Commenting
- Correct syntax
- Functions
- Algorithms
- Modularization
- Lists
- Any other similar skill

### ***Advanced (grades 9-12 of current school year)***

Create a program using programming language of your choice. You should comment your work and it must include at least ten different commands. Skills this program could use are:

- More robust demonstration of Intermediate Skills
- Parameters
- Recursion
- Interact with databases
- Classes
- Objects
- Methods
- Inheritance
- Integrate multiple languages into one program
- Demonstrate utilization of a version control system
- Any other similar skill

## **Web Design and Computer Entrepreneurship**

### ***Beginner (grades 3-5 of current school year)***

Build a website demonstrating a knowledge of:

- Use a website builder to create your website
- Insert non-stock image into your site
- Use a template to achieve a unified look
- Explain CSS in your documentation, what CSS is and why it's important
- Must have at least two pages and include all items listed above

### ***Intermediate (grades 6-8 of current school year)***

Build a website demonstrating a knowledge of:

- Create your own site or use a website builder
- Modify existing HTML

- Use HTML5
- Modify existing CSS
- Have a unified theme throughout
- Use a photo editing software to create custom images
- Must have at least five pages and include all items listed above

***Advanced (grades 9-12 of current school year)***

Build a website demonstrating a knowledge of:

- Create a custom site using appropriate industry tools
- Have a responsive website
- Add useful and appropriate plugins
- Test for and eliminate bugs
- Include links for social media
- Include custom audio/video
- Must have at least ten pages and include all items listed above

**Computer Forensics (identity theft, online bullying, ethical use of technology, responsible social media use)**

***Beginner (grades 3-5 of current school year)***

Research and create a 3- to 5-minute presentation on one of the following topics. Present to a group of peers and have an adult leader verify, create a YouTube or MP4 instructional video, or printed slides and notes using PowerPoint or similar presentation software.

- Media Balance and Well Being
- Privacy and Security
- Digital Footprint and Identity
- Relationships and Communication
- Cyberbullying, Digital Drama and Hate Speech
- News and Media Literacy
- Any other similar topic

***Intermediate (grades 6-8 of current school year)***

Research and create a 6- to 8-minute presentation on one of the following topics. Present to a group of peers and have an adult leader verify, create a YouTube or MP4 instructional video, or printed slides and notes using PowerPoint or similar presentation software.

- Digital Citizenship:
  - Media Balance and Well Being
  - Privacy and Security
  - Digital Footprint and Identity
  - Relationships and Communication
  - Cyberbullying, Digital Drama and Hate Speech
  - News and Media Literacy
- Cyber Security
  - Ethics and Society
  - Security Principles
  - Classic Cryptography
  - Malicious Software
  - Physical Security
  - Web Security
- Any other similar topic

***Advanced (grades 9-12 of current school year)***

Research and create a 10- to 12-minute presentation on one of the following topics. Present to a group of peers and have an adult leader verify, create a YouTube or MP4 instructional video, or printed slides and notes using PowerPoint or similar presentation software.

- Digital Citizenship:
  - Media Balance and Well Being
  - Privacy and Security
  - Digital Footprint and Identity
  - Relationships and Communication
  - Cyberbullying, Digital Drama and Hate Speech
  - News and Media Literacy
- Cyber Security
  - Ethics and Society
  - Security Principles
  - Classic Cryptography
  - Malicious Software
  - Physical Security
  - Web Security
- Any other similar topic

### **Hardware and Networking Design/Install/Repair**

#### ***Beginner (grades 3-5 of current school year)***

Choose 1-2 items from the list and create a report/presentation (including images) of what you did.

- Deconstruct and reconstruct a computer
- Learn and report how binary works and how computers use numbers
- Troubleshoot hardware problems
- Explore operating systems
- Investigate open-source resources
- Install/upgrade operating systems
- Design a dream machine (give reasons)
- Any other similar design/install/repair

#### ***Intermediate (grades 6-8 of current school year)***

Choose 1-2 items from the list and create a report/presentation (including images) of what you did.

- Identify network hardware
- Design a computer network
- Explain Internet Protocol
- Explain different types of servers
- Use different protocols to communicate
- Add peripherals to a network
- Secure a networked computer
- Share applications simultaneously
- Setup a Raspberry Pi or other micro-controller
- Any other similar design/install/repair

#### ***Advanced (grades 9-12 of current school year)***

Choose one or two items from the list and create a report/presentation (including images) of what you did.

- Design and implement a computer network
- Secure your network
- Understand technology needs in your community.
- Help to solve these needs by organizing a committee or team to work on identified issues.
- Teach a computer science class to younger 4-Hers.
- Build your dream computer

- Network multiple micro-controllers
- Research careers in technology
- Any other similar design/install/repair

### **Graphic Design and Computer Art**

There are three divisions; Beginner (Grades 3-5), Intermediate (Grades 6-8) and Advanced (Grades 9-12). Youth are to use a software program to create or design an item that requires graphic design or artistry. The name of the software and version is to be included with the exhibit. Exhibits are to be age/grade appropriate. Ideas include, but are not limited to, the following:

- Logo design
- T-shirt or apparel screen printing design
- Promotional brochure
- Marketing materials
- Computer generated art
- Computer altered photographs/images – Photographs taken by the 4-H member and altered by the 4-H member using a computer are to be entered in the Photography project as a creative/experimental exhibit. Youth must obtain permission from the owner before altering someone else's photograph/image and include a copy of that permission with the exhibit to insure there is no copyright violation.

### **Robotics**

Suggested exhibits include, but are not limited to, a notebook including a printout of code with requirements marked, a flowchart showing how the robot works, images of the robot being built and the final robot in action, a video, a live demonstration, or other applicable exhibits.

#### ***Beginner (grades 3-5 of current school year)***

- Create a flowchart
- Build a robot
  - Use block- or text-based program to operate
    - Sequential programs
    - Events at beginning
  - Use at least one basic sensor
- Model and demonstrate robot behaviors using a simulation environment (e.g., VEXcode VR [<https://vr.vex.com>])

#### ***Intermediate (grades 6-8 of current school year)***

- Create a flowchart with sub-routines
- Include at least two sensors in robot
- Use at least three events in code
- Create at least 2 loops in code
- Operation of robot should be smooth

#### ***Advanced: (grades 9-12 of current school year)***

Above guidelines plus:

- Use text-based language
- Use advanced logic including
  - Multiple (three or more) events
  - Multiple (three or more) loops
  - At least three sub routines
  - Special consideration if robot is not a kit

### **Project Completion:**

General Record Sheet (completed and signed by club leader), project exhibited at County Fair, or participation a county/club robotics competition.

## ***Project Title: Consumer Clothing***

### **Description:**

This project is designed to teach clothing selection, wardrobe planning, care of clothing and personal grooming.

### **State Fair Entries:**

3 Notebooks per county, no clothing; one per level.

~~1 advanced level per county to model in state fair fashion revue.~~

[State Project Resources for Consumer Clothing here.](#)

### **Exhibit Guidelines:**

Artificial Intelligence (AI) may be used, with parent permission, when creating this exhibit and is to be documented as a reference. A majority of the work to create this exhibit is to be the 4-H member's original work. All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed.

~~The front of the notebook is to include the 4-H member's name, county, club, and level. Personal information such as phone number, mailing address, etc. should not be included in any notebook documentation.~~ The notebook is to include the following items and information:

- Outside front cover – 4-H member name, county, club and level.
- Photo of 4-H member wearing their purchased outfit.
- Narrative describing decision making process when purchasing this outfit and accessories, and how they complement your existing wardrobe.
- One page or section outlining each of the five manual activities completed. Information is to include a description of the activity, skills learned, challenges completing the activity and how you worked to overcome each challenge, problems that occurred and how that problem was solved, how this activity will help you later in life and any other information.
- Any additional information or documentation such as place of purchase, other vendors explored, how an adult mentor assisted and any other information. Receipts are not required, but if included be sure personally identifiable information such as mailing address, phone number, etc. are altered and not visible.
- The notebook exhibit is not to include prior year(s) information.

Youth ~~will be expected~~ may choose to model their purchased outfit and accessories at the county level. Modeling at state fair is limited to only the advanced level and will be judged separate from the notebook.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

### **Exhibit Class Guidelines:**

#### ***Beginner (grades 3-5 of current school year)***

Complete ~~one activity from each group~~ five activities in the manual and share your results or answers in a notebook using exhibit guidelines above, labeling each activity. With help from a parent or mentor, ~~purchase an item of clothing that you'll wear with other clothes in your wardrobe. Examples might be slacks, blouse, jeans, shirt, sweater, or sweatshirt. Choose an accessory to go with your purchase. Accessories could be shoes, sweatband, belt, jewelry, socks or similar item.~~ With the help of a mentor or parent, purchase and accessorize an outfit of your choice. Accessories may be purchased or selected from what you currently have.

#### ***Intermediate (grades 6-8 of current school year)***

Complete ~~one activity from each group~~ five activities in the manual and share your results or answers in a notebook using exhibit guidelines above, labeling each activity. ~~Purchase and accessorize a casual or school~~

~~outfit. Accessories may be purchased or selected from what you currently have. With the help of a mentor or parent, purchase and accessorize an outfit of your choice. Accessories may be purchased or selected from what you currently have.~~

***Advanced (grades 9-12 of current school year)***

Complete ~~one activity from each group~~ five activities in the manual, ~~or similar activity of choice~~ and share your results or answers in a notebook using exhibit guidelines above, labeling each activity. ~~If completing an activity not included in the manual, be sure to include in your notebook an explanation describing how the activity was developed and intended objectives.~~ With the help of a mentor or parent, Purchase and accessorize an outfit of your choice. Accessories may be purchased or selected from what you currently have.

~~Special note regarding Indiana State Fair—In addition to the advanced consumer clothing state fair entry submitting their notebook for evaluation, the exhibitor will also be invited to model their purchased outfit in fashion revue. The notebook and modeling will be judged independently and one will not have any consideration for the other at state fair.~~

**Project Completion:**

General Record Sheet (completed and signed by club leader) or project exhibited at County Fair.

## **Project Title: *Do Your Own Thing***

### **Description:**

This project allows youth to use their imagination to create an exhibit that does not fit within the guidelines of any other state or county project.

### **State Fair Entries:**

None.

### **Exhibit Guidelines:**

1. This exhibit cannot fit into any other category or division of 4-H projects.
2. The exhibit should be one article.
3. A poster or a display no longer in area than a card table. If more space is needed, contact the Extension Office before the fair.
4. You may have a story explaining what, how, and why of your project and what you learned plus other information you want to add. Have your leader sign your story. Turn in your signed story or record sheet.
5. Guinea pigs will need to be shown in this category along with a poster. The guinea pig and poster will both need to be brought to the fair to be judged with the other exhibit building items.

***JUNIOR DIVISION*** (grades 3-7 of current school year)

***SENIOR DIVISION*** (grades 8-12 of current school year)

**Posters:** Please read section on *How to Make a Poster* for requirements.

### **Project Completion:**

General Record Sheet (completed and signed by club leader) or project exhibited at County Fair.

## ***Project Title: Electric***

### **Description:**

The 4-H electricity and electronics program provides youth with educational information about electricity and how it can be used to benefit the human race.

### **State Fair Entries:**

5 electric exhibits per county, one per level

1 electronic exhibit per county, level 5

[State Project Resources for Electric here.](#)

### **Exhibit Guidelines:**

Artificial Intelligence (AI) may be used, with parent permission, when creating this exhibit and is to be documented as a reference. A majority of the work to create this exhibit is to be the 4-H member's original work. All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed.

Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Display boards should be designed to sit on a table using no more than 36" of tabletop space. Space should be left in the lower right-hand corner to place an exhibit tag provided by Purdue Extension staff.

Youth are encouraged to complete the activities as instructed in the manual or found on the [4-H electric web page](#).

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

### **Exhibit Class Guidelines:**

#### ***Electric Level 1 (1<sup>st</sup> year in Electric)***

**Exhibit** one article of choice displaying proper wiring techniques, made during the current 4-H program year. It must demonstrate a minimum of five (5) or more of the appropriate level of "Skills to be Attained" items as outlined in the "4-H Electric and Electronic Skills & Knowledge Chart". A completed copy of the "Exhibit Skills & Knowledge Sheet" must accompany the project. Skills sheets are for judging purposes only and will not be returned to the exhibitor.

#### **Exhibit Suggestions:**

- Circuit board -- 6" by 6" of Series/Parallel Circuit
- Electromagnet
- Galvanometer
- Poster board (22" by 28")
- Display (appropriately sized for displayed equipment)
- Notebook/Report that covers any topic that is in the National 4-H Electric Curriculum Electricity Excitement Book 1 or Investigating Electricity Book 2, Purdue Extension website Level 1 activities/project sheets, or from the appropriate level of the Skills & Knowledge Chart. Refer to the Written Report Scorecard, 4-H 824, to determine expected items to be included.

#### ***Electric Level 2 (2<sup>nd</sup> year in Electric)***

**Exhibit** one article of choice displaying proper wiring techniques, made during the current 4-H program year. It must demonstrate a minimum of five (5) or more of the appropriate level of "Skills to be Attained" items as outlined in the "4-H Electric and Electronic Skills & Knowledge Chart". A completed copy of the "Exhibit Skills & Knowledge Sheet" must accompany the project. Skills sheets are for judging purposes only and will not be returned to the exhibitor.

**Exhibit Suggestions:**

- Magnetic Powered Shake Flashlight – with optional display
- Circuit board – 6” by 6” of Series/Parallel Circuit (with modifications if exhibited in Level 1)
- Electromagnet
- Galvanometer
- Electric Motor
- Poster board (22” by 28”)
- Display (appropriately sized for displayed equipment)
- Notebook/Report that covers any topic that is in the National 4-H Electric Curriculum Electricity Excitement Book 1 or Investigating Electricity Book 2, Purdue Extension website Level 2 activities/project sheets, or from the appropriate level of the Skills & Knowledge Chart. Refer to the Written Report Scorecard, 4-H 824, to determine expected items to be included.

***Electric Level 3 (3<sup>rd</sup> year in Electric)***

**Exhibit** one article of choice displaying proper wiring techniques, made during the current 4-H program year. It must demonstrate a minimum of five (5) or more of the appropriate level of “Skills to be Attained” items as outlined in the “4-H Electric and Electronic Skills & Knowledge Chart”. A completed copy of the “Exhibit Skills & Knowledge Sheet” must accompany the project. Skills sheets are for judging purposes only and will not be returned to the exhibitor.

**Exhibit Suggestions:**

- Wiring Project – (i.e., extension cord, trouble light, wire sizes and uses, plug configurations, test equipment, replace cord/cord end on a tool or piece of equipment, etc.)
- Electrical tool and supply kit
- Poster board (22” by 28”)
- Display (appropriately sized for displayed equipment)
- Notebook/Report that covers any topic that is in the National 4-H Electric Curriculum Wired for Power Book 3, Purdue Extension website Level 3 activities/project sheets, or from the appropriate level of the Skills & Knowledge Chart. Refer to the Written Report Scorecard, 4-H 824, to determine expected items to be included.

***Electric Level 4 (4<sup>th</sup> year in Electric)***

**Exhibit** one article of choice displaying proper wiring techniques, made during the current 4-H program year. It must demonstrate a minimum of five (5) or more of the appropriate level of “Skills to be Attained” items as outlined in the “4-H Electric and Electronic Skills & Knowledge Chart”. A completed copy of the “Exhibit Skills & Knowledge Sheet” must accompany the project. Skills sheets are for judging purposes only and will not be returned to the exhibitor.

**Exhibit Suggestions:**

- Wiring – Wire a lamp. The lamp can be a re-wired lamp or one that is built new.
- Electrical tool and supply kit
- Poster board (22” by 28”)
- Display (appropriately sized for displayed equipment)
- Notebook/Report that covers any topic that is in the National 4-H Electric Curriculum Wired for Power Book 3, Purdue Extension website Level 4 activities/project sheets, or from the appropriate level of the Skills & Knowledge Chart. Refer to the Written Report Scorecard, 4-H 824, to determine expected items to be included.

***Electric Level 5 (5<sup>th</sup> year or more in Electric)***

**Exhibit** one article of choice, displaying proper wiring techniques, made during the current 4-H program year that demonstrates a minimum of five (5) or more of the appropriate level of “Skills to be Attained” items as outlined in the “4-H Electric and Electronic Skills & Knowledge Chart”. A completed copy of the “Exhibit Skills & Knowledge Sheet” must accompany the project. Skills sheets are for judging purposes only and will not be returned to the exhibitor.

**Exhibit Suggestions:**

- Equipment Wiring – including but not limited to: parts identification, appliance repair, lamps and other lighting, equipment wiring, control system, security system, topic that covers safety, motors/generators, electric heating, heat pumps, AC, water heaters, and other electric equipment.
- Home Wiring – included by not limited to any circuits found in the wiring of a house or “barn”, service entrance, switching, receptacles, generator transfer circuit, safety, electrical math, and others.
- Electronic Equipment – Any project or kit containing transistors or integrated circuits or vacuum tubes such as radio, TV, computer, robot, cell phone, and others.
- Poster board (22” by 28”)
- Display (appropriately sized for displayed equipment)
- Notebook/Report that covers any topic that is in the National 4-H Electric Curriculum Entering Electronics, Purdue Extension website Level 5 activities/project sheets, or from the appropriate level of the Skills & Knowledge Chart. Refer to the Written Report Scorecard, 4-H 824, to determine expected items to be included.
- Video Presentation Create a video showing the work accomplished and skills learned. This video should include the same type of information as required in written notebook listed above. This video is to be no more than ten minutes in length and formatted as MP4 and submitted on a thumb drive. This video can also be uploaded to a YouTube account with the video being made public and the link submitted for evaluation.

**Project Completion:**

General Record Sheet (completed and signed by club leader) or project exhibited at County Fair.

## ***Project Title: Entomology***

### **Description:**

This project will help youth study insects and their relationship with people. Youth can also learn how to collect, preserve, and identify insects.

### **State Fair Entries:**

3 collection exhibits per county, one per level

3 educational exhibits per county, one per level

[State Project Resources for Entomology here.](#)

### **Educational Exhibit Guidelines:**

Artificial Intelligence (AI) may be used, with parent permission, when creating this exhibit and is to be documented as a reference. A majority of the work to create this exhibit is to be the 4-H member's original work. All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed.

Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Display boards should be designed to sit on a table using no more than 36" of tabletop space. Space should be left in the lower right-hand corner to place an exhibit tag provided by Purdue Extension staff.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

### **Collection Exhibit Guidelines:**

Specimens may be displayed in a collection box no larger than 24" X 18" x 3", displayed horizontally.

Collections are to include the following:

- Title as Insect Collection year in Entomology
- Order – refer to ID-401, page 57.
- Display – mounted insects are to have been legally and personally collected in the United States and displayed in an 18"x24" collection box displayed horizontally. Collections including multiple boxes are to be numbered 1 of 3, etc. ID 401 A-F cards (for Beginner and Intermediate) and 401-I cards (for Advanced) are to be placed inside the display box in an attractive manner.
- Identification – Collection display boxes are expected to contain the specified number of insects, families, and orders specified (see chart below). All insects must be in the adult stage and be properly mounted on insect pins or be contained in vials as directed.
- Pin Labels - Each pin or vial must contain two labels:
  - 2) Top label is to include collection date, location, and collector name.
  - 3) Bottom label is to include common name and other optional identification data.
- Box Labels – Box labels (computer generated or neatly printed) are used for orders and families as required (see chart below) and are to be placed flat against the bottom of the box. Insects must be properly grouped directly under the correct order and family label. For example, all insects belonging to a particular order must be placed under that order label. Orders to be used are listed in the reference book ID- 401. If family level identification is required, the insects should be further grouped together under the correct family label.

- Educational Box – One additional box (educational), based on the specific theme (see chart below), is required for grades 9-12, in addition to the insect collection boxes. This box can be created in any manner chosen (without the mounting, pinning or identifying restrictions specified above).

Judges evaluating collection exhibits should judge based on educational content, scientific accuracy, eye appeal and creativity.

### Monarch Butterfly Statement:

**Q:** Many have noticed the decrease in number of Monarch butterflies, both in Indiana and throughout the country, and wonder if and how Entomology at Purdue is responding. Are 4-H and youth still required to catch these endangered insects for their collection boxes?

**A:** Monarch butterflies are now officially on the threatened species list. While we know that collecting Monarch butterflies for 4-H collections or displays does not constitute a significant risk to their population when compared to the effects of climate change, pesticide contamination and habitat loss, capitalizing on this opportunity to discuss their decline is an excellent way to bring public focus to this important issue. We want our youth (and all IN citizens) to recognize the Monarch butterfly, understand its biology and be empathetic to its conservation. Therefore, we have instituted the following update to our youth and 4H Entomology programs. Effective immediately, we no longer encourage students to 'collect' Monarch butterflies for exhibits, displays or 4-H insect collections. But rather than simply removing the Monarch butterfly from the list of 150 insects that 4-H students are to recognize, we want to highlight it so that students really do learn to recognize them and understand their peril. After all, the more we are familiar with this species, the more apt we will be to assist and support the conservation of this iconic species.

### Spotted Lanternfly Statement

**Q:** Are there any new changes to rules or directions for the 4H or FFA youth projects or competitions that students and coaches should look for?

**A:** To keep the youth Career Development (CDE judging) and 4-H collection projects current, it is important to occasionally add new insects to the list. Due to the invasion of a serious new insect pest throughout the Midwest called the Spotted Lanternfly, we have added it to the list of insects found in the "How to Make an Awesome insect Collection and (ID-401) and Who Let the Bugs Out (ID-402) extension resources. Please be aware that students are now expected to identify and understand its biology and behavior as well as its potential impact in Agriculture.

Indiana 4-H Youth Development partners with Purdue University academic departments to develop 4-H project guidelines. The Monarch butterfly and Spotted Lanternfly statements are provided by Dr. Timothy J. Gibb, Department of Entomology.

### Exhibit Class Guidelines:

#### **Beginner** (1<sup>st</sup>--3<sup>rd</sup> Year in Entomology)

Create a collection based on the year in Entomology or an educational exhibit.

Year in Entomology	Collection Information	Total Boxes
1 <sup>st</sup> year	10 insects, identified and pinned on cards (ID 401A)	1

2 <sup>nd</sup> year	20 insects, mounted (pins or vials). Identify all insects by common name and identify five (5) to order. Include card ID 401B.	1
3 <sup>rd</sup> year	30 insects, mounted (pins or vials). Identify all insects by common name and identify 15 to order. Include ID 401C.	1

### **Intermediate (4<sup>th</sup>--6<sup>th</sup> Year in Entomology)**

Create a collection based on the year in Entomology or an educational exhibit.

Year in Entomology	Collection Information	Total Boxes
4 <sup>th</sup> year	40 insects, exhibit a minimum of 6 orders, mounted (pins or vials). Identify all insects by common name and order. Include ID 401D.	2
5 <sup>th</sup> year	50 insects, exhibit a minimum of 8 orders, mounted (pins or vials). Identify all insects by common name and order. Identify ten (10) to family. Include card ID 401E.	2
6 <sup>th</sup> year	60 insects, exhibit a minimum of 10 orders, mounted (pins or vials). Identify all insects by common name and order. Identify 30 to family. Include card ID 401F.	2

### **Advanced (7<sup>th</sup>--10<sup>th</sup> Year in Entomology)**

Create a collection based on the year in Entomology or an educational exhibit. Advanced level insect collections are to also include an education box, for a total of four boxes. Advanced level youth may instead create an independent study topic of choice.

Year in Entomology	Collection Information	Total Boxes
7 <sup>th</sup> year	70 insects, exhibit a minimum of 12 orders, mounted (pins or vials). Identify all insects by common name, order, and family. One educational box, theme: insect behavior. Include card ID 401I. (1-3 collection boxes plus 1 educational box*). Place ID 401I in first collection box only. Card ID 401I download	3
8 <sup>th</sup> year	80 insects, exhibit a minimum of 14 orders, mounted (pins or vials). Identify all insects by common name, order, and family. One educational box, theme: insect pest management. Include card ID 401I. (1-3 collection boxes plus 1 educational box*). Place ID 401I in first collection box only. Card ID 401I download	3
9 <sup>th</sup> year	90 insects, exhibit a minimum of 16 orders, mounted (pins or vials). Identify all insects by common name, order, and family. One educational box, theme: insects in the environment. Include card ID 401I. (1-3 collection boxes plus 1 educational box*). Place ID 401I in first collection box only. Card ID 401I download	3
10 <sup>th</sup> year	100 insects, exhibit a minimum of 18 orders, mounted (pins or vials). Identify all insects by common name, order, and family. One educational box, theme: benefits of insects. Include card ID 401I. (1-3 collection boxes plus 1 educational box*). Place ID 401I in first collection box only. Card ID 401I download	3

### **Project Completion:**

General Record Sheet (completed and signed by club leader) or project exhibited at County Fair.

## ***Project Title: Consumer Clothing Fashion Revue***

### **Description:**

This project teaches youth skills to present themselves in a professional manner by providing an opportunity for youth to model the outfit purchased in the 4-H consumer clothing project.

### **State Fair Entries:**

3 entries per county, one per level.

### **Exhibit Guidelines:**

All garments and outfits modeled in Consumer Clothing Fashion Revue must have been purchased by the 4-H member modeling that same garment or outfit.

**Definition of an outfit:** An outfit is a garment or garments that when put together make a complete look.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

### **Exhibit Class Guidelines:**

#### **Beginner** (grades 3-5 suggested)

Model the garment or outfit purchased for the consumer clothing project. Accessories may be purchased or selected from what you currently have.

#### **Intermediate** (grades 6-8 suggested)

Model the garment or outfit purchased for the consumer clothing project. Accessories may be purchased or selected from what you currently have.

#### **Advanced** (grades 9-12 suggested)

Model the garment or outfit purchased for the consumer clothing project. Accessories may be purchased or selected from what you currently have.

## **Project Title: *Sewing Fashion Revue***

### **Description:**

This project teaches youth skills to present themselves in a professional manner by providing an opportunity for youth to model the outfit constructed in the 4-H sewing project.

### **State Fair Entries:**

Six senior exhibits per county with no more than two exhibits per category. An exhibitor may participate in only one senior fashion revue category at state fair.

Note – State fair fashion revue grand champion will be selected from the six senior sewing category champions modeling their sewn garment or outfit ~~plus the advanced consumer clothing champion modeling their purchased outfit.~~

[State Project Resources for Fashion Revue here.](#)

### **Exhibit Guidelines:**

All garments and outfits modeled in Fashion Revue, ~~except consumer clothing entries,~~ must have been constructed by the 4-H member modeling that same garment or outfit. Youth qualifying to exhibit the same garment or outfit in Indiana State Fair Sewing and **Sewing** Fashion Revue must choose which project they wish to participate as one cannot exhibit the same garment or outfit in both projects at state fair.

**Definition of an outfit:** An outfit is a garment or garments that when put together make a complete look—such as one- or two-piece dress, or one- or two-piece pant suit, or a three-piece combination, such as pants, vest, and blouse or skirt.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

### **Exhibit Class Guidelines:**

#### **Junior** (grades 3-7 of the current school year)

Model the garment or outfit constructed for the sewing project. Accessories may be purchased or selected from what you currently have. **There is no junior class at state fair.**

#### **Senior Categories** (grades 8-12 of the current school year)

##### **Category Descriptions:**

- **Informal or Casual Wear:** A complete outfit of one or two pieces suitable for school, weekend, or casual, informal activities. In this category, a complete outfit is defined as a garment or garments that when put together make a complete look - such as one- or two-piece dress, or one- or two-piece pant suit, or a combination, such as pants, vest, blouse or shirt.
- **Dress-Up:** This is suitable for special, church, or social occasions, which are not considered to be formal. It may be an outfit of one or more pieces with or without its own costume coat or jacket (lined or unlined). This is not an outfit, which would be worn to school, weekend, or casual, informal activities.
- **Free Choice:** A complete outfit comprised of garments that do not fit in the other classifications. A complete outfit is defined as a garment or garments that when put together make a complete look such as one- or two-piece dress, or one- or two-piece pant suit, or a three-piece combination, such as pants, vest, and blouse or shirt. Individual garment examples include: tennis wear, swim wear, athletic or sportswear, lounge wear, riding habits, historic, dance, theatrical, or international costumes, capes, and unlined coats.
- **Suit or Coat:** The suit consists of two pieces including a skirt or pants and its own lined jacket. It is not a dress with jacket, as in "dress-up wear." The coat is a separate lined coat. It will be judged separately as a coat with its own accessories.

- **Separates:** Consists of three garments, that must be worn as a coordinated complete outfit. In this category, a complete outfit is defined as a garment or garments that when put together make a complete look--a three-piece combination, such as pants, vest, and blouse or shirt. Each piece should be versatile enough to be worn with other garments.
- **Formal Wear:** This outfit may be one or more pieces suitable for any formal occasion, such as proms, weddings, and formal evening functions.

## ***Project Title: Floriculture***

### **Description:**

Youth will learn basic information and skills needed to grow healthy plants and flowers as well as learning floral design techniques.

### **State Fair Entries:**

8 floral exhibits per county, 2 per level

4 educational exhibits per county, 1 per level

[State Project Resources for Floriculture here.](#)

### **Exhibit Guidelines:**

Artificial Intelligence (AI) may be used, with parent permission, when creating this exhibit and is to be documented as a reference. A majority of the work to create this exhibit is to be the 4-H member's original work. All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed.

Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Display boards should be designed to sit on a table using no more than 36" of tabletop space. Space should be left in the lower right-hand corner to place an exhibit tag provided by Purdue Extension staff.

Floral arrangements can be constructed using fresh flowers and greenery grown yourself or purchased, flowers and greenery dried yourself or purchased, or artificial flowers or greenery.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

### **Exhibit Class Guidelines:**

#### ***Level A (grades 3-4 of current school year)***

Floral Option - Create a simple bud vase (1-3 stems of main flower plus appropriate filler and/or greenery) or simple round arrangement (small, compact round cluster of flowers plus appropriate filler and/or greenery).

Educational Display Option – Create a poster, notebook or display about one of the following:

1. Chronicle your work in your flower garden (planning, planting, care, harvest, arrangement made with your flowers)
2. Describe how you planned or designed your garden, including how you chose the kinds of flowers.
3. Explain how you harvested your flowers, cared for them, and used them in an arrangement.
4. Explore and explain: pollination - what it is, why important, different ways it occurs or transplanting - what, how, things to watch out for; or role of insects with flowers (good, bad or both).
5. Explore and explain seed germination.
6. Explore and explain how to care for a 'sick' plant.
7. Report on interview with a floriculture professional (what do they do, types of jobs, type of training, hours worked, etc.)
8. Describe an experiment you did and the results.
9. Describe a community service project you did related to your flowers project.
10. Another similar activity.

**Level B (grades 5-6 of current school year)**

Floral Option – Create a mixed planter that includes 3 or more kinds of plants, make an item from dried plants, or display a house plant (flowering or non-flowering) you've grown.

Educational Display Option – Create a poster, notebook or display about one of the following:

1. Report how you harvested your flowers and/or herbs, cared for them, dried them, and used them.
2. Explore and explain: insects and your flowers and/or herbs.
3. Explore and explain: starting seeds indoors -- the process and pros and cons.
4. Explore and explain: perennials -- what are they, how are they used, benefits or drawbacks.
5. Investigate and describe a butterfly garden -- what types of plants, benefits to insects and butterflies, etc.
6. Describe how you planned or designed your garden, including how you chose the kinds of plants, any problems, successes.
7. Describe your houseplant - how you cared for, transplanted to larger pot, any problems, or successes.
8. Explore and explain: plant biology -- form and function, growth, photosynthesis, etc.
9. Explore and explain: how to grow plants indoors -- things to consider, common problems and solutions.
10. Explore and explain: environmental effects related to plants (such as light, water, soil, or temperature).
11. Describe an experiment you did and the results.
12. Explore and explain topics from "Imagine That" -- plants around the world, information about different cultural uses of plants, different ways you used your plants/herbs/flowers.
13. Another similar activity.

**Level C (grades 7-9 of current school year)**

Floral Option – Create a terrarium, combination or European planter (3 or more kinds of plants), corsage, boutonniere, or specialty arrangement in a container (using dried flowers, roses, or lilies as the primary content).

Educational Display Option – Create a poster, notebook or display about one of the following:

1. Explore and explain: vegetative propagation -- how to, different types, problems and solutions, different uses of.
2. Explore and explain: plant nutrients -- what are they, why does the plant need them, what happens if the plant has too much or too little, planters or containers vs. garden.
3. Investigate the design of multiple plant containers -- how to, things to consider, selecting plant materials, uses of.
4. Describe how you created your corsage or boutonnieres; or dried arrangement. Be sure to include appropriate information on design principles and how they are used to create your arrangement.
5. Explore and explain: floral tools and materials (how to use, what they are, care of tools, different uses of a tool or material).
6. Explore and explain: preserving cut flowers -- how, problems, uses of and/or diseases related to cut flowers.
7. Illustrate, explore and explain how to dry flowers or other plant materials and/or describe different methods and/or how, why use them.
8. Explore and explain: medicinal uses and toxicity of fresh and dried flowers and plants.
9. Describe an experiment you did and the results.
10. Describe a career exploration activity you did, such as job shadow, interview with a professional.
11. Describe a community service activity you did related to your flowers project -- what you did, why, results, etc.
12. Another similar activity.

**Level D (grades 10-12 of the current school year)**

Floral Option – Create a seasonal arrangement, modern or contemporary arrangement, bridal bouquet, special occasion centerpiece, or plant you have propagated and grown yourself.

Educational Display Option – Create a poster, notebook or display about one of the following:

1. Describe how you created your arrangement, include information on the design principles utilized.
2. Explore and explain how you utilize different flowers to make a similar style arrangement for different seasons (tulips in spring, mums in fall, etc.) or how to utilize similar flowers to make different styles of arrangements.
3. Explore and explain: the cost of arrangement and/or a cost comparison with flowers (different types of flowers, different time year, etc.).
4. Explore and explain: forcing flowers (bulbs, branches, etc.).
5. Explore and explain: marketing in the floral industry (large or small business) and/ or a market survey and results, and how they can benefit the floral industry.
6. Explore and explain: how to start a business related to the floral industry and may include a business plan.
7. Explore and explain the origins of flowers and/or the floriculture industry around the world.
8. Explore and explain: tissue culture, biotechnology, or traditional breeding of new flower types -- what are they, how are they used, pros and cons.
9. Explore and explain: be a plant detective -- what kinds of problems might you have in growing and caring for flowers, and how to solve.
10. Describe an experiment you did and the results.
11. Describe a community service activity you did related to your flowers project: how, why, results.
12. Another similar activity.

**Project Completion:**

General Record Sheet (completed and signed by club leader) or project exhibited at County Fair.

***RELATED COUNTY-ONLY PROJECT***

***African Violets***

**Description:**

Youth will learn basic information and skills needed to grow healthy African Violets.

**State Fair Exhibits:**

County only—not a state fair project.

**Exhibit Guidelines:**

Exhibit an African violet that you have had in your possession for a minimum of two months. It should be in a pot that is no more than 6" in diameter, with a plastic tray under the pot. It is recommended that the plant be blooming at fair time.

**Members enroll as:**

**Level 1** (grades 3-5 of current school year)

**Level 2** (grades 6-8 of current school year)

**Level 3** (grades 9-12 of current school year)

**Project Completion:**

General Record Sheet (completed and signed by club leader) or project exhibited at County Fair.

## ***Project Title: Foods***

### **Purdue Extension Food Safety Policy (revised 10/2022):**

***For Food Competitions:*** Fillings, frostings, glazes, and meringues are not permitted to contain cream cheese, sour cream, heavy cream, or whipped cream if they are not fully cooked/baked. These items are allowed as ingredients in food products IF the final product is cooked/baked. Additionally, raw milk, raw milk products or uncooked eggs/egg whites are not permitted. Eggs/egg whites that have been cooked to 160°F (i.e., pasteurized or included as part of a batter and baked) are acceptable. No home- canned fruits, vegetables, or meats are permitted as ingredients in food products.

Foods should be transported to the competition in a way that minimizes contamination and maintains the quality of the food (i.e., foods that are judged as frozen should remain frozen at all times).

Recipes must be provided that identifies all ingredients that were used in each part of the product. Any ingredient that could be a potential allergen must be clearly identified. Potential food allergens include, but are not limited to, milk, eggs, peanuts, tree nuts, fish, crustacean shellfish, wheat, soy and sesame. Each food product must be labeled with the following information:

- Name
- ~~Address (4-H member information can be taken from enrollment if needed)~~
- ~~Contact information (phone and/or email address; 4-H member information can be taken from enrollment if needed)~~
- Date the food product was made

Contestants should carefully wash their hands and make sure that their hands do not have any open cuts before preparing foods. If cuts are present, the wound should be bandaged and a single use food service glove worn on the hand during all stages of food production. Contestants should not be preparing food exhibits for competition within 48 hours of recovering from any illness. People experiencing symptoms of vomiting, diarrhea, fever, and/or jaundice should not be allowed to prepare food.

Judges and individuals who will consume products from county and/or state competitions should be informed that they are at risk for foodborne illness since the established policy cannot guarantee that an entry has been properly prepared or handled before, during or following the competition. The food products for competitions are home produced and processed and the production area is not inspected by the Indiana **State** Department of Health. Tasting of a food product is solely at the discretion of the judge and consumers. Judges are **NOT** to taste any home preserved foods such as low-acid or acidified foods like green beans, tomatoes or tomato products, jams/jellies/fruit preserves or fermented products produced in the home.

Baked food products may be from a boxed mix following the instructions, a boxed mix with added ingredients, or ingredients combined from scratch. Youth are to place their name, county and club on the bottom side of their plate, pan or other container and the official entry tag provided will be placed with the exhibit.

A completed recipe card is to be submitted with each exhibit. Recipe cards are for judging purposes only and will not be returned to the exhibitor. Laminating, wrapping the recipe card in plastic, or placing it in a clear plastic bag is optional. Since it is illegal in the State of Indiana for youth under the age of 21 to purchase or consume alcoholic beverages, 4-H members are to use recipes that do not include an alcoholic beverage as an ingredient. A suitable non-alcoholic or imitation product may be substituted.

Baked food products should be covered during transport and displayed on a paper or foam plate, or another type of disposable container. Pies, casseroles and other similar items are to be baked in a disposable pan. Cakes and sticky items may be displayed on a cardboard strong enough to support the item and covered in foil, plastic, wax paper, or similar substance.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

Perishable baked exhibits entered for state fair competition will not be displayed and instead will be donated to a central-Indiana homeless shelter.

Frozen exhibits entered for state fair competition will not be displayed and instead will be donated to a central-Indiana homeless shelter. Home-canned exhibits will be displayed, but will be disposed of at the state fair's conclusion.

## **Baked**

### **Description:**

The foods project teaches basic baking, preservation and nutrition education skills.

### **State Fair Entries:**

- 2 Level A entries per county.
- 2 Level B entries per county.
- 3 Level C entries per county.
- 3 Level D entries per county.

### **Exhibit Class Guidelines:**

#### ***Level A (grades 3-4 of current school year)***

Choose one or more of the baked products below, or a similar baked product of choice. It is suggested a participant choose a different option each year, but this is not a requirement. Exhibits entered at state fair will be donated to local homeless shelters after being judged and not displayed.

- Three uniced snack sized cookies.
- Three standard sized unlined muffins.
- Three standard sized unlined muffins containing an ingredient that is a source of Vitamin A or C.
- Three snack sized granola bars.
- Three snack sized brownies or blondies.
- An educational poster, notebook or display about a food or nutrition topic of choice that is age/grade appropriate.
- Any other similar baked item.

#### ***Level B (grades 5-6 of current school year)***

Choose one or more of the baked products below, or a similar baked product of choice. It is suggested a participant choose a different option each year, but this is not a requirement. Exhibits entered at state fair will be donated to local homeless shelters after being judged and not displayed.

- A single layer cake without frosting.
- A single layer reduced-fat cake without frosting. Reduce the amount of fat in the recipe by using a fruit puree or baby food fruit product that does not contain yogurt.
- A standard loaf-sized quick bread.

- A standard loaf-sized quick bread containing an ingredient that is a source of Vitamin A or C.
- A coffee-cake.
- A coffee-cake containing an ingredient that is a source of Vitamin A or C.
- Three biscuits or scones that are plain, sweet or savory.
- Three biscuits or scones that are plain, sweet or savory using a whole grain flour mixture.
- Three biscuits or scones that are plain, sweet or savory containing an ingredient that is a source of Vitamin A or C.
- Three no-yeast, any shape pretzels (shaped, stick or nugget).
- Three no-yeast, any shape pretzel with a whole grain flour mixture (shaped, stick or nugget).
- Three no-yeast bread sticks.
- Three no-yeast cinnamon rolls or other flavored roll without icing or glaze.
- A no-yeast sweet bread without icing or glaze.
- An educational poster, notebook or display about a food or nutrition topic of choice that is age/grade appropriate.
- Any other similar baked item.

### ***Level C (grades 7-9 of current school year)***

Choose one or more of the baked products below, or a similar baked product of choice. It is suggested a participant choose a different option each year, but this is not a requirement. Exhibits entered at state fair will be donated to local homeless shelters after being judged and not displayed.

- Three yeast bread sticks or yeast rolls (any shape, medium size – not a sweet roll)
- Three (3) yeast bread sticks or yeast rolls (any shape, medium size - not a sweet roll), using a whole grain flour mixture. Participants are expected to learn how to knead bread dough by hand and allow it to rise appropriately. It is NOT acceptable to use a home bread maker.
- A yeast bread loaf or braid. Participants are expected to learn how to knead bread dough by hand and allow it to rise appropriately. It is NOT acceptable to use a home breadmaker.
- A yeast bread (can be loaf, braid) using a whole grain flour mixture such as whole wheat, rye, oat bran, etc. Participants are expected to learn how to knead bread dough by hand and allow it to rise appropriately. It is NOT acceptable to use a home breadmaker.
- Homemade pizza using a yeast dough. Judges are not expecting this item to be presented hot out of the oven.
- One package of an, invented healthy snack (such as a granola bar, popcornsnack, trail mix, etc.). Your snack must include at least 2 food groups from *MyPlate*. Exhibit must include your snack product and a separate folder containing a marketing plan with product name, recipe, how it will be packaged, a package design, where it will be sold and suggested selling price. Style your snack for a photo shoot and include the picture in your marketing plan. Label should include product name, date, quantity, and serving size.
- Prepare an entrée casserole that meets three *MyPlate* requirements for a meal. Use care when transporting to prevent spoilage. Judges are not expecting this casserole to be presented hot out of the oven.
- An educational poster, notebook or display about a food or nutrition topic of choice that is age/grade appropriate.
- Any similar baked item.

### ***Level D (grades 10-12 of current school year)***

Choose one or more of the baked products below, or a similar baked product of choice. It is suggested a participant choose a different option each year, but this is not a requirement. Exhibits entered at state fair will be donated to local homeless shelters after being judged and not displayed.

- A single or double crust baked fruit pie (no graham cracker crust). (Note: Custards, cream, cream cheese frosting and fillings, and raw egg white frosting are not acceptable in an exhibit because they are highly perishable when left at room temperature.)

- A baked food product for a catered meal or special event in which organizers have requested low fat and/or reduced sugar items. Exhibit will include your food product and a notebook outlining how this product is to be used at the event, menu, supplies to buy, preparation schedule, equipment, table layout, etc. A table display is optional.
- Select a condition in which people have to specifically modify their eating habits (diabetes, heart disease, Celiac disease, food allergies, etc.) Prepare a baked food product appropriate for someone with this condition. Exhibit will include your food product and a notebook summarizing the condition or allergy, nutrition considerations involved with the condition, a description of your baked item, and an explanation of how it fits within the nutrition considerations. Make sure to note any ingredients that could cause an allergic reaction.
- Prepare an entrée casserole that meets four *MyPlate* requirements for a meal. Use care when transporting to prevent spoilage. Judges are not expecting this casserole to be presented hot out of the oven.
- An international or ethnic food of choice. This may be a cold or hot product. Use care when transporting to prevent spoilage. Judges are not expecting this product to be presented hot out of the oven.
- A specialty pastry.
- Create a baking mix and provide a sample of the baked product. Include an index card with instructions, wet ingredients needed, and baking instructions.
- An educational poster, notebook or display about a food or nutrition topic of choice that is age/grade appropriate.
- Any other similar baked item.

### **Project Completion:**

General Record Sheet (completed and signed by club leader) or project exhibited at County Fair.

## **Preserved**

### **Description:**

The foods project teaches basic baking, preservation and nutrition education skills.

### **State Fair Entries:**

- 2 Level A entries per county.
- 2 Level B entries per county.
- 3 Level C entries per county.
- 3 Level D entries per county.

[State Project Resources for Foods, Preserved here.](#)

### **Exhibit Guidelines:**

Artificial Intelligence (AI) may be used, with parent permission, when creating this exhibit and is to be documented as a reference. A majority of the work to create this exhibit is to be the 4-H member's original work. All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed.

Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Display boards should be designed to sit on a table using no more than 36" of tabletop space. Space should be left in the lower right-hand corner to place an exhibit tag provided by Purdue Extension staff.

Refer to the [Purdue Extension Food Preservation](#) web site for resources and Purdue Extension educators trained to answer food preservation questions.

### **Exhibit Class Guidelines:**

#### ***Level A (grades 3-4 of current school year)***

Choose one or more of the preserved products below, or a similar preserved product of choice. It is suggested a participant choose a different option each year, but this is not a requirement. Exhibits entered at state fair will be donated to local homeless shelters and not displayed.

- A package of 3 baked or unbaked, snack-sized (approximately 2"-3" individual size) frozen cookies. Display in freezer bag or freezer container. (NOTE: Freezer containers will not be returned.) Include index card with recipe and instructions for defrosting or baking. Label with name of product, quantity, and date frozen.
- One package of frozen berries. Display in freezer bag or freezer container. (NOTE: Freezer containers will not be returned.) Include index card with recipe and instructions for cooking or defrosting. Label with name of product, quantity, and date frozen.
- One package of dehydrated fruit or vegetable. Display in an appropriate bag or container. Include index card with recipe and instructions for cooking or defrosting. Label with name of product, quantity, and date dehydrated.
- An educational poster, notebook or display about a food or nutrition topic of choice that is age/grade appropriate.
- Any other similar preserved item.

#### ***Level B (grades 5-6 of current school year)***

Choose one or more of the preserved products below, or a similar preserved product of choice. It is suggested a participant choose a different option each year, but this is not a requirement. Exhibits entered at state fair will be donated to local homeless shelters and not displayed.

- One uncooked frozen mini-pizza using whole-grain pita bread, English muffin, bagel, or already prepared crust (no larger than 7" in diameter) with toppings of your choice. Include at least 4 *MyPlate* food groups on your pizza. Meat toppings such as hamburger, sausage, bacon, etc. must be cooked. Display on covered cardboard inside freezer bag. Include index card with recipe and instructions for cooking. Label with name of product, quantity, and date frozen.
- One package of any frozen vegetable or combination vegetables. Display in freezer bag or freezer container. (NOTE: Freezer containers will not be returned.) Include index card with instructions for defrosting and cooking. Label with name of product, quantity, and date frozen.
- One container of frozen fruit or vegetable juice. Include index card with instructions for defrosting and cooking. Label with name of product, quantity, and date frozen.
- One container of frozen soup. Include index card with recipe and instructions for defrosting and cooking. Label with name of product, quantity, and date frozen.
- A frozen ready-to-eat breakfast sandwich, burrito or similar item. Display on covered cardboard inside freezer bag. Include index card with recipe and instructions for cooking. Label with name of product, quantity, and date frozen.
- An educational poster, notebook or display about a food or nutrition topic of choice that is age/grade appropriate.
- Any other similar preserved item.

#### ***Level C (grades 7-9 of current school year)***

Choose one or more of the preserved products below, or a similar preserved product of choice. It is suggested a participant choose a different option each year, but this is not a requirement. Exhibits entered at state fair will be donated to local homeless shelters and not displayed.

- One (1) container of freezer jam. Include index card with recipe and instructions for storing. Label with name of product, quantity, and date frozen.
- One jar of a canned tomato product using the Hot Pack Method for a boiling water bath canner,

such as tomato juice, catsup, barbecue sauce, or salsa. Include index card with recipe and instructions for cooking or using the product. Label with name of product, quantity, and date canned. Canned products must have the ring on the jar top to protect the seal. ***Note: Only food preservation products made using USDA approved recipes and techniques are acceptable.***

- One jar of a canned pickled product or canned pickles. Include index card with recipe, processing, and storage instructions. (Products using a fancy pack are not accepted.) Label with name of product, quantity, and date canned. Canned products must have the ring on the jar top to protect the seal. ***Note: Only food preservation products made using USDA approved recipes and techniques are acceptable.***
- Frozen yeast dough (bread loaf, roll balls, sticks, pizza, etc.). Include index card with recipe and instructions for defrosting and cooking. Label with name of product, quantity, and date frozen.
- An educational poster, notebook or display about a food or nutrition topic of choice that is age/grade appropriate.
- Any similar preserved item.

#### ***Level D (grades 10-12 of current school year)***

Choose one or more of the preserved products below, or a similar preserved product of choice. It is suggested a participant choose a different option each year, but this is not a requirement. Exhibits entered at state fair will be donated to local homeless shelters and not displayed.

- One jar of pressure canned vegetables, meat or combination product, such as soup, stew, spaghetti sauce with meat, etc. Include index card with recipe and instructions for cooking or using the product. (Products using a fancy pack are not accepted.) Label with name of product, quantity, and date canned. Canned products must have the ring on the jar top to protect the seal. ***Note: Only food preservation products made using USDA approved recipes and techniques are acceptable.***
- One package of a combination food frozen entree in freezer container. The combination food should contain 3 food groups from *MyPlate*. Exhibit should include an index card with recipe and instructions for reheating. Display in disposable containers. No containers will be returned. Label with name of product, quantity, and date frozen.
- A jar of cooked jam or a reduced-sugar fruit spread. Include recipe card. Label with name of product, quantity, and date made. ***Note: Only food preservation products made using USDA approved recipes and techniques are acceptable.***
- One container of a thaw and eat frozen prepared appetizer. Include index card with recipe and instructions for defrosting. Label with name of product, quantity, and date frozen.
- One container of a thaw and eat frozen prepared dessert. Include index card with recipe and instructions for defrosting. Label with name of product, quantity, and date frozen.
- An educational poster, notebook or display about a food or nutrition topic of choice that is age/grade appropriate.
- Any other similar preserved item.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

### **Exhibit Class Guidelines:**

#### ***Beginner (grades 3-5 of current school year)***

Create an educational poster, notebook or display about any manual activity or on any forestry topic of choice that is age/grade appropriate.

#### ***Intermediate (grades 6-8 of current school year)***

Create an educational poster, notebook or display about any manual activity or on any forestry topic of choice that is age/grade appropriate.

#### ***Advanced (grades 9-12 of current school year)***

Create an educational poster, notebook or display about any manual activity or on any forestry topic of choice that is age/grade appropriate, prepare an herbarium collection that contains at least 25 native Indiana forest leaves, or prepare an herbarium collection that contains at least 25 native Indiana forest shrubs. Youth can also design and complete an independent study activity.

Herbarium Collections - Collect 25 terminal twigs and at least two leaves, if space allows (only one compound leaf is required), from native forest trees. Mount the specimens on 11 ½" x 16 ½" paper. One leaf on the twig must be mounted to show the back side of the leaf. Label each sheet with the following: common name, scientific name, where collected, county where collected, date collected, name of collector, and specimen number. Cover each specimen. There are no specific references given for these exhibits. Youth are encouraged to use Extension publications, the Internet, books, and forest specialists when collecting and identifying specimens. The herbarium collection must be accessible to the judges. Do not cover it under the plastic that covers your poster. Youth may want to attach a folder or other holder over your poster to hold the mounted, covered specimens.

### **Project Completion:**

General Record Sheet (completed and signed by club leader) or project exhibited at County Fair.

## ***Project Title: Garden***

### **Description:**

Youth will learn about plant growth, soil nutrition, and management of insects and diseases related to fresh vegetable and herb production.

### **State Fair Entries:**

- 1 collection per member, unlimited number of county entries.
- 5 single vegetable entries per member, unlimited number of county entries.
- 3 herb entries per member, unlimited number of county entries.
- 1 potato tray entry per member, unlimited number of county entries.
- 1 tomato plate entry per member, unlimited number of county entries.
- 1 educational exhibit entry per county.

**Educational Exhibit Option**

Create an educational poster, notebook or display about any manual activity or on any gardening topic of choice that is age/grade appropriate. Youth can also design and complete an independent study activity.

**Project Completion:**

General Record Sheet (completed and signed by club leader) or project exhibited at County Fair.

## ***Project Title: Genealogy***

### **Description:**

This project helps young people know where their ancestors resided, traveled, and developed some family tradition.

### **State Fair Entries:**

5 entries per county; one per division.

[State Project Resources for Genealogy here.](#)

### **Exhibit Guidelines:**

Artificial Intelligence (AI) may be used, with parent permission, when creating this exhibit and is to be documented as a reference. A majority of the work to create this exhibit is to be the 4-H member's original work.

Forms for this project are found on the Indiana 4-H Web site [www.extension.purdue.edu/4-H](http://www.extension.purdue.edu/4-H) click on "projects" and then on Genealogy to reach downloadable forms. This project is organized into divisions and not grades for a youth cannot start in Division 3 without first completing Division 1 and Division 2. This is a project that builds on the previous division information in order to be successful in building your family tree. If you are using a genealogical commercial software program, you may need to type in or hand write in information required by the Indiana 4-H genealogy project. See 4-H forms on the 4-H website linked above.

The exhibit will consist of no more than four (4) notebooks for Divisions 1-4 and first-year Advanced Division. (If a notebook requires additional space, label it as notebook x, continued.) Those notebooks are:

- Book #1 – Appropriate size notebook or binder, contains introduction sheet, pedigree charts and family group sheets
- Book #2 – Appropriate size notebook or binder, contains additional information worksheets and diary of work
- Book #3 – Appropriate size notebook or binder, contains supporting documents, pictures, etc.
- Book #4 – Appropriate size notebook or binder, contains Advanced Division options only (Begin using this notebook in first year of the advanced division or the fifth year of project enrollment.)
- Another notebook should be maintained and kept in a secure place at home to keep original personal and legal documents as well as previously exhibited work.

*Note – Youth may consolidate information in order to have fewer notebooks. In this case, indicate on the cover the notebook numbers included and use dividers to separate information by notebook number as well as contents as indicated below.*

Notebooks should be tabbed and in the following order (tabs are to be easily visible to the reviewer):

Book #1 - Introductory Page; Pedigree Charts; Family Group Sheets

Book #2 - Additional Information Worksheets; Diary of Your Work

Book #3 - Any Other Documents (label with ancestor numbers on tab)

Book #4 – Advanced Division Options (label each tab separately with the specific option); *Diary of Your Work* (this will be a second diary describing work done for each advanced division option)

Pedigree Charts, Family Group Sheets, Additional Information Worksheets, and Diary Sheets are to be placed in the notebook back-to-back in sheet protectors to save space, reduce the information being damaged, and reduce the number of sheet protectors required.

So that the notebook exhibit can be displayed to the public and to minimize the potential of identity theft, original legal documents are **NOT** to be included in the exhibit notebook. Instead, a photocopy of any legal document is to be included in the notebook and all identifiable information (like social security numbers) except for names is to be completely marked out. Original legal documents are to be kept in a secure location by the 4-H member and his/her family.

All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc.

Reference notations are to be made in the "source" column of the Family Group Sheet and on each document.

If information on a family member is unknown, an additional information worksheet for each required ancestor is still required. Write "unknown" or "NIA" (no information available) in PENCIL for each sheet of unknown ancestors or list several ancestors on a page and insert page in proper numerical order.

After exhibiting the first year of the ADVANCED Division, only the Advanced Division notebook (Book #4) with ALL OPTIONS (no pedigree charts, no family group sheets, no additional information sheets, no documents from Divisions 1-5) needs to be exhibited each year the genealogy project continues.

### **Suggested Genealogy Supply List:**

- Four 3" ring (D-ring type suggested) notebooks (Book #1, #3, #4 will be exhibited and the fourth 3" D-ring notebook to maintain documents at home and NOT exhibited.)
- One 2" ring (D-ring type suggested) notebook (Book #2)
- Computer or legible printing/handwriting (be consistent with method used)
- #2 lead pencil with soft eraser
- Black ink pen
- Yellow highlighter
- Notebook tabs AND acid free dividers (several tabs will be needed, be consistent with style used, should not appear past edge of notebook)
- Fine point permanent Black marker
- Acid free and non-glare sheet protectors
- Acid free paper
- Acid free glue stick
- Acid free satin Scotch tape
- Scissors
- Correction tape
- Lots of creativity to make the exhibit your own while still following the exhibit guidelines.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

### **Exhibit Class Guidelines:**

#### ***Division 1 (1<sup>st</sup> year in project)***

1. Exhibit notebook that includes the following:

- Book #1
  - An Introduction page with a recent photograph of yourself.
  - Completed three-generation pedigree chart. This includes you, your parents, and your grandparents, ancestors #1 through #7. Put all surnames in capital letters and all dates in military form (12 July 1974). Give each person a number, as described in the "Recording the Information" section of the Indiana 4-H Genealogy Resource Guide 4-H 748. **You must use the pedigree charts listed at the [www.extension.purdue.edu/4-H](http://www.extension.purdue.edu/4-H), 4-H 748Pc-W or 4-H 748Pbw-W** or the commercial software forms, but not the old "packet" pedigree charts.
  - A Family Group Sheet for your parents and each pair of grandparents. Sources of information **MUST** be filled in on family group sheets (see section "Recording the Information").
- Book #2 (Ancestors 1-7 information)
  - Four (4) "Additional Information Worksheets":
    - One (1) for you, the 4-H member
    - One (1) for your parents
    - One (1) for each set of grandparents (total = two worksheets)
    - A diary of your work
- Book #3 (Ancestors 1-7 information)
  - Any documents or pictures pertaining to these three generations. Documents must be labeled with ancestor name and ancestor number. Pictures need to be labeled with ancestor name, plus names of all known people, place and date picture was taken, as well as ancestor numbers.

### ***Division 2 (2<sup>nd</sup> year in project)***

- Exhibit notebook that includes the following:
  - Book #1
    - Four-generation pedigree chart. This would include you, your parents, grandparents, and great-grandparents, ancestors #1 through #15. **You must use the pedigree charts listed at [www.extension.purdue.edu/4-H](http://www.extension.purdue.edu/4-H), 4-H 748Pc-W or 4-H 748Pbw-W** or the commercial software forms, but not the old "packet" pedigree charts
    - A Family Group Sheet for each pair of great-grandparents. Sources of information filled in on family group sheets (see section "Recording the Information" in the Indiana 4-H Genealogy Resource Guide 4-H 748).
  - Book #2 (Ancestors 8-15 information)
    - An additional information worksheet for each set of great grandparents.
    - A diary of your work
  - Book #3 (Ancestors 8-15 information)
    - Any photographs taken of tombstones of your ancestors and their children. Please document location of tombstone(s) and label with ancestor name, ancestor number, and date photo was taken. Rubbings are acceptable in lieu of photographs.
    - Any other documents or pictures pertaining to these generations, correctly labeled.
  - Exhibit Book #1, Book #2, and Book #3. Books 2 and 3 should only include Division 2 ancestors 8-15 and related information.

### ***Division 3 (3<sup>rd</sup> year in project)***

- Exhibit notebook that includes the following:
  - Book #1
    - Five-generation pedigree chart, ancestors #1 through #31. Computer programs do not generally print chart numbers, so if you are using a computer program, make sure you have the correct number of ancestors. If an ancestor is UNKNOWN, please indicate as UNKNOWN. **You must use the pedigree charts listed at [www.extension.purdue.edu/4h](http://www.extension.purdue.edu/4h), 4-H 748Pc-W or 4-H 748Pbw-W**, or the commercial software forms, but not the old "packet"
    - pedigree charts
    - Additional Family Group Sheets for generation five (5). Sources of information must be filled in on family group sheets (see section "Recording the Information" in Indiana 4-H Genealogy Resource Guide 4-H 748.).
  - Book #2 (Ancestors 16-31 information)
    - Additional information worksheets
    - A diary of your work
  - Book #3 (Ancestors 16-31 information)
    - Write an autobiography, the story of your life. Include pictures, relevant dates, and important events, OR, write an essay about what your hopes and dreams are for the future, or about life goals you hope to attain.
    - Any documents or pictures pertaining to these generations, correctly labeled.
  - Exhibit Book #1, Book #2, and Book #3. Books 2 and 3 should only include Division 3 ancestors 16-31 and related information.

### ***Division 4 (4<sup>th</sup> year in project)***

- Exhibit a notebook(s) that includes the following:
  - Book #1

- Six-generation pedigree charts, ancestors #1 through #63. Computer programs do not generally print chart numbers, so if you are using a computer program, make sure you have the correct number of ancestors. **You must use the pedigree charts listed at [www.extension.purdue.edu/4-H](http://www.extension.purdue.edu/4-H), 4-H 748Pc-W or 4-H 748Pbw-W**, or the commercial software forms, but not the old "packet" pedigree charts
- Additional Family Group Sheets for generation six (6). Sources of information must be filled in on family group sheets (see section "Recording the Information").
- Book #2 (Ancestors 32-63 information)
  - Additional information worksheets
  - A diary of your work
- Book #3 (Ancestors 32-63 information)
  - A copy of a photograph or a story of a sixth-generation ancestor. Include information about the date when the photograph was taken, how or where you found it and what's happening in it or why it was taken. If this is unavailable, write a story about the historical period during which your sixth-generation ancestor was living.
  - Any documents or pictures pertaining to these generations, correctly labeled.
- Exhibit Book #1, Book #2, and Book #3. Books 2 and 3 should only include Division 4 ancestors 32-63 and related information.

***Advanced (5<sup>th</sup> year and above in project)***

- Exhibit notebook that includes the following:
  - Book #1
    - Seventh and eighth-generation pedigree charts, ancestors #64 through #255. If ancestry is unknown, please indicate as Unknown. Computer programs do not generally print chart numbers, so if you are using a computer program, make sure you have the correct number of ancestors.
    - Your family group sheet for generations seven and eight.
    - Sources of information filled in on family group sheets (see section "Recording the Information" in the Indiana 4-H Genealogy Resource Guide, 4-H 748).
  - Book #2 (Ancestors 64-255 information)
    - Additional Information worksheets
    - Diary of your work
  - Book #3 (Ancestors 64-255 information)
    - Any documents or pictures pertaining to these generations; correctly labeled.
  - Book #4
    - One new advanced level option (see below). Advanced division exhibitors must include ALL options submitted in prior years, with each option labeled with the year completed.

Pedigree charts are available on the Indiana 4-H Web site for your additional genealogy research. EACH YEAR FOLLOWING, continue to add ancestors to your pedigree charts. In addition, choose one of the following options that has not been completed previously. Please identify, by letter, the option that you are completing (for example: Advanced Division, Year 1, Option A; Advanced Division, Year 2, Option C; etc.)

Advanced Division Year 2 and beyond – Exhibit Book #4 that contains advanced division options and a second diary of work. If additional ancestry information was found in the seventh and eighth generation, exhibit Book 1 noting ancestors completed this year along with Books 2 and 3 demonstrating this year's work.

EXPLAIN the information received as to how it relates to you and your ancestors. Copies of documents obtained in previous divisions are acceptable and should be utilized in the option chosen if needed.

- A. A migration map of your eight-generation ancestors. You should have at least one map per family line with charts or explanations of the migrations.
- B. A timeline historical report of a family line. Show how this family fits into history. Document your report as well as possible with dates, records, places or maps, pictures, etc. Be sure to include proper labels and sources.
- C. A census history of a family line. Census abstract forms can be found on several websites. Download forms to abstract the census. Your notebook should contain copies of the census and the completed abstract form for each census.
- D. A history of your family's religious background for any family line or lines. Include a brief history of the denomination. Include baptism, confirmation or profession of faith and membership records. Also include information or history of the congregations involved. Be sure to include proper labels and sources.
- E. A history of your family's military service for a family line. Include supporting documents when possible. These documents could include military records, (muster rolls, discharge papers, etc.), pension records, and bounty land records, as well as maps and pictures. Be sure to include proper labels and sources.
- F. A research paper on a famous ancestor. Prove your relationship to this person with documentation. Try to include pictures and anecdotes to enhance your paper.
- G. Complete a family line or lines back as many generations as possible beyond eight generations (ancestors 256 and beyond). Include pictures, maps and documents. Be sure to include proper labels and sources.
- H. A timeline historical report of another family line not previously completed. Document as well as possible as in Option B. You need to state at the beginning that this is a second family historical report on such ancestor.
- I. A history of your family's military service for a family line not previously completed. Include supporting documents as in Option E. You need to state at the beginning that this is a second family military history report on such ancestor.
- J. Family DNA history. (This can be a very expensive option) Please include charts and explanations. i.e., use pie charts, ethnicity estimates, approximate percentage regionally, number of countries searched, genetic percentage, family tree, graphs, etc.
- K. Any other genealogy related activity of choice.

### **Project Completion:**

General Record Sheet (completed and signed by club leader) or project exhibited at County Fair.

## ***Project Title: Geology***

### **Description:**

Geology involves studying the earth's crust, its layers, and their history. Youth learn to identify Indiana rocks, minerals and fossils.

### **State Fair Entries:**

3 per county; one per level

[State Project Resources for Geology here.](#)

### **Exhibit Guidelines:**

Artificial Intelligence (AI) may be used, with parent permission, when creating this exhibit and is to be documented as a reference. A majority of the work to create this exhibit is to be the 4-H member's original work. All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed.

Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Display boards should be designed to sit on a table using no more than 36" of tabletop space. Space should be left in the lower right-hand corner to place an exhibit tag provided by Purdue Extension staff.

Specimens may also be displayed in a collection box no larger than 24"x 18"x 3" collection box, displayed horizontally.

You may purchase your specimens and may display rocks, fossils, and minerals. If you purchase a specimen, indicate when and where you purchased it and the location where you would expect to find the specimen. If you collect a specimen, indicate the county and township where you found it.

Posters and display boxes will be exhibited "standing up" at the Indiana State Fair. Therefore, you need to mount your specimens securely. Subject matter experts suggest the following methods: soaking ½ cotton ball in Elmer's glue, hot glue, or clear tub sealant. Place the cotton ball in your box and put your rock (or fossil or mineral) on the cotton ball and let sit. It will take 1-2 weeks for Elmer's glue to fully harden. Specimens mounted with Elmer's glue can be removed by soaking the cotton ball in water. Glue remaining on the rock may be brushed off with an old, damp toothbrush.

When exhibiting rocks show a fresh surface (recently cracked or broken surface) to help judges identify the rock.

Labels--Include the specific geographical location where you would expect to find any specimens as well as where you actually acquired it (found, purchased, etc.).

Do not identify your specimens any further than phylum and class. There is one exception to this for fossils which are identified to phylum OR class. Class should only be used for fossils of mollusks, backboned animals, and arthropods.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

### **Exhibit Class Guidelines:**

#### ***Beginner (grades 3-5 of current school year)***

Create an educational poster, notebook or display about any manual activity or on any geology topic of choice that is age/grade appropriate.

#### ***Intermediate (grades 6-8 of current school year)***

Create an educational poster, notebook or display about any manual activity or on any geology topic of choice that is age/grade appropriate, or collection of 8-16 minerals and/or fossils.

***Advanced (grades 9-12 of current school year)***

Create an educational poster, notebook or display about any manual activity or on any geology topic of choice that is age/grade appropriate, or collection of 15-25 minerals and/or fossils and/or jewel stones. Youth can also design and complete an independent study activity.

**Project Completion:**

General Record Sheet (completed and signed by club leader) or project exhibited at County Fair.

## ***Project Title: Health***

### **Description:**

The 4-H Health project is designed for youth interested in basic first aid and healthy well-being, as well as those interested in pursuing a medical profession career.

### **State Fair Entries:**

3 exhibits per county; one per level.

### **Exhibit Class Guidelines:**

#### ***Beginner (grades 3-5 of current school year)***

Create an educational poster, notebook or display about any manual activity or on any health topic of choice that is age/grade appropriate. Another option is to create a family first aid kit, emergency kit, an emergency kit to take on a hiking, biking, skiing or similar trip, or another similar kit.

#### ***Intermediate (grades 6-8 of current school year)***

Create an educational poster, notebook or display about any manual activity or on any health topic of choice that is age/grade appropriate. Another option is to create a personal nutrition kit to use when doing physical activity like chores, working out at the gym, hiking, biking, skiing, or another similar kit.

#### ***Advanced (grades 9-12 of current school year)***

Create an educational poster, notebook or display about any manual activity or on any health topic of choice that is age/grade appropriate. Another option is to create an activity or guide to help yourself or others become more aware of financial wellness, mental health, disease prevention, or other similar topic that promotes healthy habits. Youth can also design and complete an independent study activity.

### **Project Completion:**

General Record Sheet (completed and signed by club leader) or project exhibited at County Fair.

## ***Project Title: Home Environment***

### **Description:**

Youth will apply the principles of design to home design and decoration as well as learn about care of home furnishings.

### **State Fair Entries:**

6 per county; two per level.

### **Exhibit Class Guidelines:**

#### ***Beginner (grades 3-5 of current school year)***

Choose one of the following options:

- Furniture Item and Notebook – create a wall hanging, storage organizer, a set of 3-5 accessory items or something similar for the home or similar activity.
- Design Board and Notebook – color a line drawing from your manual and create three color schemes, color a line drawing from your manual and demonstrate dominant and supportive color, or display a line drawing showing where furniture would be placed in the room or similar activity.
- Portfolio – Collect different color schemes, magazines showing different furniture designs, or magazines/photographs of formal vs informal balance, dominant and supportive colors, etc. or similar activity.

#### ***Intermediate (grades 6-8 of current school year)***

Choose one of the following options:

- Furniture Item and Notebook – refinish or repurpose a piece or set of furniture, storage unit, or display a collection of 3-5 similar home accessory items, or similar activity.
- Design Board and Notebook – create a line drawing for a room in your home showing furniture layout, accessory items and fixtures or similar activity.
- Portfolio – display a sample of three different types of wall treatment with explanation of each, three different floor treatments with explanation of each, an energy plan for your home, or similar activity.

### ***Advanced (grades 9-12 of current school year)***

Choose one of the following options:

- Furniture Item and Notebook -- refinish or repurpose a piece or set of furniture, storage unit, or display a collection of 3-5 similar home accessory items, or similar activity.
- Design Board and Notebook – display a floor plan for any room of your house or the whole house or apartment, or similar activity.
- Portfolio –display a sample of three different lighting or window treatments with an explanation of each, interview an interior designer and prepare a report, a home energy saving proposal plan, or similar activity.

### **Exhibit Categories:**

#### **Furniture Item and Notebook**

An actual piece of furniture accompanied by a standard notebook (3-ring binder) explaining the *who, what, when, where, why, and how* of the chosen project. We suggest including pictures showing where the item will be used. Also, we encourage 4-H members to include pictures of themselves doing the project, but this is not required. Always place your identification information in the notebook and on the furniture.

#### **Design Board and Notebook**

Standard 22" x 28" poster, displayed horizontally with a firm backing. Design boards must be covered with plastic to protect and help hold items in place. An identification name tag must be attached in the lower right corner. The notebook is to help explain the *who, what, when, where, why, and how* of the chosen design. This can be a "before and after project" or "plan in the future" project.

#### **Portfolio**

Standard notebook (3-ring binder). If 4-H members choose to do this option more than one year, we suggest that they keep the previous year's materials in the notebook. Place materials for the current year in the front, with the previous year's materials clearly marked or labeled at the back. Always place your identification information in the notebook.

### **Project Completion:**

General Record Sheet (completed and signed by club leader) or project exhibited at County Fair.

## ***Project Title: Junior Leaders***

### **Description:**

The Junior Leader project allows 4-H members in grades 7-12 the opportunity to provide their Adult 4-H Volunteers with additional assistance in their 4-H Clubs and related activities while serving as mentors and role models to the younger 4-H members by sharing their experiences with them. Many counties offer county-wide opportunities for Jr. Leaders to meet and serve the community.

Junior leaders develop skills in the areas of civic engagement, leadership, entrepreneurship and more through a variety of hands-on experiences throughout the year.

Being a 4-H Junior Leader is both a good time and a learning experience. Every 4-H member who is in the 7th grade or higher in the spring is eligible to be a 4-H Junior Leader. 4-H Junior Leaders assist their adult leaders with the 4-H Club, and help younger members with their projects. 4-H Junior Leaders also belong to the Lawrence County 4-H Junior Leaders Club, which performs services for 4-H and the community. But they don't just work—they take field trips, attend conferences, meet new people, and in general, have a good time. There are also several awards and activities that are available only to 4-H Junior Leaders.

### **State Fair Entries:**

No state fair entries.

### **Exhibit Guidelines: (To complete the project and to attend the 4-H Junior Leader completion trip after 4-H Fair.)**

- Be in grades 7-12 of current school year.
- Be enrolled in another Lawrence County 4-H Club and complete at least one other 4-H project.
- Attend both local and county 4-H Club meetings.
- Work at the 4-H Junior Leader stand at the 4-H Fair.
- Serve as a host or hostess and/or on a 4-H project exhibit committee at the 4-H Fair.
- Complete all of the guidelines in the project manual.

### **Project Completion:**

Submit a completed 4-H Junior Leader project manual (points sheet).

## ***Project Title: Leadership***

### **Description:**

This project allows the opportunity to learn life skills that are important to be effective leaders of themselves and of groups.

### **State Fair Entries:**

No state fair entries.

### **Exhibit Guidelines:**

Artificial Intelligence (AI) may be used, with parent permission, when creating this exhibit and is to be documented as a reference. ## ***Project Title: Photography***

### **Description:**

This project teaches youth how to take quality photographs with a camera or digital device.

### **State Fair Entries:**

- 2 beginner per county
- 3 intermediate per county
- 3 advanced per county

[State Project Resources for Photography here.](#)

### **Exhibit Guidelines:**

Artificial Intelligence (AI) may be used, with parent permission, when creating this exhibit and is to be documented as a reference. A majority of the work to create this exhibit is to be the 4-H member's original work. Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Space should be left in the lower right-hand corner to place an exhibit tag provided by Purdue Extension staff.

All images are to be original images taken by the 4-H member during the current program year. Captions are not recommended.

**Print board exhibits** are to include 10 photos mounted on a poster as described above, each no larger than 5"x7". Number each print 1-10. Prints may be a mix of digital and/or standard development. Create a title of choice for the print board exhibit. Space should be left in the lower right-hand corner to place an exhibit tag provided by Purdue Extension staff.

**Salon prints** are to be no larger than 11"x14", mounted on a standard 16"x20" salon mount, and displayed vertically. Salon prints are to be placed in a clear plastic sleeve and captions are not recommended. Space should be left in the lower right-hand corner to place an exhibit tag provided by Purdue Extension staff.

Images may be taken with a film camera, digital camera, cell phone, or other electronic device. ~~Altering of images by any other means besides the device it was taken with is to be entered in the creative/experimental category.~~ Replacing any pixels of the original digital image is to be entered in the creative/experimental category. This includes, but not limited to, using artificial intelligence (AI), any erasing tool, healing tool, patch tool, or any tool that replaces any of the original pixels. Creative/experimental exhibits must include the original photo on the back side of the board, a description of how the image was altered, and equipment/software used to alter the image.

Editing photos such as cropping, color adjustment, and other enhancements are considered to be part of the normal photography educational learning process and are permissible. So that judges can better evaluate a photography exhibit, the 4-H member is asked to attach to the back of their salon or print board exhibit the make and model of camera used and a description of any editing.

A photo that has been modified to change the original intent, meaning or story captured should be entered in the creative or experimental class. Photos exhibited as creative or experimental are to attach to the back of their exhibit the make and model of camera used, software or other tools used to change the photo, a description of how the photo was changed, and a copy of the original photo before editing.

Sepia tone photographs (mono chromatic) are to be entered as black and white photos.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

### **Exhibit Class Guidelines:**

#### ***Beginner (grades 3-5 of current school year)***

Choose one or more of the following exhibits:

- Black and White Print Board

- Color Print Board
- Black and White Salon Print
- Color Salon Print
- Creative/Experimental Salon Print

***Intermediate (grades 6-8 of current school year)***

Choose one or more of the following exhibits:

- Black and White Print Board
- Color Print Board
- Black and White Salon Print
- Color Salon Print
- Creative/Experimental Salon Print

***Advanced (grades 9-12 of current school year)***

Choose one or more of the following exhibits:

- Black and White Print Board
- Color Print Board
- Black and White Salon Print
- Color Salon Print
- Creative/Experimental Salon Print

**Project Completion:**

General Record Sheet (completed and signed by club leader) or project exhibited at County Fair.

## **Project Title: *Read-a-Book***

### **Description:**

This project encourages youth to read and understand the subject to create items based on the book they read for the project.

### **State Fair Entries:**

None.

### **Exhibit Guidelines:**

All books must have been read after previous year's fair. Posters: Please read section on *How to Make a Poster* for requirements.

### **Exhibit Class Guidelines:**

#### **Level 1**

Grades 3-5 of current school year--Exhibit a bookmark depicting a scene or character from a book you have read.

- Must be a practical bookmark of overall useable size and thickness.
- Must include the name of the book and the author's name on the bookmark.
- Must be laminated or covered with contact paper to preserve.
- Must include a 3x5 index card telling what you did to complete the project. Your name must be on the back of the bookmark.
- Must be displayed in a clear sheet protector. Label will be placed on the outside of the protector in the bottom right-hand corner.

#### **Level 2**

- **Grade 6** of current school year--Make a shoebox diorama (shadowbox). Must be completely contained in the shoebox with no extensions. Must include title of book and author. Cover with clear plastic. Label must be placed on outside of box in bottom right-hand corner.
- **Grade 7** of current school year--Make a poster or bulletin board depicting a story or chapter from the book. Must include title of book and author. Follow general poster guidelines for size and covering.

#### **Level 3**

- **Grade 8** of current school year--Prepare an original book jacket with blurb. Include title of book and author on exhibit. Place in sheet protector. Place label on outside of sheet protector in bottom right-hand corner.
- **Grade 9** of current school year--Make a collage depicting your book (standard poster size) and a written explanation of the objects or illustrations and how they relate to the book. Must include title of book and author on collage. Cover with clear plastic and place label in bottom right-hand corner.
- **Grade 10** of current school year--Write an article advertising the book. Must include title of book and author in the article. Place in sheet protector with label on outside in bottom right-hand corner.

- **Grade 12** of current school year--Write a report for the book you have read. Must include title of book and author. Place in sheet protector. Place label on the outside of sheet protector in bottom right-hand corner.

**Project Completion:** General Record Sheet (completed and signed by club leader) or project exhibited at County Fair.

## ***Project Title: Sewing***

### **Non-Wearable**

#### **Description:**

The sewing project teaches fabric selection, pattern selection and sewing machine use to construct items used around the home or other purposes.

#### **State Fair Entries:**

10 exhibits per county; one per grade level

[State Project Resources for Sewing here.](#)

#### **Exhibit Guidelines:**

Older youth enrolled in the 4-H sewing project for the first time may not feel comfortable demonstrating their assigned grade level skills. In this instance the county 4-H youth development educator may, at the request of the 4-H member and parent, assign the member to a lower-level grade level to develop fundamental skills. Provide a completed sewing skills card, 4-H 925c-W, with the exhibit. Skills sheets are for judging purposes only and will not be returned to the exhibitor.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

#### **Exhibit Class Guidelines:**

- ***Grade 3 of current school year***  
Create one non-wearable sewn item demonstrating at least 2 skills from Sewing Skills and Techniques.
- ***Grade 4 of current school year***  
Create one non-wearable sewn item, or set of items, demonstrating at least 2 skills from Sewing Skills and Techniques, in addition to those learned in the prior grade.
- ***Grade 5 of current school year***  
Create one non-wearable sewn item, or set of items, demonstrating at least 3 skills from Sewing Skills and Techniques, in addition to those learned in prior grades.
- ***Grade 6 of current school year***  
Create one non-wearable sewn item, or set of items, demonstrating at least 4 skills from Sewing Skills and Techniques, in addition to those learned in prior grades.
- ***Grade 7 of current school year***  
Create one non-wearable sewn item, or set of items, demonstrating at least 5 skills from Sewing Skills and Techniques, in addition to those learned in prior grades.
- ***Grades 8, 9, 10, 11 and 12 of current school year***  
Create one non-wearable sewn item, or set of items, demonstrating at least 6 skills from Sewing Skills and Techniques, in addition to those learned in prior grades.

#### **Project Completion:**

General Record Sheet (completed and signed by club leader) or project exhibited at County Fair.

## **Wearable**

### **Description:**

The sewing project teaches fabric selection, pattern selection and sewing machine use to construct garments and outfits to be worn by the 4-H member or another person.

### **State Fair Entries:**

5 junior exhibits per county; one per grade level

6 senior exhibits per county; one per category

### **Exhibit Guidelines:**

Older youth enrolled in the 4-H sewing project for the first time may not feel comfortable demonstrating their assigned grade level skills. In this instance the county 4-H youth development educator may, at the request of the 4-H member and parent, assign the member to a lower-level grade level to develop fundamental skills.

**Provide a completed sewing skills card, 4-H 925c-W, with the exhibit. Skills sheets are for judging purposes only and will not be returned to the exhibitor.**

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

### **Junior Exhibit Class Guidelines:**

#### ***Grade 3 of the current school year***

Create one clothing article to be worn by the 4-H member or another person demonstrating at least 2 skills from Sewing Skills and Techniques.

#### ***Grade 4 of the current school year***

Create one clothing article to be worn by the 4-H member or another person demonstrating at least 2 skills from Sewing Skills and Techniques, in addition to those learned in the prior grade.

#### ***Grade 5 of the current school year***

Create one clothing article or a simple two-piece outfit to be worn by the 4-H member or another person demonstrating at least 3 skills from Sewing Skills and Techniques, in addition to those learned in prior grades.

#### ***Grade 6 of the current school year***

Create two garments that can be worn together to be worn by the 4-H member or another person demonstrating at least 4 skills from Sewing Skills and Techniques, in addition to those learned in prior grades.

#### ***Grade 7 of the current school year***

Create an outfit that can be worn by the 4-H member or another person demonstrating at least 5 skills from Sewing Skills and Techniques, in addition to those learned in prior grades.

### **Senior Exhibit Class Guidelines:**

#### ***Grades 8-12 of current school year***

Youth may enter an exhibit in one or more categories. Create an outfit from one of the categories defined below that can be worn by the exhibitor or another person demonstrating at least 6 skills from Sewing Skills and Techniques, in addition to those learned in prior grades.

*All senior sewing outfits exhibited in Fashion Revue must be made and worn by the exhibitor.*

**DEFINITION OF AN OUTFIT:** An outfit is a garment or garments that when put together make a complete look, such as a one- or two-piece dress, a one- or two-piece pant suit, or a three-piece combination, such as pants, vest, and blouse or shirt.

- **Informal or Casual Wear:**

A complete outfit of one or two pieces suitable for school, weekend, or casual, informal activities. In this category, a complete outfit is defined as a garment or garments that when put together make a complete look, such as a one- or two-piece dress, one- or two-piece pant suit, or a combination, such as pants, vest, blouse or shirt.

- **Dress Up:**

This is suitable for special, church, or social occasions that are not considered to be formal. It may be an outfit of one or more pieces with or without its own costume coat or jacket (lined or unlined). This is not an outfit that would be worn to school, weekend, or casual, informal activities.

- **Free Choice:**

A complete outfit comprised of garments that do not fit in the other classifications. A complete outfit is defined as a garment or garments that when put together make a complete look, such as a one- or two-piece dress, one- or two-piece pant suit, or a three-piece combination, such as pants, vest, and blouse or shirt. Individual garment examples include: tennis wear, swim wear, athletic or sportswear, lounge wear, riding habits, historic, dance, theatrical, or international costumes, capes, and unlined coats.

- **Suit or Coat:**

The suit consists of two pieces including a skirt or pants and its own lined jacket. It is not a dress with jacket as in "dress up wear." The coat is a separate lined coat. It will be judged separately as a coat with its own accessories.

- **Separates:**

Consists of three garments that must be worn as a coordinated complete outfit. In this category, a complete outfit is defined as a garment or garments that when put together make a complete look--a three-piece combination, such as pants, vest, and blouse or shirt. Each piece should be versatile enough to be worn with other garments.

- **Formal Wear:**

This outfit may be one or more pieces suitable for any formal occasion, such as proms, weddings, and formal evening functions.

## **Project Completion:**

General Record Sheet (completed and signed by club leader) or project exhibited at County Fair.

## ***Indiana 4-H Sewing Skills and Techniques***

Note – Skills and techniques specific to non-wearable are being collected and will be added to this document when complete.

Youth and their mentor/volunteer leader/instructor should use this chart as a guide when deciding appropriate skills to incorporate in a sewing wearable or non-wearable article, garment or outfit for exhibit. While this list is a guide, it is not meant to be an all-inclusive list and youth should demonstrate skills they are most comfortable mastering. For example, some youth in a 4<sup>th</sup> grader might feel comfortable attempting 6<sup>th</sup> grade level skills, but it is unlikely a 4<sup>th</sup> grade level exhibitor will be able to successfully master the 10<sup>th</sup> grade level skills. **Exhibited items must demonstrate the minimum skill techniques from their given grade level but may also include higher/lower-level techniques that have been mastered.** Any higher/lower-level techniques will not be counted as part of the minimum skills, but nevertheless will be evaluated for quality. Youth are encouraged to utilize a number of resources such as web sites, print material, social media, and television shows when learning sewing skills and techniques. Skills learned from these types of resources may be demonstrated provided they are age/grade appropriate.

**Grade 3 – Demonstrate at least 2 of the following skills:**

- Insert elastic or drawstring
- Sew and trim a crotch curve
- Machine topstitch hems
- Use a simple seam finish
- Stitch in the ditch

**Grade 4 – Demonstrate at least 2 of the following skills:**

- Use interfacing
- Staystitch and under-stitch
- Apply a facing or binding
- Stitch curved seams

- piece quilted item
- other skills not listed above

Seam finishes are recommended on all exposed seams (except knits). Interfacing, under-stitching and trimming should be used when appropriate.

## ***Project Title: Shooting Sports***

### **Description:**

The 4-H shooting sports project teaches safe operation of firearms and archery equipment.

### **State Fair Entries:**

3 per county; one per level

[State Project Resources for Shooting Sports here.](#)

### **Exhibit Guidelines:**

Artificial Intelligence (AI) may be used, with parent permission, when creating this exhibit and is to be documented as a reference. A majority of the work to create this exhibit is to be the 4-H member's original work. All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed.

Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Display boards should be designed to sit on a table using no more than 36" of tabletop space. Space should be left in the lower right-hand corner to place an exhibit tag provided by Purdue Extension staff.

Live ammunition is not allowed to be exhibited (no powder or primer). Firearms or ready to shoot bows are not allowed to be exhibited. Unstrung bows are permissible.

An arrow with its arrowhead attached must be displayed in a secure case. An arrowhead without the arrow attached must be displayed in a secure case. An arrow may be displayed unsecured if its arrowhead is removed. Modern broad-head arrows are not allowed to be exhibited.

Displays involving firearms or bows may be exhibited as a photographic display on a poster or in a notebook following grade level guidelines. Handmade items must include information explaining how the item was made and its intended use. Photos are encouraged.

Some county 4-H programs offer in-person shooting instruction, depending on facilities. Disciplines include archery, rifle, shotgun, muzzleloader and pistol. In-person instruction in any of these disciplines must be led by a 4-H certified instructor. While some counties provide an option to exhibit at the county level, there is no state fair exhibit in these specific disciplines. Contact your county 4-H educator to learn about discipline opportunities in your county.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

### **Exhibit Class Guidelines:**

#### ***Beginner (grades 3-5 of current school year)***

Create an educational poster, notebook or display about a shooting sports topic of choice that is age/grade appropriate.

#### ***Intermediate (grades 6-8 of current school year)***

Create an educational poster, notebook or display about a shooting sports topic of choice that is age/grade appropriate, OR create an item to be used when developing shooting sports skills.

#### ***Advanced (grades 9-12 of current school year)***

Create an educational poster, notebook or display about a shooting sports topic of choice that is age/grade appropriate OR create an item to be used when developing shooting sports skills. Youth can also design and complete an independent study activity.

### **Project Completion:**

General Record Sheet (completed and signed by club leader) or project exhibited at County Fair.

## ***Project Title: Small Engine***

### **Description:**

The 4-H Small Engine project creates the education and hands-on opportunity for youth to learn all about engines.

### **State Fair Entries:**

3 per county; one per level.

Display boards should be designed to sit on a table using no more than 36" of tabletop space. Space should be left in the lower right-hand corner to place an exhibit tag provided by Purdue Extension staff.

The actual small engine may be displayed if mounted on a stable base. For safety reasons, all fluids (fuel and oil) must be removed before taking the exhibit inside a building. A notebook is to accompany the engine display and include details and pictures of what was done to the engine.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

### **Exhibit Class Guidelines:**

#### ***Beginner (grades 3-5 of current school year)***

Create an educational poster, notebook or display about any small engine topic of choice that is age/grade appropriate or a rebuilt small engine.

#### ***Intermediate (grades 6-8 of current school year)***

Create an educational poster, notebook or display about any small engine topic of choice that is age/grade appropriate or a rebuilt small engine.

#### ***Advanced (grades 9-12 of current school year)***

Create an educational poster, notebook or display about any small engine topic of choice that is age/grade appropriate or a rebuilt small engine. Youth can also design and complete an independent study activity.

Youth may exhibit in the operator skills option, educational exhibit option or both. Youth choosing to exhibit in the lawn and garden tractor, tractor, or zero-turn mower operator skills driving option must select one, but may be enrolled in all three projects.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

#### **Exhibit Class Guidelines:**

##### **Educational Exhibit Option**

##### ***Level A (grades 3-4 of current school year)***

Create an educational poster, notebook or display about any manual activity or on any tractor safety, maintenance, operating system or operation topic of choice that is age/grade appropriate.

##### ***Level B (grades 5-6 of current school year)***

Create an educational poster, notebook or display about any manual activity or on any tractor safety, maintenance, operating system or operation topic of choice that is age/grade appropriate.

##### ***Level C (grades 7-9 of current school year)***

Create an educational poster, notebook or display about any manual activity or on any tractor safety, maintenance, operating system or operation topic of choice that is age/grade appropriate.

##### ***Level D (grades 10-12 of current school year)***

Create an educational poster, notebook or display about any manual activity or on any tractor safety, maintenance, operating system or operation topic of choice that is age/grade appropriate. Youth can also design and complete an independent study activity.

## **Operator Skills Option**

The operator skills component is an educational and training activity conducted by adult 4-H volunteers. A parent or guardian is encouraged to be present when their child is operating a tractor. The adult 4-H volunteer has the authority to deny a child the opportunity to participate in the operator skills option when it is deemed a child is unable to safely operate a tractor due to size, weight or any other reason that could place the child and/or others in harm.

### ***Junior (grades 3-7 of current school year)***

Youth will demonstrate their operation skills by driving a tractor and wagon or trailer through an obstacle course as outlined in 4-H 84, Conducting 4-H Operator Safety Contests.

### ***Senior (grades 8-12 of current school year)***

Youth will demonstrate their operation skills by driving a tractor and wagon or trailer through an obstacle course as outlined in 4-H 84, Conducting 4-H Operator Safety Contests.

### **Description:**

Youth will learn information about weather and climate science.

### **State Fair Entries:**

3 per county; one per level

[State Project Resources for Weather and Climate Science here.](#)

### **Exhibit Guidelines:**

Artificial Intelligence (AI) may be used, with parent permission, when creating this exhibit and is to be documented as a reference. A majority of the work to create this exhibit is to be the 4-H member's original work. All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed.

Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Display boards should be designed to sit on a table using no more than 36" of tabletop space. Space should be left in the lower right-hand corner to place an exhibit tag provided by Purdue Extension staff.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

### **Exhibit Class Guidelines:**

#### ***Beginner (grades 3-5 of current school year)***

Create an educational poster, notebook or display about any manual activity or on any weather and climate topic of choice that is age/grade appropriate.

#### ***Intermediate (grades 6-8 of current school year)***

Create an educational poster, notebook or display about any manual activity or on any weather and climate topic of choice that is age/grade appropriate.

#### ***Advanced (grades 9-12 of current school year)***

Create an educational poster, notebook or display about any manual activity or on any weather and climate topic of choice that is age/grade appropriate. Youth can also design and complete an independent study activity.

### **Project Completion:**

General Record Sheet (completed and signed by club leader) or project exhibited at County Fair.

## ***Project Title: Wildlife***

### **Description:**

This project helps youth learn to identify wildlife, basic wildlife needs, and how wildlife interacts with other wildlife and people.

## ***Mini 4-H Program***

### **Description:**

Mini 4-H is for children who are in kindergarten, grade one or grade two of the current school year. Enrollment and all other deadlines are the same as regular 4-H.

### **Non-Competitive Policy:**

Mini 4-H is a program designed to encourage positive development of children, kindergarten through second grade. The goal of Mini 4-H is to help young children explore friendships outside the family, explore the way in which things work, practice both small and large muscle control, and think about the ways people work together on projects.

The non-competitive learning environment for Mini 4-H includes:

1. Planned learning activities in which children are invited to be active and explore materials and ideas without the pressure of completing a specific product or exhibit.
2. Low adult leader to child ratio that allows time for adult leaders to provide individual, positive encouragement and assistance.
3. Simple, interesting activities that are fun.
4. Encouragement of children to participate in a group activity by sharing and/or displaying their activity projects.
5. Rewards that are identical and/or ribbons of the same color for everyone.

**DO NOT JUDGE** projects, but instead discuss them with the child.

See the complete policy on the [Indiana 4-H Policies and Procedures Website](#).

### **Safety & Animal Policy for Mini 4-H Members:**

The safety and well-being of our 4-H youth is of the utmost importance. Although kindergarten is specified as the time when a child may begin participation in some 4-H events and activities, parents are encouraged to take into consideration their child's physical and mental development before agreeing to let the child begin to show, work with, or care for animals. Each child matures at a different rate and children in grades K-2 may still be too young to begin showing, working with, or caring for animals.

The State 4-H Youth Department at Purdue University has agreed to allow Mini 4-H members in grades K-2, to participate in some animal projects subject to certain conditions. These conditions are specified below.

Each county may determine its own non-competitive programs, classes, and participation requirements subject to the following safety guidelines:

- Mini 4-H members, in grades K through 2, will be allowed to show, work with, or care for animal projects after their parent or legal guardian has signed a liability release.
- Mini 4-H members may independently show, work with, or care for animals that weigh 300 pounds or less.
- Mini 4-H members may only show, work with, or care for animals over 300 pounds when they are assisted by a parent, legal guardian, or another adult designated in writing by parent or legal guardian." ("Assisted" means with the child at all times and in control of the animal.)
- Mini 4-H members exhibiting horses must wear ASTM or SEI standard F1163 (or above) certified helmets whenever mounted. The 4-H parent/guardian is responsible to see that this specified headgear is properly fitted with the approved harness in place and fastened whenever a rider is mounted.
- If the guidelines stated in this policy are not followed for a particular event or activity, then such event or activity shall not be considered to be a 4-H event or activity and shall not be under the auspices of Extension 4-H educators or covered by Purdue University.
- Lawrence County will offer Mini 4-H animal classes for beef, dairy calves, dairy heifers, dairy steers, dogs, goats, horse and pony, poultry, rabbits, sheep, and swine. If the animal is over 300 lbs., the 4-H

member MUST be assisted by an adult or older 4-H member. Mini 4-H members may only participate in the designated mini classes. Mini 4-H members are not permitted to show in other show classes.

- Mini 4-H members are not required to own the animals they participate with in Mini 4-H. All animals on exhibit should meet the regulations of the Indiana Board of Animal Health Requirements for Exhibition of Domestic Animals in Indiana and meet the vaccination requirements set by Indiana 4-H.
- **NOTE: SEE SPECIFIC LIVESTOCK SECTIONS FOR RULES ON MINIS.**
- See the complete policy on the [Indiana 4-H Policies and Procedures Website](#).

## State Fair Exhibits:

County only—not a state fair project

## Exhibit Guidelines:

### Exhibit Tags

All exhibits must have a 2-inch by 4-inch label attached in the bottom right corner. There is a tag for you to use at the end of this book. It should list your name and club name. If you made a poster, please make sure this label is under the plastic cover.

### Posters

If a Mini 4-H member wants to display a poster project, they will use a “Salon” size board, which is about half of the traditional poster size. Dimensions will be 20”x16” and should be displayed **vertically horizontally**.

Posters should be mounted on a stiff backing, covered in plastic or a plastic sleeve. Poster board alone is not acceptable, because it does not hang well for display. The Purdue Extension- Lawrence County Office sells the appropriate size foam-core board and a plastic sleeve to protect it and hold it all together.

## Exhibit Options:

Choose **ONLY ONE** item to exhibit for each project.

**Mini Aerospace:** Design and make your own rocket; make a poster, a book or write a poem about what you learned.

**Mini Beef:** See Mini Farm Animals

**Mini Bicycle:** Make a poster covering one of the activities in the manual.

**Mini Bugs:** Make a poster using ideas in the manual relating to bugs; draw a picture, make several kinds of bugs for a mobile, or a diorama using a shoebox.

**Mini Cats:** You do not have to exhibit a live animal to take this project. A poster, scrapbook, or model is an acceptable exhibit. You may exhibit one animal that belongs to another 4-H member or is owned by the Mini 4-H member.

**Mini Collections:** Collect and exhibit five items or five pairs of items (each year in mini after the first year, you add five items to the collection); write a short report about what collections you may have seen at a museum or the library; survey, in person or by phone, family and friends asking them what they like to collect and why (chart your information).

**Mini Crafts:** Splatter painting, beaded necklace, decoupage, hand print, drawing, craft kit, dress the clown, seed picture, gift bag, or your creative craft.

**Mini Dairy Calf:** See Mini Farm Animals

**Mini Dinosaurs:** Make a fossil cast; find four pictures of dinosaurs and answer a few questions (in the manual) and place in a self-made notebook; make a poster that shows how big dinosaurs were; make a model of your favorite dinosaur using your choice of materials.

**Mini Dog:** A poster or you may show your own dog at the 4-H Dog Show. You may exhibit one animal that belongs to another 4-H member or is owned by the Mini 4-H member.

**Mini Farm Animals (includes Mini Beef, Dairy Calf, Goat, Horse & Pony, Poultry, Rabbit, Sheep and Swine):** Make a poster about one of these animals that includes a picture you have drawn of the animal, a story about the animal, a collection of cut-out pictures or photographs of the animal OR a combination of any of these. You can also exhibit one of these animals that you own or that belongs to another 4-H member. **NOTES:** for Beef, there will be no weight limit on these animals, BUT an adult must accompany each child in the ring; for Dairy Calf, the animal must weigh under 300 pounds, and for Horse & Pony, you must show in a halter and/or showmanship class.

**Mini Fine Arts:** Hand drawn picture using oil, charcoal, pastels, pencil, ink, acrylic, water color, or crayons on canvas, canvas board, paper, or poster board. Pictures must be mounted on a stiff backing and covered with plastic. Can be any size.

**Mini Flower and Garden:** A flower or garden poster including one to five photographs of you working in your flower or vegetable garden. Cut flowers that you grew in your garden (one to three stems of one kind of flower) in a simple clear or white bud vase that is no more than nine inches tall by three inches wide with a neck opening of less than 1.5 inches. One vegetable from your garden on a paper plate along with a photo of you in your garden. Place the plate and vegetable inside a plastic bag.

**Mini Foods:** A peanut butter sandwich cut into two or four pieces; popcorn snack displayed in a small plastic sandwich bag; two no-bake cookies using the recipe in the manual; a poster you made that shows at least three kitchen safety rules; a poster that shows "My Plate," or two marshmallow treat squares using the recipe in the manual.

**Mini Forestry:** Exhibit one of the eight activities are in the Mini Forestry manual or make a poster or book.

**Mini Goats:** See Mini Farm Animals

**Mini Health:** A poster about "My Plate" or a poster showing six (6) health care professions.

**Mini Horse and Pony:** See Mini Farm Animals

**Mini Models:** One snap-together plastic model; make a model out of clay or popsicle sticks; make a model using two to four different items of your choice; visit a museum and write a short report on your visit; make a model using as many different items of your choice (i.e., paint a shoebox so that a plastic model car looks like it is driving down the road, across the field, through the water or the air).

**Mini My Pet and Me:** Make a poster or a scrapbook about your special pet. Manual lists things to include in your scrapbook or poster.

**Mini Outdoor Skills:** Mini 4-H members have the opportunity to participate in the Shooting Sports Club by completing the Outdoor Skills Activity Book. They are not required to exhibit a project, but may choose to prepare and exhibit a project showing what they have learned.

**Mini Poultry:** See Mini Farm Animals

**Mini Rabbits:** See Mini Farm Animals

**Mini Recycling:** Any item made from recycled material or a poster about recycling.

**Mini Sewing:** Make one of the project activities in the Mini sewing manual (fringe a scarf, quilt square initials, tic-tac-toe weaving, stitch the mouse, straight line patterns, connect-a-pattern, or flight pattern). There are other things in the manual such as group projects and posters.

**Mini Sheep:** See Mini Farm Animals.

**Mini Suns, Stars and Space:** Make a solar system mobile; an activity out of the manual; make a model or a poster of the space shuttle; make a poster showing one or two different constellations; make a poster about one or two different planets; make a poster about Planet X (be creative).

**Mini Swine:** See Mini Farm Animals.

**Mini Whales and Dolphins:** Make a notebook with four pictures of whales and information about them; a notebook with three pictures of dolphins and information about them; a poster that shows how big whales in comparison to other things; a model of your favorite whale or dolphin; or make a "whale-o-rama" using a shoebox, and models made of clay or salt dough with mountains and valleys, etc.

**Mini Wildlife:** Choose one--a bird poster, mobile, or feeder; a paper airplane; three insects; bird watching chart poster; animal characteristics poster.

**Project Completion:**

Completion of a *Mini 4-H Record Sheet* or project exhibited at County Fair.

# LAWRENCE COUNTY 4-H ACTIVITIES

*The following are Activities, not Projects.*

## **Activity Title: Round Robin Livestock Showmanship Contests**

### **Description:**

This is a showmanship contest in which winners from each species showmanship levels compete against each other to become the top overall showman in each youth age division.

### **State Fair Entries:**

None.

### **Guidelines:**

1. There will be two Round Robin Contests: one for small animals and one for larger animals.
2. Exhibitors may compete in more than one Round Robin eligible species for showmanship honors, BUT must represent the first species won during fair week.
3. When an exhibitor wins showmanship in a particular species, the following year they will compete in the next age level regardless of their results in the Round Robin Contest.
  - a. When exhibitors win a Senior Class, they will continue to compete in the Senior Class until they age out.
4. Once an exhibitor wins Senior Round Robin Showmanship, they will no longer compete in Round Robin in following years; however, they are still eligible to compete in their species showmanship class.
5. Uniform t-shirts will be provided by the 4-H council and must be worn during the Round Robin Competition, along with blue jeans and appropriate footwear.
6. There will be an advertised mandatory meeting for Round Robin Participants in the Community Building at the fairgrounds entrance. Non-attendance signifies forfeit of show eligibility and the Round Robin committee will fill the open spot. Small animal contestant meeting will be the day before the contest and large animal contestant meeting will be the morning of the contest.
7. Each species shall place Top 5 in each showmanship division.
