**DID YOU MISS THE MAY 4-H POULTRY BLEED FOR MARTIN COUNTY?**

No worries! You may get your information together for your poultry and you must submit by **June 20<sup>th</sup>**.

To show at the 4-H Fair, 4-H members must by law have one of the following two ways of proving their birds are disease free (waterfowl are exempt) and provide the full completed Indiana Poultry Exhibitor form.

- 1.) Birds originated directly from a National Poultry Improvement Plan (NPIP) certified clean flock within one year (*must have been certified clean since July 16, 2022*).
- 2.) Birds have had a Pullorum-Typhoid test with negative results within ninety (90) days prior to the exhibition/fair.

For members needing blood tests for poultry either hatched on a local farm without an NPIP number OR for birds coming from an NPIP certified flock over a year ago, blood testing is available at the Purdue Heeke Animal Disease Diagnostic Lab, 11367 E. Purdue Farm Road, Dubois, IN 47527. The lab is located north of Patoka Lake Dam at the Purdue SIPAC Farm. You will need to call ahead to ensure that staff are available and details. Take the required form mentioned above along for tester signature.
