Purdue University is an equal opportunity/equal access/affirmative action institution.

Weather Cancellation Policy

With winter here, there's always the possibility that activities will be cancelled due to nasty weather. If cancellations are necessary, we will try to make announcements on local radio stations and on our Facebook page. Usually, if schools are closed, Extension activities are cancelled as well. If in doubt, contact the Extension Office at 219-285-8620 ext. 2800.
