

NEWTON COUNTY 4-H PROGRAM STATEMENT OF POLICY

Indiana 4-H Program Philosophy and Expectations:

The Indiana 4-H program serves the youth of Indiana by providing a strong educational youth development program. This program delivers educational experiences in a variety of settings. Caring, capable, and contributing adults assist in the 4-H program as models for youth. The rich heritage of the 4-H program is one to be valued and passed along to future generations.

This document sets out certain standards and guidelines to be used to assure that 4-H is a positive youth development program. County 4-H policy is guided by the county 4-H policy-making or governing board (i.e., 4-H Council) as provided by the county Extension Board. Legal authority for the 4-H program rests with the Director of Cooperative Extension, Purdue University. No county 4-H policy may conflict with state 4-H policy or with federal guidelines.

Deadlines for county and state participation should be carefully constructed so as to encourage rather than to discourage participation. Such deadlines should be well published. Members not complying with established and published dates and deadlines for exhibition may be denied the opportunity to exhibit. It is the policy of 4-H to be an inclusive organization. No county policy or practice should be used to arbitrarily exclude youth from either membership or participation. Youth should participate in 4-H Youth Development opportunities at levels and times that best suit the youth's development.

4-H Mission: The Indiana 4-H Youth Development mission is to provide real-life educational opportunities that develop young people who positively impact their community and world.

4-H Vision: Indiana 4-H Youth Development strives to be the premier, community-based program empowering young people to reach their full potential.

Per state and federal guidelines, volunteers and Extension Educators may not require youth to attend 4-H club meetings in order to complete 4-H or exhibit their work.

4-H Club Membership:

Youth may become 4-H members when they enter the third grade and may continue their membership through the completion of grade 12. Each individual may continue membership for a maximum of ten (10) consecutive years.

Exceptions:

(1) Youth who enroll in grade three and are advanced academically (thus graduating early) may continue for a total of 10 years ONLY if the enrollment occurs in consecutive years.

(2) Those youth who are academically advanced and "skip" 3rd grade, may begin the program as a 4th grader and may continue for a total of 10 years ONLY if the enrollment occurs in consecutive years.

(3) Those youth who enroll in Grade 3 and are retained a grade in public, private, or homeschool may continue to progress through the 4-H program by adding subsequent years of participation, but MAY NOT exceed 10 years of participation. For example, if a member is retained one year in public, private, or homeschool, their final year of 4-H membership would conclude the summer following their junior year of high school.

(4) Those youth who entered the program in 3rd grade and for one reason or another leave formal education prior to the completion of 12th grade may continue for a total of 10 years ONLY if the enrollment occurs in consecutive years.

Note: 10 years of membership in the 4-H Youth Development is an opportunity ---not an entitlement. Those youth who do not enroll as 3rd grade students or meet the exceptions above, conclude their involvement with the program during the summer immediately following the completion of their senior year in high school.

Youth may become Mini 4-H members when they enter kindergarten.

An individual's 4-H grade is determined by the school grade in which he or she is classified regardless of the time of year he or she enrolls in 4-H. A member does not advance in 4-H grade until he or she enrolls in 4-H for the subsequent school year. Each member should enroll in the division of the project/subject that would best suit his/her interest and potential for personal growth and would enhance their family involvement.

Opportunities in the 4-H program are available to all Indiana youth as defined regardless of race, religion, color, sex, age, national origin or ancestry, marital status, parental status, sexual orientation, or disability. Married young men and women of 4-H grade may participate in any of the 4-H projects and activities. However, married persons must participate by the same terms and conditions and/or guidelines as unmarried participants. Membership in 4-H is gained by annually completing the online enrollment process at <http://v2.4honline.com>.

4-H is generally organized around local or project clubs. 4-H programming is delivered through clubs, a series of planned meetings led by youth who are elected by the group to serve as officers. Adult volunteer leaders advise the group and provide organization and a safe structure in which youth learn in a group setting. 4-H members benefit by participating in local or project club activities. In club or project club meetings, 4-Hers:

- learn about the wide variety of 4-H projects, camps, and other experiences available to them,
- have the opportunity to develop and practice life and leadership skills,
- learn by doing,
- have the chance to meet lifelong friends,
- develop a sense of belonging,
- gain self-confidence,
- gain public speaking skills,
- interact with caring adults, and
- participate in community service and service-learning activities.

Spark Clubs:

SPARK Clubs are open to youth grades 3-12 to “spark” new interest in the Indiana 4-H program. SPARK Clubs are special interest groups designed to capture the attention of youth with single focus, “out of the box” interests that are likely different from state-recognized 4-H projects. These clubs are led by volunteers bringing their subject mastery to the club. SPARK Clubs include six hours of instructional time that can occur in one day or over a length of time. Most SPARK Clubs end their program with a culminating event or activity. Spark Clubs will vary from year to year. Contact the Extension Office for more information and to find out what clubs are offered each year.

Mini 4-H Non-Competitive Policy:

Mini 4-H is a program designed to encourage positive development of children in kindergarten through second grade. The goal of Mini 4-H is to help young children explore friendships outside the family; explore the way in which things work; practice both small and large muscle control, and think about the ways people work together on projects.

The NON-COMPETITIVE learning environment for Mini 4-H includes:

1. Planned learning activities in which children are invited to be active and explore materials and ideas without the pressure of completing a specific product or exhibit.
2. Low adult/leader to child ratio that allows time for adults/leaders to provide individual, positive encouragement and assistance.
3. Simple, interesting activities that are fun.
4. Encouragement of children to participate in a group activity by sharing and or displaying their activity projects.
5. Rewards that are identical and/or ribbons of the same color for everyone.

DO NOT JUDGE projects, but instead, discuss them with the child. Projects are exhibited at the fair and are “judged” by Junior Leader 4-H members.

Enrollment:

Enrollment must be reinstated annually by completing a Newton County 4-H Enrollment form or by enrolling online at <http://v2.4honline.com>. Enrollment and program fee must be on file at the Extension Office. Once enrolled, 4-H members may add, drop, or change projects through **May 15**. In addition, those enrolling in Beef, Sheep, Swine, Goat, Dairy, Rabbit, Poultry, and Horse and Pony **MUST** complete the county 4-H enrollment process online. Animals must be enrolled by May 15 and properly identified. No exceptions.

Residence:

Indiana youth typically enroll in 4-H Youth Development programs in the county or state in which they reside. However, individuals living in one county **may** join 4-H in another county. There may be educational or social reasons for an individual joining 4-H in a different county than that of their primary residence. During a single program year, a 4-H member enrolled in a given project is expected to enroll and exhibit that project only in one county of enrollment.

In the event that a project is not offered in the county of primary 4-H enrollment, a 4-H member may enroll in that specific project in a different county. Approval of this special exception rests with the 4-H Extension Educator. Participation in 4-H related activities and events (i.e. judging, auction) must be in the county of primary 4-H enrollment.

The above policy is not intended to provide an escape mechanism for troubled 4-H members and families who are unwilling to follow the terms and/or conditions in their current county of 4-H membership. Decisions regarding 4-H membership in a non-resident county (a county you do not live in), rest with the county 4-H Extension Educator in the receiving county.

Note: In a statement from our federal partner in Washington, DC, the following statement appears: "Anytime there are procedures for exclusion of individuals from events which use the 4-H name there are potential challenges to enforcement of the exclusions. The challenges have a substantial potential to prevail and they frequently result in negative publicity for the organization. Therefore, before choosing a policy of exclusion it is wise to evaluate the exclusion being considered, to be sure there is an overwhelming educationally based need for the exclusion."

Extension employees and volunteers are obligated to eliminate (and should not create) any practices that limit, deprive, or tend to deprive any youth of opportunities for membership and/or participation in the Indiana 4-H program.

Behavioral Criteria for 4-H Events and Activities:

To 4-H members, volunteers, parents and the public: when attending, participating or acting on behalf of the 4-H program, all persons are expected to conduct themselves in accordance with accepted standards of social behavior, to respect rights of others, and to refrain from any conduct which may be injurious to the 4-H program. **The following actions constitute misconduct for which persons may be subject to disciplinary consequences and/or dismissal from the program:**

- A. Dishonesty in connection with any 4-H activity by cheating or knowingly furnishing false information.
- B. Alteration or unauthorized use of 4-H records.
- C. Obstruction or disruption of any 4-H activity or aiding and encouraging other persons to engage in such conduct.
- D. Failure to comply or aiding or encouraging other persons not to comply with specific terms and conditions of a given project, contest, or activity.
- E. Failure to comply with directions of 4-H officials acting in the proper performance of their duties.
- F. Inhumane treatment of 4-H animal projects.

There are many opportunities for 4-H members, volunteers, parents and the public to participate in 4-H events and activities. When involved in such experiences, members, volunteers, parents and the public are expected to follow all rules and regulations as outlined by those responsible for the specific program or activity. In all such 4-H activities, the following constitute a violation of behavioral expectations:

1. Possession or use of fire crackers, gun powder, firearms, chemicals or other materials that can be used to create an explosive mixture.
2. Misuse of fire equipment or sounding a false fire alarm.
3. Having a guest of a different gender in your sleeping quarters or inappropriate sexual behavior.
4. Physical or verbal abuse of any person or conduct which threatens or endangers the health or safety of any person.
5. Theft of or malicious damage to property.
6. Possession, use, or distribution of alcohol, illegal drugs, tobacco and tobacco-like products, electronic smoking devices (including, but not limited to, e-cigs, vapes, juuls), or other dangerous substances.
7. Inappropriate displays of affection towards another person(s).
8. Distribution, misuse, or abuse of over-the-counter, homeopathic (including supplements and vitamins), or prescription medications.
9. Inappropriate clothing or lack of clothing during the event or activity.
10. Lewd, indecent, or obscene conduct or language.
11. Unauthorized entry, use or occupancy of any facility.

12. Any conduct which threatens or interferes with maintenance of appropriate order and discipline or invades the rights of others.
13. Unwillingness to follow appropriate health and safety procedures.
14. Reckless or inappropriate behavior.

When violations occur at out-of-county, district, area, and/or state and/or national 4-H events, the following procedures will be followed:

- A. The parents/guardians may be contacted to arrange transportation home for the violator(s) and
- B. The local Extension Educator may be notified.

Exhibition:

Exhibition of 4-H projects/subjects in local, county or state exhibits/fairs, in person or virtually, is voluntary on the part of the exhibitor. The exhibition of 4-H projects/subjects provides the 4-H members an opportunity to display their 4-H projects/subjects, enter into competition and participate in educational/social environment with their peers. With exhibition also comes the responsibility for abiding by all the terms and conditions pertaining to the respective 4-H project.

Completion:

The completion of a 4-H experience may include a variety of options and must not be misinterpreted solely as exhibition of a project at a local, county, or state fair. There are a number of ways that a young person may participate in the 4-H Youth Development Program in addition to the club-based option. Participating in these 4-H opportunities enable the youth to build skills that will serve them well throughout their adult lives.

Some of these participation options do not include the preparation of a specific exhibit by an individual that would be on display at a fair or similar event. In some cases, the youths' actual participation may be the final product that results in their completion of a year of 4-H. Some examples of this participation include working as a team to develop a robot for a workshop or challenge; completing a Spark Club experience; participating in State 4-H Band or Chorus; taking part in a science training or experiment; participating in an after school 4-H experience; etc.

4-H members are considered complete in their 4-H educational experience for the year when they have (1) completed the 4-H member enrollment process prior to the established and published date for enrolling; and (2) had an officially recognized 4-H volunteer/Extension Educator verify the existence of the completed project/subject or the member's participation in a 4-H educational experience. This could be in the form of an exhibit, poster, report, presentation, etc. Or, a member may choose to submit a completed record sheet in lieu of an exhibit to complete the club- or fair-based 4-H project/subject. The 4-H record sheet will be based on printed or web-based educational materials (used by Indiana 4-H Youth Development) and submitted prior to the established and published date.

Though exhibiting in local, county, and state exhibits/fairs is not required for project completion, as it does not necessarily relate directly to content and skills learned in the development of the 4-H project, project exhibition is encouraged as a continuation of the educational experience.

Extension employees and volunteers are obligated to eliminate (and should not create) any practices that limit, deprive, or tend to deprive any youth of opportunities for membership and/or participation in the Indiana 4-H program. Per state and federal guidelines volunteers and Extension Educators may not require youth to attend 4-H club meetings in order to complete 4-H or exhibit their work.

Liability Release Policy:

It is required by Risk Management at Purdue University that a signed **4-H Youth Development Liability Release Statement** shall be obtained annually from each and every 4-H participant in the 4-H Youth Development Program on the 4-H member's enrollment form. 4-H members who do not have on file with the County Extension Office a liability release statement that has been signed by at least one parent or legal guardian will not be allowed to participate in 4-H projects, events, or activities. **This form must be signed and obtained from participants annually.** Those 4-H members who have reached age 18 (or older) by the time the forms are distributed are not exempt from having a signed release form on file. However, these individuals are not required to have a parent or guardian signature. **The 4-H Youth Development Liability Release Statement provided by Purdue University 4-H Youth Development and Risk Management shall be used as provided. The language in the form shall not be altered in any way.** Release forms shall be maintained for a period of 7 years.

Guidelines for 4-H Animal Exhibits:

Each species committee has adopted its own rules. Study the grid on page 13 for the project(s) in which you are enrolled. Read each one carefully as the requirements are not the same. Follow these guidelines--not the requirements listed in project manuals. Exact information, such as the actual date, will be published in newsletters and/or mailed to project members. If you have questions, contact project superintendents.

2022 Animal and Livestock Requirements: All Beef, Dairy, Goats, Sheep, and Swine are required to have a valid premise I.D Number and appropriate 4-H animal enrollment forms for entry at the Newton County Fair. These animals cannot unload without these documents and proper identification. See page 13 for the 2022 Animal and Livestock Requirements grid.

Each 4-H member shall own or lease his/her 4-H exhibit unless stated in specific project rules. The Rabbit, Poultry, Cat and Dog projects will not allow leasing. Ownership, personal possession, and regular care of the animal must be in effect on or before the county and state enrollment deadlines and continuously until after the 4-H show at the county and/or state fair.

1. For 4-H breeding animals, family corporations and/or partnerships of 4-H members with one or more parents, siblings, grandparents, aunts, uncles, legal guardian are acceptable.
2. For 4-H dairy cattle, family corporations and/or partnerships of the 4-H member with unrelated persons or dairy operations are also acceptable (i.e. John Doe and William Smith (4-H member) or Long Oak and William Smith). Dairy cows and heifers, owned in a partnership, may not be exhibited by more than one person from May 15th until the conclusion of the State Fair 4-H Dairy Show. This person must be the exhibitor of the animal in the current State Fair 4-H Dairy Show, or the animal will be ineligible for this show. 4-H dairy cattle will not be accepted in 4-H classes at the Newton County Fair or State Fair if they are registered in the father's name only or in a farm name, such as "Smith View", "Smith Oak", etc., unless the 4-H member has a certified lease agreement for this animal.
3. Dairy heifers may be leased subject to approval of the Newton County 4-H Dairy Committee and Extension Educator. Horses & ponies may be leased subject to approval of the Newton County 4-H Horse and Pony Committee and Extension Educator. 4-H animals (horse and pony, dairy) are only eligible to be leased by a single 4-H member in a 4-H program year.
4. 4-H animals are expected to be in the possession and regular care of the 4-H member who owns/leases them (unless other arrangements have been agreed upon by the County 4-H Extension Educator) from the animal ID deadline until the conclusion of the county and/or state fair.
5. 4-H market animals and commercial animals must be individually identified and verified under the supervision of the county 4-H program at county identification events by May 15th. These species include market lambs and commercial ewes, dairy wethers, dairy feeder steers, dairy beef steers, beef steers, market and commercial heifers, meat goat wethers, and market wether dams.
6. 4-H animals purchased, sold or offered for sale after the ID deadline and prior to the Newton County Fair/Indiana State Fair (including animals that have gone through a "Premium Only Auction"), shall not be eligible to show in the 4-H show at the Newton County Fair/Indiana State Fair. Sale of products of animals (milk, cheese, wool, etc.) in lieu of the animal, are considered equivalent to a "Premium Only Auction."
7. 4-H animals exhibited after the May 15 State 4-H animal ID deadline at any show by anyone other than the individual whose 4-H enrollment record is connected to the ID of the animal in Indiana 4-H Online will not be eligible to be shown in the 4-H show at the Newton County Fair/Indiana State Fair. This term/condition does not apply to siblings and parents, who may show each other's animals at any show during the year without jeopardizing State Fair eligibility. 4-H animals that are selected by 4-H Extension Staff or 4-H Adult Volunteers for use in supreme showmanship contests (Master Showmanship, Round Robin, etc.) may be used in those county events without jeopardizing State Fair eligibility. This policy applies to all 4-H animal projects. For animal projects without state ID deadlines, the person who enters them in the Indiana State Fair 4-H show is the equivalent of the owner of the animals.
8. Temporary guardianships established for the intent of animal exhibition or grooming purposes are not permitted and shall result in immediate disqualification.
9. 4-H exhibitors may receive clipping and grooming assistance from members of their immediate family (father, mother, siblings), from a current Indiana 4-H member, and from individuals enrolled in the Indiana 4-H Approved Animal Assistance Program.
10. 4-H members showing registered beef, Boer goats, dairy, dairy goats, sheep and swine must present a registration certificate (no photocopies, carbons or fax copies) to the superintendent before the specified time for each specie, showing that the exhibitor owns the animal being exhibited, as per ownership terms, on or before the May 15th enrollment deadline and continuously until 4-H show day at the Newton County Fair.

11. 4-H breeding beef, Boer goats, dairy goats, sheep and swine must be registered in one of the following ownership methods:
 - a. In the 4-H members' name;
 - b. John Smith and Sons;
 - c. John Smith, Sons and Daughters;
 - d. John Smith and Family (family includes sons, daughters, and legal guardian youth only);
 - e. Mark Smith (brother) and Mary Smith (sister);
 - f. Family corporations, where the 4-H members' name appears as a holder of stock in the corporation, and proof of same must be supplied on or before the ID deadline; or
 - g. Family partnership where the 4-H member's father, mother, brother, sister, aunt, uncle, grandparent, and/or legal guardian is also in the family partnership and the 4-H member's name appears on the legal, notarized partnership. A copy of the written document must be on file with the Extension Office before the ID deadline. A single animal can only be included in one 4-H Online family profile.
12. 4-H breeding beef, Boer goats, dairy goats, sheep and swine will NOT be accepted in the State Fair 4-H show if they are registered in a father's name only, farm name only, or partnerships with unrelated persons (such as "Smith View", "Smith Oaks", "John Doe & William Smith (4-H member)", "Long Oak & William Smith (4-H member)", etc.).
13. All members exhibiting livestock are expected to complete the Youth for the Quality Care of Animals (YQCA) program before exhibition at the county fair. This can be done in a face-to-face class or online and MUST BE COMPLETED ANNUALLY. Find out more information at www.yqca.org.
14. Beef and Dairy Beef Steers, Commercial and Market Heifers, Dairy Feeders, Beef Registered Heifers, Dairy Cattle, Meat Goat Weathers, Registered Boar Goat Females, Market Goat Does, Sheep, and Swine members wishing to exhibit their animals at the State Fair must submit DNA envelopes to the Extension Office by 4:00 PM on May 15.
15. The Dairy lease program is only for 4-H members who do not own their own dairy cows and/or heifers. Only dairy heifers that will be less than two years of age at the time of the Indiana State Fair 4-H Dairy Show, may be leased. For the Newton County Fair only, heifers less than two years of age and/or mature milking cows may be leased. Leasing a dairy heifer will be considered the equivalent of ownership. The 4-H member should be regularly involved in the care of the heifer, regardless of where the heifer is kept, and the 4-H member should have exclusive show rights to the heifer during the 4-H lease period from May 15th until the 4-H Dairy Show at the Indiana State Fair. Leased 4-H dairy heifers must be registered (although it is not necessary to have the registration paper transferred to the 4-H member's name) by May 15th and be properly identified in Indiana 4-H Online.

Animal Exhibits at the Indiana State Fair:

The 4-H exhibitor and a parent or legal guardian of the 4-H exhibitor of all market and breeding animal exhibit from the following departments: Beef Cattle, Dairy Cattle, Swine, Sheep, Dairy Goat, Boer Goat and Meat Goats entered at the Indiana State Fair must be listed on a 4-H Animal Affidavit. This form is available at County Extension Offices or the State Fair entry office or online. The executed affidavit must be presented at the time of check-in of the exhibit at the State Fair. Refusing to execute the affidavit will result in disqualification and the imposition of appropriate penalties.

2022 Indiana 4-H Animal Identification

The following table lists the different animal species and the respective form of identification that is required for a 4-H member to be eligible to show in the 4-H livestock shows at the 2022 Indiana State Fair. The animal ID information must be entered in the Indiana 4-H Online enrollment system by the respective deadlines. Missing, incomplete or incorrect animal ID information could result in state fair ineligibility for that particular animal.

Grievance/Appeal Guidelines for County 4-H Program Issues: (Activities, Programs, Projects)

The grievance procedures outlined in this document are utilized as part of an internal process of the Indiana 4-H Youth Development program when grievances of 4-H members, their parents/guardians, or 4-H volunteers cannot be resolved via reasonable conversation. This policy affords the opportunity in those unique situations to allow voice or opinion to be heard when there is a dispute regarding 4-H participation, activities or programs.

This is not a mechanism for complaints against individual 4-H members (or their families), 4-H volunteers, judging officials for competitive events, or Purdue Extension staff. All resulting decisions will be made in accordance with the Indiana 4-H Program's stated mission to be an inclusive organization designed to encourage and maximize youth participation. The rights of the individual filing the grievance are limited to those provided by Indiana 4-H Program policy.

Purdue University, as the Land Grant University in Indiana, is charged (by the United States Department of Agriculture) with implementing the 4-H Program in communities across the State of Indiana. Purdue Extension Educators in each Indiana county represent the university in local communities and have the responsibility of assuring all 4-H volunteers meet basic university criteria as they serve as representatives of the university. Purdue Extension Educators additionally provide oversight to 4-H volunteers including the assurance that Indiana 4-H Policies and Procedures are appropriately implemented in 4-H Program delivery.

Individual county 4-H policies and procedures should be created and reviewed to assure they do not contradict established statewide 4-H policies and procedures. If a contradiction is discovered during the grievance process, Indiana 4-H Program policy shall be followed in determining the grievance outcome.

1. Grievances are made by completing the Indiana 4-H Grievance/Appeal form with the burden of proof being the responsibility of the individual filing the grievance. The completed grievance/appeal form and supporting documentation shall be presented to the president of the 4-H policy-making body (e.g., 4-H Council) or the Purdue Extension Educator who works with the 4-H Program. (NOTE: concerns regarding staff, volunteers, members, or other individuals are not issues for which a grievance may be filed. 4-H volunteers are assigned by the 4-H Extension Educator. Concerns regarding 4-H volunteers, members, or other individuals should be addressed directly with the Purdue 4-H Extension Educator.)
2. Grievances pertaining to 4-H activities, programs or projects shall be filed within 14 days of an incident or occurrence. Grievances pertaining to county fair related issues are often time-sensitive and must be filed within 24 hours of the incident.
3. The grievance process occurs in the county where the issue or concern arises and offers three opportunities for a concern to be heard and reviewed.
 - a. The grievance is initially heard by an unbiased, representative grievance sub-committee of approved 4-H Volunteers. It is the Purdue Extension Educator assigned to 4-H Programming who shall annually work with the chair of the county 4-H Council to determine this committee's membership to include a combination of 3-6 of the following individuals: one representative of the 4-H Council; two 4-H volunteers serving as a 4-H club organizational leader; one member of the County Extension Board; one 4-H volunteer knowledgeable in the subject matter (project) of concern (this individual will vary dependent on the issue raised with the grievance); and up to three community leaders. The Purdue Extension Educator assigned to 4-H shall convene the group.
 - b. The person filing the grievance may appeal the decision of the grievance sub-committee to the 4-H policy-making body, which will then review the facts in evidence and render a decision.
 - c. The person filing a grievance may appeal a decision of the 4-H policy-making body to the County Extension Board. The Extension Board will review the facts in evidence and render a decision. This is the **final level** in the appeal process.

**While there is no doubt some overlap in who serves on these committees, the intent of a three-level process is to assure different individuals have the opportunity to hear and act on the grievance. ALL individuals involved at any level of the grievance procedure are reminded of the importance of keeping discussions regarding grievances confidential.

To maintain the confidentiality of the parties involved, the grievance hearings at each level will be closed to the public. Only the individuals who have filed the grievance, the members of the grievance committee, and the Purdue Extension Educators will be present during each level of the grievance process, ***The grievance process is internal to the Indiana 4-H Youth Development Program and meetings of the grievance committees are not subject to Indiana's Open Door Policy.

The Purdue Extension Educator assigned to work with the 4-H Program has the obligation to inform all parties that there is a grievance procedure if there are disagreements with policies. The practice of charging fees from those filing grievances shall be eliminated and all counties will utilize the Indiana 4-H Grievance/Appeal Form as part of the grievance process.

- 2. Prosecution for violations of Indiana law will be referred to the proper authorities.
- 3. Oath – An affirmation of truth of a statement before an authorized person.
- 4. Felony – A crime of graver or more serious nature than those designated as misdemeanors.

4-H FAIR EXHIBIT INFORMATION

General Rules:

1. An exhibit may not be entered in more than one County Fair 4-H class except in some animal classes where designated. In a County Fair class requiring more than one item, all items must be exhibited by the same 4-H member. All parts of an exhibit made in one class must belong to one 4-H member.
2. All 4-H projects at the Newton County Fair must be prepared during the current 4-H year. Eligibility rests solely with the Newton County 4-H Council and committees.
3. 4-H Livestock and Animal Exhibit Entry and release will be announced. Release time to be determined by at least 2; Fair Board, respective Project Superintendent, Veterinarian, or Extension Educator and posted prior to the fair. There will be no early release except for:
 - 1) Auctioned animals that are not returning home, which may leave following auction according to buyers' arrangements,
 - 2) Livestock leaving on packer truck,
 - 3) Lactating dairy cows which will arrive at 7a.m. the day of the show and be released after the show.
 - 4) With vet release
 - 5) State enforced time limits/restrictions

Release time for 4-H Building exhibits *to be determined. Please check the newsletter.* There will be no early release. Any 4-H exhibit removed from display prior to the official release will be disqualified. Any 4-H placing/prizes (including ribbons, money, medals, trophies, etc.) awarded that exhibit will be forfeited.

4. 4-H exhibitors having an entry in animal classes at the Newton County Fair are expected to show their own animals. In cases where this cannot be done, the owner may have animals shown by another Indiana 4-H member, with prior approval from the respective 4-H Superintendent.
5. Late exhibits are eligible for regular ribbon placing if judging for that particular project is not yet completed. However, a late exhibit not received for judging by the designated time shall not be considered for any special award, such as Champion, Reserve Champion, or State Fair Exhibit.
6. A green "Completion" ribbon will be awarded when: (a) an exhibit is received after judging is completed; (b) a 4-H member exhibits in a project division in which he/she has previously exhibited; or (c) an animal is not enrolled or properly identified by May 15.
7. A Champion award may be given to a deserving exhibit regardless of the number of entries in a division. A project must have received a blue ribbon to be considered for a Champion or Reserve Champion award.
8. If a minimum of 4 (four) 4-Hers do not complete a project for 2 consecutive years, the project may be dropped.
9. All items exhibited must be in good taste. Alcoholic beverage, tobacco, electronic smoking device, or obscene materials or references will be prohibited and will not be displayed.
10. Due to space constraints you may be asked to transport oversized projects to State Fair on your own.
11. 4-H members who enroll in non-livestock projects after May 15th will not be eligible for any award above a blue ribbon.

Fraud and Deception:

In the interest of all breeders of livestock, all exhibitors, the Newton County Fair Board, the 4-H program, and the agriculture industry, the following general rules, regulations and listing of prohibited activities are presented to maintain, insure and present a wholesome, high-quality educational program. It is imperative to promote and allow only ethical behavior by exhibitors at the Newton County Fair. Fraud, deception, any prohibited activities, or violations of general or departmental rules, or any activity determined to be improper or unethical by the Council, Superintendent, and/or Extension Educator shall not be allowed.

1. TAMPERING, ALTERING, AND/OR MISREPRESENTATION relative to any exhibit is prohibited. This prohibited activity includes but is not limited to breeding, age, ownership, and/or method of preparation or completion. (For example, with animal exhibits this includes, but is not limited to, coloring, pumping, attaching hair/hair substitutes, or filling.)
2. UNETHICAL FITTING OF ANIMAL EXHIBITS is defined as the administration of any substance (to include, but not limited to, drugs, steroids, chemical substances) or performance of any surgical procedure altering the animal's configuration or natural conformation of any part of the animal's body, or rendering its tissues unfit for human consumption and is prohibited. Exceptions that are allowed include hoof trimming, dehorning, removal of hair, or manipulation of normally attached hair.

3. 4-H Market animals shall not contain any identifiable or unidentifiable foreign substance including: drugs, steroids, or chemicals, greater than those standards established by the USDA or the FDA as permissible for sale for consumption as human food both on day of show and day of shipment to market. Drugs may not be administered to 4-H animal exhibits at the county fair except by a veterinarian, and after approval from the project superintendent or Extension Educator. This procedure must be witnessed by the superintendent and his/her designee.
4. No exhibitor may take exception to the decisions of an official and/or judge in an unprofessional and/or public manner nor shall any exhibitor or person representing the exhibitor interfere with or show disrespect to any judge or show official.
5. Note: Upon enrollment, parents and members agreed to abide by, follow, and comply with the rules, policies and expectations of the 4-H program and agreed to conduct themselves in courteous and respectful manner by exhibiting good sportsmanship and good behavior. Failing to do so will constitute grounds for sanctions against and/or dismissal from the program. See also Behavioral Criteria for 4-H Events and Activities in this handbook.

Livestock Activities and Events:

LAMB, GOAT AND PIG SCRAMBLES

These events are held during the county fair. This creates opportunities for 4-Hers to become involved in the Sheep, Goat or Swine projects. Detailed information containing rules is available through the Extension Office, or by contacting your superintendent.

4-H SHOWMANSHIP CONTESTS

Showmanship classes will be divided into appropriately sized groups by age. 4-Hers must sign-up with the respective superintendent. When signing up to enter the showmanship contest, the 4-Her must give his/her grade level. The superintendent will determine the break in class size. The winners in each class will show for the Champion Showman Award. (Past winners will re-enter their appropriate age class each year). All participating members must show their own animals.

4-H LIVESTOCK SALE

1. Sale to be held in the livestock judging arena. The details of the sale are to be arranged by the sale committee.
2. Any 4-H member exhibiting a Grand Champion at the Newton County Fair reserves the privilege to exhibit that animal at the 4-H Show at the Indiana State Fair. If he/she intends to exhibit his/her Grand Champion at the Indiana State Fair 4-H Show, he/she may sell another animal. This animal will be sold at its own weight.
3. A 4-Her may sell only one animal. In order to sell, an animal must be finished and ready for market. This includes proper medication withdrawal times as they may apply.
4. All eligible auction animals have to be exhibited in a market division at their show per project guidelines.
5. Only the champion scramble lamb, champion scramble goat, and champion scramble pig may sell.
6. Only animals will be sold; NO byproducts of animals.
7. A consignment fee of \$20.00 will be charged for each animal *entered into the auction.*

4-H SUPREME SHOWMAN

Showmanship contest in which 4-Her must demonstrate skills at showing Beef, Sheep, Swine, Horse & Pony, Dairy, Poultry, Rabbit, and Goats.

SUPREME SHOWMAN RULES

1. Each species (Beef, Swine, Sheep, Horse & Pony, Dairy, Poultry, Rabbit, and Goat) will decide on how the representative of that species is to be selected for the Supreme Showman Class.
2. Each species will have a representative. If champion of a species chooses not to show, a replacement will be selected by the Superintendent of that species. Also, in the event that one 4-Her wins the opportunity to compete for Supreme Showman in more than one species in one year, they must choose only one species that they will represent. The species which that individual chose not to represent must determine a replacement. How that replacement is chosen is up to the Superintendent and/or committee of adult representatives from that species.
3. Each class (specie) will be run according to that species rules during its showmanship class.
4. Dress for Supreme Showman will be a polo shirt provided by donors, jeans, and boots – no tennis shoes.
5. The species Superintendent is responsible for selecting eight (8) animals during the showmanship classes in their show to be used for Supreme Showman. These animals will arbitrarily be assigned a number from 1-8 and are not to belong to any of the eight finalists or their families. The project superintendent will also assist the Supreme Showman Superintendent in securing a judge for their class.
6. Entrants will be designated by numbers. Each showman will draw for their number immediately before the contest to determine which animals they will show.

7. All Supreme Showman finalists will be responsible for contacting other specie superintendents or barn members to learn proper technique in other species.
8. The order of classes will be decided by the barn superintendents and contestants.
9. Each judge may ask physiology questions of any of the eight finalists during the class. Judge will place finalists 1-8 with 1st equal to 1 point, 2nd equal to 2 points, 3rd equal to 3 points, 4th equal to 4 points, and 5th equals 5 points, 6th equals 6 points, 7th equals 7 points, 8th equals 8 points. All placings will be held until all species are judged.
10. The Supreme Showman winner will be selected by adding points from all eight classes for each finalist. The finalist with the lowest score is the winner.
11. A tie will be broken by the judges. All decisions by judges will be final.
12. Horses will be shown in the Horse & Pony Arena, other species will be shown in the Sheep or Swine Arena.
13. Any questions concerning the Supreme Showman not covered above will be decided on by a committee comprised of the Superintendent of each of the eight species concerned and their representatives.

Awards:

FARM BUREAU TENURE AWARD

These awards are presented by the State Farm Bureau Women's Department. Two 4-Hers will be selected by the Newton County Extension Office each year for this award. These awards are based on the number of years in 4-H and number of projects completed.

TEN YEAR AWARDS

All 4-H members who have completed 10 years of 4-H will be given a special award sponsored by the Newton County 4-H Council, Inc.

LAST YEAR MEMBER AWARDS

All 4-Hers who are in their last year of membership (just completed grade 12) and have been a member for at least 5 years will be given a special award sponsored by the Newton County 4-H Council.

Interactive Demonstration:

Any 4-H member may participate in the Interactive Demonstration. This is designed for the novice person and the topic can be related to any 4-H project. The 4-H member will provide a short demonstration of no more than 3 minutes that will actively engage members of the audience in a how-to-do skill development. Examples include, but are not limited to, how to use a measuring cup, how to use a ruler, how to knead bread, how to clean grooming clippers, how to crop a photo, etc. Props are permitted. Live animals and PowerPoint displays are not permitted.

4-H Poster and Notebook Guidelines

All 4-H poster exhibits MUST meet the following guidelines:

1. All posters must be 22" x 28" and must be exhibited horizontally.
2. Posters must be mounted on a firm backing. Any thin, lightweight material that will keep the poster from bending forward will work. Examples are very stiff cardboard, thin paneling, thin luan board, or foam coreboard.
3. All posters must be covered with clear plastic or other transparent material to protect the exhibit. This is required to keep the poster clean before judging and when touched by fairgoers.
 - Clear plastic comes in various thicknesses, in rolls or sheets, and may be purchased at most hardware and variety stores.
 - Do **not** use plastic food wrap. It is not heavy enough to protect the poster properly.
 - Posters may be professionally covered.
 - Foam core board and plastic envelopes may be purchased at the Newton County Extension Office.
4. All posters must have a title.
 - Some exhibits require a specific title, and others allow the 4-Her to use creativity in choosing a title.
 - Check exhibit guidelines for your particular project.
5. **A small label is to be placed in the lower right corner on the front of your poster under the plastic covering.** This label should include the following information: Name, Project and Division or Level.

Name
Project

6. **ALL POSTERS, NOTEBOOKS, AND DISPLAY BOARDS**-All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the manner in which references are listed.

EXAMPLES :

BOOK :

Author, A. A. (Year of publication). *Title of work: Capital letter also for subtitle.*
Location: Publisher.

Alfee, R. C., & Valencia, R. R. (1991). *APA guide to preparing manuscripts for journal publication.* Washington, DC: American Psychological Association.

Bernstein, M. (2002). 10 tips on writing the living Web. *A List Apart: For People Who Make Websites*, 149. Retrieved from <http://www.alistapart.com/articles/writeliving>

7. Exception: Exhibit tag on Photography Salon Print may be mounted on top of the plastic. In addition, write your name on the back of the mount under the plastic for identification.

Planning the Poster

1. A good poster does not happen by accident. Plan your poster ahead of time, make several rough sketches, and experiment.
2. Poster should have one main idea.
3. Poster should be self-explanatory.
4. The message of the poster should be brief and direct.
5. Poster should grab the viewer's attention immediately, help the person to focus on the main idea, and cause that person to take action.
6. Be sure poster follows specific project guidelines.

Color

1. Use white poster board when required; experiment with other colors when not required.
2. Colors can create the desired mood or atmosphere for your poster. Colors have meaning, so use the appropriate color for your subject. Example: earthy colors (light brown, natural, greens, rusts) work well for forestry and wildlife posters.
3. Limit the poster to two or three colors so that color does not become too obvious to the viewer.
4. Choose color combinations that make your message easy to read. The following color combinations are listed from most legible to least legible: black on yellow, green on white, red on white, blue on white, white on blue, black on white, yellow on black, white on red, white on green, white on black, red on yellow, green on red, red on green, blue on red. Reminder: marking pens may change color, depending on background color.

Lettering/Methods

1. Lettering should be large enough and dark enough to be easily seen.
2. Leave the same amount of space between letters.
3. Spaces between words should be about the size of a full letter.
4. Lower case letters are easier to read than capital letters. Use capital letters or other novel lettering methods only for emphasis. Straight, simple letters are easiest to read.
5. **Hand Lettering** – Looks appealing if done neatly.
6. **Stencils** – Give a very neat appearance if used properly.
 - Close the gaps on stenciled letters to make them solid letters, which are easier to read.
 - Use a pencil to trace the letters directly onto the poster and then color them. Do not attempt to color through the stencil.
 - If colored pencils are used, the best are soft leaded ones. They are easy to use and blend, and strokes will not show. Hard leaded pencils are less expensive, but are more difficult to use.
 - Stencil letters can also be traced onto construction paper, fabric, contact paper, or colored paper and then cut out. Tracing the letters on backwards to the wrong side of the paper will help eliminate pencil marks.
7. **Self-Sticking Letters** – Are very neat but are more expensive to use. Adhesive on the letters sticks the letters to the poster, and they cannot be reused. Some adhesive letters may be repositioned and some are permanently attached once they are placed on the poster.
8. **Computer Generated Letters** – Entire words or groups of words may be mounted on poster.

Mounting Adhesives

1. **Rubber Cement** – Leaves no marks and won't wrinkle paper.
2. **Double Stick Tape** – Good for attaching leaves.
3. **White Glue** – Use only if item being attached is thick enough that wrinkling or damage will not occur.
4. **Glue Sticks** – Work well in many instances.
5. **Spray Adhesives** – Good choice for attaching leaves and other items to poster.

Extra Touches

1. **Colored Tape** – This is not necessary, but is an easy way to attach poster to backing and makes an attractive border. It is available in many colors (cloth or plastic) and is available at discount and craft stores. Tape 1" to 1 ½" wide gives the poster a nice border.
2. **Colored "Frames"** for pictures or labels. **4-H Clover** somewhere on a poster and/or 4-H in title.

Notebook Guidelines:

1. Needs to be a sturdy 3 ring binder (with stiff covers) or a bound type notebook (with stiff covers). No report cover or similar styles.
2. Make sure the notebook accurately meets the guidelines and objectives of the activities in the manual.
3. Information printed directly off the web will not be accepted.
4. Materials included in the notebook need to be educational, both for the youth and the audience, and should demonstrate that the youth was able to take what he or she learned from their research (experiment, or on web, in library, etc.) and/or activities to create the notebook.
5. Work should include references where appropriate.
6. Pictures, graphics, and artwork are encouraged.

Don't forget title, subtitles or numbers, if needed, and use creativity within the bounds of the project rules.

MINI 4-H PROJECTS FOR Kindergarten-1st Grade

MINI 4-H FOR GRADES K-1 GUIDELINES

1. Newton County offers SEVEN (7) projects for Kindergarten through 1st grade members.
2. A Mini 4-H member may enroll in any number of projects.
3. MINI 4-H MEMBERS ARE NOT REQUIRED TO SUBMIT RECORD SHEETS OR COMPLETED MANUALS FOR ANY OF THE MINI PROJECTS LISTED IN THE PERISCOPE.
4. The manuals for all of the K-1 Mini 4-H Projects (except Animal/Livestock Posters, which does not have a manual) are available through the Extension Office or by downloading the PDF at the website listed under each project.
5. Ribbons will be awarded to all Mini projects; however, awards will be limited to ribbons.
6. Mini projects are exhibited at the county fair only.
7. All K-1 Mini 4-H Projects (Bugs, Collections, Forestry, Sewing, Space, Trees, Animal/Livestock posters) are to be entered for exhibit at the 4-H Building at the fairgrounds.

General Poster Instructions:

Make a poster 22" x 28" displayed horizontally with the standard 2" x 4" label in the lower right-hand corner, stating name, age, township and club. See Poster instructions on pages 14 and 15 of the Periscope for more specific instructions.

MINI 4-H (K-1): ANIMAL/LIVESTOCK POSTERS

MANUAL: This project does not have a manual.

EXHIBIT: This project can be done on any animal the 4-Her chooses and is not limited to pets/livestock. After choosing an animal, please do one of the following.

- One 22" x 28" poster with pictures of the animal and the body parts labeled. See poster guidelines on pages 14 and 15.
- One 22" x 28" poster with 5 pictures that include you and the animal (or just the animal if you do not possess the animal) and a related topic. Examples include: housing, feeding, care, showmanship, etc. See poster guidelines on pages 14 and 15.

MINI 4-H (K-1): BUGS

MANUAL: The Manual for this project can be found at: <https://extension.purdue.edu/4h/Documents/Resources/4H-911-4.pdf>

EXHIBIT: This is a list of project activities that can be shown at the Newton County Punkin' Vine Fair. Pick a project activity you would like to try. You only need to pick one to show, but you do not have to make them in any order. All exhibits should be on a 22" x 28" poster board (see poster guidelines on pages 14 and 15) unless otherwise specified (scrapbooks, project activities, etc.).

- Make a poster of an insect or spider. Label the body parts.
- Draw a picture of a butterfly. Be sure to make the designs on the wings symmetrical.
- Make a poster or a book showing some of the ways bugs protect themselves.
- Make a project activity as a group and take it to the fair to show the kinds of things your group has been doing. Make a scrapbook of pictures showing your group having fun while making the project activities in this manual.
- Make a poster showing several kinds of bugs on one half and several kinds of spiders on the other half. You may want to draw the pictures or you may want to cut them from magazines.
- Make several kinds of bugs. Use them to make a mobile of moving creepy crawlies.
- Use a shoebox to encourage children to create a diorama for their bug. Use things from nature to make it realistic.

MINI 4-H (K-1): COLLECTIONS

MANUAL: The Manual for this project can be found at: <https://extension.purdue.edu/4h/Documents/Resources/4H-911-1.pdf>

EXHIBIT: This is a list of project activities that can be shown at the Newton County Punkin' Vine Fair. Pick a project activity you would like to try. You only need to pick one to show, but you do not have to make them in any order. All exhibits should be on a 22" x 28" poster board (see poster guidelines on pages 14 and 15) unless otherwise specified (scrapbooks, project activities, etc.).

- Collect and exhibit 5 items or 5 pairs of items. If you take a collection to the fair more than one year, add 5 more articles to your collection each year.
 - These articles can be rocks, coins, insects, salt and pepper shakers, pencils, or any kind of fun collection.
 - Attach a card that tells what you are collecting and why you collected the items.
- Go to a museum and look around at the collection of things.
 - Draw a picture of the collection you liked best.
 - Try to find out why museums collect stuff. List some things that they collect.
 - Ask someone who works at a museum how they get things for their collections.
 - What is the most unusual collection you saw?
 - (If a museum is not in your home area, try the library.)
- Talk to family and friends. Ask them what they like to collect and why they like to collect it. Then make a chart to show your information.
- Make a project activity as a group and take it to the fair to show the kinds of things your group has been doing.
- Make a scrapbook of pictures showing your group having fun while making the project activities in this manual.

MINI 4-H (K-1): FORESTRY

MANUAL:

The Manual for this project can be found at: <https://extension.purdue.edu/4h/Documents/Resources/4-H-911-3.pdf>

EXHIBIT: This is a list of project activities that can be shown at the Newton County Punkin' Vine Fair. Pick a project activity you would like to try. You only need to pick one to show, but you do not have to make them in any order. All exhibits should be on a 22" x 28" poster board (see poster guidelines on pages 14 and 15) unless otherwise specified (scrapbooks, project activities, etc.).

- Make a project activity as a group and take it to the fair to show the kinds of things your group has been doing.
- Make a scrapbook of pictures showing your group having fun while making the project activities in this manual.
- Visit a lumberyard. Observe the main different types of wood. How is the wood stored? What sounds do you hear? What kinds of smells do you notice? Talk to one of the workers to find out what they do. Draw a picture of what you found out.
- Make a poster with pictures of your group planting a tree.
- Make an art collage out of things collected on a walk in the woods. You can do this by yourself or you can do this as a group mural.
- Go on an alphabet scavenger hunt. Look for things in the forest that begin with each letter of the alphabet. Make an alphabet book using the items you find.
- Make a poster or book showing things people can do to help trees or showing things people use that come from trees.
- Write a story or poem about your favorite tree.

MINI 4-H (K-1): SEWING

MANUAL: The Manual for this project can be found at: https://extension.purdue.edu/4h/Documents/Resources/4-H_9117W.pdf

EXHIBIT: This is a list of project activities that can be shown at the Newton County Punkin' Vine Fair. Pick a project activity you would like to try. You only need to pick one to show, but you do not have to make them in any order. All exhibits should be on a 22" x 28" poster board (see poster guidelines on pages 14 and 15) unless otherwise specified (scrapbooks, project activities, etc.).

- Make a project activity as a group and take it to the Fair to show the kinds of things your group has been doing.
- Make a scrapbook of pictures showing your group having fun while making the project activities in this manual.
- Make a group quilt by lacing several sets of the quilt square initials together.
- Make one of the project activities in this guide:
 - Fringe a Scarf
 - Quilt Square Initials
 - Tic-Tac-Toe Weaving
 - Stitch the Mouse
 - Straight-Line Patterns
 - Connect-a-Pattern
 - Flight Pattern

MINI 4-H (K-1): SPACE

MANUAL: The Manual for this project can be found at: <https://extension.purdue.edu/4h/Documents/Resources/4H-911-6.pdf>

EXHIBIT: This is a list of project activities that can be shown at the Newton County Punkin' Vine Fair. Pick a project activity you would like to try. You only need to pick one to show, but you do not have to make them in any order. All exhibits should be on a 22" x 28" poster board (see poster guidelines on pages 14 and 15) unless otherwise specified (scrapbooks, project activities, etc.).

- Make a poster or a group mural of space. Be sure to include some constellations.
- Design and make your own rocket using materials around your house like paper towel tubes and construction paper.
- Make a poster or a book showing some things you have discovered about astronauts.
- Make a project activity as a group and take it to the fair to show the kinds of things your group has been doing.
- Make a scrapbook of pictures showing your group having fun while making the project activities in this manual.
- Make the star constellation of your choice using two different techniques from this manual or make up your own method.
- Write a short poem about what you think it would be like to explore space. Design a space cover for your poem.

MINI 4-H (K-1): TREES

MANUAL: The Manual for this project can be found at: <https://extension.purdue.edu/4h/Documents/Resources/4-H-911-2.pdf>

EXHIBIT: This is a list of project activities that can be shown at the Newton County Punkin' Vine Fair. Pick a project activity you would like to try. You only need to pick one to show, but you do not have to make them in any order. All exhibits should be on a 22" x 28" poster board (see poster guidelines on pages 14 and 15) unless otherwise specified (scrapbooks, project activities, etc.).

- Make a project activity as a group and take it to the fair to show the kinds of things your group has been doing.
- Make a scrapbook of pictures showing your group having fun while making the project activities in this manual.
- Draw a picture of the ways your favorite tree looks in each of the four seasons.

- Make a collage of pictures cut from magazines. Show as many different kinds of trees as you can find. See if you can find at least one picture of a tree with an unusual shape.
- Take a walk in a local park. Collect things that have fallen from trees onto the ground. Make a tree shaped poster and glue all the things you found onto the poster. Be sure to match the items with the part of the tree where they are found.
- Make a leaf rubbings book using 5 leaves you find that you think are interesting. To make the leaf rubbings, place each leaf on a flat surface with the vein side up. Next, place a piece of paper over the leaf and use the side of a crayon to rub color over it. Label each page with the leaf name.

MINI 4-H PROJECTS FOR 2nd Grade

MINI 4-H GUIDELINES:

1. Newton County offers TWENTY (20) projects for 2nd grade members.
2. A Mini 4-H member may enroll in any number of projects.
3. NO RECORD SHEETS OR MANUALS ARE REQUIRED FOR ANY OF THE MINI PROJECTS LISTED IN THE PERISCOPE.
4. All the information you will need to complete Mini projects is in the Periscope.
5. Ribbons will be awarded to all Mini projects; however, awards will be limited to ribbons.
6. Mini projects are exhibited at the county fair only.
7. Mini Aerospace, Mini Cake Decorating, Mini Foods, Mini Gift Wrap, Mini Horse & Pony Poster, Mini Models, Mini Sewing, and Mini Woodcraft are to be entered for exhibit at the 4-H Building at the fairgrounds. Mini Animal projects will be exhibited as part of the respective 4-H livestock show.
8. Mini members MUST follow health regulations and/or supply a Certificate of Vaccination when required. See each individual animal project explanation for guidelines.
9. Mini members are not eligible to sell animals in the 4-H Auction.

General Poster Instructions:

Make a poster 22"x 28" displayed horizontally with the standard 2" x 4" label in lower right hand corner, stating name, age, township and club. See Poster instructions on pages 14 and 15 of the Periscope for more specific instructions.

Safety Policy for Mini 4-H members: "Mini 4-H members, in second grade, will be allowed to show, work with, or care for animal projects after their parent or legal guardian has signed a liability release. Mini 4-H members may independently show, work with, or care for animals that weigh 300 pounds or less. Mini 4-H members may only show, work with, or care for animals over 300 pounds when they are assisted by a parent, legal guardian, or another adult designated in writing by parent or legal guardian." (The word assisted means that the adult has control of the animal at all times.) Mini 4-H members are not required to own the animals they participate with in Mini 4-H. All animals on exhibit should meet the regulations of the Indiana Board of Animal Health Requirements for Exhibition of Domestic Animals in Indiana and meet the vaccination requirement set by Indiana 4-H.

Mini 4-H members exhibiting horses must wear ASTM or SEI standard F1163 (or above) certified helmets whenever mounted. The parent/guardian is responsible to see that this specified headgear is properly fitted with the approved harness in place and fastened whenever a rider is mounted.

MINI AEROSPACE

EXHIBIT: Swift Rocket.

General Instructions:

1. Make a flying model rocket from a kit. You will need a hobby knife, white glue, a pencil, a brush, hobby sanding paper, Aero Gloss Dope (sanding sealer), Aero Gloss Dope Thinner and Tester spray paint (a bright color).
2. A safety/construction workshop may be held in the spring. Parents and members are encouraged to attend.
3. Members must abide by the current model rocketry safety code as established by the National Association of Rocketry. A copy of the code will be provided.

MINI BASKETS

EXHIBIT: Small, round basket

General Instructions:

Construct a small round basket made with a wooden base so that:

1. The base is secure to the basket.
2. All ends are tucked inside the basket and cut so they only overlap two spokes.

3. The rim is secure to the basket.
4. The basket is of natural reed plus one color of choice.

Several workshops will be held where a basket can be made under supervision. Supplies provided, cost under \$10.00.

MINI BEEF/DAIRY

EXHIBIT: 2nd Grade: One feeder calf or one 22" x 28" poster with 5 pictures that include you and your animal and a related topic. Examples include: housing, feeding, care, showmanship, etc. See poster guidelines on pages 14 and 15.

General Instructions:

1. Calves must be born after January 1 of the current year and cannot exceed 700 pounds.
2. Members will be expected to bring back the same calf for regular competition at next year's fair.
3. Calves must be broken to lead and show stick trained.
4. Calves will be shown to enable the member and the calf to gain show experience.
5. All health regulations for 4-H Beef Show apply.
6. All breeds will show together.
7. May be released immediately following the show.
8. Mini members may show an animal (beef) that belongs to another member of their immediate family as long as that animal is properly enrolled at the county fair. The animal must stay the entire fair.
9. Parents or immediate family member may assist in the ring.

MINI CAKE DECORATING

EXHIBIT: One decorated "giant cookie" Styrofoam circle. Standard size circles are approximately 1"x 6" and are available from a discount or hobby store craft or floral department.

General Instructions:

1. Use a simple icing to frost your "giant cookie." Decorate it using 2 decorator tips. You may also use additional decorations.
2. Exhibit your "giant cookie" at the county fair.
3. Decorations you may wish to use: candy, nuts, crushed cereal, coconut, sprinkles, marshmallows, & raisins.

MINI CATS

EXHIBIT: 2nd Grade: One cat or one 22" x 28" poster with 5 pictures that include you and your animal and a related topic. Examples include: housing, feeding, care, showmanship, etc. See poster guidelines on pages 14 and 15.

General Instructions:

1. Members may own or share a cat for show.
2. Kittens must be 4-8 months old; cats are 8 months or older.
3. There are 3 pieces of required "paperwork." Several weeks before the fair, you will receive Cat Show information in the mail. Included in this mailing will be a **Cat Show Class Card**, which you need to complete and return to the Superintendent or the Extension Office one week prior to the Show so the various classes can be planned. **Certification of Vaccination (4-H 777)**, signed by the veterinarian administering them, must accompany your cat to the Cat Show. Also bring a **close-up photo of you and your cat** to the Cat Show. This is for display at the fair, since cats are taken home after the Show.
4. Cats must be free of fleas, fungus, ear mites, parasites, or other communicable diseases. The Vaccination Certificate states that "Cats will be examined by a veterinarian (or vet tech) at the time of exhibition. Any sign of a communicable disease will result in cat being sent home."
5. For the 4-H Cat Show, bring the cat in a suitable cage or pet carrier with kitty litter included. All cats must wear a collar. The exhibitor is responsible for providing water and grooming aids.
6. Carry cat to the show table at the 4-H Cat Show. Prior to and during the Show, cats should be removed from carriers only for grooming or judging. Cats must be on a leash when not caged.
7. Members should be able to discuss basic cat care with the judge.
8. Mini members may participate in the cat carrier decoration exhibit, described in the 4-H Cats project description in the Periscope.
9. Take cat home immediately following the Cat Show.

MINI CONSTRUCTION TOYS

EXHIBIT: Must be no taller than 6" high and have a base no larger than 6" square.

General Instructions:

1. Construct and exhibit a character such as an animal, a person, a statue, or an object.
2. NO motorized parts.

MINI DOG OBEDIENCE

EXHIBIT: 2nd Grade: One dog, at least six months old by county fair or one 22" x 28" poster with 5 pictures that include you and your animal and a related topic. Examples include: housing, feeding, care, showmanship, etc. See poster guidelines on pages 14 and 15.

General Instructions:

1. Mini 4-Her will learn about the care, housing, health, grooming, and socialization of a dog.
2. A folder of project information will be provided at the Dog Obedience Orientation held in the spring for all Dog Obedience and Mini Dog Obedience members.
3. All 4-H dogs must have a Certification of Vaccination (4-H 671), signed by a licensed, accredited veterinarian indicating the dog has been vaccinated for distemper, hepatitis, leptospirosis, rabies, bordetella (kennel cough) and parvovirus all within one year of exhibiting at the county fair. **The Certificate must accompany all 4-H dogs at all training sessions, and the Dog Obedience Show.**
4. 4-H member may share a dog for meetings and show. A dog being shown in the dog project must belong to the exhibitor or to a member of the immediate family or household. Dogs may only be shown by the 4-H member, their sibling, or their parent from May 15 through the Dog Show. Exhibition by any other individual makes the dog ineligible for State Fair exhibition.
5. Dogs must wear a well-fitted slip, buckle, or martingale collar made of leather, fabric, or chain. Exception: Gentle leader collars **may** be worn at training but are **not** allowed at the Dog Obedience Show at the fair. The leash may be of fabric or leather and shall be six feet in length. All grooming supplies are the responsibility of the 4-H member. Dogs will not be permitted to participate in training or showing events if not accompanied by the proper equipment. Financial assistance may be available for proper dog equipment. Please contact Superintendent.
6. To learn training techniques and specific exercises, Mini members and their dogs should attend 4 training sessions and the Dog Obedience Orientation workshop for all members. Attendance at any additional training sessions is welcomed.
7. Mini Dog will be part of the Dog Obedience Show at the fair.
8. Exhibitors should appear neat and well-groomed. Dress guidelines and appropriate clothing will be discussed during training.

MINI FOODS

Project Guidelines: You will learn to read a recipe, follow the directions, and prepare the recipe. Make sure you have an adult help you purchase ingredients and learn how to prepare the recipes.

Mini Foods members have a **choice** of 3 recipes to prepare for exhibit: Honey Hives, Haystack Cookies, or Black-eyed Susans. Exhibit ONE recipe only. You may want to try preparing all three for your family to enjoy. Each recipe is unique; the first two are no-bake cookies. Honey Hives have a thick dough that you form into a beehive shape. Haystacks require melting chocolate and butterscotch chips in the microwave or on the stove top, and Black-eyed Susans are mixed and baked, then the chocolate kiss is added.

EXHIBIT: Six (6) Honey Hives, OR Haystacks, OR Black-eyed Susans.

General Instructions: Cookies should be placed on a firm, disposable plate. Cover exhibit securely with plastic wrap or put inside a sealable bag.

Honey Hives

1 cup peanut butter
1 teaspoon vanilla
¾ cup raisins

1/3 cup honey
2 cups rice cereal
(Rice Krispies)

DIRECTIONS:

- Roll 1 ½ cups cereal between two sheets of waxed paper until crushed. Set aside.
- Do not crush remaining ½ cup cereal. Thoroughly mix peanut butter, honey, vanilla, raisins, and uncrushed cereal in a mixing bowl.
- Drop mixture by spoonfuls onto crushed cereal and roll lightly to cover.
- Form into beehive shapes. Try to make them all look the same.
- Makes about 2 dozen hives.

Haystack Cookies

6 oz. pk chocolate chips	12 oz. chow Mein noodles
6 oz. pk butterscotch chips	1 C peanuts, optional

DIRECTIONS:

- Melt chips together on stove or in microwave.
- Remove from heat and stir in noodles & peanuts.
- Put wax paper on a cookie sheet and drop mix by teaspoonfuls. Refrigerate to set.

Black-eyed Susans

¾ cup (1 ½ sticks) margarine or butter, softened	12 drops yellow food color
½ cup sugar	1 large egg
1 tsp vanilla	1 pkg (3 oz.) cream cheese, softened
2 cups flour	36 chocolate kisses

DIRECTIONS:

- Mix butter, sugar, vanilla, food color, egg and cream cheese in a large bowl.
- Stir in flour.
- Cover dough with plastic wrap and refrigerate about 2 hours or until firm.
- Heat oven to 375°.
- Shape dough into 1 ¼ inch balls. Put balls about 2 inches apart on cookie sheet. As you put each ball on the cookie sheet, cut it following the directions below.
- Adult help: Using scissors or a small, sharp knife, cut each ball from top into 6 wedges about ¾ of the way through dough, as shown in drawing. Spread wedges apart slightly. (Cookies will flatten as they bake.)
- Bake 10 to 12 minutes or until cookies are set and edges begin to brown.
- Immediately press in center of each cookie 1 of the chocolate kisses.
- Remove cookies from cookie sheet with spatula to wire rack. Cool.

MINI GIFT WRAP

EXHIBIT: One empty square or rectangular box wrapped with purchased paper and decorated with purchased bow.

General Instructions:

1. Lay the box you are wrapping upside down on the wrapping paper. If the paper has a pattern or printed message, make sure the design is centered on the box so that it shows to best advantage.
2. Estimate the amount of paper required to go completely around the box and overlap it by 2-4". Paper should extend at the ends no more than ¾ the depth of the box.
3. Lap one edge of paper over the other and tape in place.
4. Beginning on one end, fold the top flap down toward the center. The side flaps are then folded toward the center and finally the bottom flap is brought up and taped in place.
5. Repeat this procedure on the other end. Be sure that the paper is kept tight.
6. Complete your package with a bow and/or ribbon.
7. During the year, practice wrapping 2 or 3 square or rectangular boxes with purchased wrapping paper.

MINI GOATS

EXHIBIT: 2nd Grade: One doe or one 22" x 28" poster with 5 pictures that include you and your animal and a related topic. Examples include: housing, feeding, care, showmanship, etc. See poster guidelines on pages 14 and 15.

General Instructions:

1. All health regulations regarding goats for exhibition will apply.
2. Mini goats will come the day of the show and may be released following the show. If you choose to stay for the duration of the fair, superintendents must know prior to fair so pen space is available. If you choose to stay, the goat may not go home early.
3. All Mini goat members should attend a workshop on caring for goats.
4. Mini Goat members may show a goat that belongs to another member of their immediate family as long as that animal is properly enrolled at the county fair. It can be a dairy, pygmy, or meat doe or wether.
5. In some cases, there may be a child who really wants to show a goat, but, goat is not available to them. These cases will be taken care of on an individual basis. Contact Scott and Maureen for guidance on this issue.

MINI HORSE & PONY

EXHIBIT: 2nd Grade: One horse or pony or one 22" x 28" poster with 5 pictures that include you and your animal and a related topic. Examples include: housing, feeding, care, showmanship, etc. See poster guidelines on pages 14 and 15.

General Instructions:

1. All horses and ponies must be owned or leased by 4-Her or family member (no stallions) by May 15 of current year. No official lease agreement is needed.
2. Mini 4-H members exhibiting horses must wear ASTM or SEI standard F1163 (or above) certified helmets whenever mounted. The parent/guardian is responsible to see that this specified headgear is properly fitted with the approved harness in place and fastened whenever a rider is mounted.
3. The Mini 4-Her will learn about the care, housing, health, feeding and grooming of a horse.
4. Mini member should attend at least 1 county Horse & Pony event (a meeting or a clinic).
5. The following classes are available:
 - a. Showmanship (Halter)
 - b. Horsemanship (Walk-trot or Lead-line)
 - c. Costume class (theme will be announced) The Mini 4-Her should participate in either walk-trot or lead-line, and may choose to participate in both. Costume class is optional.
6. Mini Classes will be conducted at the county fair with the 4-H Horse and Pony Show (specific times will be announced).
7. Suitable attire must be worn in all classes.
8. All health requirements for horse and pony will apply.
9. Mini Horse and Pony animals must be in place (stall) by 9:00 a.m. on day of show and will be released following the show.

MINI MODELS

EXHIBIT: One model from a snap-together kit.

General Instructions:

1. Select a snap-together model kit (no glue). Find one that is appropriate for your age.
2. Follow the instructions carefully. Models may have decals or may be painted.
There are a variety of snap-together kits available including cars, trucks, monster trucks, planes, helicopters, dinosaurs, etc. Call the Extension Office if you need help finding a model

MINI POULTRY/WATERFOWL/TURKEY

EXHIBIT: 2nd Grade: One chicken, duck, goose or turkey or one 22" x 28" poster with 5 pictures that include you and your animal and a related topic. Examples include: housing, feeding, care, showmanship, etc. See poster guidelines on pages 14 and 15.

General Instructions:

1. Contact poultry Superintendent in January or February to get information on where to order chicks.
2. All health regulations regarding poultry for exhibition will apply.
3. May be released immediately following the show.

4. The purpose of 4-H Mini Poultry is to give the member experience in showing poultry, waterfowl, or turkeys.

MINI RABBITS

EXHIBIT: 2nd Grade: One rabbit or one 22" x 28" poster with 5 pictures that include you and your animal and a related topic. Examples include: housing, feeding, care, showmanship, etc. See poster guidelines on pages 14 and 15.

General Instructions:

1. You may show a purebred or crossbred rabbit.
2. All members will be responsible for carrying their rabbit to and from the judging table.
3. Rabbit must be in good general health.
4. You are encouraged to attend 4-H Rabbit Workshops when offered.
5. Mini Rabbits must be tattooed before the fair.
6. Mini Rabbits must be entered on Sunday between 10am-4pm. Mini members may show a rabbit that belongs to another member of their immediate family as long as that animal is properly enrolled. If a family member's animal is being used, it must stay for the entire fair. If it is their own enrolled animal, it may be taken home immediately after the show on Monday. Please let the Superintendent know when you are taking this rabbit home.
7. The purpose of 4-H Mini Rabbits is to give the member experience in showing rabbits.

MINI SEWING

EXHIBIT: One place mat.

General Instructions:

1. Select a piece of loosely woven fabric (cotton is best) and matching thread.
2. Straighten and pre-shrink your material.
3. Cut it into a 12" x 18" rectangle.

Stitch the Mat:

1. Stitch on the sewing machine all around the mat $\frac{1}{2}$ " in from the edge.
 - a. Lay the fabric so that most of it is to the left of the needle. Lower the needle $\frac{1}{2}$ " from the edge of the fabric and begin stitching.
 - b. When you come to a corner, stop stitching $\frac{1}{2}$ " from the corner with the needle down in the fabric. Raise the presser foot, turn the fabric, lower the presser foot, and continue sewing. Repeat this at every corner.
 - c. Finally, you will come to the place where you started sewing. Just keep stitching until you have stitched on top of your first stitching for about 1 inch, then backstitch to where you first started stitching.
2. Remove the mat from the sewing machine and trim the threads very close to the fabric.

Make the Fringe:

1. Make the fringe by pulling out all threads between the stitching and the edge. It is usually best to pull just one thread at a time.
2. If you were not able to stitch exactly straight along the thread when you did the machine stitching, some of the threads will unravel.
3. Stop when the thread of the fabric is caught with the machine stitching.
4. With small pointed scissors, cut the thread that you are unraveling out and pull it away from the mat.
5. Press your mat and see how nice it looks.

PROJECT SUGGESTIONS AND IDEAS:

- Optional: You may add a personal touch to your placemat by decorating it with an appliqué, rick rack, colored thread, sponge paint, etc.
- A loosely woven fabric is easier to unravel than a tightly woven fabric.
- Be creative!

MINI SHEEP

EXHIBIT: 2nd Grade: One commercial or registered ewe lamb or wether or one 22" x 28" poster with 5 pictures that include you and your animal and a related topic. Examples include: housing, feeding, care, showmanship, etc. See poster guidelines on pages 14 and 15.

General Instructions:

1. Members will be encouraged to show the animal at next year's fair as a yearling ewe. Wethers are excluded from this rule.
2. All health regulations regarding sheep for exhibition will apply.
3. May be released immediately following the show.
4. Mini members may show a lamb that belongs to another member of their immediate family as long as that animal is properly enrolled at the county fair and is not going to the Indiana State Fair. The sheep must stay at the entire fair.
5. The purpose of Mini Sheep is to give the member experience in showing a lamb.

MINI SPORTFISHING

EXHIBIT: One item that shares what you learned about fishing in this project. Items to choose from could include:

1. Poster 22"x28" of collage of photos. See poster guidelines on pages 14 and 15; or
2. Item you made examples: fishing game, photo journal with captions, story notebook with pictures, knot examples, etc.

General Expectations:

1. Follow rules of courtesy and fishing etiquette outlined in "Successful Fishing" handout.
2. Attend 4-H Sportfishing events with family members. There will be sessions to learn about fishing, 5 or 6 dates to actually fish, and end of the year celebration with prizes and a fish fry for all those that completed the project by exhibiting at the Newton County Fair.
3. Parents are expected to participate with the member.
4. Fishing equipment is available for members that need it.
5. Fishing events will be held at private ponds or on "Indiana DNR Free Fishing Days" so no license will be required for adults to fish with their child.

MINI SWINE

EXHIBIT: 2nd Grade: One barrow or gilt or one 22" x 28" poster with 5 pictures that include you and your animal and a related topic. Examples include: housing, feeding, care, showmanship, etc. See poster guidelines on pages 14 and 15.

General Instructions:

1. All breeds will be shown together.
2. All health regulations regarding swine for exhibition will apply.
3. May be released immediately following the show.
4. The purpose of the 4-H Mini Swine is for the member to gain experience in showing swine.
5. Mini members may show a barrow or gilt that belongs to another member of their immediate family as long as that animal is properly enrolled at the county fair and is not going to the Indiana State Fair. The animal must stay for the entire fair.

MINI WOODCRAFT

EXHIBIT: Sanded cutting board.

General Instructions:

1. The purpose of this project is to help you learn how to sand properly. You will hand sand a pre-cut cutting board. You will also learn how to treat the board with oil so it can be used.
2. You can purchase a cutting board at cost from the Extension Office. Several designs are available. Or, you can have someone cut a pattern of your choice.
3. Raise the wood grain by wiping the cutting board with a damp rag. Let it dry for 24 hours, then sand the cutting board with sand paper. Start with 80 grit for the first sanding, and then finish bare wood with 120 grit. All wood surfaces should feel smooth, not fuzzy to the touch.
4. To treat the wood, lightly apply mineral oil (from a drugstore) with a clean rag. Rub in. Allow to dry and repeat. Never use vegetable or cooking oils to treat a cutting surface as in time, these oils can become rancid.
5. Do not put any paint, varnish, or stain on your cutting board.
After the fair, wash the cutting board with detergent and hot water so it is ready to use. Reapply oil occasionally to a clean cutting board.

AEROSPACE

Description: The 4-H aerospace program provides youth with educational information and experiences about aerodynamics, flight and rocketry.

State Fair Entries: 3 rockets, drones, remote control aircraft, posters, notebooks or display boards per county; one per level.

Exhibit Guidelines:

All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include website links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed. Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Display boards should be designed to sit on a table using no more than 36" of tabletop space. Space should be left in the lower right-hand corner to place an exhibit tag provided by Purdue Extension staff. Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement. "Ready to Fly" and E2X rockets are not permitted. Rockets may be exhibited with a base, but launch pads are not permitted. All rockets must weigh less than 3.3 pounds and considered an amateur rocket according to FAA regulations. Remote control aircraft or drones may be constructed from a kit or purchased ready-to-fly. The power source (rocket engine, battery pack, etc.) is to be removed before being placed in public exhibition. Rockets will not be launched and remote control aircraft or drones will not be flown at state fair. Launching rockets and flying aircraft or drones at the county level is optional based on adult supervision experience.

Exhibit Class Guidelines:

Beginner (grades 3-5 suggested)

Construct a rocket of your choice designed for a new model rocket enthusiast with a difficulty level that is appropriate for the suggested grade level, or a poster or display board on any topic in the manual. Similar topics not included in the manual are permissible. Rockets cannot be ready-to-fly (RTF) or have plastic fins. Cluster engine rockets and rockets that take an engine D or above are not permitted in this level. Remote control aircraft or drone of your choice that is age/grade appropriate and compliant with FAA regulations, federal and state laws, and local ordinances. This exhibit choice is to include a notebook or poster including how the aircraft/drone was used and aerospace skills learned. Displaying the aircraft or drone is optional.

Intermediate (grades 6-8 suggested)

Construct a rocket of your choice designed for a model rocket enthusiast with some experience and with a difficulty level that is appropriate for the suggested grade level, or a poster or display board on any topic in the manual. Similar topics not included in the manual are permissible. Rockets cannot be ready-to-fly (RTF) or have plastic fins. Cluster engine rockets and rockets that take an engine E or above are not permitted in this level. Remote control aircraft or drone of your choice that is age/grade appropriate and compliant with FAA regulations, federal and state laws, and local ordinances. This exhibit choice is to include a notebook or poster including how the aircraft/drone was used and aerospace skills learned. Displaying the aircraft or drone is optional.

Advanced (grades 9-12 suggested)

Construct a rocket of your choice designed for an experienced model rocket enthusiast and with a difficulty level that is appropriate for the suggested grade level, or a poster or display board on any topic in the manual. Similar topics not included in the manual are permissible. Rockets cannot be ready-to-fly (RTF) or have plastic fins. Cluster engine rockets and rockets that take an engine G or above are not permitted in this level. Remote control aircraft or drone of your choice that is age/grade appropriate and compliant with FAA regulations, federal and state laws, and local ordinances. This exhibit choice is to include a notebook or poster including how the aircraft/drone was used and aerospace skills learned. Displaying the aircraft or drone is optional.

ANIMAL EDUCATION

Description: Youth can learn about livestock and companion animals through a variety of experiences.

State Fair Entries: 3 Cat entries per county; one per level, 3 Dog entries per county; one per level, 3 Llama entries per county; one per level, 3 Poultry entries per county; one per level, 3 Rabbit entries per county; one per level.

Exhibit Guidelines:

Owning or showing an animal is not required. Members enrolled in any 4-H animal or livestock project can exhibit in this project and are to contact their county 4-H educator to learn if they are to also be enrolled in animal education. All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include website links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed. Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Display boards should be designed to sit on a table using no more than 36" of tabletop space. Space should be left in the lower right hand corner to place an exhibit tag provided by Purdue Extension staff. Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

Exhibit Class Guidelines:

Beginner (grades 3-5 suggested)

Create an educational poster, notebook or display about any manual activity or on any specie related topic of choice that is age/grade appropriate. Check with the Purdue Extension office in your county to determine if enrollment is required in the species project you want to learn about. Owning or possessing an animal is not required.

Intermediate (grades 6-8 suggested)

Create an educational poster, notebook or display about any manual activity or on any specie related topic of choice that is age/grade appropriate. Check with the Purdue Extension office in your county to determine if enrollment is required in the species project you want to learn about. Owning or possessing an animal is not required.

Advanced (grades 9-12 suggested)

Create an educational poster, notebook or display about any manual activity or on any specie related topic of choice that is age/grade appropriate. Check with the Purdue Extension office in your county to determine if enrollment is required in the species project you want to learn about. Owning or possessing an animal is not required.

ARTS AND CRAFTS, GENERAL

Description: Allows youth to learn life skills and grow in project knowledge while expressing creativity in a variety of mediums.

State Fair Entries: 5 entries per county as determined by the county 4-H educator and fair officials.

Exhibit Guidelines:

Youth may exhibit any art or craft that does not meet exhibit requirements in Fine Arts, Needle Craft, Model Craft or Construction and Architectural Replica. Exhibitors should be considerate of space. Exhibits too large to safely move or requiring lots of space should be exhibited using photographs and a description of work in a notebook.

All arts and craft exhibits must include a [4-H Craft Information Card, 4-H 618A](#). This information card is to describe work completed so the judge can more accurately evaluate the exhibit. Craft information cards are for judging purposes only and will not be returned to the exhibitor. If multiple pieces make up the exhibit, a photograph of the complete exhibit should be attached to the exhibit so the total exhibit can properly be displayed. For safety purposes any craft exhibit that

resembles a sword, knife, or look-a-like weapon will be judged but will not be displayed. Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

Exhibit Class Guidelines:

Beginner (grades 3-5 suggested)

Create and exhibit one age/grade appropriate artwork.

Intermediate (grades 6-8 suggested)

Create and exhibit one age/grade appropriate artwork.

Advanced (grades 9-12 suggested)

Create and exhibit one age/grade appropriate artwork.

BEEF

See the “2022 Animal/Livestock Guidelines” on page 13 of the Periscope

Description: Youth will learn how to care for and show Beef Cattle.

State Fair Entries: Any member may exhibit, separate entry required. Be sure to follow appropriate deadlines.

Exhibit Guidelines:

Refer to “2022 Animal/Livestock Guidelines” chart on page 13 of the Periscope

1. All animals must be healthy at the time of entry to the Newton County Fair to be eligible for exhibition. All animals must be identified and meet appropriate State Board of Animal Health requirements. If there is a question of animal health or well-being, a veterinarian will be called to inspect the animals or facilities in question.
2. 4-H exhibitors may enroll not more than six (6) steers and six (6) beef heifers.
3. Any one animal may not be enrolled by more than one 4-H member, except for brothers and sisters and then only on separate enrollment forms.
4. All steers, commercial and market heifers must be individually identified under the supervision of the superintendents and Extension staff at the start of the project. Animals will be weighed and identified by ear tags.
5. Purebred heifers must have registration papers from their breed association and be identified by birth date and registration number or by the dam's registration number prior to May 15.
6. Breed steers will be required to have registration papers with matching tattoos upon check-in at the county fair.
7. There will be a separate competition for all steers and heifers born/and raised in Newton County or in York Township of Benton County. Calves must be nominated for this class at enrollment.
8. All animals must be stalled in the barn only. No trailers. All animals are to be groomed in or in surrounding area, not in trailers.
9. Calves must have been born in the previous year except Sr. Yearling heifers.
10. Steers and market heifers must have their milk teeth in place.
11. All steers and market heifers must be weighed at the fair in the presence of the beef superintendents to determine the classes.
12. Steers will be shown by breed and weight.
13. Breeding heifers will be shown by breed and age.
14. Market heifers will show by weight. There will be no breed classes for market heifers. They will compete for Grand Champion Market animal and Reserve Grand Champion Market animal.
15. The Purebred heifer classes will be:
 - a. Sr. Yearling: Sept. 1-Dec. 31 previous calendar year.
 - b. Jr. Yearling: Jan. 1 - Apr. 30 previous calendar year.
 - c. Summer Yearling: May 1 - Aug. 31 previous calendar year.
 - d. Sr. Calf: Sept. 1 - Dec. 31 previous calendar year.
16. Crossbred (Commercial) Heifers will show by weight. These classes may be further divided at the superintendent's discretion, according to the number of entries exhibited.
17. Classes are offered for the following breeds of heifers (all heifers must be purebred and registered): Angus,

Hereford Shorthorn. Classes will also be provided for registered heifers in breeds recognized by the Indiana State Fair 4-H Beef Show. State Fair requirements as to percentage will apply. Currently those recognized breeds are Charolais, Chianina, Gelbvieh, Highland, Limousin, Maine-Anjou, Mainetainer, Red Poll, Salers, Santa Gertrudis, Shorthorn Plus, Simmental, and Simmental Solutions. Classes will be provided for breeds not recognized by State Fair but that are recognized through an official breed association. These animals will show as crossbred (commercial) class. A champion and reserve champion will be selected for each breed and Crossbred division.

18. Classes for steers will be offered for the following breeds: Angus, Hereford, and Shorthorn. Classes will also be offered for steers in those breeds recognized by the Indiana State Fair 4-H Beef Show (see above) State Fair requirements as to percentage will apply. Currently those recognized breeds are Chianina, Charolais, Gelbvieh, Limousin, Maine-Anjou, Red Poll, Salers, Santa Gertrudis, Shorthorn Plus, and Simmental. Any steer not meeting requirements will be shown with the crossbred class. Classes will be provided for breeds not recognized by Indiana State Fair 4-H Beef Show, but that are recognized through an official breed association. A Champion and Reserve Champion will be selected for each breed and Crossbred division.
19. Dehorning of horned animals is recommended for the 4-H members' safety. However, should a breed association require horns (heifers only), they may be kept (i.e. Highland class). Steers and market class animals will remain polled, dehorned, or small scurs.
20. Current health regulations shall apply. Premise I.D, registration papers, and proper identification for each animal will be required before unloading at the fair.
21. An animal enrolled in a particular breed may be changed to crossbred only before weigh-in at the fair.
22. Market heifers and steers are eligible for the auction.
23. Market heifers are eligible to compete in the rate of gain class.
24. Showmanship – Beef members will be divided equally into 3 classes by birth date. Junior (Grades 3-5), Intermediate (Grades 6-8), and Senior (Grades 9-12).
25. All rules subject to interpretation of the committee and their decision is final.
26. Superintendents may be making farm visits to answer questions and provide input on the project development.
27. General grooming on animal apply- such as brushing, combing, show foam, show oil, & hair condition products. Not allowed will be show adhesive, glue, any paint products, or artificial hair including false switches.
28. 4-H exhibitors may receive clipping and grooming assistance from members of their immediate family (father, mother, siblings, grandparents, aunts, and uncles), from a current Indiana 4-H member, and from individuals enrolled in the Indiana 4-H Approved Animal Assistance Program. Temporary guardianships are not permitted and shall result in immediate disqualification.
29. Tie out time will be announced. For safety reasons, no buckets or feed pans will be left overnight in tie outs.
30. Showmanship classes will be divided into appropriately sized groups by age. 4-Hers must sign-up with the respective superintendent. When signing up to enter the showmanship contest, the 4-Her must give his/her grade level. The superintendent will determine the break in class size. The winners in each class will show for the Champion Showman Award. (Past winners will re-enter their appropriate age class each year). All participating members must show their own animals.

BEEF PROSPECT CALF

1. 4-H member may enroll up to three (3) prospect steers and three (3) prospect heifers, born in current calendar year. Animals must weigh under 700 lbs. at the fair weigh in and check in date.
2. Prospect cattle will show by weight and will be divided into steer and heifer classes, (no breed classes). The champion prospect steer and champion prospect heifer will compete for grand prospect calf.
3. Prospect calves are not eligible for the 4-H auction.
4. The calf from a cow-calf entry is eligible to show in prospect class under the ownership of the cow-calf 4-H enrollment.
5. All prospect cattle must be enrolled and identified by the county enrollment date in May.

COW-CALF

1. Eligible cows must have been previously enrolled in 4-H by the 4-H member and may only show by the original enrollment member.
2. The calf from Cow-Calf pair is eligible to show in the Beef Prospect class.
3. A member may exhibit 1 cow-calf pair.
4. Purebred and commercial animals are eligible and will be judged by age of the cow.
5. Entry and release times for cow-calf entries are the same as for other beef animals.
6. A Champion and Reserve Champion will be selected but will not be eligible for the Grand Champion Heifer.

BEEF POSTER: Members may exhibit educational poster in addition to or in place of live animal. See Animal Education Project guidelines on pg. 28.

BEEKEEPING

Description: This project will help youth learn beekeeping, the types of bees, the honey and wax they produce, the plants that attract bees, and the equipment a beekeeper needs.

State Fair Entries: 1 educational exhibit per county, 1 honey exhibits per member, unlimited number of county entries.

Exhibit Guidelines:

All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed. Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Display boards should be designed to sit on a table using no more than 36" of tabletop space. Space should be left in the lower right hand corner to place an exhibit tag provided by Purdue Extension staff. Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

Special Notes:

- There are no age/grade specifications for beekeeping exhibits. No bee hives may be brought to the State Fair.
- Honey water content will be measured.
- Fill level: the honey should be filled to the jar shoulder, not over, nor under
- Chunk honey should go in a wide-mouth jar, preferably one specially made for chunk honey (see beekeeping catalogs).
- Be careful to distinguish "chunk honey"(comb in jar) from "cut comb" (comb only in box). Honey (including chunk, cut comb and comb) must be collected since the previous county fair.

Exhibit Class Guidelines:

Educational Poster or Display (grades 3-12)

Create an educational poster, notebook or display about any manual activity or on any beekeeping topic of choice that is age/grade appropriate. Youth can also design and complete an independent study activity.

Single Honey Product (grades 3-12)

Exhibit one of the following:

1. Extracted honey - 2 one-pound jars, shown in glass or clear plastic, screw-top jars holding 1 pound of honey each.
2. Chunk honey (comb in jar) - 2 one-pound jars (wide-mouth glass or clear plastic).
3. Cut-comb honey - 2 one- pound boxes (These are usually 4 1/2" x 4 1/2" in size).

Two Honey Products (grades 3-12)

Exhibit two of the four kinds of honey listed below.

1. Extracted Honey - 2 one-pound jars (glass or clear plastic).
2. Chunk Honey (comb in jar) - 2 one-pound jars (wide-mouth - glass or clear plastic).
3. Cut-comb Honey - 2 one-pound boxes. Boxes are usually 4 1/2" x 4 1/2"
4. Comb Honey - 2 sections (honey built by bees in frames of wood commonly called "sections." Boxes are usually 4 1/2" x 4 1/2" in size).

CAKE DECORATING

Description: The cake decorating project allows youth to utilize their artistic ability and expressions as they learn decorating techniques and skills. Anyone wanting to learn baking skills should refer to the 4-H foods project.

State Fair Entries: 3 entries per county; one per level.

Exhibit Guidelines: The cake decorating project provides skills-based educational experiences that provide an opportunity for mastery before building on that experience to develop more advanced skills. This subject area is divided into three levels: Beginner (Grades 3-5), Intermediate (Grades 6-8), and Advanced (Grades 9-12). While the defined grades are intended to be a guide, older youth enrolled in this subject for the first time may start in a lower grade skill level with permission by the county extension educator, followed by an appropriate level the following year. Skills and techniques demonstrated should be age/grade appropriate. While it is not to say a beginner level member cannot master an advanced level skill, it would be rare and unique. Therefore, exhibited cakes must demonstrate the minimum five techniques from their given level outlined in [Indiana 4-H Cake Decorating Skills and Techniques, 4-H 710A](#), but may also include higher/lower level techniques that have been mastered. Any higher/lower level techniques will not be counted as part of the minimum five, but nevertheless will be evaluated for quality. All exhibited cakes must be created using a Styrofoam, foam, or other solid dummy. Unless otherwise stated, cakes are to be iced using royal icing or buttercream. Buttercream icing will not withstand environmental conditions and may become soft, melt, not withhold its shape, and colors may bleed when being displayed an extended period of time. When displaying a cut-up cake or tiered cake, the exhibitor must include a diagram and description indicating how the cake was assembled. This diagram and description can be attached to or written on the skills sheet. All exhibits must include a completed Cake Decorating Skills Sheet (4-H 710) and must accompany the cake for the judge's reference during judging. Skills sheets are for judging purposes only and will not be returned to the exhibitor. Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

Exhibit Class Guidelines:

Beginner (grades 3-5 suggested)

A minimum of five beginner level skills are to be demonstrated. A list of skills to choose from can be found on the [Indiana 4-H Cake Decorating Skills and Techniques, 4-H 710A](#) sheet. Cakes must be on a cake board strong enough to support the cake (approximately 3/8" thick) and 2-4" larger than the cake. For example, if the cake is 8" in diameter, then the cake board must be 10-12" in diameter. The cake board must be neatly covered and well taped or otherwise attached underneath. Cakes exhibited in the beginner level are to be a single tier/layer, no more than 5" tall, and may be round, square, or rectangular and the cake board is to be no more 12"x12".

Intermediate (grades 6-8 suggested)

A minimum of five intermediate level skills are to be demonstrated and the cake may include additional skills from the beginner level. A list of skills to choose from can be found on the [Indiana 4-H Cake Decorating Skills and Techniques, 4-H 710A](#) sheet. Cakes must be on a cake board strong enough to support the cake (approximately 3/8" thick) and 2-4" larger than the cake. For example, if the cake is 9"x13" rectangular, then the cake board must be 11"x15" to 13"x17" rectangular. The cake board must be neatly covered and well taped or otherwise attached underneath. Cakes exhibited in the intermediate level are to be a single or double tier/layer, no more than 12" tall and may be any shape. Youth may choose to decorate an inverted (upside down) character pan or create a 3-dimensional cake. It is also permissible to cut-up pieces of Styrofoam, foam, or other solid material to create a new shape, like a butterfly or castle for example. The cake board is to be no more than 24"x24".

Advanced (grades 9-12 suggested)

A minimum of five advanced level skills are to be demonstrated and the cake may include additional skills from the beginner and intermediate levels. A list of skills to choose from can be found on the [Indiana 4-H Cake Decorating Skills and Techniques, 4-H 710A](#) sheet. Cakes must be on a cake board strong enough to support the cake (approximately 1/2" thick) and 4" larger than the base cake. For example, if the cake is 26" in diameter, then the cake board must be 30" in

diameter. The cake board must be neatly covered and well taped or otherwise attached underneath. Cakes exhibited in the advanced level may be multiple layer and/or tiered and may include multiple cakes, like a wedding cake. Youth may choose to create a character or 3-dimensional cake by cutting-up pieces of Styrofoam, foam, or other solid material to create a new shape. Dowel rods, plates, etc. should be used to support multiple layers and tiers. Fondant icing, gum, and sugar paste is permissible. Cakes may be any shape, no more than 36" tall and the cake board is to be no more than 36"x36". A minimum of five advanced level skills are to be demonstrated and the cake may include additional skills from the beginner and intermediate levels. A list of skills to choose from can be found on the Indiana 4-H Cake Decorating Skills and Techniques, 4-H 710A sheet.

CATS

Description: Youth will learn how to care for, groom, and show a cat or kitten.

State Fair Entries: Any eligible 4-H cat project member may elect to exhibit their 4-H cat in State Fair competition. All 4-H cats and/or kittens must be owned and cared for by May 15. Check State Fair website for entry information. Enter online at www.indianastatefair.com.

Exhibit Guidelines:

1. If the paperwork listed in the box above is not turned in by the designated deadline, the member may still exhibit his or her cat; however, the exhibit will not be eligible for any award above a blue ribbon placing. A merit award will be presented for the most exceptional manual in each level.
2. A 4-H member may enter and show a maximum of 2 cats in the 4-H Cat Show. Each cat may be shown in only one cat class.
3. 4-H cats and kittens **MUST BE OWNED BY THE 4-H MEMBER AND/OR FAMILY BY MAY 15. In addition, cats and/or kittens must be fed, trained, and cared for by the 4-H member.**
4. Evidence of purebred status must be provided if cat or kitten is to show in Purebred class.
5. At least one Workshop and a Shot Clinic may be held. Details will be mailed.
6. Required vaccinations for all cats are: Rabies, panleukopenia, calcivirus, rhinotracheitis, and feline leukemia. The Certification of Vaccination, signed by the veterinarian administering them, shall be attached to the 4-H Cats Record Sheet. Papers will be checked prior to judging. Vaccinations must be received at least 2 weeks prior to the show in the year of exhibition. Those vaccinated after that date will not be allowed to show.
7. It is recommended that all cats, other than pedigreed breeding stock, be spayed or neutered.
8. Cats in season or pregnant will not be permitted to show. 4-H members should still attend the Cat Show without their cat and will not be penalized. In order to receive a ribbon placing, a Cat Poster should be made and exhibited. See pages 14 and 15 for poster guidelines.
9. Cats must be free of fleas, fungus, ear mites, parasites, or other communicable diseases. The Vaccination Certificate states that "Cats will be examined by a vet (or vet tech) at the time of exhibition. Any sign of a communicable disease will result in the cat being sent home."
10. The cat is to be brought in a suitable cage or pet carrier with kitty litter included. Please do not use cardboard boxes as carriers.
11. Each cat must wear a collar. Exhibitors are responsible for providing water/feed containers and grooming aids.
12. Prior to and during the Show, cats should be removed from carriers only for grooming or judging. Only cat owner or family member should remove cat from carrier.
13. Cats will be brought for the Show and taken home immediately afterward.
14. Cats will be judged on health, cleanliness, grooming, personality, and if all categories are equal, the judge will choose a winner by its "star quality."
15. Each animal will be suitably caged in a cage or carrier provided by the 4-H member. Cats must be on a leash when not caged.
16. Cats will be shown in the following classes:
 - A. Short Hair Household Kitten, 4-8 months
 - B. Long Hair Household Kitten, 4-8 months
 - C. Short Hair Household Cat, 8 months and over
 - D. Long Hair Household Cat, 8 months and over
 - E. Short Hair Purebred (kitten and adult)
 - F. Long Hair Purebred (kitten and adult)

17. OPTIONAL EXHIBITS (not required, but give them a try!)

- a. **Showmanship.** The purpose is to help 4-H members learn and become more aware of cat fanciers knowledge, show techniques, and related management. Members will compete in one of the following 3 grade levels: Beginner (grades 3-5), Intermediate (grades 6-8), and Advanced (grades 9-12). The judge will ask questions to measure the 4-Her's cat knowledge. A Workshop may be held prior to the Fair to acquaint 4-Hers with showmanship techniques and practices.
- b. **Carrier Decoration.** If a member chooses to decorate the 4-H cat cage, the following judging criteria will be used: a) color coordination; b) originality; c) appropriate covering of the 2 sides, back, and top. Front of cage should not be covered. Copyrighted figures such as Garfield, Mickey Mouse, etc. should not be used in decorating cages.

4-H CAT POSTER:

Members may exhibit educational poster in addition to or in place of live animal. See Animal Education Project guidelines on pg. 28.

CHILD DEVELOPMENT

Description: Youth will learn about developmental stages of infants, toddlers and young children.

State Fair Entries: 4 entries per county; one per level.

Exhibit Guidelines: All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed. Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Display boards should be designed to sit on a table using no more than 36" of tabletop space. Space should be left in the lower right hand corner to place an exhibit tag provided by Purdue Extension staff. Activities may be designed to be displayed on the floor, but please be considerate of space availability. Each item is to be labeled with the 4-H member's name, county and club so fair staff can keep all components together if it needs to be moved after judging is complete.

Notebooks are to include the following:

- Identifications on the front showing 4-H member's name, county, club, grade and year in project.
- Title page naming the activity.
- Pages explaining how activity was developed and is to be used.
- Photographs showing how the activity was used along with assembly.
- Explanation of skills learned and any additional information to share with the reader.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

Exhibit Class Guidelines:

Level A (grades 3-4 suggested)

Exhibit a poster, display, or notebook about a manual activity. Other similar activities are permissible.

Level B (grades 5-6 suggested)

Exhibit a poster, display, or notebook about a manual activity. Other similar activities are permissible.

Level C (grades 7-9 suggested)

Exhibit a poster, display, or notebook about a manual activity. Other similar activities designed to help develop physical, emotional or cognitive skills are permissible.

Level D (grades 10-12 suggested)

Exhibit a poster, display, or notebook about a manual activity. Other similar activities designed to help develop physical, emotional or cognitive skills are permissible.

CONSTRUCTION AND ARCHITECTURAL REPLICA

Description: Allows youth to learn life skills and grow in project knowledge while expressing creativity when designing replicas.

State Fair Entries: 1 entry per county as determined by the county 4-H educator and fair officials.

Exhibit Guidelines:

Exhibits can include farm scenes, town models, building replicas, or similar items and can be constructed from building blocks (Lego), erector sets, or other materials. The product should be constructed to scale as much as possible. Consider adding a clear cover to protect the exhibit while being displayed to the public. This exhibit will most likely be displayed on an 8' long table top with two or three exhibits per table. Exhibitors should be considerate of space. Exhibits too large to safely move or requiring lots of space should be exhibited using photographs and a description of work in a notebook. All arts and craft exhibits must include a [4-H Craft Information Card, 4-H 618A](#). This information card is to describe work completed so the judge can more accurately evaluate the exhibit. Craft information cards are for judging purposes only and will not be returned to the exhibitor. If an exhibitor is concerned about their creation being damaged while on display, they should consider constructing a clear plastic cover to encase the exhibit. Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

Exhibit Class Guidelines:

Beginner (grades 3-5 suggested)

Create and exhibit one age/grade appropriate artistic scene or replica.

Intermediate (grades 6-8 suggested)

Create and exhibit one age/grade appropriate artistic scene or replica.

Advanced (grades 9-12 suggested)

Create and exhibit one age/grade appropriate artistic scene or replica.

CONSUMER CLOTHING

Description: This project is designed to teach clothing selection, wardrobe planning, care of clothing and personal grooming.

State Fair Entries: Consumer clothing project resources are currently being developed. Activities designed to develop consumer education and personal presentation skills as well as exhibit requirements will be released in January 2022.

COUNTY PROJECT: BARBECUE GRILLING

Description: Youth will learn barbecue grilling techniques and recipes in this project.

State Fair Entries: None

Exhibit Guidelines:

Level 1: Grades 3, 4, 5 –Barbecue on a grill four (4) or more times.

Exhibit: (1) Exhibit a 22 x 28-inch poster showing you barbecuing on a grill. (2) The poster must display a menu.

Level 2: Grades 6, 7, 8 -Barbecue on a grill six (6) or more times. At least two (2) of the times you need to barbecue on a grill with different types of meats/entrees.

Exhibit: (1) Exhibit a 22 x 28-inch poster showing you barbecuing on a grill with only one type of meat or entrée. The poster must display a menu.

Level 3: Grades 9, 10, 11, 12 -Barbecue on a grill eight (8) or more times. At least one (1) time prepare a barbecue on a grill for 5 or more people. Also, at least one (1) time barbecue on a grill from two (2) of the following options: a) grilled fruits; b) grilled vegetables; c) grilled breads/pastries; d) grilled desserts; e) grilled meat/entrée.

Exhibit: (1) Exhibit a 22 x 28-inch poster showing you barbecuing on a grill at least 2 of the following options: grilled fruits, grilled vegetables, grilled breads/pastries, grilled desserts or grilled meat/entrée. The poster must display a menu including at least 2 of the grilled options.

BARBECUE GRILLING CONTEST: (OPTIONAL) You must be enrolled and complete the Barbecue Grilling project to enter the Barbecue Grilling Contest. You must provide your own equipment and meat/entree. At the Barbecue Grilling Contest, any meat/entrée must be barbecued on a grill. Degree of difficulty will be considered in judging. Parent/ Guardian must supervise youth during entire contest. You must notify the Extension Office 2 weeks before the contest if you plan to participate.

COUNTY PROJECT: BASKETS

Description: The intent of the basket project is to keep learning new techniques each year and to gradually increase the level of difficulty. All arts and craft exhibits must include a [4-H Craft Information Card, 4-H 618A](#).

State Fair Entries: Newton County project, but 1 entry will be exhibited as Arts and Crafts, General.

Exhibit Guidelines:

Level 1 (Grades 3-4)

Grade 3 – Exhibit a square basket with no handles showing the basic over and under technique and a simple lashed rim. Twining around the base is optional. Colored reed could be used. Example: Bread Basket, Muffin Basket, Fruit Basket. Guidelines: Minimum size: 5”x5” square. Weaving Technique: over/under ONLY.

Grade 4 – Exhibit a rectangle basket with handle. Twining could be used to show more difficulty. Example: Apple Basket, Market Basket. Guidelines: Minimum size: 5”x6”. Weaving Technique: over/under, twining, and triple twining.

Level 2 (Grades 5-6)

This should be an advanced basket showing greater degree of difficulty. This basket will use the basic basket-making techniques used in years 1-3 along with the addition of one different technique.

Grade 5 – Exhibit a round bottom basket with or without handle. Example: Susie’s Basket, Kelly’s Gathering, fancy Fruit Basket, Fold Art Basket. Guidelines: Minimum of 6” diameter. Weaving Techniques: twining (base) and over/under (walls). Curls and triple twining for added detail or optional.

Grade 6 – Exhibit a ribbed melon basket with a wrapped or braided handle.

Level 3 (Grades 7-8)

Grade 7 – Exhibit a basket with a “cats head” base.

Grade 8 – Exhibit a basket using twill weaving for a base and walls.

Level 4 (Grades 9-12)

It is encouraged to combine multiple techniques, to make your own weaving variations, to make your own basket pattern, to purposely alter an original pattern, and /or use uncommon weaving materials. Baskets will be judged by degree of difficulty as well as quality of work. Baskets should be made using one advanced weaving technique not previously used in years past.

COUNTY PROJECT: CERAMICS

Description: Youth will learn to construct a ceramic and learn several techniques. All arts and craft exhibits must include a [4-H Craft Information Card, 4-H 618A](#)

State Fair Entries: Newton County project, but 1 entry will be exhibited as Arts and Crafts, General.

Exhibit Guidelines:

1. All pieces must be paid for in full before judging.
 2. Objects must be well-cleaned.
 3. All seams must be smooth with no rough edges.
 4. All exhibits must be ready for use. Bottoms must be finished.
 5. Animal nose and toenails will not count as a color if in Black only. Eyes may be Black, plus a second color for the iris.
 6. In under glazing, all shades of a color count as one (1) color. For example, dark blue, medium blue, and light blue are all shades of blue and count as one color, not three (3).
 7. You must complete Division 1 before advancing to the upper divisions regardless of your age when beginning.
 8. If you win Champion or Reserve Champion in your division you **MUST** advance to the next division. If you do not win Division Champion or Reserve Champion, you may stay in the same division for 2 years only.
 9. All ceramic items should be dated by scratching the month and year on the bottom of the greenware.
- **Division 1:** Glaze a simple article using a one color glaze. Exhibit one glazed article. Example would be animal with color in eyes or nose.
 - **Division 2:** Stain a fired article. Use no dry brushing or other advanced technique. Exhibit article.
 - **Division 3:** Stain and then antique a fired article. Use no dry brushing or other advanced technique. Exhibit article.
 - **Division 4 and Above (Advanced):** Select any combination of the following techniques. Each year use a different combination than you have selected before. On a 3" x 5" index card, write the techniques used and what you have learned. Cards will be collected after judging by Project Leader.
 - a. Stained or glazed article using artificial snow
 - b. Fired decals
 - c. Modified greenware
 - d. Dry brushing
 - e. Translucent stains with glazes
 - f. Translucents
 - g. Air brushing
 - h. Clay lifting
 - i. Chalks
 - j. Scaffiti (etching Design on greenware then paint design)
 - k. Any other technique approved by project leader or Extension Educator
 - l. Overglazes, Gold firing and mother-of-pearl

COUNTY PROJECT: COLLECTIONS

Description: Youth will learn how to make a collection and display it.

State Fair Entries: None

Exhibit Guidelines:

1. The 4-Her may choose any type of article they desire, **except alcoholic beverage items, tobacco and tobacco-like products, electronic smoking devices or obscene materials.**
2. Because of space and display restrictions, no living plants or animals may be displayed as a collection.
3. **Your story and record of your collections will be considered and judged as an important part of your**

Collections exhibit. Show pride in your project – be neat and consistent.

4. In all divisions, if the collection is too large or valuable to exhibit, a notebook containing photos and descriptions of your collection can be exhibited with, or in place of, your collection. Photo quality will not be judged, but they should be clear, sharp photos. All photos should be neatly arranged, labeled and mounted in a notebook with the completed record sheet.
5. If you expand upon a collection from a previous year, you must clearly explain what was added.
 - **Beginner (Grades 3-5):** Exhibit a portion or example of the collection. Use on attractive display not to exceed 2' x 3' x 3'. Completed record sheet must accompany exhibit.
 - **Intermediate (Grades 6-8):** Exhibit a new collection or a continuation of the beginner division with a completed record sheet. Exhibit may not exceed 2' x 3' x 3'.
 - **Advanced (Grades 9-12):** Exhibit a continuation of previous division or a new collection with a completed record sheet. Exhibit shall not exceed 3' x 3' x 4'. Members receiving champion in Advanced can repeat this division, but must exhibit a completely different collection. All others may repeat this division by adding to the previous years' collection.

COUNTY PROJECT: DO YOUR OWN THING

Description: With the help of adult guidance, young people can determine their own projects. The Do Your Own Thing project allows you to participate in a project that may not be included in the current 4-H program. Such projects can be developed to expand a current interest or to explore a new field. This particular project encourages the use and development of individual abilities and creativity.

State Fair Entries: None

OPTIONS:

1. You may set up your own project and determine what you want to learn, set goals and determine what you will exhibit at the county fair.
2. You may use a 4-H manual that is available for a state project not currently offered in Newton County and follow the exhibit guidelines listed in the manual for your grade and level.

Exhibit Guidelines:

1. You may NOT choose an activity that duplicates the Guidelines of an existing project offered in Newton County (for example, crafts, scrapbooking). If you are unsure if your project qualifies for "Do Your Own Thing" or if it should be in another category, please contact the Extension Office and/or the 4-H Educator.
2. Project exhibit must be educational (teach the observer something or show what you have learned).
3. Projects will be judged by level.
 - Level 1- Grades 3-5
 - Level 2- Grades 6-8
 - Level 3- Grades 9-12

NOTE: Exhibit guidelines are the same for each level.

- Exhibit can be a display, notebook, or 22" x 28" poster. A display can be no larger than 14" x 28" x 22". If your project is larger than this size or is very valuable, you may bring it to the project judging along with a poster or notebook describing how and what you made. The project will be taken home after judging and the poster or notebook will be on display during the fair week and be displayed as your exhibit.
- Be sure to include at least a one-page summary of your exhibit with your project exhibit outlining why you selected this project and what you did to complete the project.
- It is recommended/suggested that all posters, notebooks, and display boards include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the manner in which references are listed or a lack thereof.

COUNTY PROJECT: EXPLORING THROUGH BOOKS

Description: This project is for 4-Hers who enjoy reading and learning through books and want to share this enjoyment with others. See pages 14 and 15 for poster guidelines.

State Fair Entries: None

Project Guidelines:

Level A (grades 3-4):

1. Read three or more books
2. Give a book report at a local 4-H meeting or at school
3. Exhibit a poster or design a new book cover as described below.
 - A. Exhibit a poster about a favorite book. On your poster include a one-page summary of the book. Summary may be about your favorite part of the book, a description of a character, plot, etc. Text should be 12 font and double spaced. Include a title and author. The poster and summary do not have to be about the same topic. The summary should be included as a part of the poster, positioned on the front of the poster.
 - B. Design a new cover about a favorite book. On your cover use your imagination to grab the attention of a potential reader. Ideas can be included, but are not limited to: a character, an important scene, a prop used in the book, etc. Be creative.

Level B (grades 5-6):

1. Read six or more books. Two must be non-fiction
2. Give a short book report on a non-fiction book at a local 4-H meeting or at school.
3. Exhibit a poster or a diorama/miniature structure as described below.
 - A. Design a new cover about a favorite book. On your cover, use your imagination to grab the attention of a potential reader. Ideas can be included, but are not limited to: a character, an important scene, a prop used in the book, etc. Be creative.
 - B. Assemble a diorama/miniature structure, not to exceed 12"x18", about some aspect of a favorite part of the book, a description of a character, plot, etc. The summary should be included as a part of the poster; positioned on the front of the poster. Text should be 12 font and double spaced. Include title and author. Display summary in a plastic sleeve.

Level C (grades 7-9):

1. Read nine or more books. Two must be non-fiction.
2. Read one book or pamphlet on government or history and give a report at a local 4-H meeting, school, or book discussion group.
3. Design a scrapbook of main characters mentioned in your book. Use your imagination to depict what the characters look like, scenes they were in, or other important roles they play in the book. A scrapbook for this project should be at least 2 pages (front and back)

Level D (grades 10 and above):

1. Read twelve or more books. Two must be non-fiction
2. Read a book or publication related to a career and give a book report at a local 4-H meeting, school, or book discussion group.
3. Exhibit a scrapbook, or a skit based on a scene as described below.
 - A. Design a scrapbook of main characters mentioned in your book. Use your imagination to depict what the characters look like, scenes they were in, or other important roles they play in the book. A scrapbook for this project should be at least 2 pages (front and back)
 - B. Write a skit based on a scene in your book. A skit is a small play or performance. Maybe you want to base your script around the talents of an actor you have in mind or perhaps you know exactly how the plot should progress. Your skit should be typed 12 font, double spaces and at least 2 pages long.

COUNTY PROJECT: GIFT WRAPPING

Description: Youth will use creativity while wrapping a gift using a variety of techniques. All arts and craft exhibits must include a [4-H Craft Information Card, 4-H 618A](#).

State Fair Entries: Newton County project, but 1 entry will be exhibited as Arts and Crafts, General.

Exhibit Guidelines:

1. Packages wrapped for exhibits should not contain any articles. Tape must not show.
2. Purchased bows will not be accepted.
3. An overall champion for each division will be selected.
4. A 4-Her should enroll in the appropriate grade division.
5. Divisions may not be repeated. 4-Her must move forward each year.
6. Consider giving a demonstration to one or more of your friends, 4-H Club, etc. showing techniques of Gift Wrapping.

DIV. 1 (Grade 3) – Practice making 10 bows using any type of ribbons.

- **EXHIBIT:** Make 3 hand-made bows using any type of ribbon. Attach them to a sturdy backing.

DIV. 2 (Grade 4) – Practice wrapping 4 square or rectangular packages during the year. Make your own simple bows using any type of ribbon.

- **EXHIBIT:** 1 wrapped box, square or rectangular, including bows you made by yourself. (NO store-purchased bows).

DIV. 3 (Grade 5) – Practice wrapping 6 packages during the year. Learn how to wrap cylinder-shaped packages, use a variety of papers, trims, ribbons, material, etc. An example of a cylinder-shaped object is a cardboard oatmeal container. Do not wrap a cylinder-shaped object and embellish it to look like a truck or another object...just wrap the cylinder-shaped object alone.

- **EXHIBIT:** 1 wrapped cylinder-shaped package. Show creativity in material you choose.

DIV. 4 (Grade 6) – Practice wrapping 8 packages during the year. Learn to wrap a box and lid so they look like one box. Use imagination by adding animals, cards, bells, etc. to you packages. Practice proper folding and placement of liner in boxes.

- **EXHIBIT:** 1 wrapped package: 1 package with the top and bottom wrapped separately so the judge can open it. The box must contain a liner, like tissue paper. It will be judged on the inside appearance and outside wrapping. Be creative.

DIV. 5 (Grade 7) – Practice wrapping 10 packages during the year. Must use a variety of materials and trim other than bows and wrapping paper in this division. You might try a towel, small blanket, fabric, plastic, etc.

- **EXHIBIT:** 1 wrapped package using any material other than paper and bows. Judging emphasis will be on originality and creativity

DIV. 6 (Grade 8) – Practice wrapping 10 packages in a year. Practice designing your own paper. Use different techniques such as paint, stencil, crayon, etc. Gift wrap **MUST** be made of paper.

- **EXHIBIT:** 1 package any shape including bows you made and your own designed wrapping paper. No commercial paper may be used

DIV. 7 (Grade 9) – Practice wrapping 12 packages during the year. Use theme design. Example: a train, a car, a clock, etc.

- **EXHIBIT:** 1 package you created and designed or used in a theme.

DIV. 8 (Grade 10) – Practice wrapping 12 packages during the year. Wrap items that are not box like. Example: doll, garbage can, bowl, etc.

- **EXHIBIT:** 1 package - must be a container that is not box like.

DIV. 9 (Grade 11) – Practice making 10 gift bags during the year.

- **EXHIBIT:** 1 bag self-made, decorated. Helpful hint: filled with tissue paper, streamers, etc.

DIV. 10 (Grade 12) – Practice making 10 gift bags during the year.

- **EXHIBIT:** One decorated or disguised display which is the gift. The actual gift item is decorated or disguised in some way. For example: a clothes basket made to look like a jack-o-lantern, a jar of preserves made to look like “Santa”, an umbrella made to look like a tree, etc. – or – The actual gift item can be folded or arranged in some way that is a package in itself. For example, bath towels folded to look like a wedding cake, a tablecloth folded into a bag with barbecue tools, kitchen items, etc. inside baby blankets into a bunting with baby items inside, etc. All items used in the display must be a part of the gift.

COUNTY PROJECT: MUSIC

Description: The purpose of this project is to have fun downloading music, singing or playing music, or performing dance. All music activities, including classroom music, private lessons, family and community activities and church music as well as others are included. Dance activities include guard and drill team as well as tap, clogging, line, square, ballet, ballroom and similar activities. When you are making and enjoying music you are also learning an important life skill.

NOTE: This project does not involve a required talent contest or public performance, however members may perform a vocal, instrumental, or dance piece at 4-H Night. Division winners will be awarded for vocal, instrumental, and dance, as well as an overall grand champion.

State Fair Entries: None

Exhibit Guidelines:

Beginner (Grades 3-5); Intermediate (Grades 6-8); Advanced (Grades 9-12). Each member may choose one or both of the following activities for completing the project

A. A notebook (3-ring binder) containing all of the following:

1. A notebook cover sheet you create for your notebook. Include your name, address, club, project and division.
2. Dated **Music Activities Log**. These may be handwritten, and show use over time. They may also be organized on a spreadsheet or in a Word document.
3. Complete the **Music Memories** sheet and other materials that you have selected to include in your folder, and tell why you selected them (fun to sing, favorite song, wrote this song, went to the concert, etc.)
4. Also, include programs of activities you have participated in, photos, or descriptions of these events if no program was published. This section of your notebook with copies of songs and other materials should contain at least 2 pages (4 sides), but no more than 10 pages (20 sides). If you download your own music CD, you may put items about the singer or group on the music memories sheet. Download music only from sites approved by your parent. This section of your notebook following the Music Memories sheet with copies of songs and other materials should contain at least 2 pages (4 sides), but no more than 10 pages (20 sides). CD's created should be included and CD should have a song list.

B. Recital of vocal, instrumental, or dance piece:

1. Pieces for the recital are the choice of the member
2. Each participant may perform ONE vocal, ONE instrumental piece, or ONE dance piece of approximately THREE minutes in length. If an advanced student desires to perform a single lengthy piece, they may perform/play it as written. There will be no time penalties; however, each participant should be prepared for the judge to stop them if their piece goes over the three-minute time limit.
3. Recital will be judged by division during pre-fair judging.

COUNTY PROJECT: SCRAPBOOK

Description: Youth will create a scrapbook using a variety of skills and techniques as well as creativity. All arts and craft exhibits must include a [4-H Craft Information Card, 4-H 618A](#).

State Fair Entries: Newton County project, but 1 entry will be exhibited as Arts and Crafts, General.

Divisions: Level A (Grades 3 & 4), Level B (Grades 5 & 6), Level C (Grades 7-9), Level D (Grades 10-12).

Exhibit Guidelines: Album with required number of pages made since the last fair according to the guidelines below and in the Scrapbooking Resource Guide.

All Divisions:

You must refer to the 4-H Scrapbooking Resource Guide for Basic Guidelines for All Divisions and to correctly complete your project. To learn proper scrapbooking techniques and to understand project guidelines, 4-H members should attend one or more 4-H Scrapbooking workshops.

1. Each scrapbook level will have a specific number of pages completed for judging:
 - Level A (Grades 3 & 4) – Complete 4 pages (2 sheets, A & B Sections from front & back)
 - Include 4 different skills or techniques from the Skills Card
 - Level B (Grades 5 & 6) – Complete 6 pages (3 sheets, A & B Sections from front & back)
 - Include 6 different skills or techniques from the Skills Card
 - Level C (Grades 7-9) – Complete 8 pages (4 sheets, C & D Sections from front & back)
 - (Include 8 different skills or techniques from the Skills Card
 - Level D (Grades 10-12) – Complete 10 pages (5 sheets, C & D Sections from front & back)
 - (Include 10 different skills or techniques) from the Skills Card
2. Complete the Scrapbook Skills Card by checking the skills/techniques used in your scrapbook. Also on the Skills Card, be sure to list the page numbers you wish to be judged this year. Leave a blank page covered with a page protector at the end of your completed pages and insert the Skills Card there. The completed scorecard will be added after judging. No separate label attached with string is necessary.

COUNTY PROJECT: SMALL ANIMALS

Description: Youth will learn how to care for a small animal and information about their small animal.

State Fair Entry: None

Small Animals suitable for exhibit in this project are household pets normally housed in a cage or aquarium. These include, but are not limited to, birds, fish, gerbils, guinea pigs, hamsters, mice, and rats.

Project Guidelines:

1. Animal(s) must be brought in their own cage/aquarium and will not be removed from cage except by judge. Members will furnish any necessary supplies. Animals will return home immediately following judging.
2. Bring only the animals you have enrolled as your 4-H project to the Small Animals judging.
3. Change of animal(s) due to illness or death must be approved by project leader.
4. Judging criteria: animal's general health and appearance; cleanliness, grooming; handling (by judge); 4-Her's knowledge of the animal.
5. If you are unable to be present for judging, you may write a one-page (double spaced) report about your pet, including any knowledge you have about the species.
6. Follow 4-H Poster Guidelines on page 15 and 16 of the Periscope.

Level 1 Exhibit one or two animals of the same species.

Level 2 Exhibit 1) One or two animals of the same species; and 2) a 22" x 28" poster on "Housing," "Proper Nutrition," or "Disease."

Develop your display on any topic covered in the Level 3 manual. (Use a trifold "Science Fair" style display and be sure to include photographs.)

COUNTY PROJECT: SPORTS AND FITNESS

Description: Learn more about your favorite sport or athlete and make a poster. Fill it with fun facts, pictures, and anything else that you find that is interesting about that sport. Like old sports, look one up and do a project on that! See pages 14 and 15 for poster guidelines.

State Fair Entries: None

Exhibit Guidelines:

- Level A (grades 3-4). Choose one:
 1. Exhibit a poster of a sport. May include conditioning required, equipment needed and pictures or drawings of the sport.
 2. Exhibit a poster of a sport. Explain safety issues and equipment or rules used for safety, fitness requirements, and pictures or drawings of this sport.
- Level B (grades 5-6), choose one:
 1. Exhibit a poster on history of a sport. May include historical rule changes, historical figures, etc. Can be same sport as previous years.
 2. Exhibit a poster about a famous person in a sport.
- Level C (grades 7-9), choose one:
 1. Exhibit a poster on your participation in a sport. Include pictures and explain how this sport has affected your life. Include conditioning requirements.
 2. Exhibit a poster on a famous person currently in a sport. May include statistics, honors, team affiliations, pictures or drawings of this person, names of figures in the past who played this position, etc. Must be a different person from previous years.
 3. Exhibit a poster on a person who invented a sport. Include pictures if possible.
- Level D (grades 10-12), choose one:
 1. Exhibit a poster on the lifestyle an athlete should maintain to remain competitive. May include topics such as nutrition, conditioning, drug abuse, etc.
 2. Exhibit a poster on a present or past sports figure and a description of his/her career. Must be a different person and sport each year.
 3. Exhibit a poster on a major rule change for a sport from an elementary to professional level, e.g. Little League to professional baseball.

DAIRY

See the "2022 Animal/Livestock Guidelines" on page 13 of the Periscope.

Description: Youth will learn how to care for and show Dairy Cattle.

State Fair Entries: Any member may exhibit, separate entry required. Be sure to follow appropriate deadlines.

Overall Dairy Project Rules:

1. All animals must be healthy at the time of entry to the Newton County Fair to be eligible for exhibition. All animals must be identified and meet appropriate State Board of Animal Health requirements.
2. ALL completed record sheets and questions must be turned in to the Newton County Dairy Project Leader or Extension Educator prior to show.
3. Current health regulations shall apply. Health inspections and Premise I.D and proper identification for each animal will be required before unloading at the fair.
4. Situations which are not addressed by written rules will be decided by the Superintendent.

5. For showmanship, all dairy animals may be shown as heifers. (This decision will be made at the judge's discretion.) It is recommended that you wear all white clothing when showing dairy heifers
6. Each 4-H member is personally responsible for feeding and watering animals appropriately, and keeping stalls clean for their own animals.
7. **All calves are required to be tied out at night.**
8. No water buckets shall be left in stalls with animals or they will be removed to prevent injury or unnecessary mess. If temperatures exceed 100 degree F, 4-H members must increase checks on their animals (3-5 times per day). The Superintendent and the Educator reserve the right to allow for free choice water depending on conditions.
9. Showmanship classes will be divided into appropriately sized groups by age. 4-Hers must sign-up with the respective superintendent. When signing up to enter the showmanship contest, the 4-Her must give his/her grade level. The superintendent will determine the break in class size. The winners in each class will show for the Champion Showman Award. (Past winners will re-enter their appropriate age class each year). All participating members must show their own animals.

DAIRY FEMALES

1. Each 4-Her must own (or lease) his/her own exhibit, either entirely or in part or have a signed lease agreement indicating the 4-H member has exclusive show rights to the animal from May 15 until the State Fair 4-H Dairy Show. If a 4-H member is leasing a dairy animal, they must furnish a copy of the lease and it should be on file with the Extension Office.
2. All dairy heifers and cows must be entered on the Indiana 4-H Ownership, Enrollment and Entry Form by May 15.
3. Dairy breeds will show together by breed.
4. No breed registration paper will be required.
5. Classes offered at the fair:
 - Class 1—Heifer Calf: born March 1 or later (at least 3 months old) of the current year.
 - Class 2—Heifer: born between March 1 of the prior year and February 28 of the current year. (Classes will be divided as necessary according to State Fair classes.)
 - Class 3—2 Year Old & Older Cow: born before February 28 two years prior. (ex. 2010 Fair, Cow born January 5, 2009) These females will be divided into classes according to the State Fair classes as deemed necessary by the Superintendents.
6. A Champion and Reserve cow and heifer will be chosen by breed and an overall will be chosen.
7. All dry cows and heifers must stay for the duration of the Newton County fair. Lactating cows must arrive by 6:30 a.m. the morning of the show and may leave after the show is over.
8. All heifers must be dehorned.
9. All class winning heifers and cows will show for champion dairy female, and the champion dairy female will have the opportunity to stall in a specified champion pen.

DAIRY STEERS

Project Rules for Dairy Beef Market/Finished Steer Class:

1. A 4-H member may enroll no more than six (6) dairy and/or beef steers. Steers must be entered on the Indiana 4-H Ownership and Entry Form by established county weigh-in date, and identified with ear tags, and weighed by a date established by the Extension Office in February/March.
2. Sire and dams of dairy steers must be from dairy breeds. (Steers may be crossed, but must be 100% dairy breed). A separate class is established for Beef Cross Dairy Steers.
3. Steers are to be born the year prior to showing.
4. 4-H Record – use the record sheet used by beef steers.
5. Steers must not have horns, or will not be allowed to unload.
6. Dairy Beef Finished steers are defined as those weighing 751 pounds or more the day of fair weigh in.
7. Animals must be shown “washed down” with no hair grooming except clipping. Use of show sticks is optional.
8. Steers will be judged on meat value and meat yielding qualities.
9. Dairy beef steers will be judged according to the weight classes at the discretion of the Superintendents.

10. All dairy market/finished steers that meet the weight requirements will be eligible to sell in the 4-H auction.
11. All weight class winners will show for Grand Champion Market/Finished Steer and will have the opportunity to stall in the Grand Champion Dairy Market Steer Pen
12. Steers may not be shown more than 2 consecutive calendar years (Example: If you show a starter in 2020 and it does not make weight the next year 2021 to show as a finish steer but does qualify as a prospect, you may show as a prospect but it will not qualify for auction and you may not bring it a 3rd year (2022) to show as a finished steer.)

Project Rules for Dairy Beef Starter Steer Class

1. Any 4-H member is eligible to participate.
2. All animals must be 100% dairy breed. Starter calves will show by weight.
3. A 4-H member may enroll no more than six (6) dairy and/or beef steers. Steers must be entered on the Indiana 4-H Ownership and Entry Form by established county spring date (i.e. May), and identified with ear tags, weighed, and have a premise id tag.

Rules for the Free Dairy Starter Steer Program: (Contact the Extension Office for full rule descriptions)

The Dairy Starter Steer Program provides Newton County 4-H youth members the opportunity to receive a dairy steer calf for use in the Newton County 4-H program. This program is made possible by Fair Oaks Farms and Prairie's Edge Farm. The program will provide: One dairy steer calf, initial vaccinations, and four bags of feed. The 4-H member must provide transportation from the pick-up location to the 4-Her's animal facilities, daily care including proper feed/water/shelter, and veterinary care as needed for a TWO-YEAR period. The 4-H member is responsible for exhibiting the animal during the subsequent Newton County Fair Dairy shows.

- By accepting the animal and participating in this program, 4-H members are committing to caring and properly providing for that animal for the length of ownership. This includes, but it not limited to appropriate feed, water, shelter/pasture, veterinary care, etc.
- By accepting the animal and participating in this program, 4-H members are committing to the program for a TWO-YEAR period. If the 4-H member chooses to discontinue the program, the 4-H member must find another eligible 4-H member to finish the steer to the completion of the two-year commitment.
- Newton County 4-H members in grades 3 through 11 and who are in good standing with the 4-H program are eligible to participate in the free dairy starter steer program.
- Last year and 10-year members will be allowed to participate in this program. However, due to the two-year commitment, the 4-H member must find another eligible 4-H member to finish the steer to the completion of the two-year commitment.
- Mini 4-H members are not eligible for this dairy starter steer program. Mini members may arrange other means of obtaining an animal to participate in the Mini Dairy project. If a sibling of a Mini 4-H member is participating in the Starter Steer program, the mini member may show this animal in the mini class.
- If 4-H member is unable to exhibit the animal (such as it passes away or is unfit to show), veterinary proof would be required.
- 4-H members must register their animal appropriately in 4HOnline by May 15th. Failure to register will result in the inability to exhibit at the fair and a breach of the program agreement. Contact the Extension Office PRIOR to May 15th is you have questions about registering your animal in the system.
- 4-H members who receive an animal will be required to complete a basic husbandry course. The superintendent

- may administer this as a worksheet or workshop.
- Special circumstances will be evaluated by the Dairy Committee and the 4-H Educator. All decisions are final.

DAIRY POSTER: Members may exhibit educational poster in addition to or in place of live animal. See Animal Education Project guidelines on pg. 28.

DOG OBEDIENCE

Description: Youth will learn how to care for, groom, and show their dog.

State Fair Entries: All Exhibitors must be enrolled by May 15 in the Dog Obedience Project to be eligible to compete in the Indiana State Fair 4-H Dog Show. Check State Fair website for entry information. ENTER ONLINE at www.indianastatefair.com. Be sure to follow appropriate deadlines.

DOG POSTERS: Members may exhibit educational poster in addition to or in place of live animal. See Animal Education Project guidelines on pg. 28.

Exhibit Guidelines:

1. Dogs must be at least six months old by county fair.
2. All 4-H dogs must be accompanied by 4-H 671 Certification of Vaccination, signed by a licensed, accredited veterinarian indicating the dog has been vaccinated for distemper, hepatitis, leptospirosis, rabies, bordella (kennel cough) and parvovirus all administered within one year of exhibiting at county fair. The Certificate must accompany all 4-H dogs at all training sessions and at the Dog Obedience Show.
3. Certain required vaccinations have not been proven effective in wolf-hybrids, therefore, because wolf-hybrids cannot meet the vaccination requirements of the Indiana Board of Animal Health, wolf-hybrid dogs cannot be shown in the 4-H Dog Program.
4. A 4-H dog may not attend clinics or exhibit if showing signs of communicable diseases, or internal or external parasites
5. A dog displaying signs of aggression, or unmanageable to the degree of injuring others, will not be able to participate in clinics or county fair. See page 9 for complete Indiana 4-H Aggressive Dog Policy.
6. Female dogs in season should not attend clinics nor will they be allowed to participate at the county fair. 4-H members should still attend without their dogs and will not be penalized.
7. Dogs must wear a well fitted slip or martingale collar made of leather, fabric, or chain to be exhibited in obedience classes. The leash may be of fabric or leather and shall be six feet in length. Gentle Leaders are acceptable for training but are not allowed at Dog Obedience Show or State Fair. All grooming supplies are the responsibility of the 4-H member. Dogs will not be permitted to participate in training or showing events if not accompanied by the proper equipment. Financial assistance may be available for proper dog equipment. Please contact Superintendent.
8. All exhibitors, parents, and spectators are expected to conduct themselves in such a manner as to set a good example for others at the show. Impolite behavior, poor sportsmanship, and/or disruptive actions may cause disqualification and/or cause for removal from the grounds. Excessive and/or inhumane treatment of a 4-H dog by an exhibitor and/or family member will be grounds for disqualification of the 4-H exhibitor.
9. To be eligible to show at the Newton County Fair 4-H Dog Obedience Show, and to discern that dogs are not a safety risk to others, **it is expected that the 4-Her and dog attend one training session for an evaluation.**
10. A member is allowed to train 1 dog per calendar year. A dog being shown in the dog project must belong to the exhibitor or to a member of the immediate family or household, and cannot be leased. Dogs may only be shown by the 4-H member, their sibling, or their parent from May 15 through the Dog Show. Exhibition by any other individual makes the dog ineligible for State Fair exhibition. See #11 for an exception to this rule.
11. If a family only has one dog available to show, two or more family members may share a dog only if the members are in different levels. If a family has more than one eligible dog available, members cannot show the same animal.
12. If for some reason a member cannot have their own dog perform in the show, he or she may complete the project with a poster.
13. No exhibitor, parent, or dog may have contact with the judges prior to the show. Parents may not have contact with the judge during the show.
14. A 4-H member may make a request to the dog committee in writing to have their obedience or agility level reevaluated in order to exhibit in a lower or higher division than what would be indicated by the normal classifications. If the

committee approves one member, all like 4-H members will have the opportunity to have their level reconsidered by the committee. Committee decision is final.

15. Special circumstances will be evaluated by the 4-H Dog committee. Written request required. Committee decision is final.
16. Exhibitors should appear neat and well groomed.
17. Exhibitors must participate in obedience. Other disciplines are highly recommended, but not required.
18. No Double Handling. Persons outside the ring are prohibited from any intentional actions designed to affect the performance of a handler or dog being judged in the ring. This applies to persons attempting to improve or to impair a performance. This includes verbal or non-verbal actions.
19. The Indiana State Fair 4-H Dog Show rules shall prevail for any discrepancies.

Dog Obedience Classes: (Order of Show at the discretion of Dog Obedience Committee and judges)

- **Div. 1A:** 4-Her and dog have no experience.
- **Div. 1B:** 4-Her with previous experience and new dog. Or 4-Her without experience, and dog with experience.
- **Div. 2A:** 4-Her and dog which have completed Div. 1A or 1B.
- **Div. 2B:** 4-Her and dog which have completed 2A. (May repeat until ready to move up).
- **Div. 3A:** 4-Her and dog which have completed Div. 2B.
- **Div. 3B:** 4-Her and dog which have completed Div. 3A. (May repeat until ready to move up).

- **Div. 4A:** 4-Her and dog which have completed 3rd year.
- **Div. 4B:** 4-Her and dog which have completed 3rd year but not ready for fifth year work. (May repeat until ready to move up).
- **Div. 5A:** 4-Her and dog which have completed 4th year work.
- **Div. 5B:** 4-Her and dog which have spent a year in 5A but not ready for 6th year. (May repeat until ready to move up).
- **Div. 6A:** 4-Her and dog which have completed 5th year work.
- **Div. 6B:** 4-Her and dog which have spent a year in 6A. Division may be repeated.
- **Veterans (Repeatable):** For 4-H members whose dogs are at least seven (7) years old or are physically challenged. The dog must have completed at least class 2B in previous years. Dogs that are physically challenged must be accompanied by a letter from a veterinarian stating that the dog is unable to perform jumping and/or retrieving exercises. A dog may not be shown in any other obedience class at the Newton County Punkin' Vine Fair, once they have competed in the Veterans Class.

Showmanship - Grades determined as of January 1 of the current year

- **Junior Showmanship: Grades 3-5;**
- **Intermediate Showmanship: Grades 6-8;**
- **Senior Showmanship: Grades 9 or above**

Agility – Agility is limited to levels 1B or higher.

1. Dogs showing in agility at the Indiana State Fair are required to have shown in obedience at the current State Fair, and must be at least 1 year old on day of show.
2. Agility section/classes will be entered as Beginning Intermediate, Advanced and Excellence. Dogs may be measured at the show to verify accuracy of height.
3. Each class will offer four (4) divisions based on the dog's height at the withers. Dogs 7 years and over (Veterans) may jump one jump height lower than their actual height.
 - Division Toy – dogs up to and including 10" will jump 4" hurdles (note: there is a 4-inch variance allowed on table height for Toy Dogs; so the table may range from 0-8 inches)
 - Division 1 – dogs over 10" and up to and including 14" will jump 8" hurdles.
 - Division 2 – dogs over 14" through 20" will jump 14" hurdles.
 - Division 3 – dogs over 20" will jump 20" hurdles.The Pause Table will be at the hurdle height for each division.
4. All agility work will be done on a flat, buckle or quick release collar.
 - Collar tags will not be allowed.
5. Once all paws have touched contact equipment, the dog must either complete the obstacle or move to the next one. No additional attempts will be allowed.
6. If a dog fouls in the ring during the walk through there will be a 10 point deduction in the agility score. If a dog fouls in the ring during the scored run, it will be excused immediately.

In **Agility**, dogs with qualifying scores will place ahead of dogs with non-qualifying scores. In agility, dogs must successfully complete each obstacle on the course to receive a qualifying score.

Just for Fun Classes. County level only. A member may participate in one or both Just for Fun classes.

- Costume Class – Dress yourself and your dog to the theme of your choice.
- Trick Class – Demonstrate a trick you have taught your dog.

Indiana 4-H Aggressive Dog Policy: The safety and well-being of 4-H members and volunteers is a primary concern with all Indiana 4-H Program opportunities. Families should err on the side of caution in selecting a dog for the 4-H member to exhibit. A dog that has a known history of aggression or biting is not appropriate for involvement in the 4-H Program. On occasion, the 4-H member may have difficulty managing their dog within the 4-H Program. The following guidance has been provided for the Indiana 4-H Dog Program as the owner/exhibitor of the dog bears responsibility for the dog's actions. In the subsequent policy, the term "4-H Dog Personnel" will include County 4-H Volunteers, County Extension Educators, State 4-H Staff and appropriate County and State Fair Directors

A dog that bites a human or another dog at any 4-H Dog Event must be immediately removed from that event by the 4-H member and will subsequently be excused from the 4-H Program. The member should be directed by 4-H Dog Personnel on-site to remove the dog if the member does not do so willingly. If a determination is made by the 4-H Dog Personnel that a dog bit in self-defense, it may be allowed to remain at the 4-H Dog Event.

Dogs that display other signs of aggression, including but not limited to barking and standing ground, growling, lunging and snapping will be given one verbal warning. They will be removed from the event after the second violation at the same event. To be removed from a 4-H Dog Event, there must be two violations at the same event.

Any dog that is removed from a 4-H Dog Event due to aggressive behavior will be placed on probation for 2 weeks. Written notification of the probation will be given to the 4-H member. The 2-week period will start upon written notification to the 4-H member. While on probation, the 4-H Dog Personnel and the 4-H member and parents will work together to determine the best course of action for the dog. This may include (but is not limited to) working individually with the dog and 4-H member, asking the 4-H member to use a different dog or having the 4-H member attend events without their dog. At the end of the designated probation period, 4-H Dog Personnel will make a determination regarding the dog's return to 4-H Dog Events.

Dogs that are removed from a 4-H Dog Event twice will be immediately excused from the 4-H program and will not be allowed to re-enter. Excusing a dog from the 4-H Program is rare but could be necessary for the safety of 4-H members, volunteers and other participating dogs. Should a dog be excused from the program, it must be remembered that the action is against the dog and not the 4-H member. 4-H Dog Personnel should look at many solutions and encourage the 4-H member to attend classes without their dog while training it at home or potentially bringing another dog to 4-H events. 4-H members will always be welcome in every other part of the dog project.

In the event that a dog is removed from a 4-H Dog Event or excused from the 4-H Program, 4-H Dog Personnel should report such to the State 4-H Office so that the information is available to all county 4-H dog programs and the Indiana State Fair.

ELECTRIC

Description: The 4-H electricity and electronics program provides youth with educational information about electricity and how it can be used to benefit the human race.

State Fair Entries: 5 electric exhibits per county, one per level, 1 electronic exhibit per county, level 5

Exhibit Guidelines:

All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the

back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed. Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Display boards should be designed to sit on a table using no more than 36" of tabletop space. Space should be left in the lower right hand corner to place an exhibit tag provided by Purdue Extension staff. Youth are encouraged to complete the activities as instructed in the manual or found on the [4-H electric web page](#). Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

Exhibit Class Guidelines:

Electric Level 1 (1st year in Electric)

Exhibit one article of choice displaying proper wiring techniques, made during the current 4-H program year. It must demonstrate a minimum of five (5) or more of the appropriate level of "Skills to be Attained" items as outlined in the "4-H Electric and Electronic Skills & Knowledge Chart". A completed copy of the "Exhibit Skills & Knowledge Sheet" must accompany the project. Skills sheets are for judging purposes only and will not be returned to the exhibitor.

Exhibit Suggestions:

- Circuit board – 6" by 6" of Series/Parallel Circuit
- Electromagnet
- Galvanometer
- Poster board (22" by 28")
- Display (appropriately sized for displayed equipment)
- Notebook/Report that covers any topic that is in the National 4-H Electric Curriculum Electricity Excitement Book 1 or Investigating Electricity Book 2, Purdue Extension website Level 1 activities/project sheets, or from the appropriate level of the Skills & Knowledge Chart.

Electric Level 2 (2nd year in Electric)

Exhibit one article of choice displaying proper wiring techniques, made during the current 4-H program year. It must demonstrate a minimum of five (5) or more of the appropriate level of "Skills to be Attained" items as outlined in the "4-H Electric and Electronic Skills & Knowledge Chart". A completed copy of the "Exhibit Skills & Knowledge Sheet" must accompany the project. Skills sheets are for judging purposes only and will not be returned to the exhibitor.

Exhibit Suggestions:

- Magnetic Powered Shake Flashlight – with display
- Circuit board – 6" by 6" of Series/Parallel Circuit (with modifications if exhibited in Level 1)
- Electromagnet
- Galvanometer
- Electric Motor
- Poster board (22" by 28")
- Display (appropriately sized for displayed equipment)
- Notebook/Report that covers any topic that is in the National 4-H Electric Curriculum Electricity Excitement Book 1 or Investigating Electricity Book 2, Purdue Extension website Level 2 activities/project sheets, or from the appropriate level of the Skills & Knowledge Chart.

Requirements Electric Level 3 (3rd year in Electric)

Exhibit one article of choice displaying proper wiring techniques, made during the current 4-H program year. It must demonstrate a minimum of five (5) or more of the appropriate level of "Skills to be Attained" items as outlined in the "4-H Electric and Electronic Skills & Knowledge Chart". A completed copy of the "Exhibit Skills & Knowledge Sheet" must accompany the project. Skills sheets are for judging purposes only and will not be returned to the exhibitor.

Exhibit Suggestions:

- Wiring Project – (i.e. extension cord, trouble light, wire sizes and uses, plug configurations, test equipment, etc.)
- Electrical tool and supply kit
- Poster board (22" by 28")
- Display (appropriately sized for displayed equipment)
- Notebook/Report that covers any topic that is in the National 4-H Electric Curriculum Wired for Power Book 3, Purdue Extension website Level 3 activities/project sheets, or from the appropriate level of the Skills & Knowledge Chart.

Requirements Electric Level 4 (4th year in Electric)

Exhibit one article of choice displaying proper wiring techniques, made during the current 4-H program year. It must demonstrate a minimum of five (5) or more of the appropriate level of “Skills to be Attained” items as outlined in the “4-H Electric and Electronic Skills & Knowledge Chart”. A completed copy of the “Exhibit Skills & Knowledge Sheet” must accompany the project. Skills sheets are for judging purposes only and will not be returned to the exhibitor.

Exhibit Suggestions:

- Wiring – Wire a lamp. The lamp can be a re-wired lamp or one that is built new.
- Electrical tool and supply kit
- Poster board (22” by 28”)
- Display (appropriately sized for displayed equipment)
- Notebook/Report that covers any topic that is in the National 4-H Electric Curriculum Wired for Power Book 3, Purdue Extension website Level 4 activities/project sheets, or from the appropriate level of the Skills & Knowledge Chart.

Requirements Electric Level 5 (5th year or more in Electric)

Exhibit one article of choice, displaying proper wiring techniques, made during the current 4-H program year that demonstrates a minimum of five (5) or more of the appropriate level of “Skills to be Attained” items as outlined in the “4-H Electric and Electronic Skills & Knowledge Chart”. A completed copy of the “Exhibit Skills & Knowledge Sheet” must accompany the project. Skills sheets are for judging purposes only and will not be returned to the exhibitor.

Exhibit Suggestions:

- Equipment Wiring – including but not limited to: parts identification, appliance repair, lamps and other lighting, equipment wiring, control system, security system, topic that covers safety, motors/generators, electric heating, heat pumps, AC, water heaters, and other electric equipment.
- Home Wiring – included by not limited to any circuits found in the wiring of a house or “barn”, service entrance, switching, receptacles, generator transfer circuit, safety, electrical math, and others.
- Electronic Equipment – Any project or kit containing transistors or integrated circuits or vacuum tubes such as radio, TV, computer, robot, cell phone, and others.
- Poster board (22” by 28”)
- Display (appropriately sized for displayed equipment)
- Notebook/Report that covers any topic that is in the National 4-H Electric Curriculum Entering Electronics, Purdue Extension website Level 5 activities/project sheets, or from the appropriate level of the Skills & Knowledge Chart.
- Video Presentation Create a video showing the work accomplished and skills learned. This video should include the same type of information as required in written notebook listed above. This video is to be no more than ten minutes in length and formatted as MP4 and submitted on a thumb drive. This video can also be uploaded to a YouTube account with the video being made public and the link submitted for evaluation.

ENTOMOLOGY

Description: This project will help you study insects and their relationship with people. You can also learn how to collect, preserve, and identify insects.

State Fair Entries: 3 collection exhibits per county, one per level, 3 educational exhibits per county, one per level

Educational Exhibit Guidelines:

All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member’s exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed. Posters are to be 22”x28” and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Display boards should be designed to sit on a table using no more than 36” of tabletop space. Space should be left in the lower right hand corner to place an exhibit tag provided by Purdue Extension staff. Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

Collection Exhibit Guidelines:

Collections are to include the following:

- Title as Insect Collection year in Entomology
- Order – refer to ID-401, page 57.
- Display – mounted insects are to have been legally and personally collected in the United States and displayed in an 18"x24" collection box displayed horizontally. Collections including multiple boxes are to be numbered 1 of 3, etc. ID 401 A-F cards (for grades 3-8) and 401-I cards (for grades 9 - 12) are to be placed inside the display box in an attractive manner.
- Identification – Collection display boxes are expected to contain the specified number of insects, families, and orders specified (see chart below). All insects must be in the adult stage and be properly mounted on insect pins or be contained in vials as directed.
- Pin Labels - Each pin or vial must contain two labels:
 - 1) Top label is to include collection date, location, and collector name.
 - 2) Bottom label is to include common name and other optional identification data.
- Box Labels – Box labels (computer generated or neatly printed) are used for orders and families as required (see chart below) and are to be placed flat against the bottom of the box. Insects must be properly grouped directly under the correct order and family label. For example, all insects belonging to a particular order must be placed under that order label. Orders to be used are listed in the reference book ID- 401. If family level identification is required, the insects should be further grouped together under the correct family label.
- Educational Box – One additional box (educational), based on the specific theme (see chart below), is required for grades 9-12, in addition to the insect collection boxes. This box can be created in any manner chosen (without the mounting, pinning or identifying restrictions specified above).

Judges evaluating collection exhibits should judge based on educational content, scientific accuracy, eye appeal and creativity.

Exhibit Class Guidelines:

Beginner (1st-3rd Year in Entomology)

Create a collection based on the year in Entomology or an educational exhibit.

Year in Entomology	Collection Information	Total Boxes
1 st year	10 insects, identified and pinned on cards (ID 401A)	1
2 nd year	20 insects, mounted (pins or vials). Identify all insects by common name and identify five (5) to order. Include card ID 401B.	1
3 rd year	30 insects, mounted (pins or vials). Identify all insects by common name and identify 15 to order. Include ID 401C.	1

Intermediate (4th-6th Year in Entomology)

Create a collection based on the year in Entomology or an educational exhibit.

Year in Entomology	Collection Information	Total Boxes
4 th year	40 insects, exhibit a minimum of 6 orders, mounted (pins or vials). Identify all insects by common name and order. Include ID 401D.	2
5 th year	50 insects, exhibit a minimum of 8 orders, mounted (pins or vials). Identify all insects by common name and order. Identify ten (10) to family. Include card ID 401E.	2
6 th year	60 insects, exhibit a minimum of 10 orders, mounted (pins or vials). Identify all insects by common name and order. Identify 30 to family. Include card ID 401F.	2

Advanced (7th-10th Year in Entomology)

Create a collection based on the year in Entomology or an educational exhibit. Advanced level insect collections are to also include an education box, for a total of four boxes. Advanced level youth may instead create an independent study topic of choice

Year in Entomology	Collection Information	Total Boxes
7 th year	70 insects, exhibit a minimum of 12 orders, mounted (pins or vials). Identify all insects by common name, order, and family. One educational box, theme: insect behavior. Include card ID 401I. (1-3 collection boxes plus 1 educational box*). Place ID 401I in first collection box only. Card ID 401I download	3
8 th year	80 insects, exhibit a minimum of 14 orders, mounted (pins or vials). Identify all insects by common name, order, and family. One educational box, theme: insect pest management. Include card ID 401I. (1-3 collection boxes plus 1 educational box*). Place ID 401I in first collection box only. Card ID 401I download	3
9 th year	90 insects, exhibit a minimum of 16 orders, mounted (pins or vials). Identify all insects by common name, order, and family. One educational box, theme: insects in the environment. Include card ID 401I. (1-3 collection boxes plus 1 educational box*). Place ID 401I in first collection box only. Card ID 401I download	3
10 th year	100 insects, exhibit a minimum of 18 orders, mounted (pins or vials). Identify all insects by common name, order, and family. One educational box, theme: benefits of insects. Include card ID 401I. (1-3 collection boxes plus 1 educational box*). Place ID 401I in first collection box only. Card ID 401I download	3

FINE ARTS

Description: Allows youth to learn life skills and grow in project knowledge while expressing creativity through painting and drawing.

State Fair Entries: 2 entries per county as determined by the county 4-H educator and fair officials.

Exhibit Guidelines:

All arts and craft exhibits must include a [4-H Craft Information Card, 4-H 618A](#). This information card is to describe work completed so the judge can more accurately evaluate the exhibit. Craft information cards are for judging purposes only and will not be returned to the exhibitor. Oil, charcoal, pastels, pencil, ink, acrylic, watercolor or similar artistic work can be displayed on canvas, canvas board, or paper. All work must be framed as a picture and prepared for hanging. Canvas art on a wooden frame is considered prepared for hanging provided that frame has a hanger. Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

Exhibit Class Guidelines:

Beginner (grades 3-5 suggested)

Create and exhibit one age/grade appropriate artwork.

Intermediate (grades 6-8 suggested)

Create and exhibit one age/grade appropriate artwork.

Advanced (grades 9-12 suggested)

Create and exhibit one age/grade appropriate artwork.

FLORICULTURE

Description: Youth will learn basic information and skills needed to grow healthy plants and flowers as well as floral design techniques.

State Fair Entries: 8 floral exhibits per county, 2 per level, 4 educational exhibits per county, 1 per level

Exhibit Guidelines:

All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed. Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Display boards should be designed to sit on a table using no more than 36" of tabletop space. Space should be left in the lower right hand corner to place an exhibit tag provided by Purdue Extension staff. Floral arrangements can be constructed using fresh flowers and greenery grown yourself or purchased, flowers and greenery dried yourself or purchased, or artificial flowers or greenery. Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

Exhibit Class Guidelines:

Level A (grades 3-4 suggested)

Floral Option - Create a simple bud vase (1-3 stems of main flower plus appropriate filler and/or greenery) or simple round arrangement (small, compact round cluster of flowers plus appropriate filler and/or greenery).

Educational Display Option – Create a poster, notebook or display about one of the following:

1. Chronicle your work in your flower garden (planning, planting, care, harvest, arrangement made with your flowers)
2. Describe how you planned or designed your garden, including how you chose the kinds of flowers.
3. Explain how you harvested your flowers, cared for them, and used them in an arrangement.
4. Explore and explain: pollination - what it is, why important, different ways it occurs or transplanting - what, how, things to watch out for; or role of insects with flowers (good, bad or both).
5. Explore and explain seed germination.
6. Explore and explain how to care for a 'sick' plant.
7. Report on interview with a floriculture professional (what do they do, types of jobs, type of training, hours worked, etc.)
8. Describe an experiment you did and the results.
9. Describe a community service project you did related to your flowers project.
10. Another similar activity.

Level B (grades 5-6 suggested)

Floral Option – Create a mixed planter that includes 3 or more kinds of plants, make an item from dried plants, or display a house plant (flowering or non-flowering) you've grown.

Educational Display Option – Create a poster, notebook or display about one of the following:

1. Report how you harvested your flowers and/or herbs, cared for them, dried them, and used them.
2. Explore and explain: insects and your flowers and/or herbs.
3. Explore and explain: starting seeds indoors -- the process and pros and cons.
4. Explore and explain: perennials -- what are they, how are they used, benefits or drawbacks.
5. Investigate and describe a butterfly garden -- what types of plants, benefits to insects and butterflies, etc.

6. Describe how you planned or designed your garden, including how you chose the kinds of plants, any problems, successes.
7. Describe your houseplant - how you cared for, transplanted to larger pot, any problems, or successes.
8. Explore and explain: plant biology -- form and function, growth, photosynthesis, etc.
9. Explore and explain: how to grow plants indoors -- things to consider, common problems and solutions.
10. Explore and explain: environmental effects related to plants (such as light, water, soil, or temperature).
11. Describe an experiment you did and the results.
12. Explore and explain topics from "Imagine That" -- plants around the world, information about different cultural uses of plants, different ways you used your plants/herbs/flowers.
13. Another similar activity.

Level C (grades 7-9 suggested)

Floral Option – Create a terrarium, combination or European planter (3 or more kinds of plants), corsage, boutonniere, or specialty arrangement in a container (using dried flowers, roses, or lilies as the primary content).

Educational Display Option – Create a poster, notebook or display about one of the following:

1. Explore and explain: vegetative propagation -- how to, different types, problems and solutions, different uses of.
2. Explore and explain: plant nutrients -- what are they, why does the plant need them, what happens if the plant has too much or too little, planters or containers vs. garden.
3. Investigate the design of multiple plant containers -- how to, things to consider, selecting plant materials, uses of.
4. Describe how you created your corsage or boutonnieres; or dried arrangement. Be sure to include appropriate information on design principles and how they are used to create your arrangement.
5. Explore and explain: floral tools and materials (how to use, what they are, care of tools, different uses of a tool or material).
6. Explore and explain: preserving cut flowers -- how, problems, uses of and/or diseases related to cut flowers.
7. Illustrate, explore and explain how you dry flowers or other plant materials and/or describe different methods and/or how, why use them.
8. Explore and explain: medicinal uses and toxicity of fresh and dried flowers and plants.
9. Describe an experiment you did and the results.
10. Describe a career exploration activity you did, such as job shadow, interview with a professional.
11. Describe a community service activity you did related to your flowers project -- what you did, why, results, etc.
12. Another similar activity.

Level D (grades 10-12 suggested)

Floral Option – Create a seasonal arrangement, modern or contemporary arrangement, bridal bouquet, special occasion centerpiece, or plant you have propagated and grown yourself.

Educational Display Option – Create a poster, notebook or display about one of the following:

1. Describe how you created your arrangement, include information on the design principles utilized.
2. Explore and explain how you utilize different flowers to make a similar style arrangement for different seasons (tulips in spring, mums in fall, etc.) or how to utilize similar flowers to make different styles of arrangements.
3. Explore and explain: the cost of arrangement and/or a cost comparison with flowers (different types flowers, different time year, etc.).
4. Explore and explain: forcing flowers (bulbs, branches, etc.).

FOODS, BAKED

Description: The foods project teaches basic baking, preservation and nutrition education skills.

State Fair Entries: 2 Level A entries per county, 2 Level B entries per county, 3 Level C entries per county, 3 Level D entries per county.

Exhibit Guidelines:

All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed. Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Display boards should be designed to sit on a table using no more than 36" of tabletop space. Space should be left in the lower right hand corner to place an exhibit tag provided by Purdue Extension staff.

Purdue Extension Food Safety Policy (revised 10/2020):

For Food Competitions: Fillings, frostings, glazes, and meringues are not permitted to contain cream cheese, sour cream, heavy cream, or whipped cream if they are not fully cooked/baked. These items are allowed as ingredients in food products IF the final product is cooked/baked. Additionally, raw milk, raw milk products or uncooked eggs/egg whites are not permitted. Eggs/egg whites that have been cooked to 160°F (i.e. pasteurized or included as part of a batter and baked) are acceptable. No home- canned fruits, vegetables, or meats are permitted as ingredients in food products. Fresh-cut, uncooked, fruits and/or vegetables are not permitted to be used in food products or used as garnishes for the product. Foods should be transported to the competition in a way that minimizes contamination and maintains the quality of the food (i.e. foods that are judged as frozen should remain frozen at all times). Recipes must be provided that identifies all ingredients that were used in each part of the product. Any ingredient that could be a potential allergen must be clearly identified. Potential food allergens include, but are not limited to, milk, eggs, peanuts, tree nuts, fish, crustacean shellfish, wheat, soy and sesame. Each food product must be labeled with the following information:

- Name
- Address (4-H member information can be taken from enrollment if needed)
- Contact information (phone and/or email address; 4-H member information can be taken from enrollment if needed)
- Date the food product was made

Contestants should carefully wash their hands and make sure that their hands do not have any open cuts before preparing foods. If cuts are present, the wound should be bandaged and a single use food service glove worn on the hand during all stages of food production. Contestants should not be preparing food exhibits for competition within 48 hours of recovering from any illness. People experiencing symptoms of vomiting, diarrhea, fever, and/or jaundice should not be allowed to prepare food. Judges and individuals who will consume products from county and/or state competitions should be informed that they are at risk for foodborne illness since the established policy cannot guarantee that an entry has been properly prepared or handled before, during or following the competition. The food products for competitions are home produced and processed and the production area is not inspected by the Indiana State Department of Health. Tasting of a food product is solely at the discretion of the judge and consumers. Judges are **NOT**

to taste any home preserved foods such as low-acid or acidified foods like green beans, tomatoes or tomato products, jams/jellies/fruit preserves or fermented products produced in the home. Baked food products may be from a boxed mix following the instructions, a boxed mix with added ingredients, or ingredients combined from scratch. Youth are to place their name, county and club on the bottom side of their plate, pan or other container and the official entry tag provided will be placed with the exhibit. A completed recipe card is to be submitted with each exhibit. Recipe cards are for judging purposes only and will not be returned to the exhibitor. Laminating, wrapping the recipe card in plastic, or placing it in a clear plastic bag is optional. Since it is illegal in the State of Indiana for youth under the age of 21 to purchase or consume alcoholic beverages, 4-H members are to use recipes that do not include an alcoholic beverage as an ingredient. A suitable non-alcoholic or imitation product may be substituted. Baked food products should be covered during transport and displayed on a paper or foam plate, or another type of disposable container. Pies, casseroles and other similar items are to be baked in a disposable pan. Cakes and sticky items may be displayed on a cardboard strong enough to support the item and covered in foil, plastic, wax paper, or similar substance. Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

Exhibit Class Guidelines:

Level A (grades 3-4 suggested)

- An educational poster, notebook or display about a food or nutrition topic of choice that is age/grade appropriate.
- Any similar baked item.

Level D (grades 10-12 suggested)

Choose one or more of the baked products below, or a similar baked product of choice. It is suggested a participant choose a different option each year, but this is not a requirement. Exhibits entered at state fair will be donated to local homeless shelters after being judged and not displayed.

- A single or double crust baked fruit pie (no graham cracker crust). (Note: Custards, cream, cream cheese frosting and fillings, and raw egg white frosting are not acceptable in an exhibit because they are highly perishable when left at room temperatures)
- A baked food product for a catered meal or special event in which organizers have requested low fat and/or reduced sugar items. Exhibit will include your food product and a notebook outlining how this product is to be used at the event, menu, supplies to buy, preparation schedule, equipment, table layout, etc. A table display is optional.
- Select a condition in which people have to specifically modify their eating habits (diabetes, heart disease, Celiac disease, food allergies, etc.) Prepare a baked food product appropriate for someone with this condition. Exhibit will include your food product and a notebook summarizing the condition or allergy, nutrition considerations involved with the condition, a description of your baked item, and an explanation of how it fits within the nutrition considerations. Make sure to note any ingredients that could cause an allergic reaction.
- Prepare an entrée casserole that meets four MyPlate requirements for a meal. Use care when transporting to prevent spoilage. Judges are not expecting this casserole to be presented hot out of the oven.
- An international or ethnic food of choice. This may be a cold or hot product. Use care when transporting to prevent spoilage. Judges are not expecting this product to be presented hot out of the oven.
- A specialty pastry.
- Create a baking mix and provide a sample of the baked product. Include an index card with instructions, wet ingredients needed, and baking instructions.
- An educational poster, notebook or display about a food or nutrition topic of choice that is age/grade appropriate.
- Any other similar baked item.

Space should be left in the lower right hand corner to place an exhibit tag provided by Purdue Extension staff. Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

Exhibit Class Guidelines:***Beginner (grades 3-5 suggested)***

Create an educational poster, notebook or display about any manual activity or on any forestry topic of choice that is age/grade appropriate.

Intermediate (grades 6-8 suggested)

Create an educational poster, notebook or display about any manual activity or on any forestry topic of choice that is age/grade appropriate.

Advanced (grades 9-12 suggested)

Create an educational poster, notebook or display about any manual activity or on any forestry topic of choice that is age/grade appropriate, prepare a herbarium collection that contains at least 25 native Indiana forest leaves, or prepare a herbarium collection that contains at least 25 native Indiana forest shrubs. Youth can also design and complete an independent study activity. Herbarium Collections - Collect 25 terminal twigs and at least two leaves, if space allows (only one compound leaf is required), from native forest trees. Mount the specimens on 11 ½" x 16 ½" paper. One leaf on the twig must be mounted to show the back side of the leaf. Label each sheet with the following: common name, scientific name, where collected, county where collected, date collected, name of collector, and specimen number. Cover each specimen. There are no specific references given for these exhibits. Youth are encouraged to use Extension publications, the Internet, books, and forest specialists when collecting and identifying specimens. The herbarium collection must be accessible to the judges. Do not cover it under the plastic that covers your poster. Youth may want to attach a folder or other holder over your poster to hold the mounted, covered specimens.

GARDEN

Description: Youth will learn about plant growth, soil nutrition, and management of insects and diseases related to fresh vegetable and herb production.

State Fair Entries: 1 collection per member, unlimited number of county entries, 5 single vegetable entries per member, unlimited number of county entries, 3 herb entries per member, unlimited number of county entries, 1 potato tray entry per member, unlimited number of county entries, 1 tomato plate entry per member, unlimited number of county entries, 1 educational exhibit entry per county.

GENEALOGY

Description: This project helps young people know where their ancestors resided, traveled, and developed some family tradition.

State Fair Entries: 5 entries per county; one per division.

Exhibit Guidelines:

Forms for this project are found on the Indiana 4-H Web site www.extension.purdue.edu/4h click on "projects" and then on Genealogy to reach downloadable forms. This project is organized into divisions and not grades for a youth cannot start in Division 3 without first completing Division 1 and Division 2. This is a project that builds on the previous division information in order to be successful in building your family tree. If you are using a genealogical commercial software program, you may need to type in or hand write in information required by the Indiana 4-H genealogy project. See 4-H forms on the 4-H website linked above. The exhibit will consist of no more than four (4) notebooks for Division 1-4 and first year Advanced Division. (If a notebook requires additional space, label it as notebook x, continued.) Those notebooks are:

- Book #1 – Appropriate size notebook or binder, contains introduction sheet, pedigree charts and family group sheets
- Book #2 – Appropriate size notebook or binder, contains additional information worksheets and diary of work
- Book #3 – Appropriate size notebook or binder, contains supporting documents, pictures, etc.
- Book #4 – Appropriate size notebook or binder, contains Advanced Division options only (Begin using this notebook in first year of the advanced division or the fifth year of project enrollment.)

- Another notebook should be maintained and kept in a secure place at home to keep original personal and legal documents as well as previously exhibited work.

Note – Youth may consolidate information in order to have fewer notebooks. In this case indicate on the cover the notebook numbers included and use dividers to separate information by notebook number as well as contents as indicated below.

Notebooks should be tabbed and in the following order:

Book #1 - Introductory Page; Pedigree Charts; Family Group Sheets Book #2 - Additional Information Worksheets; Diary of Your Work Book #3 - Any Other Documents (label with ancestor numbers on tab)

Book #4 – Advanced Division Options (label each tab separately with the specific option); Diary of Your Work (this will be a second diary describing work done for each advanced division option)

- Which your sixth generation ancestor was living.
- Any documents or pictures pertaining to these generations, correctly labeled.

Exhibit Book #1, Book #2, and Book #3. Books 2 and 3 should only include Division 4 ancestors 32- 63 and related information.

Advanced (5th year and above in project suggested)

- Exhibit notebook that includes the following:
 - Book #1
 - Seventh and eighth-generation pedigree charts, ancestors #64 through #255. If ancestry is unknown, please indicate as Unknown. Computer programs do not generally print chart numbers, so if you are using a computer program, make sure you have the correct number of ancestors.
 - Your family group sheet for generations seven and eight.
 - Sources of information filled in on family group sheets (see section "Recording the Information" in the Indiana 4-H Genealogy Resource Guide, 4-H 748).
 - Book #2 (Ancestors 64-255 information)
 - Additional Information worksheets
 - Diary of your work
 - Book #3 (Ancestors 64-255 information)
 - Any documents or pictures pertaining to these generations; correctly labeled.
 - Book #4
 - One new advanced level option (see below). Advanced division exhibitors must include ALL options submitted in prior years, with each option labeled with the year completed.

Pedigree charts are available on the Indiana 4-H Web site for your additional genealogy research. EACH YEAR FOLLOWING, continue to add ancestors to your pedigree charts. In addition, choose one of the following options that has not been completed previously. Please identify, by letter, the option that you are completing (for example: Advanced Division, Year 1, Option A; Advanced Division, Year 2, Option C; etc.) Advanced Division Year 2 and beyond – Exhibit Book #4 that contains advanced division options and a second diary of work. If additional ancestry information was found in the seventh and eighth generation, exhibit Book 1 noting ancestors completed this year along with Books 2 and 3 demonstrating this year's work. EXPLAIN the information received as to how it relates to you and your ancestors. Copies of documents obtained in previous divisions are acceptable and should be utilized in the option chosen if needed.

- A migration map of your eight-generation ancestors. You should have at least one map per family line with charts or explanations of the migrations.
- A timeline historical report of a family line. Show how this family fits into history. Document your report as well as possible with dates, records, places or maps, pictures, etc. Be sure to include proper labels and sources.
- A census history of a family line. Census abstract forms can be found on several websites.

- D. Download forms to abstract the census. Your notebook should contain copies of the census and the completed abstract form for each census.
- E. A history of your family's religious background for any family line or lines. Include a brief history of the denomination. Include baptism, confirmation or profession of faith and membership records. Also include information or history of the congregations involved. Be sure to include proper labels and sources.
- F. A history of your family's military service for a family line. Include supporting documents when possible. These documents could include military records, (muster rolls, discharge papers, etc.), pension records, and bounty land records, as well as maps and pictures. Be sure to include proper labels and sources.
- G. A research paper on a famous ancestor. Prove your relationship to this person with documentation. Try to include pictures and anecdotes to enhance your paper.
- H. Complete a family line or lines back as many generations as possible beyond eight generations (ancestors 256 and beyond). Include pictures, maps and documents. Be sure to include proper labels and sources.
- I. A timeline historical report of another family line not previously completed. Document as well as possible as in Option B. You need to state at the beginning that this is a second family historical report on such ancestor.
- J. A history of your family's military service for a family line not previously completed. Include supporting documents as in Option E. You need to state at the beginning that this is a second family military history report on such ancestor.
- K. Family DNA history. (This can be a very expensive option) Please include charts and explanations. i.e. use pie charts, ethnicity estimates, approximate percentage regionally, number of countries searched, genetic percentage, family tree, graphs, etc.
- L. Any other genealogy related activity of choice.

GEOLOGY

Description: Geology involves studying the earth's crust, its layers, and their history. Youth learn to identify Indiana rocks, minerals, and fossils.

State Fair Entries: 3 per county; one per level

Exhibit Guidelines:

All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed. Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Display boards should be designed to sit on a table using no more than 36" of tabletop space. Space should be left in the lower right hand corner to place an exhibit tag provided by Purdue Extension staff. Specimens may also be displayed in a 24"x 18"x 3" collection box, displayed horizontally. You may purchase your specimens and may display rocks, fossils, and minerals. If you purchase a specimen, indicate when and where you purchased it and the location where you would expect to find the specimen. If you collect a specimen, indicate the county and township where you found it. Posters and display boxes will be exhibited "standing up" at the Indiana State Fair. Therefore, you need to mount your specimens securely. Subject matter experts suggest the following methods: soaking ½ cotton ball in Elmer's glue, hot glue, or clear tub sealant. Place the cotton ball in your box and put your rock (or fossil or mineral) on the cotton ball and let sit. It will take 1-2 weeks for Elmer's glue to fully harden. Specimens mounted with Elmer's glue can be removed by soaking the cotton ball in water. Glue remaining on the rock may be brushed off with an old, damp toothbrush. When exhibiting rocks show a fresh surface (recently cracked or broken surface) to help judges identify the rock. Labels - Include the specific geographical location where you would expect to find any specimens as well as where you actually acquired it (found, purchased, etc.). Do not identify your specimens any further than phylum and class. There is one exception to this for fossils which are identified to phylum OR class. Class should only be used for fossils of mollusks, backboned animals, and arthropods. Judges evaluating exhibits

should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

Exhibit Class Guidelines:

Beginner (grades 3-5 suggested)

Create an educational poster, notebook or display about any manual activity or on any geology topic of choice that is age/grade appropriate.

Intermediate (grades 6-8 suggested)

Create an educational poster, notebook or display about any manual activity or on any geology topic of choice that is age/grade appropriate, or collection of 8-16 minerals and/or fossils.

Advanced (grades 9-12 suggested)

Create an educational poster, notebook or display about any manual activity or on any geology topic of choice that is age/grade appropriate, or collection of 15-25 minerals and/or fossils and/or jewel stones. Youth can also design and complete an independent study activity.

GOATS

See the “2022 Animal/Livestock Guidelines” on page 13 of the Periscope

Description: Youth will learn to care for and show a goat.

State Fair Entries: Any member may exhibit, separate entry required. Be sure to follow appropriate deadlines.

Goat Project Rules:

All animals must be identified and meet appropriate state board of animal health requirements.

All animals must be enrolled electronically in 4HOnline, owned and under the care of the 4-H member by May 15.

ID Requirements:

1. State law states that all meat and dairy does must have ONE of the following:
 - a. A tattoo accompanied with registration papers dated before May 15 of the show year. If you purchased a doe eligible for registration, the breeder should provide you with the proper paperwork to get that accomplished. It is your responsibility to have the papers dated prior to May 15 of the show year. If it is born on your farm, you are responsible for getting the doe registered prior to May 15 of the show year. Tattoos must be done before May 15 of show year and must be readable.
- OR**
- b. A scrapie tag must be placed in the goat's ear. If you buy a doe from someone else, the breeder should provide that for you. If it is born on your farm, you must place your farm's scrapie tag in the ear.
2. Pygmy goats (does and wethers) must follow the same requirements as #3, but microchips may be used instead of tattoos. (Registration from NPGA)
3. Meat/Dairy Wethers must be under 12 months of age and must be brought to the May tagging and have a county tag place in ear. If it is going to State Fair, an RFID tag must also be done at the May tagging. **NO BUCKS WILL BE EXHIBITED.** No scrotal tissue may be present.
4. All tattoos and tags must be done **BEFORE** enrollment papers are filled out. No tattooing or tagging will be permitted on the fairgrounds during the fair.
5. Before unloading at the fair, all the goats must be inspected by superintendents. All tattoos/tags/microchips must be readable. If they are not in order, the goat may not get off the trailer.
6. All dairy goats and meat wethers **MUST** be dehorned or they will not be allowed off the trailer.
7. All Lamanchas must have a readable tattoo on the tail, microchip, or a scrapie tag on a collar as a secondary ID. They must have two out of three readable forms of ID. If not readable, they will not get off the trailer.
8. If an animal leaves the grounds, it may not return due to Health regulations.
9. Goats may not be switched from one 4Her to another after May 15, except for siblings that have co-enrolled their animals.

10. All dry stock must be under two years of age and never fresh. All milking stock must be in milk.
11. There will be a predetermined time for a complete milk out approximately 12 hours prior to the show for all milking stock.
12. Only goats being shown are allowed on the fairgrounds except kids less than 8 weeks old and still nursing. Babies will be health checked also.
13. All meat Wethers need to be shaved from the hock up for show. Dairy goats should be full body shaved before the show. Pygmy and Boer doe goats need not be clipped but should be fitted for the show. Touch ups will be allowed on the fairgrounds prior to the show.
14. All dairy, meat does, pygmy does, and pygmy wethers will be shown by age. Age classes will follow classes from State Fair.
15. All dairy wethers, market does, and meat wethers will be weighed on the first day of fair and shown in a lightweight, medium weight, or heavyweight class.
16. All classes will be determined upon entry of animals at the fair by superintendent.
17. All goats must be shown by the 4H member. If the member has two goats in the same class, any Newton County 4-H member may show the second goat.
18. Pygmy goats must have a collar and lead available, and may be used in the show ring. Pygmy goats may be shown with or without horns and will be judged according to the NPGA (National Pygmy Goat Association) guidelines.
19. Auction animals: A market wether (meat/dairy) or Grand Champion Scramble goat under 12 months of age can be sold on the auction. Only one goat per 4H member can be sold.
20. Members will complete grade level activity from the Goat Resource book and turn it in on Sunday to the goat superintendent during check in to the fair, along with their Livestock Record Sheet.
21. It is strongly encouraged that all members attend all workshops. If you are unable to attend, call the leader or a committee member.
22. Showmanship classes are: Jr. Showmanship (3-5 grade), Int. Showmanship (6-8 grade), and Sr. Showmanship (9-12 grade)
23. Showmanship classes will be divided into appropriately sized groups by age. 4-Hers must sign-up with the respective superintendent. When signing up to enter the showmanship contest, the 4-Her must give his/her grade level. The superintendent will determine the break in class size. The winners in each class will show for the Champion Showman Award. (Past winners will re-enter their appropriate age class each year). All participating members must show their own animals.
24. Top Producer rules for milking contest:
 - a. Each 4Her may enter only one doe, which was also be shown in a milking class.
 - b. There will be a predetermined time for a complete milk out approximately 12 hours before the first weighed milking.
 - c. The animal must be milked out by the 4Her, not by parents or relatives. Exceptions will be made with the approval of the committee.
 - d. The animals must be milked at specific times decided by the Goat Committee in front of one of the Goat Committee members and the udder must be checked by one of the members.
 - e. The milk will be weighed and recorded by a committee member. F. Members must be on time to milk or they will be disqualified. G. The highest total pounds of milk produced in 12 hours (two milkings) wins.

Scramble Goat Rules

- A. Only mini goat members and interested 4Hers grades 3-7 that have never shown goats may participate in the Scramble.
- B. A permission form must be filled out by a parent prior to the scramble.
- C. Meat wethers will be given at Tagging Night and will get a county tag. It will be judged as a market class.
- D. Scramble goat participants must have an appropriate place to house the goat once it is in their possession.
- E. If they choose not to bring the animal to the fair, they will reimburse the donor.
- F. The winner of the Scramble Class will be allowed to sell the goat in the auction.

HEALTH

Description: The 4-H Health project is designed for youth interested in basic first aid and healthy well-being, as well as those interested in pursuing a medical profession career.

State Fair Entries: 3 exhibits per county; one per level.

Exhibit Guidelines:

All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the

back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed. Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Display boards should be designed to sit on a table using no more than 36" of tabletop space. Space should be left in the lower right hand corner to place an exhibit tag provided by Purdue Extension staff. Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

Exhibit Class Guidelines:

Beginner (grades 3-5 suggested)

Create an educational poster, notebook or display about any manual activity or on any health topic of choice that is age/grade appropriate. Another option is to create a family first aid kit, emergency kit, an emergency kit to take on a hiking, biking, skiing or similar trip, or another similar kit.

Intermediate (grades 6-8 suggested)

Create an educational poster, notebook or display about any manual activity or on any health topic of choice that is age/grade appropriate. Another option is to create a personal nutrition kit to use when doing physical activity like chores, working out at the gym, hiking, biking, skiing, or another similar kit.

Advanced (grades 9-12 suggested)

Create an educational poster, notebook or display about any manual activity or on any health topic of choice that is age/grade appropriate. Another option is to create an activity or guide to help yourself or others become more aware of financial wellness, mental health, disease prevention, or other similar topic that promotes healthy habits. Youth can also design and complete an independent study activity.

HOME ENVIRONMENT

Description: Youth will apply the principles of design to home design and decoration as well as learn about care of home furnishings.

State Fair Entries: 6 per county; two per level.

Exhibit Guidelines:

All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. Space should be left in the lower right hand corner to place an exhibit tag provided by Purdue Extension staff. Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

Exhibit Class Guidelines:

Beginner (grades 3-5 suggested)

Choose one of the following options:

- Furniture Item and Notebook – create a wall hanging, storage organizer, a set of 3-5 accessory items or something similar for the home or similar activity.
- Design Board and Notebook – color a line drawing from your manual and create three color schemes, color a line drawing from your manual and demonstrate dominant and supportive color, or display a line drawing showing where furniture would be placed in the room or similar activity.
- Portfolio – Collect different color schemes, magazines showing different furniture designs, or magazines/photographs of formal vs informal balance, dominant and supportive colors, etc. or similar activity.

Intermediate (grades 6-8 suggested)

Choose one of the following options:

- Furniture Item and Notebook – refinish or repurpose a piece or set of furniture, storage unit, or display a collection of 3-5 similar home accessory items, or similar activity.
- Design Board and Notebook – create a line drawing for a room in your home showing furniture layout, accessory items and fixtures or similar activity.
- Portfolio – display a sample of three different types of wall treatment with explanation of each, three different floor treatments with explanation of each, an energy plan for your home, or similar activity.

Advanced (grades 9-12 suggested)

Choose one of the following options:

- Furniture Item and Notebook – refinish or repurpose a piece or set of furniture, storage unit, or display a collection of 3-5 similar home accessory items, or similar activity.
- Design Board and Notebook – display a floor plan for any room of your house or the whole house or apartment, or similar activity.
- Portfolio –display a sample of three different lighting or window treatments with an explanation of each, interview an interior designer and prepare a report, a home energy saving proposal plan, or similar activity.

Exhibit Categories:

Furniture Item and Notebook

An actual piece of furniture accompanied by a standard notebook (3-ring binder) explaining the who, what, when, where, why, and how of the chosen project. We suggest including pictures showing where the item will be used. Also, we encourage 4-H members to include pictures of themselves doing the project, but this is not required. Always place your identification information in the notebook and on the furniture.

Design Board and Notebook

Standard 22" x 28" poster, displayed horizontally with a firm backing. Design boards must be covered with plastic to protect and help hold items in place. An identification name tag must be attached in the lower right corner. The notebook is to help explain the who, what, when, where, why, and how of the chosen design. This can be a "before and after project" or "plan in the future" project.

Portfolio

Standard notebook (3-ring binder). If 4-H members choose to do this option more than one year, we suggest that they keep the previous year's materials in the notebook. Place materials for the current year in the front, with the previous year's materials clearly marked or labeled at the back. Always place your identification information in the notebook.

HORSE & PONY

See the "2022 Animal/Livestock Guidelines" on page 13 of the Periscope

Description: Youth will learn to care for and show a horse or pony.

All Divisions: Health Requirements.

1. All animals must be healthy at the time of entry to the Newton County Fair to be eligible for exhibition. All animals must be identified and meet appropriate State Board of Animal Health requirements.
2. Horses coming from out of state for exhibition in Indiana must meet the following requirements:
 - A. Each horse must test negative for E.I.A. (Coggins Test) within 12 months of the date of exhibition.
 - B. A list of required vaccinations will be sent out each Spring. The 4-H member will be responsible for ensuring these vaccinations are obtained. Proof of vaccination will be required.

The following are exempt from the E.I.A. testing requirement:

- a. A suckling foal accompanying a dam that has tested negative for E.I.A. within twelve months of the

exhibition.

3. The following applies to horses coming from Indiana for exhibition in Indiana:
 - A. Proof of Vaccinations
 - B. an E.I.A. (Coggins) Test is not required.
4. No horse may be exhibited or unloaded at fairgrounds showing any symptoms of communicable disease.

4-H HORSE & PONY RULES

1. The following items are required to be turned in at the final clean up in July: Proof of Vaccinations, Record Sheets and all division question sheets. If these items are not turned in at this time, the 4-H Child will only be considered for completion and no other awards will be given at this time.
2. All 4-H members and family members will need to know all the rules and regulations stipulated in the 4-H Periscope as well as the Indiana Horse and Pony Handbook. The handbook can be found at www.four-h.purdue.edu/horse.
3. To improve education and safety, attendance at Horse & Pony meetings, activities, and events is encouraged. Attendance and participation at 3 Horse & Pony activities (club meetings, clinics, fund-raisers, etc.) is encouraged for 4-Hers enrolled only in Horse & Pony Club. A sign-in sheet will be at every event. Those who sign in will receive credit for attendance. Members who have all forms completed and turned in by required date will be able to show and complete.
4. A member may not exhibit more than 2 horses in any class. No horse may be ridden more than once in any class by the same exhibitor. Exceptions to this rule will apply to riding double classes, Mini 4-H classes.
5. Placings will be made using the Danish scoring system. Each 4-H member may receive a blue, red, or white ribbon depending upon the discretion of the judge. All judge's decisions are final.
6. Stalls will be used for tack rooms only on availability.
7. If you do not have an official measurement and your horse is under 56", your horse will have to be measured prior to show day.
8. All horses must be electronically enrolled on the Online Animal Enrollment website. Lease agreements are electronic only at the above website. No paper copies will be issued. Online enrollment and lease agreements will have to be filled out completely by May 15.
9. Weanlings, yearlings, and two-year-olds will be shown as the height of their dam unless height exceeds the dam's height.
10. No substitutes after May 15th unless accompanied by a Veterinarian's certificate. An official measurement and lease agreement, if applicable, may be required. Currently enrolled horses cannot be used for another's substitution.
11. January 1st of the current year shall be considered the birthdate of all animals.
12. Exhibit divisions. Beginner: 5 years in the project or less and Advanced: 5 years in project or more.
13. No stallions over one year of age to compete in 4-H competition or be permitted on the grounds. A gelding exhibiting stallion like behavior may be required a blood test to determine if he is proud cut per committee discretion.
14. Any animal exhibited must be owned by the contestant, or owned in partnership with the contestant's father, mother, brother, sister, grandparent, or legal guardian. Exception: leased animals project may be shown subject to approval of both the county 4-H Horse & Pony Committee and the Extension Educator.
15. Two or more family members may share a horse on show days only if at least one of the members is in the beginner level. Exceptions to this rule will apply to riding double classes, Mini 4-H classes.
16. 4-H members must show only horses that have been registered in their name during the fair. Exceptions to this rule will apply to riding double classes, Mini 4-H classes.
17. **All exhibitors will conduct themselves as ladies and gentlemen. Impolite behavior, poor sportsmanship and inhumane treatment of the animal on the grounds will cause disqualification. Parents will be expected to conduct themselves in such a manner as to set a good example for members and spectators.**
18. Ring courtesy dictates that exhibitors maintain a safe distance between animals in all classes.
19. The judge, committee, and the ring steward may excuse any entry from the ring which they may deem as unsafe, displaying impolite behavior, or poor sportsmanship or inhumane treatment of animal.
20. The Horse & Pony Committee shall be empowered to declare an animal unfit to show through an injury or sickness.
21. Suitable western attire must be worn in all western classes. Mandatory items include boots, long pants, long sleeved shirt, belt, and a helmet or hat. Suitable English attire must be worn in all English classes.
22. All 4-H members are required to wear a properly fitted ASTM or SEI standard F1163 (or above) certified helmet whenever mounted, or driving, at a 4-H horse and pony event, show, or activity. The 4-H member is responsible to see that this specified headgear is properly fitted with the approved harness fastened in place whenever mounted or driving. Original tags must be present in all approved helmets. This policy will be in effect beginning

with the 2003 program year and applies to all county, area, and state 4-H horse and pony events, shows, and activities. Adults riding horses are also at risk of head injury; therefore, adults are also strongly encouraged to wear properly fitted, certified helmets when they are riding at any 4-H sponsored activity/event so that they will serve as role models of safe behavior, as well as protect themselves.

23. **Keep stalls and aisles clean. Clean stall award will be awarded to the cleanest stall. Stalls not cleaned throughout the week or by the end of fair week will forfeit premium money. Stalls must be cleaned and checked before leaving fairgrounds with horse by a committee member.**
24. 4-Hers and siblings will be required to have a responsible adult with them at all events and fair week.
25. **Any situation not covered by these rules shall be referred to the Horse and Pony Committee. Guidelines shall be adopted from the Indiana 4-H Horse and Pony Handbook.**
26. Beginning at 12 noon on the first Monday of the Newton County Fair and lasting until the end of the performance show on the first Tuesday of the Newton County Fair, no one other than the Newton County 4-H Horse & Pony member will be allowed to ride a 4-H member's horse. Ground work and/or help in grooming will be permitted by persons not covered by this rule. In the event of a cancellation of the performance show, The Horse & Pony Committee will determine the day and time to enforce this rule, violators during this time period will not be allowed to show on Tuesday classes. Exceptions to this rule will apply to riding double classes, Mini 4-H classes, lead line and exhibition classes. No Check Out before stalls are cleaned. No one is allowed in the ring during shows
27. If you sign up for a walk/trot classes with any horse, you are not allowed in any canter classes with any horse on Performance Day only.
28. Showmanship classes will be divided into appropriately sized groups by age. 4-Hers must sign-up with the respective superintendent. When signing up to enter the showmanship contest, the 4-Her must give his/her grade level. The superintendent will determine the break in class size. The winners in each class will show for the Champion Showman Award. (Past winners will re-enter their appropriate age class each year). All participating members must show their own animals.

HORSE & PONY POSTERS: Members may exhibit educational poster in addition to or in place of live animal. See Animal Education Project guidelines on pg. 28.

JUNIOR LEADERS

Description: The Junior Leader project allows 4-H members in grades 7-12 the opportunity to provide their Adult 4-H Volunteers with additional assistance in their 4-H Clubs and related activities while serving as mentors and role models to the younger 4-H members by sharing their experiences with them. Many counties offer county-wide opportunities for Jr. Leaders to meet and serve the community.

State Fair Entries: No state fair entries.

Exhibit Guidelines: Junior leaders develop skills in the areas of civic engagement, leadership, entrepreneurship and more through a variety of hands-on experiences throughout the year. Jr. Leaders is an organized county-wide club that meets year-round in addition to the local 4-H clubs. The activities encourage older 4-Hers to develop new knowledge and expand skills and attitudes related to leadership, citizenship, and service learning. Junior Leaders should strive to improve themselves and the community through their work with this group. However, there are minimum guidelines listed in the Rules section. If these minimum guidelines are not met, it may result in a poor score in your 4-H record and not being able to participate in the completion trip.

Jr. Leaders:

- Make new friends and develop the ability to work with others,
- Develop abilities to plan, organize, and reason,
- Help younger 4-H members have a great 4-H experience,
- And are active leaders in the community.

Guidelines:

- Be enrolled in 4-H for the current year by January 15.
- Be in 7th grade or above.

- Be enrolled in and complete at least one additional 4-H project.
- Actively attend at least 50% of monthly club meetings (September-June).
- Complete activities from the Activity List below:
 1. Members in grades 9-12 must complete at least 8 activities
 2. Members in grades 7-8 must complete at least 4 activities

Activity List:

Hold a leadership position at the annual Project Fair	Hold a leadership role at the annual 1 st Year Member Event
Hold a leadership role during Mini 4-H Workshops	Serve as a Junior Leader Officer
Serve as a 4-H Camp Counselor	Participate in fundraising efforts
Participate in service projects	Complete a demonstration at a monthly meeting
Participate in 4-H recruiting and promoting efforts	Assist with pre-fair judging
Assist with grandstand cleanup at the fair	Assist with the 4-H Council Pork Chop Supper
Serve as 4-H Building Host/Hostess during the fair	Attend State 4-H workshop or trip

LAWN AND GARDEN TRACTOR SAFETY AND OPERATOR SKILLS

Description: The 4-H lawn and garden tractor and equipment program develops principles of engine operation, hydraulic systems, electrical systems, safe operation skills.

State Fair Entries: 4 educational exhibits per county; one per level, 3 junior and 3 senior driving contestants will qualify at the county level to compete at the area level contest. 3 junior and 3 senior driving contestants will qualify at the area level to compete at the state contest.

Exhibit Guidelines:

All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed. Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Display boards should be designed to sit on a table using no more than 36" of tabletop space. Space should be left in the lower right hand corner to place an exhibit tag provided by Purdue Extension staff. Youth may exhibit in the operator skills option, educational exhibit option or both. Youth choosing to exhibit in the lawn and garden tractor, tractor, or zero-turn mower operator skills driving option must select one, but may be enrolled in all three projects. Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

Exhibit Class Guidelines:

Educational Exhibit Option

Level A (grades 3-4 suggested)

Create an educational poster, notebook or display about any manual activity or on any lawn and garden tractor safety, maintenance, operating system or operation topic of choice that is age/grade appropriate.

Level B (grades 5-6 suggested)

Create an educational poster, notebook or display about any manual activity or on any lawn and garden tractor safety, maintenance, operating system or operation topic of choice that is age/grade appropriate.

Level C (grades 7-9 suggested)

Create an educational poster, notebook or display about any manual activity or on any lawn and garden tractor safety, maintenance, operating system or operation topic of choice that is age/grade appropriate.

Level D (grades 10-12 suggested)

Create an educational poster, notebook or display about any manual activity or on any lawn and garden tractor safety, maintenance, operating system or operation topic of choice that is age/grade appropriate. Youth can also design and complete an independent study activity.

Operator Skills Option

Junior (grades 3-7 suggested)

Youth will demonstrate their operation skills by driving a lawn and garden tractor through an obstacle course as outlined in 4-H 84, Conducting 4-H Operator Safety Contests.

Senior (grades 8-12 suggested)

Youth will demonstrate their operation skills by driving a lawn and garden tractor through an obstacle course as outlined in 4-H 84, Conducting 4-H Operator Safety Contests.

MODEL CRAFT

Description: Allows youth to learn life skills and grow in project knowledge while expressing creativity when building a model.

State Fair Entries: 2 entries per county as determined by the county 4-H educator and fair officials.

Exhibit Guidelines:

All arts and craft exhibits must include a [4-H Craft Information Card, 4-H 618A](#). This information card is to describe work completed so the judge can more accurately evaluate the exhibit. Craft information cards are for judging purposes only and will not be returned to the exhibitor. If multiple pieces make up the exhibit, a photograph of the complete exhibit should be attached to the exhibit so the total exhibit can properly be displayed. For safety purposes any craft exhibit that resembles a sword, knife, or look-a-like weapon will be judged but will not be displayed. Exhibits must be a small scale replica made of injected styrene plastics with approximately 25% of the surface painted. Wood, paper, clay die-cast, or snap together models are not permitted. Screws and pre-painted or pre-decaled factory models are not permitted. Exhibits made from building blocks (Lego) are not permitted. If the model is being built from a kit, include a copy of the instructions with the information card. Original instructions should be kept by the exhibitor in a safe location at home. Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

Exhibit Class Guidelines:

Beginner (grades 3-5 suggested)

Create and exhibit one age/grade appropriate model.

Intermediate (grades 6-8 suggested)

Create and exhibit one age/grade appropriate model.

Advanced (grades 9-12 suggested)

Create and exhibit one age/grade appropriate model.

NEEDLE CRAFT

Description: Allows youth to learn life skills and grow in project knowledge while expressing creativity in needle crafts.

State Fair Entries: 2 entries per county as determined by the county 4-H educator and fair officials.

Exhibit Guidelines:

All arts and craft exhibits must include a [4-H Craft Information Card, 4-H 618A](#). This information card is to describe work completed so the judge can more accurately evaluate the exhibit. Craft information cards are for judging purposes only and will not be returned to the exhibitor. Hand crafted knitting, embroidery, crocheting, needlepoint, crewel, candle wicking, chicken scratching, hand quilting, tatting, huck embroidery, and hemstitching are suggested exhibits. Entries may also include pulled, drawn and counted thread work and punch needle work. Needle craft exhibits do not include latch hook, plastic canvas, machine knitting, machine quilting, or arm knitting/crocheting. Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

Exhibit Class Guidelines:

Beginner (grades 3-5 suggested)

Create and exhibit one age/grade appropriate needle craft.

Intermediate (grades 6-8 suggested)

Create and exhibit one age/grade appropriate needle craft.

Advanced (grades 9-12 suggested)

Create and exhibit one age/grade appropriate needle craft.

PHOTOGRAPHY

Description: This project teaches youth how to take quality photographs with a camera or digital device.

State Fair Entries: 2 beginner per county, 3 intermediate per county, 3 advanced per county

Exhibit Guidelines:

Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. POULTRY, TURKEY, AND WATERFOWL

See the “2022 Animal/Livestock Guidelines” on page 13 of the Periscope

Description: Youth will learn to care for and show poultry or waterfowl animals.

State Fair Entries: Any member may exhibit, separate entry required. Be sure to follow appropriate deadlines.

Poultry Rules:

1. All animals must be healthy at the time of entry to the Newton County Fair to be eligible for exhibition. All animals must be identified and meet appropriate State Board of Animal Health requirements. Poultry found to have lice, mites, lice eggs, or mite eggs will be removed from exhibition.
2. Pre-Entry must be done prior to fair to assure cage space. Superintendents have the right to limit the number of entries per member if cage space is not available. Substitutions will be only allowed for the same class and sex. Notify Superintendent when you check in at the Barn.
3. Each exhibitor must provide his own feed and water and care for your own exhibit several times daily. Each member is responsible for their own cage padlock. All cages must be cleaned by 9 a.m. daily and as needed throughout the day. Superintendent will contact 4-Hers if cages need to be cleaned. If cages are not maintained and kept clean you may be asked to remove your animals from the barn. This will result in an incomplete in your project and you will not be allowed to auction your animal.
4. All entries into the Poultry Barn must be recognized in the American Standard of Perfection or Bantam Standards by the American Bantam Association. The only exception will be in the Egg Production Class.
5. Each exhibitor may enter 4 birds per class. They may only exhibit 1 pair of birds in the entire Egg Market Class. (This will be the auction birds). Auction egg layers must be a dual purpose breed to qualify for the auction. Auction animals

will be going to market on the out truck. The Egg Market Class list of birds will be sent out at a later date. The heavy commercial ducks may be auctioned.

6. Age classification for Poultry and Waterfowl:

- a. Bird less than 1 year old on the day of show-Young Birds(pullets or cockerels)
 - b. Bird 1 year old or older on the day of the show-Mature Birds(hens or roosters)
 - c. All birds of same sex regardless of age (Hen/Pullet and Cock/Cockerel) will show together in their class.
 - d. You must provide proof of NPIP for birds less than 1 year of age. For example: you will need to keep your receipt of purchase from Store/ Hatchery and get the NPIP number at that time. Blood testing will be offered by the Barn and dates will be provided. No Birds will be allowed in the poultry Barn without the NPIP or testing paperwork.
 - e. Part of the NPIP program regulates birds exhibited in the state of Indiana. In order to exhibit in Indiana, the birds must come from an NPIP-certified Pullorum-Typhoid clean flock within one year of exhibition or have had a negative Pullorum-Typhoid test within ninety (90) days prior to exhibition.
7. Egg Market Class will consist of 3 classes of egg layers. The classes are: Brown Eggs, White Eggs, and All other Colored Eggs. This classes will consist of a pair of birds. Must be 3 or more in each class or classes will be combined.
8. Any birds entered in the Market Classes may not be shown in any other class.
9. A poultry Showmanship Class will be held at the completion of Poultry Show. A manual is available upon request from the extension office. Showmanship Classes are divided into the following grades: Novice 3rd to 5th, Junior 6th to 8th, and Advanced 9th to 12th. Should you win your division you will be moved into the next class for Showmanship.
10. Rooster Crowing Contest will be held during the fair, time and date to be announced. The contest will be done by the rooster owned by a 4-Her. Only ROOSTERS will be included in the contest.
11. Showmanship classes will be divided into appropriately sized groups by age. 4-Hers must sign-up with the respective superintendent. When signing up to enter the showmanship contest, the 4-Her must give his/her grade level. The superintendent will determine the break in class size. The winners in each class will show for the Champion Showman Award. (Past winners will re-enter their appropriate age class each year). All participating members must show their own animals.

Senior Exhibit Category Class Guidelines (grades 8-12 suggested):

Youth may enter an exhibit in one or more categories. Create an outfit from one of the categories defined below that can be worn by the exhibitor or another person demonstrating at least 6 skills from Sewing Skills and Techniques, 4-H-925-SC-W, in addition to those learned in prior grades

All senior sewing outfits exhibited in Fashion Revue must be made and worn by the exhibitor.

DEFINITION OF AN OUTFIT: An outfit is a garment or garments that when put together make a complete look - such as one or two piece dress, or one or two piece pant suit, or a three piece combination, such as pants, vest, and blouse or shirt.

Informal or Casual Wear:

A complete outfit of 1 or 2 pieces suitable for school, weekend, or casual, informal activities. A complete outfit is defined as a garment or garments that when put together make a complete look - such as one or two piece dress, or one or two piece pant suit, or a three piece combination, such as pants, vest, and blouse or shirt.

Dress Up:

This is suitable for special, church, or social occasions that are not considered to be formal. It may be an outfit of one or more pieces with or without its own costume coat or jacket (lined or unlined). This is not an outfit that would be worn to school, weekend, or casual, informal activities.

Free Choice:

A complete outfit comprised of garments that do not fit in the other classifications. A complete outfit is defined as a garment or garments that when put together make a complete look - such as one or two piece dress, or one or two piece pant suit, or a three piece combination, such as pants, vest, and blouse or shirt. Individual garment examples include: tennis wear, swim wear, athletic or sportswear, lounge wear, riding habits, historic, dance, theatrical, or international costumes, capes, and unlined coats.

Suit or Coat:

The suit consists of two pieces including a skirt or pants and its own lined jacket. It is not a dress with jacket as in "dress up wear". The coat is a separate lined coat. It will be judged separately as a coat with its own accessories.

Separates:

Consists of three garments that must be worn as a coordinated complete outfit. A complete outfit is defined as a garment or garments that when put together make a complete look - such as one or two piece dress, or one or two piece pant suit, or a three piece combination, such as pants, vest, and blouse or shirt. Each piece should be versatile enough to be worn with other garments.

Formal Wear:

This outfit may be one or more pieces suitable for any formal occasion, such as proms, weddings, and formal evening functions.

SHEEP

See the "2022 Animal/Livestock Guidelines" on page 13 of the Periscope

1. All animals must be healthy at the time of entry to the Newton County Fair to be eligible for exhibition. All animals must be identified and meet appropriate State Board of Animal Health requirements.
2. All animals must be enrolled in 4-H online, identified, owned and under the care of the 4-H member by May 15. Registered ewes must be identified by a flock tag number or tattoo. All wethers and non-registered ewes must be individually identified under the supervision of the Superintendent and the Extension Staff at the start of the project. Animals will be identified by RFID tag and county ear tag name. All Commercial ewes going to the State Fair must be identified with a county ear tag.
3. Market lambs and ewe lambs must have been dropped after September 1 of the previous year.
4. Lambs being shown in the ewe class cannot be shown in the market lamb class.
5. Purebred ewe classes will be shown by birth dates and not by weights.
6. Purebred ewe entries will be sifted for breed character by committee member at time of entry. Registration papers are welcome but not required. To be eligible for the Indiana State Fair registration will be required for purebred ewes.
7. Third year and above Sheep members are encouraged to show in at least one breeding class.
8. Market lambs will be weighed and will show by weight. Appropriate weight classes will be determined by the Superintendent.
9. There must be at least two (2) lambs in a class to make up a class. If less than two (2) lambs in a class, the lambs will be placed in other appropriate classes, under supervision of the Sheep Committee and Superintendent.
10. Any artificial means of conditioning animals such as ice packs, chemicals, water, air, drugs, etc. may not be used. Members will be eliminated from the show.
11. All 4-H Sheep may be checked for identification by a county RFID tag during the county fair.
12. Members in Level 3, grades 9, 10, 11, 12, have the option of presenting or helping with a sheep workshop instead of completing project manual guidelines. Arrange in advance with Superintendent.

13. Weigh-in will be held upon entry.
14. Showmanship classes will be divided into appropriately sized groups by age. 4-Hers must sign-up with the respective superintendent. When signing up to enter the showmanship contest, the 4-Her must give his/her grade level. The superintendent will determine the break in class size. The winners in each class will show for the Champion Showman Award. (Past winners will re-enter their appropriate age class each year). All participating members must show their own animals.

SHOOTING SPORTS

Description: The 4-H shooting sports project teaches safe operation of firearms and archery equipment.

State Fair Entries: 3 per county; one per level

Exhibit Guidelines:

All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed. Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Display boards should be designed to sit on a table using no more than 36" of tabletop space. Space should be left in the lower right hand corner to place an exhibit tag provided by Purdue Extension staff. Live ammunition is not allowed to be exhibited (no powder or primer). Firearms or ready to shoot bows are not allowed to be exhibited. Unstrung bows are permissible. An arrow with its arrowhead attached must be displayed in a secure case. An arrowhead without the arrow attached must be displayed in a secure case. An arrow may be displayed unsecured if its arrowhead is removed. Modern broadhead arrows are not allowed to be exhibited. Displays involving firearms or bows may be exhibited as a photographic display on a poster or in a notebook following grade level guidelines. Handmade items must include information explaining how the item was made and its intended use. Photos are encouraged. Some county 4-H programs offer in-person shooting instruction, depending on facilities. Disciplines include archery, rifle, shotgun, muzzleloader and pistol. In-person instruction in any of these disciplines must be led by a 4-H certified instructor. While some counties provide an option to exhibit at the county level, there is no state fair exhibit in these specific disciplines. Contact your county 4-H educator to learn about discipline opportunities in your county. Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

Exhibit Class Guidelines:

Beginner (grades 3-5 suggested)

Create an educational poster, notebook or display about a shooting sports topic of choice that is age/grade appropriate.

Intermediate (grades 6-8 suggested)

Create an educational poster, notebook or display about a shooting sports topic of choice that is age/grade appropriate. Another option is to create an item to be used when developing shooting sports skills.

Advanced (grades 9-12 suggested)

Create an educational poster, notebook or display about a shooting sports topic of choice that is age/grade appropriate. Another option is to create an item to be used when developing shooting sports skills. Youth can also design and complete an independent study activity.

SMALL ENGINE

Description: The 4-H Small Engine project creates the education and hands-on opportunity for youth to learn all about engines.

State Fair Entries: 3 per county; one per level.

Exhibit Guidelines:

All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed. Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Display boards should be designed to sit on a table using no more than 36" of tabletop space. Space should be left in the lower right hand corner to place an exhibit tag provided by Purdue Extension staff. The actual small engine may be displayed if mounted on a stable base. For safety reasons, all fluids (fuel and oil) must be removed before taking the exhibit inside a building. A notebook is to accompany the engine display and include details and pictures of what was done to the engine. Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

Exhibit Class Guidelines:

Beginner (grades 3-5 suggested)

Create an educational poster, notebook or display about any small engine topic of choice that is age/grade appropriate or a rebuilt small engine.

Intermediate (grades 6-8 suggested)

Create an educational poster, notebook or display about any small engine topic of choice that is age/grade appropriate or a rebuilt small engine.

Advanced (grades 9-12 suggested)

Create an educational poster, notebook or display about any small engine topic of choice that is age/grade appropriate or a rebuilt small engine. Youth can also design and complete an independent study activity.

SPORTFISHING

Description: The 4-H sportfishing project teaches safe habits and youth develop an appreciation for natural resources.

State Fair Entries: 3 per county; one per level

Exhibit Guidelines:

All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

Exhibit Class Guidelines:

Beginner (grades 3-5 suggested)

Create an educational poster, notebook or display about a sportfishing topic of choice that is age/grade appropriate.

Intermediate (grades 6-8 suggested)

Create an educational poster, notebook or display about a sportfishing topic of choice that is age/grade appropriate. Another option is to create an item to be used when developing sportfishing skills.

Advanced (grades 9-12 suggested)

Create an educational poster, notebook or display about a sportfishing topic of choice that is age/grade appropriate. Another option is to create an item to be used when developing sportfishing skills. Youth can also design and complete an independent study activity.

SWINE

See the "2022 Animal/Livestock Guidelines" on page 13 of the Periscope

Description: Youth will learn to care for and show swine.

State Fair Entry: Any member may exhibit, separate entry required. Be sure to follow appropriate deadlines.

All Divisions: All exhibitors must present 4-H swine ID forms for their pigs at check-in time. No purebred gilts will be placed in the purebred class unless purebred registration forms are shown. YQCA training is required of all Swine members.

Rules:

1. All animals must be healthy at the time of entry to the Newton County Fair to be eligible for exhibition. All animals must be identified and meet appropriate State Board of Animal Health requirements.
2. Each pig must be identified by the standard ear notch system and properly enrolled on the "Swine Identification Form," 4-H 514 by May 15. No two animals of the same breed from the same 4-H family may have the same notches, except registered gilts.
3. All pigs must have been farrowed on or after January 1 of the current calendar year.
4. Each 4-H member may exhibit a maximum of six (6) gilts and six (6) barrows, representing a total of 3 breeds of barrows and 3 breeds of gilts with no more than 2 individual pigs of any one breed, with a total of no more than 12 pigs. Crossbreeds are considered a breed. The scramble pig is included in the two (2) barrows per breed.
5. There must be at least two (2) purebred pigs entered to make up a purebred class.
6. If there are less than two (2) purebred pigs for a class, these purebred animals will be placed in a class referred to as "all other purebreds."
7. If there are more than ten (10) purebred pigs for a class, the class will be divided into weight groups, if possible.

8. Animal Weight Limits: 150 pounds – 374 pounds. Any animals that do not fall within these limits will not show but will be considered for completion of the project.
9. Scramble. Only barrows will be used for scramble, and they will show in Scramble Class. Champion Scramble barrow automatically shows for Grand Champion Barrow. Champion Scramble Pig will not show in its Weight Class. The rest of the Scramble pigs show in their weight classes. Only Champion Scramble Barrow and/or any scramble barrow that becomes Grand or Reserve Grand Champion may sell in the auction.
10. Classes Shown:
 - A. Scramble barrows
 - B. Market barrows by breed and weight
 - C. Single purebred gilt by breeds, Jan., Feb., Mar., birth dates
 - D. Single crossbred gilt, by weight
11. Barrow class - the champion pig from each weight class will show against the winners of the purebred classes. There will be three (3) different weight classes (light weight, medium weight, and heavy weight). The light weight, medium weight, and heavy weight classes plus purebreds will all show for the Grand Champion Barrow.
12. All crossbred gilts will be shown by weight instead of month. The classes will be divided similar to the barrow class, roughly ten (10) classes. There will be three (3) different weight classes (light weight, medium weight, and heavy weight). A winner will be chosen from each weight section. The winner will show against all other champions for Grand Champion Gilt (i.e. Division I, Division II, and Division III plus the Champion Chester White, Hampshire, York and Duroc). Each division champion will receive a trophy. The Purebred gilts will still show by month.
13. No artificial constraint of animals will be allowed in the barn. (NO SNARING). The Swine Barn adheres to the Newton County Statement of Policy found in the front of the Periscope.
14. Showmanship. Each class winner will show for Champion Showman. The 10-year old class winner will not show in the Overall Champion Showman Class.
15. All swine which are to be sold through the market pool or 4-H auction must have at least ½" of hair. This will allow them to be sold through our market channel without rejections. Exception: Grand and Reserve Champion sold through the 4-H auction regardless of hair length/clipping.
16. During the Grand Gilt & Barrow Drive, there will be Grand & Reserve Grand chosen, then 3rd, 4th, and 5th overall.
17. Showmanship classes will be divided into appropriately sized groups by age. 4-Hers must sign-up with the respective superintendent. When signing up to enter the showmanship contest, the 4-Her must give his/her grade level. The superintendent will determine the break in class size. The winners in each class will show for the Champion Showman Award. (Past winners will re-enter their appropriate age class each year). All participating members must show their own animals.
18. 4-H exhibitors may receive clipping and grooming assistance from members of their immediate family (father, mother, siblings), from a current Indiana 4-H member, and from individuals enrolled in the Indiana 4-H Approved Animal Assistance Program. Temporary guardianships are not permitted and shall result in immediate disqualification.

SWINE POSTERS: Members may exhibit educational poster in addition to or in place of live animal. See Animal Education Project guidelines on pg. 28.

TRACTOR SAFETY AND OPERATOR SKILLS

Description: The 4-H tractor and equipment program develops principles of engine operation, hydraulic systems, electrical systems, safe operation skills.

State Fair Entries: 4 educational exhibits per county; one per level, 3 junior and 3 senior driving contestants will qualify at the county level to compete at the area level contest. 3 junior and 3 senior driving contestants will qualify at the area level to compete at the state contest.

Exhibit Guidelines:

All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the

back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed. Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Display boards should be designed to sit on a table using no more than 36" of tabletop space. Space should be left in the lower right hand corner to place an exhibit tag provided by Purdue Extension staff. Youth may exhibit in the operator skills option, educational exhibit option or both. Youth choosing to exhibit in the lawn and garden tractor, tractor, or zero-turn mower operator skills driving option must select one, but may be enrolled in all three projects. Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

Exhibit Class Guidelines:

Educational Exhibit Option

Level A (grades 3-4 suggested)

Create an educational poster, notebook or display about any manual activity or on any tractor safety, maintenance, operating system or operation topic of choice that is age/grade appropriate.

Level B (grades 5-6 suggested)

Create an educational poster, notebook or display about any manual activity or on any tractor safety, maintenance, operating system or operation topic of choice that is age/grade appropriate.

Level C (grades 7-9 suggested)

Create an educational poster, notebook or display about any manual activity or on any tractor safety, maintenance, operating system or operation topic of choice that is age/grade appropriate.

Level D (grades 10-12 suggested)

Create an educational poster, notebook or display about any manual activity or on any tractor safety, maintenance, operating system or operation topic of choice that is age/grade appropriate. Youth can also design and complete an independent study activity.

Operator Skills Option

Junior (grades 3-7 suggested)

Youth will demonstrate their operation skills by driving a tractor and wagon or trailer through an obstacle course as outlined in 4-H 84, Conducting 4-H Operator Safety Contests.

Senior (grades 8-12 suggested)

Youth will demonstrate their operation skills by driving a tractor and wagon or trailer through an obstacle course as outlined in 4-H 84, Conducting 4-H Operator Safety Contests.

VETERINARY SCIENCE

Description: This project provides a hands-on learning experience that helps youth learn more about the Veterinary Science profession.
