

## CONSUMER CLOTHING

Educational materials are designed to teach clothing selection, wardrobe planning, care of clothing, and personal grooming. Included are activities to be completed at home and in stores.

### Superintendent:

**State Fair Entries:** *One notebook from Beginner, Intermediate and Advanced Level*

**NOTE:** The Consumer Clothing modeling of garments and interview with the judge will be done prior to the fair in the 4-H Community Building. The public modeling of the 4-H'ers garments will take place at the public fashion revue during the fair in the main show ring of the fairgrounds.

All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the manner in which references are listed.

**\*\*For personal safety concerns, notebooks exhibited should only contain name, county, grade, level and club, and no personally identifiable information such as mailing address or phone number.**
