**A Message from Our Pulaski EH
President - Lenora Hoover**

Greetings All-

I'm sure everyone has heard the saying "Spring is right around the corner". The skunks have started to come out so I have a feeling we will have an early Spring. The beauty of this season brings happiness and joy all around! Spring makes our minds very creative and gives our bodies energy. Here's hoping we will have our Open Class Exhibits at the 4-H Fair this year. Start working on your projects, there are many choices to choose from the different classes. Enjoy and have fun! Go Spring!
