Winter Greetings!

Enrollment has begun for the 2022 4-H Program Year! You can re-enroll as a 4-H member or volunteer at [in.4honline.com](http://in.4honline.com). Please enroll by January 15<sup>th</sup>. When enrolling, please update your mailing and email addresses! This ensures that you receive correspondence and important information from the Extension Office. If you need help enrolling, stop by the office and someone will be glad to assist you!

Please remember that 4-H is a year-round program that offers activities, events, and workshops throughout the year. The State 4-H Office also offers programming so watch our Facebook page and your emails for these opportunities.

Continue to watch our Facebook page (Purdue Extension-Pulaski County) and our website ([extension.purdue.edu/pulaski](http://extension.purdue.edu/pulaski)) for up-to-date information. As always, please reach out to the Extension Office for all of your 4-H needs such as enrollment assistance, project questions, and more. We are here to assist you in any way possible.

Please have a safe and happy holiday season from,

*Sam Williams*

## 2022 Reminders and Updates

- If school closes due to weather, all 4-H/Youth Extension programs are cancelled.
- All county and RFID tags are \$3.00 each.
- Bring your livestock worksheets with you to weigh-in & tagging! You can get these worksheets from your club leader, the Extension office, or online. Also, please contact the Extension Office if you need to set up a time to enroll your animals online.
- A YQCA training must be completed by June 1st for all livestock members. In-person YQCA trainings cost \$3 but there are still some coupon codes available on a first come first serve basis for active 4-H members. There will be in-person trainings in Pulaski County scheduled in the spring so be on the lookout for those dates in the coming months. The YQCA training can also be completed online with a \$12 fee paid by the 4-H members or you can attend an in-person training in another county. A full list of scheduled trainings can be found online at [yqca.learnrow.io](http://yqca.learnrow.io).

### **Save the date!**

2022 Teens as Teachers will be held on February 25th-27th! Teens as Teachers is an opportunity for teams of 3-5 youth (grades 8-11) and one adult mentor to learn how to be teachers and subject matter experts of a topic of their choice. Youth will then be equipped to deliver programs in their own community. Topics will include Healthy Living, Science, Leadership, and more. Further information will be released in the coming weeks.
