2021 Beef Quality Assurance Trainings

WHY: Beef Quality Assurance (BQA) training and certification is now required for beef producers selling “fed cattle” (finished beef steers and heifers coming out of a feedlot) that ultimately are processed by many of today’s major packers. BQA certification is good for 3 years and the program is free to producers either in the face-to-face or on-line formats.

**When RSVPing, please communicate which location, date, number of people attending & contact phone number.*
