

Wells County

4-H Animal Possession Agreement

Please complete one form per family and return to the Purdue Extension - Wells County Office by May 15th. This agreement must be completed if your animal(s) do not reside on your property in order to be eligible to exhibit at the Wells County 4-H Fair.

If NOT at your property, list all 4-H animals and the locations they are kept. (Example - swine - grandfather Joe Smith, 1234 County Road 100, Bluffton, IN).

Please explain why your 4-H animals are at an alternate property, for 4-H Council review. (Example - our family lives in town and cannot keep cattle.)

I/we understand this project is to be under our immediate family's care and supervision throughout this project year, including any and all 4-H and Open Shows. If the terms of this agreement are violated, my/our eligibility to show in Wells County's 4-H show is terminated.
