Please note, this is a statewide program and is not facilitated through the Wells County Extension Office. If you have questions about this process, please visit the Indiana 4-H website or contact in4h@purdue.edu. If you need to verify that your helper has been approved, please contact Anya at aaulbach@purdue.edu.

Approved animal groomers should receive communication from the Indiana 4-H program mid-July regarding their approval status.
4-H CAMP:
Wells County 4-Hers joined 4-Hers from Adams, Allen, DeKalb, Huntington, Kosciusko, LaGrange, Noble, Steuben, Wabash, and Whitley Counties at our annual Northeast IN 4-H Camp...and it’s safe to say we had a blast!

Campers soaked up the sun at the beach, enjoyed some fun Olympic themed crafts, tried their hand at catching fish, started fires while learning survival skills, made their own ice cream, learned some line dancing, gave back to their communities while making blankets for local shelters, visited with raptors from Soarin’ Hawk, and SO MUCH MORE!

We’re already counting down the days until we get back to North Webster next summer!

4-H ASSOCIATION FUNDRAISERS:
The Wells County 4-H Association is currently seeking funds to replace one of the two HVAC systems in the Community Center Building. The current HVAC system is original to the building and is no longer working at the capacity it needs to properly heat and cool the Expo Hall, which serves as a gathering place for many 4-H families and community members. If you would like to make a contribution to the 4-H Association’s efforts to replace the HVAC unit, please reach out to 4-H Association President Brandon Gephart at wellsco4hassociation@gmail.com. The 4-H Association will be pushing out a fundraiser in the fall that all 4-H families can get involved in, and then having another fundraiser effort in the Spring. We thank you in advance for your support of the Wells County 4-H Association!
