Learn Woodland Management Practices and Timber Marketing at Webinars

Purdue Department of Forestry and Natural Resources and Purdue Extension – Whitley County will host woodland management webinars April 28 and May 12, 2020, from 6:30 – 7:30 p.m. each evening. Lenny Farlee, Purdue Extension forester, will be the featured speaker each night.

On April 28, participants will learn an introduction to managing for a healthy forest, invasive species management, timber stand improvement (TSI) principles, and access to assistance.

On May 12, the night will be devoted to considerations for selling timber.

To register, go to <https://bit.ly/3clOCs2> and use code WM20 to register for one or both events. The events are free and open to the public.
