Get Your Farm Off to a Great Start!

Interested in starting a farm but unsure of how to get started or where you can find help? Are you already a farmer but eager to enhance and improve your management practices?

Purdue Extension's Beginning Farmer Program can help put you on a path to success!

- Address the realities of starting a farm
- Assess your farming assets
- Define realistic goals
- Create feasible plans to achieve your goals

The program includes eight sessions, with individual work to complete between sessions.

You'll emerge with a clear perspective on planning farm projects and moving forward with confidence!
